Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows

Particulars	March 31, 2025	March 31, 2024
Variable rate borrowings	29,877.14	29,150.42

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

	March 31, 2025	March 31, 2024
Interest rates - Increase by 25 (March 31, 2024 - 50) basis points	(70.43)	(116.04)
Interest rates - Decrease by 25 (March 31, 2024 - 50) basis points	70.43	116.04

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks and other financial instruments.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes below. There is no charge of impairment to Statement of Profit and Loss.

Expected credit loss for trade receivable under simplified approach

Trade receivables	As at March 31, 2025			As at March 31, 2024		
	Gross	Expected loss rate	Expected loss allowance	Gross	Expected loss rate	Expected loss allowance
Unbilled	452.49	0%	-	685.85	0%	-
Outstanding for following periods from the due date						
Not due	-	0%	-	-	0%	-
Less than 6 months	28.69	0%	-	0.54	0%	-
Total	**481.18**	**0%**	**-**	**686.39**	**0%**	**-**

Expected credit loss (ECL) for

Balances with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits. As per ECL assessment provision for ECL has been recognised, refer note 12 and 24 for details.

Particulars	Security Deposits
Loss allowance on 1 April 2023	-
Loss allowance recognised during the year	-
Receivables written off during the year	-
Unused amount reversed	-
Loss allowance as on March 31, 2024	**-**
Loss allowance recognised during the year	119.11
Receivables written off during the year	-
Unused amount reversed	-
Loss allowance on 31 March 2025	**119.11**

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non-derivative				
Borrowings	1,758.11	1,604.33	2,084.13	25,564.29
Lease liabilities	58.87	119.16	127.50	1,732.27
Payable for property, plant and equipment	90.59	-	-	-
Trade Payables	45.60	-	-	-
Other financial liabilities	46.37	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non-derivative				
Borrowings	712.00	2,620.34	2,792.00	24,034.00
Lease liabilities	37.82	118.98	124.40	1,812.72
Payable for property, plant and equipment	26.28	-	-	-
Trade Payables	52.18	-	-	-
Other financial liabilities	266.68	-	-	-

33 Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	March 31, 2025	March 31, 2024
Borrowings including accrued interest	30,946.62	30,251.89
Lease liabilties	706.09	683.17
Less: Cash and cash equivalents (includes other bank balances)	835.90	281.38
Net debt	**30,816.81**	**30,653.68**
Equity	7,522.33	8,875.35
Net Debt to Equity	**4.10**	**3.45**

Net debt to equity has increased in current year majorly on account decrease in total equity on account of loss during the year.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(a) Debt Service coverage ratio to be not less than 1.10

The financial covenant are tested based on the audited financial statements every year which shall start from Financial Year 2026.

34. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Based on the information available with the Company, none of the vendors fall under the definition of micro, small and medium enterprises.

Particulars	As at March 31, 2025	As at March 31, 2024
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount dues to micro and small enterprises	6.77	9.43
- Interest due thereon	0.01	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	45.46	7.12
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.56	0.13
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.57	0.13
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.70	0.13

Notes to the financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

35. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium
The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

36. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with the regulations.

37. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

State of Company's Affairs

The Solar capacity of 38.20 MW/56.85 MWp in the State of Tamil Nadu has been in operation since September 2023. Due to the heavy rainfall and subsequent flooding in the state of Tamil Nadu in December 2024, the operation of the plant was disrupted and the plant is subsequently restored.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affects the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 68,55,00,000 divided into 6,85,50,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations

& Maintenance. The Company is also using water cleaning modules at regular frequency.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalisation: - HSE digital software implemented for hazard reporting at risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

During the year, the appointment of Mr. Sanjay Parande (DIN: 07161299) and Mr. Ashok Joshi (DIN: 02296952), Additional Independent Directors of the Company was regularized in the Annual General Meeting held on July 22, 2024.

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Ravi Damaraju (DIN: 09554649) retires by rotation and being eligible offers himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Third AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani (DIN: 01853530) resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Sourabh Sonawane was appointed as the Company Secretary and Key Managerial Personnel (KMP) of the Company with effect from May 2, 2024.

Board Evaluation

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out an annual evaluation of its performance and of its individual Directors.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on May 2, 2024, July 22, 2024, October 28, 2024 and January 23, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 23, 2025 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit committee as on March 31, 2025 comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Deshpande as members of the committee. The Committee was reconstituted by the Board by a resolution passed by circulation on April 17, 2024 and Mr. Sandeep Deshpande was inducted as a member of the Committee. The committee met four times during the year on May 2, 2024, July 22, 2024, October 28, 2024 and January 23, 2025. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on January 11, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee.

The Committee met twice during the year on May 2, 2024 and on January 23, 2025.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the Company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. It has complied with provisions relating to the constitution of the Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

The State notified several draft regulations in the year (grant of connectivity, green open access, wind re-powering/refurbishment, etc.) with positive impacts/opportunities for business, supporting the captive open access market. Further, demand for captive open access in the state continues to be robust.

Vigil mechanism

The Company has adopted the whistle blower policy of Thermax Limited, the ultimate holding company of the Company, which is applicable to all subsidiaries of Thermax Limited.

Auditors

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Secretarial Auditors

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2024-25. The Secretarial Audit Report for FY 2024-25 is attached as Annexure 2 to this Report.

Internal Auditors

The Board has appointed Mr. Satish Jayaram, Chartered Accountant as the Internal auditor of the Company.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Annexure 1

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration of Non- Executive Directors (NEDs):

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

First Energy 4 Private Limited

Annexure 2

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2025
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 4 PRIVATE LIMITED

Regd. Office Address: 6th Floor, Office No. 601 Cello Platina, F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 4 Private Limited** bearing CIN: U40100PN2022PTC216736 (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31st March, 2025**, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter. We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; **Not applicable;**

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; **Not applicable;**

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; **Not applicable;**

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were **not applicable** to the Company:

vi. As per the management representation, no other laws applicable except mentioned below specifically to the Company during the audit period:

(a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended 31st March, 2025, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; **Not applicable**

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

   1.1. Mr. Mitish Manoharlal Somani (DIN: 01853530) who was appointed as Director has been resigned from the post of Director w.e.f. April 05, 2024.

   1.2. Mr. Sanjay Dinkar Parande (DIN: 07161299) who was appointed as Additional Independent Director on January 11, 2024 has been regularized from the post of Additional Director in Independent Capacity to Non-Executive Independent director w.e.f. July 22, 2024.

   1.3. Mr. Ashok Keshav Joshi (DIN: 02296952) who was appointed as Additional Independent Director on January 11, 2024 has been regularized from the post of Additional Director in Independent Capacity to Non-Executive Independent director w.e.f. July 22, 2024.

   1.4. Re-appointment of Mr. Ravi Damaraju (DIN: 09554649) who was eligible to retire by rotation has been re- appointed as a director of the company.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and, in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to

monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. In accordance with the provisions of the Companies Act, 2013, the Company increased its authorized paid-up share capital to₹ 69,00,00,000 (Rupees Sixty-Nine Crores only) on April 18, 2023. Further the company increased its paid-up share capital twice, by ₹ 50,71,00,000 on 19th June 2023 and ₹ 17,83,00,000 on 11th July 2023 respectively. However, The Company appointed Mr. Sourabh Sonawane (ACS 58561) as the Whole-Time Company Secretary (CS) and Key Managerial Personnel (KMP), effective from 02nd May, 2024.

ii. The company has approached its Holding Company for availing fund / non-fund based limits upto Rs 8.18 Crores under the total limit approved by Board of Directors.

iii. The Board Committees, namely Audit Committee and Nomination and Remuneration Committee have been constituted and have met 4 times and 2 times respectively.

iv. In line with the provisions of Companies Act, 2013, the Company has appointed Mr. Satish Jayaram as Internal Auditor of the Company in the Board Meeting held on 02nd May, 2024.

First Energy 4 Private Limited

Annexure-A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2025

To,
The Members,
FIRST ENERGY 4 PRIVATE LIMITED
Regd. Office Address: 6th Floor, Office No. 601 Cello Platina,
F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

Our Secretarial Audit report for the financial year ending 31st March, 2025, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 4 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 4 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 4 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above on reporting under Section 143(3)(b) and paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position.

        ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 33(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 33(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

14. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 4 Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 4 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 4 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 4 Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in 3 mutual fund schemes during the year.

The Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues of goods and services tax which have not been deposited on account of any dispute. The particulars of other statutory dues referred to in sub-clause (a) as at March 31, 2025 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs.)	Amount paid under protest (Rs.)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax (including interest and penalty if applicable)	1,49,600	-	AY 23-24	Assessing Officer (CPC), Bangalore

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained. (Also, refer Note 14 to the financial statements)

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs 951.55 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out in a phased manner. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) Under the group's phased audit plan, no internal audit has been conducted in the current year. Accordingly, Internal Audit Reports have not been considered by us for the purpose of our audit.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 67.90 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 4 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on December 7, 2022 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 29, 2025. The CIN of the Company is U40100PN2022PTC216736.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Computers	3	3
Roads	3	3
Office equipment	5	5

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in Statement of Cash Flows.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the

acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present

obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

iii. Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a Discounted Cash Flow (DCF) model. The cash flows are derived from the budget over the useful life of assets as approved by the Management and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows. The estimates involved includes long term debt cost, cost of equity and long term debt equity ratio.

iv. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

v. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

vi. Revenue recognition

The Company recognises revenue (including the adjustment to transaction price resulting due to customer claims) as per the applicable power purchase agreement, ongoing negotiation with customers, management's probability estimate and the past trends of settlement.

Capitalization of expenses

During the period, the Company has capitalized the following expenses of revenue nature to the cost of Property, plant and equipment / Capital work-in-progress. Consequently, expenses disclosed under the respective notes are net of amounts capitalized by the Company.

Particulars	As at March 31, 2025	As at March 31, 2024
Reimbursement of salaries and wages	-	120.15
Interest and reimbursement of interest expenses*	-	467.40
Depreciation and reimbursement of depreciation*	-	13.30
Reimbursement of other expenses	-	7.54
Total	**-**	**608.39**

*Reimbursement of interest and depreciation includes expenses pertaining to rental property for which right -of- use assets and lease liabilities have been recognised.

4. Deferred tax assets (net)

The balance comprise of temporary differences attributable to:

Particulars	As at March 31, 2025	As at March 31, 2024
Deferred Tax Assets		
Losses available for offsetting future taxable income	2,590.12	1,647.17
Others	-	9.21
Total	**2,590.12**	**1,656.38**
Deferred Tax Liabilities		
Depreciation of property, plant and equipment	2,573.55	1,654.33
Ind AS impact on borrowings	16.57	2.05
Total	**2,590.12**	**1,656.38**
Net Deferred Tax Assets	**-**	**-**

The Company has tax losses of Rs 1,938.30 lakhs (March 31, 2024 - Rs 769.51) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs 332.61 lakhs (March 31, 2024 - Rs 132.11 lakhs).

Particulars	Expiry date	As at March 31, 2025		As at March 31, 2024	
		Amount	Tax Impact	Amount	Tax Impact

Fair value hierarchy

The following table provide the fair value measurement hierarchy of the Company's assets.

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2024	-	1,692.99	-

Level I: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of NAV based on report issued by mutual fund house.

27. Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

The Management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2025	As at March 31, 2024
Variable rate borrowings	20,246.57	20,061.85

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Interest rates - Increase by 25 (March 31, 2024 - 50) basis points	(50.99)	(42.08)
Interest rates - Decrease by 25 (March 31, 2024 - 50) basis points	50.99	42.08

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of profit and loss.

Trade receivables	As at March 31, 2025		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	255.23	0%	-
Total	**255.23**	**0%**	**-**

Notes to the Financial Statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Trade receivables	As at March 31, 2024		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	265.33	0%	-
Total	**265.33**	**0%**	**-**

Balances with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash, marketable securities the availability of funding through an adequate amount of committed credit facilities to meet obligations. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	1,357.12	1,127.71	1,703.73	17,142.56
Trade payables	375.69	-	-	-
Other financial liabilities	157.09	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	389.94	812.99	1,461.02	17,706.05
Trade payables	307.87	-	-	-
Other financial liabilities	1,560.86			-

28 Analytical ratios

S. No.	Particulars	Numerator	Denominator	For the year ended March 31, 2025	For the year ended March 31, 2024	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	0.49	0.86	-43%	Due to decrease in current assets because of redemption of entire current investment
2	Debt-Equity Ratio	Total debt	Shareholders' equity	4.40	3.31	33%	Due to increase in borrowings and decrease in equity on account of loss during the year
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt service (Interest + Principal repayments)	0.92	0.03	2633%	Due to decrease in debt service in current year
4	Return on Equity	Net profits after taxes	Average shareholder's equity	-23.56%	-20.67%	14%	Not Applicable
5	Return on investment	Investment income	Average investment	5.85%	4.39%	33%	Due to increase in average investment yield
6	Trade Receivables turnover Ratio	Total sales	Average trade receivable	9.91	4.00	148%	Major increase due to increase in sales and decrease in average trade receivables
7	Trade payables turnover Ratio	Net credit purchases	Average trade payables	1.82	2.92	-38%	Due to significant decrease in average trade payables
8	Net capital turnover Ratio	Total sales	Working capital	-1.95	-2.53	-23%	Not Applicable
9	Return on Capital employed	Earning before interest and taxes (EBIT)	Capital employed	2.71%	1.21%	124%	Due to increase in EBIT for the year
10	Net Profit Ratio	Net Profits/(loss) after taxes	Revenue	-0.50	-0.59	-15%	Not Applicable

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth plus total debt
Average = (Opening + Closing)/2

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

29 The plant of the Company was hit by unprecedented torrential rain around mid December 2023 resulting in submerging of the project site. The management has performed assessment of losses incurred on account of this event. Modules worth INR 10,925 lakhs were also submerged under water, but a substantial portion of these modules were subsequently operational and there was no sign of any physical damage except for a few modules. The Management had filed for an insurance claim for total loss inclusive of modules cost amounting to INR 11,700 lakhs which was later revised to INR 7,400 lakhs. The insurance company had acknowledged the intimation of claim and had confirmed that the property and the event are covered under the policy. Further the Insurance Company had remitted INR 1,000 lakhs as on account payment. The expense of INR 339 lakhs pertaining to damage was accounted for as repairs and maintenance cost in the books of account and the corresponding insurance claim income of INR 323 lakhs was recognized based on management's assessment of insurance claim being virtually certain. The discussion with insurance company for ascertainment of damage is still ongoing.

The site of the Company was affected by severe rains in December 2024 resulting in submerging of site. The management has performed assessment of losses incurred on account of this event. Basis the assessment, amount of Rs. 154.73 Lakhs has been recognized as impairment expenses for the damage in the books of accounts. The management has communicated the extent of damages to the insurer.

30 Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	As at March 31, 2025	As at March 31, 2024
Borrowings including accrued interest	21,272.15	20,235.28
Less: Cash and cash equivalents (includes other bank balances)	85.41	261.54
Net debt	**21,186.74**	**19,973.74**
Equity	**4,822.71**	**6,110.61**
Net Debt to Equity	**4.39**	**3.27**

Net debt to equity has increased majorly on account of increase in debt and decrease in equity due losses incurred in current year.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(a) Fixed Asset Coverage Ratio should not be less than 1.24:1

(b) Debt Service coverage ratio (DSCR) to be not less than 1.25

(c) Interest Coverage Ratio does not fall below 1.5:1

(d) Total outside liability/ Tangible Net Worth should not be more than 4:1

The financial covenant are tested based on the audited financial statements after the end of each financial year.

Some of the debt covenants were not complied as at March 31, 2025, refer note 14 for details.

31 Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

32 Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Due to small- scale industrial undertakings have been worked out on the basis of information available with the management.

Particulars	As at March 31, 2025	As at March 31, 2024
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount dues to micro and small enterprises	2.76	6.02
- Interest due thereon	0.00	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.	-	-

The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.08	0.07
The amount of interest accrued and remaining unpaid at the end of each accounting year.	0.08	0.07
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.15	0.07

33. Other statutory information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries)

or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

34. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with the regulations.

35. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

State of Company's Affairs

The Company's Renewable Energy project with Wind Technology of 39MW capacity was partially commissioned up to 24MW during the year and balance 15 MW is in progress.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

In a view of accumulated losses, the directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year under review, there were no changes in the capital structure of the Company.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.

- **Renewable Sources and Grid Availability**

  The risk identified by the Company is lower generation on account of lower wind speed, and Grid failures. The Company continuously studies the Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns . This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety

First Energy 5 Private Limited

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ravi Damaraju (DIN: 09554649) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Third AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Sumit Rathi was appointed as an Additional Director of the Company with effect from April 3, 2024, and his appointment was regularized on July 23, 2024.
- Ms. Swara Kharadkar was appointed as the Company Secretary and Key Managerial Personnel (KMP) of the Company with effect from May 2, 2024.
- Mr. Chandrasekhar Sureshnathan resigned as Chief Executive Officer of the Company with effect from June 19, 2024.
- Mr. Ashok Joshi (DIN: 02296952) and Mr. Sanjay Parande (DIN: 07161299) were appointed as additional independent directors of the Company with effect of July 26, 2024.
- Mr. Vinayak Deshpande was appointed as the Chief Executive Officer of the Company with effect from January 24, 2025.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have the necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on May 02, 2024, July 26, 2024, October 29, 2024 and January 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 23, 2025 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Deshpande as members of the committee. The committee met twice during the year on October 29, 2024, and January 24, 2025. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 24, 2025.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as

amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the Company is a subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of Companies Act, 2013 as on March 31, 2025. Hence, the Corporate Social Responsibility provisions are not attracted.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing a safe and conducive work environment for its employees and has complied with provisions relating to constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013.

There were no cases pending at the beginning of the year/ filed during the year, pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of one-time settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the whistle blower policy of Thermax Limited, the ultimate holding company of the Company, which is applicable to all subsidiaries of Thermax Limited.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Secretarial Audit

In accordance with the provisions of Section 204 of the Companies Act, 2013, and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed Ladda Bhutada & Associates, Company Secretaries, Pune, to undertake the secretarial audit of the Company for FY 2024-25. The Secretarial Audit Report for FY 2024-25 is attached as Annexure 2 to this Report.

Internal Audit

The Board has appointed Mr. Satish Jayaram, Chartered Accountant as the Internal auditor of the Company.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

The State notified several draft regulations in the year (grant of connectivity, green open access, wind re-powering/refurbishment etc) with positive impacts/opportunities for business, supporting the captive open access market. The demand for captive open access in the state continues to be robust.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

Annexure 2

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2025
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 5 PRIVATE LIMITED

Regd. Office Address: 6th Floor, Office No. 601 Cello Platina, F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. First Energy 5 Private Limited** bearing **CIN: U40200PN2022PTC216938** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; **Not applicable;**

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; **Not applicable;**

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; **Not applicable;**

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc., related to SEBI were **not applicable** to the Company:

vi. As per the management representation, no other laws applicable except mentioned below specifically to the Company during the audit period:

(a) (a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 and The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended 31st March, 2025, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; **Not applicable**

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Non-Executive and Independent Directors, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

1.1. Mr. Sumit Prafulla Rathi (DIN: 07727272) appointed as an Additional Director on the Board w.e.f. April 3, 2024 and further regularized as Director in second annual general meeting w.e.f. June 23, 2024.

1.2. Mr. Mitish Manoharlal Somani (DIN: 01853530) who was appointed as Director has been resigned from the post of Director w.e.f. April 5, 2024.

1.3. Ms. Swara Omkar Kharadkar (ICSI Membership No: ACS69439) appointed as a Whole-time Company Secretary w.e.f. May 2, 2024.

1.4. Re-appointment of Mr. Ravi Damaraju (DIN: 09554649) who was eligible to retire by rotation has been re- appointed as a director of the company.

1.5. Mr. Chandrasekar Sureshnathan (DIN: 08180321) who was appointed as Chief Executive Officer (CEO) on December 13, 2023, has been resigned from the post of CEO w.e.f. June 19, 2024.

1.6. Mr. Ashok Keshav Joshi (DIN: 02296952) appointed as Additional Independent Director w.e.f. July 26, 2024.

1.7. Mr. Sanjay Dinkar Parande (DIN: 07161299) appointed as Additional Independent Director w.e.f. July 26, 2024.

1.8. Mr. Vinayak Vyanktesh Deshpande (PAN: AFAPD0344M) appointed as the Chief Executive Officer and Key Managerial Personnel (KMP) of the Company on the recommendation of Nomination and Remuneration Committee w.e.f. January 24, 2025 by the board.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and, in case of shorter notice, compliance as required under the Act has been made

by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. In accordance with the provisions of the Companies Act, 2013, the Company increased its authorized paid-up share capital to ₹ 95,00,00,000/- (Rupees Nine-Five Crores only) on March 24, 2023. Further the company increased its paid-up share capital thrice, by ₹ 69,50,00,000/- on June 30, 2023, ₹ 60,00,000/- on September 30, 2023 and ₹ 24,87,43,200/- on January 16, 2024 respectively. However, the Company appointed Ms. Swara Omkar Kharadkar (ACS 69439) as the Whole-Time Company Secretary (CS) and Key Managerial Personnel (KMP), effective from May 02, 2024.

ii. According to Sub-section 4 of Section 203 of the Companies Act, 2013 and relevant rules, if the office of any whole-time key managerial personnel is vacated, the resulting vacancy shall be filled-up by the Board at a meeting of the Board within a period of six months from the date of such vacancy. The existing Chief Executive Officer (CEO) of the company resigned w.e.f. July 19, 2024, However, the Company appointed Mr. Vinayak Vyanktesh Deshpande (PAN: AFAPD0344M) on January 24, 2025.

iii. The Company has approached its Holding Company for availing fund / non-fund based limits upto ₹ 27,59,00,000/- (Rupees Twenty-Seven Crores and Fifty-Nine Lakhs only) under the total limit approved by Board of Directors.

iv. The Board has constituted the Audit Committee and Nomination and Remuneration Committee on July 26, 2024 and both the Committees have met two (2) times and one (1) time respectively.

v. The Company has adopted the Whistle Blower Policy/ Vigil Mechanism of ultimate holding company "Thermax Limited", in the Board Meeting held on July 26, 2024.

vi. In line with the provisions of Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor and Mr. Satish Jayaram, Chartered Accountant as an Internal Auditor of the Company in the Board Meeting held on July 26, 2024.

Annexure-A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2025

To,
The Members,
FIRST ENERGY 5 PRIVATE LIMITED
Regd. Office Address: 6th Floor, Office No. 601 Cello Platina,
F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

Our Secretarial Audit report for the financial year ending 31st March, 2025, of even date is to be read along with this letter.

A. Management's Responsibility

It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

1. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

2. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

3. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

4. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

1. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

2. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

First Energy 5 Private Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 5 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 5 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above on reporting under Section 143(3)(b) and paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position.

        ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 30(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

            (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 30(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

            (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

14. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

First Energy 5 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 5 Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 5 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 5 Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in 7 mutual funds during the year.

The Company has not granted any secured/ unsecured loans/ advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), 3(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made and security provided are not prejudicial to the Company's interest.

iv. In our opinion, the Company has complied with the provisions of Sections 185 of the Companies Act, 2013 in respect of the security provided by it. The Company has not granted any loans or made any investments or provided any guarantees to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the Company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained, except for the following cases:

Nature of the fund raised	Name of the lender	Amount diverted (Rs in lakhs)	Purpose for which amount was sanctioned	Purpose for which amount was utilised	Remarks
Domestic Term Loan	Central Bank of India	2,979.85	To install 39 MW Wind Power Plant	To invest in mutual funds	Pending utilisation of the term loan for the stated purpose, the funds were temporarily used for the purpose other than for which the loan was sanctioned but were ultimately utilised for the stated end-use.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs 2,100.51 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out in a phased manner. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 112.84 lakhs in the financial year and of Rs. 28.08 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 5 Private Limited

Notes to the Financial Statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 5 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on December 13, 2022 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business of producing wind power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 29, 2025. The CIN of the Company is U40200PN2022PTC216938.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in Statement of Cash Flows.

b. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Roads	3	3

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss..

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

e. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the

rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

f. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

h. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

i. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

j. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

k. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

l. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

m. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

n. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.5. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures including contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are also described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

a. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

b. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

c. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

Current assets	1,261.57	1,427.25
Non-current assets	-	-
Total	**1,261.57**	**1,427.25**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2025	As at March 31, 2024
Financial assets		
Investments		
Mutual funds	-	24.25
Total financial assets (Current)	**-**	**24.25**

Fair value of market linked mutual funds was determined using Net Assets Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets.

As at March 31,2024

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2024	-	24.25	-

Level I: level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instruments is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

25 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade receivables, security deposits and cash and cash equivalents. The Company also held investments measured at fair value through profit and loss account.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the Company reviews and agrees policies

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

Particulars	As at March 31, 2025	As at March 31, 2024
Variable rate borrowings	29,672.47	-

Interest rate sensitivity

Impact due to sensitivity of interest rate is not calculated, because the Companies loss before tax is not affected through the impact on variable rate borrowings, as borrowing is towords acquring a qualifying assets and the interest is capitalised according to IND AS 23.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and hence not exposed to any foreign currency risk.

c Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables, security deposits) and from its investing activities, including deposits with banks and other financial assets.

Expected credit loss for

Balances with banks:

Credit risk from balances with banks is managed by Parent Company's finance department in accordance with the Company's policy. Investment of surplus funds are made only approved counterparties to mitigate financial loss through counterparty's potential failure to make payments.

Other financial assets carried at amortised cost

Company's exposure to other financial assets include security deposits which is consider to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of profit and loss.

Trade receivables	As at March 31, 2025		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	6.29	0%	-
Billed	40.63	0%	-
Total	**46.92**		**-**

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	1,871.35	2,261.00	2,170.50	25,099.00
Trade Payables	7.39		-	-
Other financial liabilities	1,753.96	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	14,769.41	-	-	-
Trade payables	37.28	-	-	-
Other financial liabilities	528.52	-	-	-

First Energy 5 Private Limited

Notes to the Financial Statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

24. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2025	As at March 31, 2024	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current liabilities	0.35	0.09	272%	Due to long term borrowing received from financial institution during the year against short term borrowings in previous year
2	Debt-Equity Ratio	Total Debt	Shareholders' equity	3.39	1.58	114%	Due to long term borrowing received from bank during the year.
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	0.00	Not Applicable	Not Applicable	Not Applicable
4	Return on Equity	Net Profits after taxes	Average shareholder's equity	-1.18%	-0.30%	294%	Due to increase in expenditure and loss during the year.
5	Return on investment	Earning before interest and taxes	Total assets	-0.26%	-0.11%	138%	Due to partial project was capitalised during the year
6	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	0.55	1.19	-54%	Due to decrease in purchases
7	Return on Capital employed	Earning before interest and taxes	Capital employed	-0.27%	-0.11%	142%	Significant increase in capital employed due to borrowings availed during the current year

Capital employed = Tangible Net worth + total debt

Working Capital = Current assets - Current liabilities

Average = (Opening + Closing)/2

Note:

(i) As there are no sales during the current and previous year, ratios are not calculated wherever sales amounts are to be considered for calculation.

27. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings and equity. Capital represents equity attributable to equity holders of the Company.

	As at March 31, 2025	As at March 31, 2024
Borrowings including accrued interest	31,502.42	15,069.28
Less: Cash and cash equivalents	936.98	85.20
Net debt	**30,565.44**	**14,984.08**
Equity	**9,238.22**	**9,348.14**
Net Debt to Equity	**3.31**	**1.60**

Decrease in Net debt to equity has significant increased on account of increase in debt for procurement and construction of property, plant and equipment.

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following debt covenants:

(a) Debt Service Coverage Ratio (DSCR) to be not less than 1.15 (Applicable from first full year of operation)

(b) Debt equity ratio not more than 3:1

Management has complied with debt covenants as at March 31, 2025.

28. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

29. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2025	As at March 31, 2024
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount dues to micro and small enterprises	1.08	5.47
- Interest due thereon	0.01	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of principal made to the supplier beyond the appointed day during the year	9.24	16.09
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.23	0.59

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Particulars	As at March 31, 2025	As at March 31, 2024
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.24	0.59
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.83	0.59

30. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current period.

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact in current year and preivious year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

31. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis. The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

32. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure in presenting the Second Annual Report, together with the audited financial statements of your Company for the year ended March 31, 2025.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	2024-25	March 23, 2023, to March 31, 2024
Total income	502.3	2.5
Profit/loss before finance cost, depreciation, and tax	262.3	(78.13)
Finance Cost	528.5	-
Profit/loss before depreciation and tax	(266.3)	(78.13)
Depreciation and impairment	427.5	-
Profit/(Loss) before tax	(693.8)	(78.13)
Provision for taxation (incl. deferred tax)	-	-
Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	(693.8)	(78.13)

State of Company's Affairs

During the year under review; the Solar capacity of 33.15 MWp / 22.75 MW in the State of Tamil Nadu has been operational since March 2024.

Due to the heavy rainfall and subsequent flooding in the state of Tamil Nadu in December 2024, the operations of the plant were disrupted and then subsequently restored.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

In a view of accumulated losses, the directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves.

During the year, the Company has not transferred any amount to the General Reserve.

Share Capital

During the year under review, there was no change in the share capital of the Company.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Solar business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors
- HSE Digitalisation: - HSE digital software implemented for hazard reporting at risk behaviour reporting

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sandeep Mandke (DIN: 09619581) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Second AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Sumit Rathi was appointed as an Additional Director of the Company with effect from April 3, 2024, and his appointment was regularized on July 23, 2024.
- Mr. Krunal Thakarar resigned as a Chief Financial Officer and Key Managerial Personnel with effect from August 30, 2024 and Mr. Ramesh Kharche was appointed as the Chief Financial Officer and Key Managerial Personnel with effect from January 24, 2025.
- Mr. Hrishikesh Yadav was appointed as the Company Secretary and Key Managerial Personnel (KMP) of the Company with effect from May 2, 2024.
- Mr. Ashok Joshi (DIN: 02296952) and Mr. Sanjay Parande (DIN: 07161299) were appointed as independent directors of the Company with effect of July 26, 2024.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have the necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met four times on May 02, 2024, July 26, 2024, October 29, 2024, and January 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 23, 2025 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Mandke as members of the committee. The committee met twice during the year on October 29, 2024, and January 24, 2025. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 24, 2025.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the

First Energy 6 Private Limited

Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of renewable energy and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the Company is a subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing a safe and conducive work environment for its employees and has complied with provisions relating to constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013.

There were no cases pending at the beginning of the year/ filed during the year, pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of a onetime settlement with any Bank or Financial Institution.

Vigil mechanism

The Company has adopted the whistle blower policy of Thermax Limited, the holding company of the Company, which is applicable to all subsidiaries of Thermax Limited.

Statutory Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Changes in the Regulatory Provisions and its impact on the business

During the year, the State notified several draft regulation in the year (grant of connectivity, green open access, wind re-powering/refurbishment etc) with positive impacts/opportunities for business, supporting the captive open access market. The demand for captive open access in the state, continues to be robust.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

For and on behalf of the Board of Directors of
First Energy 6 Private Limited

Pune, April 29, 2025

Annexure 1

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

.

First Energy 6 Private Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 6 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 6 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above on reporting under Section 143(3)(b) and paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position.

        ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 33(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

            (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 33(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

            (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

14. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

First Energy 6 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 6 Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 6 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditor's Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 6 Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in 2 mutual fund schemes during the year.

The Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained. (Also, refer Note 14 to the financial statements)

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs 766.84 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out in a phased manner. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 292.35 lakhs in the financial year and of Rs. 78.13 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 6 Private Limited

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 6 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 23, 2023 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized these financial statements on April 29, 2025. The CIN of the Company is U35105PN2023PTC218888.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3
Computers	3	3
Office equipment	5	5

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

iii. Revenue recognition

The Company recognises revenue (including the adjustment to transaction price resulting due to customer claims) as per the applicable power purchase agreement, ongoing negotiation with customers, management's probability estimate and the past trends of settlement.

3. Property, plant and equipment (including Capital work-in-progress)

Ageing of capital work-in-progress

Particulars	As at March 31, 2025				Total
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	
Projects in progress					
22.75 MW Solar project	16,488.20	-	-	-	16,488.20
Total	**16,488.20**	**-**	**-**	**-**	**16,488.20**

Capital work in progress balance pertained to overdue project under construction and is capitalised in November 2024.

Capitalization of expenses

During the year, the Company has capitalized the following expenses of revenue nature to the cost of Property, plant and equipment / Capital work-in-progress. Consequently, expenses disclosed under the respective notes were net of amounts capitalized by the Company.

Particulars	As at March 31, 2025	As at March 31, 2024
Reimbursement of salaries and wages	-	272.07
Interest and reimbursement of Interest expenses*	673.26	782.31
Depreciation and reimbursement of depreciation*	-	21.25
Reimbursement of other expenses	-	8.80
Total	**673.26**	**1,084.43**

* Reimbursement of interest and depreciation in previous year included expenses pertaining to rental property for which right-of-use assets and lease liabilities were recognised.

4. Deferred tax assets (net)

The balance comprise of temporary differences attributable to:

Particulars	As at March 31, 2025	As at March 31, 2024
Deferred tax assets		
Losses available for offsetting against future taxable income	392.82	-
Total	**392.82**	**-**
Deferred tax liabilities		
Depreciation on property, plant and equipment	371.85	-
IND AS impact on borrowings	20.97	
Total	**392.82**	**-**
Deferred tax assets (net)	**-**	**-**

The Company has tax losses including unabsorbed depreciation of Rs. 748.67 lakhs (March 31, 2024: Rs. 43.77 lakhs) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs. 128.54 lakhs (March 31, 2024: Rs. 11.02 lakhs).

Particulars	Expiry date	As at March 31, 2025		As at March 31, 2024

26 Fair value measurements

Break up of financial liabilities carried at amortised cost

Particulars	As at March 31, 2025	As at March 31, 2024
Trade payables	56.73	54.78
Borrowings	13,996.44	12,401.87
Other liabilities	260.19	923.57
Total	**14,313.36**	**13,380.22**
Current liabilities	1,849.45	1,946.46
Non-current liabilities	12,463.91	11,433.76
Total	**14,313.36**	**13,380.22**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at amortised cost

Particulars	As at March 31, 2025	As at March 31, 2024
Trade receivables	162.74	19.57
Cash and cash equivalents	32.99	386.08
Bank balances other than cash and cash equivalents	355.48	287.00
Other financial assets	157.50	157.59
Total	**708.70**	**850.24**
Current assets	708.70	850.24
Non-current assets	-	-
Total	**708.70**	**850.24**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2025	As at March 31, 2024
Financial assets		
Investments		
Mutual funds	-	252.32
Total financial assets (Current)	**-**	**252.32**

Fair value of market linked mutual funds is determined using Net Asset Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2024

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2024	-	252.32	-

Level I: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level II: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level III: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

27. Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents are derived directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31,2024.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings.

	March 31, 2025	March 31, 2024
Variable rate borrowings	12,699.22	11,578.87

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

	March 31, 2025	March 31, 2024
Interest rates - Increase by 25 basis points	(13.01)	-
Interest rates - Decrease by 25 basis points	13.01	-

Impact due to sensitivity of interest rate is not calculated for comparative period, because the Company's loss before tax was not affected through the impact on floating rate borrowings, as borrowing was towards acquiring a qualifying asset and the related interest was capitalised according to IND AS 23.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and comparative period and hence not exposed to any foreign currency risk.

c Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and security deposits) and from its investing activities, including deposits with banks.

Expected credit loss for

Balances with banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of profit and loss.

Trade receivables	As at March 31, 2025		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	147.18	0%	-
Billed	15.56	0%	
Total	**162.74**	**-**	**-**

Trade receivables	As at March 31, 2024		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	19.57	0%	-
Total	**19.57**	**0%**	**-**

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash, marketable securities the availability of funding through an adequate amount of committed credit facilities to meet obligations. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	1,532.53	716.40	1,087.67	10,781.99
Trade payables	56.73	-	-	-
Other financial liabilities	260.19	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	968.11	448.76	792.81	10,272.32
Trade payables	54.78	-	-	-
Other financial liabilities	923.57	-	-	-

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

28 Analytical ratios

S. No.	Particulars	Numerator	Denominator	For the period ended March 31, 2025	March 23, 2023 to March 31, 2024	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	0.46	0.56	-18%	Not Applicable
2	Debt-Equity Ratio	Total debt	Shareholders' equity	3.84	2.86	34%	Due to additional borrowing availed during the year compensated by decrease in equity due to losses
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest + Principal Repayments)	0.47	Not Applicable	Not Applicable	Not Applicable
4	Return on Equity	Net profits after taxes	Average Shareholder's equity	-0.17	-1.80%	865%	Refer note (i)
5	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	2.85	0.96	196%	Refer note (i)
6	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	5.13	Not Applicable	Not Applicable	Not Applicable
7	Return on investment	Investment income	Average investments	2.01%	1.61%	24%	Not Applicable
8	Return on Capital employed	Earning before interest and taxes	Capital employed	-0.01	-0.47%	101%	Refer note (i)
9	Net capital turnover Ratio	Total Sales	Working Capital	-0.47	Not Applicable	Not Applicable	Not applicable
10	Net Profit Ratio	Net Profits after taxes	Revenue	-1.49	Not Applicable	Not Applicable	Not applicable

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth plus total debt
Average = (Opening + Closing)/2

Note:

(i) Considering the Company completed construction of renewable plant and has started generating power during the year, there are significant transactions incurred during the year resulting in increase in expenses, revenue, trade receivables. Whereas, payments made to outstanding capital creditors resulted in reduction in cash and bank balances and payables.

(ii) As no sales during the previous period, sales and purchases were NIL. Thus, Comparative period ratios are not calculated wherever Sales and purchases amounts are considered for calculation.

29 The site of the project were affected by severe rains in December 2024 resulting in submerging of site. The management has performed assessment of losses incurred on account of this event. Basis the assessment, amount of Rs. 139.08 lakhs has been recognized as impairment expenses for the damage in the books of accounts. The management has communicated the extent of damages to the insurer.

30 Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	March 31, 2025	March 31, 2024
Borrowings including accrued interest	14,034.37	12,412.11
Less: Cash and cash equivalents (includes other bank balances)	388.46	673.08
Net debt	**13,645.91**	**11,739.03**
Equity	**3,647.01**	**4,340.78**
Net Debt to Equity	**3.74**	**2.70**

Net debt equity ratio has increased on account of increase in debt for procurement of property, plant and equipment and also there has been decrease in equity on account of losses during the year.

Loan Covenants

The Borrower shall, during the entire tenor of the Facility, ensure that:

(a) the Security Cover Ratio shall be above 1.2:1

(b) its Debt to Equity Ratio should not be greater than 4.5:1 and

(c) its Debt Service Coverage Ratio does not fall below 1.10:1

(d) Interest coverage ratio does not fall below 1.5:1

The financial covenant shall be tested based on the audited financial statements every year from first full year of commercial operation. Accordingly, these covenants will be tested from the next year.

31 Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source".

Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

32. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2025	As at March 31, 2024
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount dues to micro and small enterprises	3.72	0.65
- Interest due thereon	-	0.02
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	14.73	1.22
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.14	0.02
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.14	0.04
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.18	0.04

33. Other statutory information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year or previous period.

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year or previous period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

34. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

35. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

36. The Company was incorporated on March 23, 2023. Therefore, comparative amounts are for the period March 23, 2023 to March 31, 2024.

Profit/(Loss) before tax	57.65	(3.31)
Provision for taxation (incl. deferred tax)	(18.0)	-
Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	39.65	(3.31)

State of Company's Affairs

The Company has commissioned a Solar project with a plant capacity of 15.5MWp/11.5MW during the year.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affects the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is 18,82,00,000 divided into 1,88,20,000 Equity Shares of Rs. 10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.

First Energy 7 Private Limited

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting, at risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sandeep Mandke (DIN: 09619581) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Second AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani (DIN: 01853530) resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company with effect from April 3, 2024 and his appointment was regularized on July 23, 2024.
- During the year, Mr. Sanjay Parande (DIN: 07161299) and Mr. Ashok Joshi (DIN: 02296952) were appointed as Additional Independent Directors of the Company w.e.f. July 26, 2024. The Independent Directors are appointed for a term of 5 consecutive years commencing from July 26, 2024 up to July 26, 2029.
- Ms. Aditi Karambelkar was appointed as the Company Secretary and Key Managerial Personnel (KMP), Mr. Abhishek Kangokar as the Chief Financial Officer & KMP and Mr. Umesh Mhaske as the CEO & KMP of the company with effect from July 26, 2024.

Policy on appointment and remuneration of directors and key managerial personnel

The Board has adopted a policy on selection and appointment of Directors and remuneration of Directors, KMPs and employees. The Directors do not receive any remuneration except independent directors who are entitled to sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1 and forms part of this report.

Declaration by Independent Directors

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added in the data bank maintained by the Indian Institute of Corporate Affairs for independent directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. However, an individual who has fulfilled the criteria prescribed in Rule 6(4) of the said Rules, is exempted from passing the online proficiency self-assessment test. In view of the same, Mr. Sanjay Parande, having met the aforesaid criteria, was exempted from the proficiency self-assessment test and Mr. Ashok Joshi has passed the proficiency self-assessment test.

The Board is of the opinion that the Directors of the Company are eminent persons with integrity and have necessary expertise and experience to continue to discharge their responsibilities as Directors of the Company.

Board Meetings

During the year, the Board met five times on April 15, 2024, May 2, 2024, July 26, 2024, October 29, 2024 and January 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Independent directors meeting

During the year under review, the independent directors met once on January 23, 2025 where all independent directors were present inter alia to review the performance of the Board and non-independent directors of the Company.

Committees of the Board

The Board has constituted the following committees viz. Audit Committee and Nomination and Remuneration Committee.

Audit Committee

The Audit Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Sanjay Parande as the Chairman and Mr. Ashok Joshi & Mr. Sandeep Mandke as members of the committee. The committee met twice during the year on October 29, 2024 and January 24, 2025. Further, all the recommendations made by the audit committee were accepted by the Board.

Nomination & Remuneration Committee

The Nomination & Remuneration Committee of the Board of Directors was constituted on July 26, 2024. The committee comprises of all directors being non-executive directors viz Mr. Ashok Joshi as the Chairman and Mr. Sanjay Parande & Mr. Ravi Damaraju as members of the committee. The committee met once on January 24, 2025.

Director's Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025, and of the Profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. It has complied with provisions relating to the constitution of the Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- Grid tariffs for next FY 2025-26 was proposed by the state distribution company. The proposed changes included solar hour discounts and reduced banking benefits, which if implemented, would have led to reduced captive arbitrage for the Company's customers. The Holding Company represented its objections on the proposal, to the state commission. The final provisions (under consideration with state commission) have reduced solar hours discounts, retention of banking facility and a request to institutionalize battery capacities for solar open access projects in the state, thereby having positive impact to business.
- The State energy department-initiated process for formulating state's Integrated Energy Policy. The Holding company is part of the engagement and has tabled suggestions/policy recommendations for captive open access projects, and battery projects in the state.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five years from the conclusion of the 1st Annual General Meeting (AGM) till the conclusion of the 6th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Annexure 1

Policy on Selection and Appointment of Directors and Remuneration of Directors, KMPs and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Non-Executive Directors (NEDs), based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict-of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration :

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the N&R Committee shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) The remuneration is divided into Fixed component & Variable Component.

(ii) The division is based on the fixed salary and performance bonuses.

(iii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

Based on the Annual Business Plan prepared, Individual Contribution Plan (ICP) is prepared by the Senior Management which is agreed upon. It broadly contains certain targets for strategic objectives, operational excellence-oriented initiatives, and business deliverables. The actual performance of individual repartee will be discussed by the MD and CEO at the year's end. Based on the appraisal and overall performance of the Company and after considering the market trends, suitable increments/ variable pay shall be decided by the MD and CEO.

The MD & CEO will present a snapshot of the evaluation carried out to assess the performance of the Whole-time Director, while recommending the annual increment of the NRC, for its review and approval.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 7 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 7 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

First Energy 7 Private Limited

Report on other legal and regulatory requirements

12. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

13. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 13(b) above on reporting under Section 143(3)(b) and paragraph 13(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position.

        ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 34(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

            (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 34(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

            (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the year.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

14. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 13(g) of the Independent Auditor's Report of even date to the members of First Energy 7 Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 7 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 7 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 12 of the Independent Auditor's Report of even date to the members of First Energy 7 Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets). Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investments in 1 mutual fund scheme during the year.

The Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) In our opinion, the term loans have been applied for the purposes for which they were obtained. (Also, refer Note 13 to the financial statements)

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out in a phased manner. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year and had incurred cash losses of Rs. 3.31 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

Notes to the financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 7 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 26, 2023 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized these financial statements on March 26, 2023. The CIN of the Company is U35105PN2023PTC218968.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, plant and equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the

economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Notes to the financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, plant and equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

Notes to the financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

3 a. Property, plant and equipment (including Capital work-in-progress)

First Energy 7 Private Limited

Notes to the financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

14(a) Lease liabilities (Non-Current)

Particulars	As at March 31, 2025	As at March 31, 2024
Lease liabilities (refer note 20)	188.53	210.21
Total	**188.53**	**210.21**

14(b) Lease liabilities (Current)

Particulars	As at March 31, 2025	As at March 31, 2024
Lease liabilities (refer note 20)	36.10	20.30
Total	**36.10**	**20.30**

15. Deferred tax liabilities (net)

Particulars	As at March 31, 2025	As at March 31, 2024
Deferred tax liability		
Right of use of assets	57.48	66.39
Depreciation on property, plant and equipment	529.66	-
Others	13.00	1.26
	600.14	**67.65**
Deferred tax asset		
Losses available for offsetting against future taxable income	530.14	8.93
Lease liabilities	52.00	58.01
Others	-	0.71
	582.14	**67.65**
Deferred tax liabilities (Net)	**18.00**	**-**
Income tax expense consist of following		
Current tax expenses	-	-
Deferred tax expenses	18.00	-
Total	**18.00**	**-**

During the previous year, the Company had tax losses of Rs 3.31 lakhs that's were available for offsetting future taxable profits. Deferred tax assets were not recognised in respect of the losses as they may not be used to offset taxable profit elsewhere in the company and there were no other tax planning opportunities or other evidences of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the profit for the previous year would have increased by Rs 0.83 lakhs.

Particulars	Expiry date (Year Ending March 31)	As at March 31, 2025		As at March 31, 2024

I. Break-up of financial assets carried at fair value through profit and loss

Particulars	As at March 31, 2025
Financial assets	
Investments	
Mutual funds	151.56
Total financial assets (Current)	**151.56**

Fair value of market linked mutual funds is determined using Net Asset Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2025

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2025	-	151.56	-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The Fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

29 Financial risk management

The Company's principal financial liabilities, comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, trade receivables are derived directly from its operations. The Company also holds investments measured at fair value through profit and loss account.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

"Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises : interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows :

	As at March 31, 2025	As at March 31, 2024
Variable rate borrowings	4,127.91	-

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	As at March 31, 2025	As at March 31, 2024
Interest rates - Increase by 25 basis points	(34.39)	-
Interest rates - Decrease by 25 basis points	34.39	-

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period.

c Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and other financial instruments.

Expected credit loss for

Balances with banks

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets are immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes below. There is no charge of impairment to Statement of profit and loss.

Trade receivables	As at March 31, 2025		
	Gross	Expected loss rate	Expected loss allowance
Unbilled	87.12	0%	-
Total	**87.12**	**-**	**-**

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	154.85	263.46	363.57	3,427.12
Trade payables	7.89	-	-	-
Lease liabilities	36.10	37.90	38.85	522.20
Other financial liabilities	70.47	-	-	-

As at March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	859.00	-	-	-
Trade Payables	23.12	-	-	-
Lease liabilities	20.30	41.62	42.64	609.73
Other financial liabilities	291.83	-	-	-

30. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2025	As at March 31, 2024	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current assets	Current liabilities	1.14	0.05	2111%	Refer note (i)
2	Debt-Equity Ratio	Total debt	Shareholders' equity	2.19	0.46	373.98%	Refer note (i)
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	0.21	Not applicable	Not applicable	Not applicable
4	Return on Equity	Net Profits after taxes	Shareholder's equity	2.09%	-0.18%	-1261.56%	Refer note (i)
5	Return on investment	Investment Income	Average investment	2%	15%	-90%	Due to decrease in yield
6	Return on Capital Employed	Earning before interest and taxes	Capital employed	5.67%	-0.12%	-94%	Refer note (i)
7	Net Profit Ratio	Net Profits after taxes	Revenue	6.22%	Not Applicable	Not Applicable	Not Applicable
8	Trade Receivables turnover Ratio	Total sales	Trade receivable	7.32	Not Applicable	Not Applicable	Not Applicable
9	Trade payables turnover Ratio	Net Credit Purchases	Average trade payables	5.93	0.26	2180%	Refer note (i)
10	Net capital turnover Ratio	Total Sales	Working Capital	17.15	Not Applicable	Not Applicable	Not Applicable

Working Capital = Current assets less Current liabilities
Capital employed = Tangible Net worth plus total debt
*Average = ((opening + closing)/2)

Notes to the financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Note:

(i) Considering the Company completed construction of renewable plant and has started generating power during the year, there are significant transactions incurred during the year resulting in increase in expenses, revenue, trade receivables. Whereas, payments made to outstanding capital creditors resulted in reduction in cash and bank balances and payables.

(ii) As no sales during the previous period, sales were NIL. Thus, Comparative period ratios are not calculated wherever Sales amounts are considered for calculation.

31. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

	As at March 31, 2025	As at March 31, 2024
Borrowings including accrued interest	4,159.40	881.41
Lease liabilities	224.63	230.51
Less: Cash and cash equivalents	64.54	63.20
Net debt	**4,319.49**	**1,048.72**
Equity	**1,897.11**	**1,857.45**
Net Debt to Equity	**2.28**	**0.56**

Net debt to equity has increased on account of significant increase in debt during the year for incurring capital expenditure.

32. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

33. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2025	As at March 31, 2024
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
- Principal amount dues to micro and small enterprises	0.59	11.25
- Interest due thereon	-	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of payment made to the supplier beyond the appointed day during the year	66.69	6.03
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.23	0.02
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.23	0.02
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.25	0.02

34. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year and comparative period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

35. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

36. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

37. The Company was incorporated on March 26, 2023. Therefore, comparative amounts are for the period March 26, 2023 to March 31, 2024.

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements. During the year, the Company did not give any guarantee.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also collaborates with competent local infra partners and engages with experienced and capable service partners.

- **Renewable Sources and Grid Availability**

  The risk identified by the Company is lower generation on account of lower wind speed, and Grid failures. The Company continuously studies the Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

First Energy 8 Private Limited

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance.

Health and Safety

Across all its operational assets, sites and offices, the Company implements policies that covers Health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalization: - HSE digital software implemented for hazard reporting, at risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sandeep Mandke (DIN: 09619581) retires by rotation and being eligible offers, himself for re-appointment. The proposal for re-appointment forms part of the Notice of the Second AGM of the Company.

During the year the Board met five times on May 02, 2024, June 05, 2024, July 26, 2024, November 22, 2024, March 19, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025, and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Wind and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the Company is a subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing a safe and conducive work environment.

There were no cases pending at the beginning of the year/ filed during the year, pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Auditors

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

For the Financial Year Ended March 31, 2025
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

FIRST ENERGY 8 PRIVATE LIMITED

Regd. Office Address: 6th Floor, Office No. 601 Cello Platina, F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. First Energy 8 Private Limited bearing CIN: U35105PN2023PTC223047 (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Report on Secretarial Records and Compliances made thereunder

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representation made by the Management we hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2025, complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed on a test basis and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made there under;

ii. The Securities Contracts (Regulation) Act, 1956, (SCRA) and the rules made thereunder; **Not applicable;**

iii. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, and the Regulations and Bye-laws framed thereunder; **Not applicable;**

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; **Not applicable;**

v. The Company is not listed on any Stock Exchange in India hence the Acts, Regulations, Guidelines etc. related to SEBI, were **not applicable** to the Company.

vi. As per the management representation no other laws applicable except mentioned below specifically to the Company during the audit period:

(a) The Indian Contract Act, 1872

(b) The Income Tax, 1961

(c) The Goods and Service Tax Act, 2017

(d) The Electricity Act, 2003

(e) The Indian Stamp Act, 1899 and The Maharashtra Stamp Act, 1958

(f) The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 Read with The Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Rules, 2018.

(g) The Factories Act, 1948 and other allied State wise Factories Rules wherever the sites are located.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards as issued and notified by The Institute of Company Secretaries of India relating to Board Meetings and General Meetings: During the Year ended March 31, 2025, the Company has complied with the applicable clauses of Secretarial Standard (SS-1 and SS-2) issued by the Institute of Company Secretaries of India and it was noted that the Company has complied with the same to the extent possible.

(ii) The Listing agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited and Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015; **Not applicable**

Based on the information received and records maintained, we further report that:

1. The Board of Directors of the Company has been duly constituted with proper balance of Directors and KMP, the changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

1.1. Mr. Rohit Amrutlal Javiya (PAN: AJJPJ6412H and Membership No.: ACS 74399) was appointed as a Company Secretary w.e.f. July 26, 2024.

1.2. Mr. Venkatasubramanian (PAN: AEWPV2260D) was appointed as CEO w.e.f. July 26, 2024.

1.3. Mr. Shubham Anil Jaju (PAN: BCGPJ2207K) was appointed as CFO w.e.f. July 26, 2024 and has resigned from the post of CFO w.e.f. September 20, 2024.

1.4. Mr. Sumit Prafulla Rathi bearing DIN: 07727272 was appointed as an Additional Director as on April 03, 2024 and he was regularized as director w.e.f. June 28, 2024.

1.5. Mr. Mitish Somani bearing DIN: 01853530 has resigned from the post of the Director w.e.f. April 05, 2024.

1.6. Mr. Nitin Bhagvat Patil (PAN: AZBPP6928Q) was appointed as CFO w.e.f. March 19, 2025.

2. Adequate notice(s) have been given to all directors to schedule the Board Meetings and Committee Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance and, in case of shorter notice, compliance as required under the Act has been made by the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

3. All the decisions in the board meetings were carried through by majority while there were no dissenting member's views and hence not captured and recorded as part of the minutes.

We further report that there are adequate systems and process in the Company commensurate with the size and operations of the Company to

monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has following events /actions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, standards & guidelines, if any, as may be referred to above:

i. The paid-up share capital of the Company was increased from ₹ 65, 35, 00,000/- (Rupees Sixty Five Crores Thirty Five Lakhs only) to ₹ 77, 36, 00,000/- (Rupees Seventy Seven Crores Thirty Six Lakhs only), with an addition of ₹ 12, 00, 00,000/- (Rupees Twelve Crores only) on 3rd June, 2024 by way of allotment on rights basis.

ii. Pursuant to the provisions of the section 42 and section 62(1)(c) of the Companies Act, 2013 the Company intended to offer, issue, and allot upto ₹ 5,45,10,000/- (Rupees five crore forty-five lakhs only) equity shares at ₹ 10/- each on a preferential basis through private placement to the proposed allottees vide board resolution dated June 5, 2024 and special resolution at annual general meeting held on June 28, 2024. Subsequently, the Company filed the special resolution in e-form MGT-14 with the Registrar of Companies, Pune. Eventually the said offer lapsed and, therefore, no allotment was made to the proposed allottees.

iii. The Company appointed Mr. Rohit Amrutlal Javiya (PAN: AJJPJ6412H and Membership No.: ACS 74399) as the Whole-time Company Secretary (CS) as Key Managerial Personnel (KMP) w.e.f. July 26, 2024 within a period of six month from the date of applicability for appointment of the CS pursuant to the provisions of the Companies Act 2013.

iv. The Company appointed Mr. Venkatasubramanian (PAN: AEWPV2260D) as Chief Executive Officer (CEO) and Key Managerial Personnel (KMP) w.e.f. July 26, 2024 within a period of six month from the date of applicability for appointment of the CEO pursuant to the provisions of the Companies Act 2013.

v. The Company appointed Mr. Shubham Anil Jaju (PAN: BCGPJ2207K) as Chief Financial Officer (CFO) w.e.f. July 26, 2024 within a period of six month from the date of applicability for appointment of the CFO pursuant to the provisions of the Companies Act 2013. Further he tendered his resignation w.e.f. September 20, 2024. Subsequently, the Company appointed Mr. Nitin Bhagvat Patil (PAN: AZBPP6928Q) as CFO w.e.f. March 19, 2025.

vi. The Company being wholly owned subsidiary of First Energy Private Limited is exempted from complying the provisions related to the appointment of at least one Independent Director and the constitution of an Audit Committee and a Nomination and Remuneration Committee pursuant to the Clause 2 of Rule 4 of the Companies (Appointment and Qualification of Directors) Rules, 2014 framed under the Companies Act 2013.

vii. In line with the provisions of Companies Act, 2013, the Company has appointed M/s. Ladda Bhutada & Associates, Company Secretaries Firm as Secretarial Auditor and Mr. Satish Jayaram, Chartered Accountant as an Internal Auditor of the Company in the Board Meeting held on July 26, 2024.

First Energy 8 Private Limited

Annexure-A'

To the Secretarial Audit Report

For the financial year ended 31st March, 2025

To,
The Members,
FIRST ENERGY 8 PRIVATE LIMITED
Regd. Office Address: 6th Floor, Office No. 601 Cello Platina,
F. C. Road, Shivajinagar, Pune - 411005, Maharashtra, India.

Our Secretarial Audit report for the financial year ending March 31, 2025, of even date is to be read along with this letter.

A. Management's Responsibility

1. It is the responsibility of the management of the company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.

B. Auditor's Responsibility

2. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to Secretarial Compliances.

3. We believe that audit evidence and information obtained from the Company's management is adequate and appropriate for us to provide a basis for our opinion.

4. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.

5. We have followed the audit practice and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

C. Disclaimer

6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of Management. Our examination was limited to the verification of procedures on test basis.

7. The Secretarial Audit report is neither an assurance as to the future liability of the Company nor of the efficiency of effectiveness with which the management has conducted the affairs of the Company.

8. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of First Energy 8 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 8 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 29(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 29(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy 8 Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 8 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

First Energy 8 Private Limited

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy 8 Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. The terms of sanction do not stipulate filing of quarterly returns or statements with such banks, and accordingly, the question of our commenting on whether the returns or statements are in agreement with the unaudited books of account of the Company, does not arise.

iii. (a) The Company has made investments in 3 mutual fund schemes during the year.

The Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made are not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs 33,777.65 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (xi)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the

Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. (a) The internal audit of the Company is covered under the group internal audit pursuant to which an internal audit is carried out in a phased manner. In our opinion, the Company's internal audit system is commensurate with the size and nature of its business.

(b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 19.63 lakhs in the financial year and of Rs. 21.62 lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

First Energy 8 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on August 10, 2023 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business of producing wind power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 30, 2025. The CIN of the Company is U35105PN2023PTC223047.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

iv. Equity investments

All equity investments in scope of Ind AS 109 - "Financial Instruments", are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. Currently, for all equity instruments, subsequent changes in the fair value is recognized in Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized

when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

e. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

f. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

h. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

i. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

j. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

k. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

l. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

m. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

n. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

First Energy 8 Private Limited

Notes to the Financial Statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

2.4. Significant accounting judgments, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures including contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are also described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Judgments and assumptions

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

Note 3 : Property, Plant and Equipment and capital work-in-progress

Capitalization of expenses

During the year/period, the Company has capitalized the following expenses of revenue nature to the cost of Capital work-in-progress. Consequently, expenses disclosed under the respective notes are net of amounts capitalized by the Company.

Particulars	As at March 31, 2025	As at March 31, 2024
Reimbursement of employee expenses	-	298.64
Interest expenses	1,576.31	0.02
Depreciation expenses	0.35	15.85
Reimbursement of other expenses	-	2.48
Total	**1,576.66**	**316.99**

* Reimbursement of interest and depreciation in previous year included expenses pertaining to rental property for which right-of-use assets and lease liabilities were recognised.

4. Deferred tax assets (net)

The company has tax losses of Rs 33.22 lakhs(March 31, 2024 Rs. 21.62 lakh) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of the losses as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidences of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs 8.36 lakh (March 31, 2024 Rs 5.44 lakhs).

	Expiry date	As at March 31, 2025		As at March 31, 2024	
		Amount	Tax impact	Amount	Tax impact

Financial assets		
Investments		
Mutual funds	130.25	-
Total financial assets (Current)	**130.25**	**-**

Fair value of market linked mutual fund is determined using Net Asset Value (NAV) report issued by mutual fund house.

Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets.

Quantitative disclosures fair value measurement hierarchy for assets as at March 31, 2025

Particulars	Date of valuation	Level 1	Level 2	Level 3
Financial Assets				
Investments				
Mutual funds	March 31, 2025	-	130.25	-

Level 1: level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instruments is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

24. Financial risk management

The Company's principal financial liabilities comprises borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, other receivables and investments.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and hence not exposed to any foreign currency risk.

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c Price risk

'The Company's investments are susceptible to market price risk arising from uncertainties about future values of the investment securities. The securities are unquoted. The company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not significantly exposed to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties mitigate financial loss through counterparty's potential failure to make payments.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	34,692.60	-	-	-
Trade Payables	3.15	-	-	-
Other financial liabilities	1,657.00	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	-	-	-	-
Trade Payables	12.90	-	-	-
Other financial liabilities	267.49	-	-	-

25. Analytical ratios

Sr .No.	Particulars	Numerator	Denominator	"As at March 31, 2025"	"As at March 31, 2024"	Variance	Reasons for variance of more than 25%
1	Current Ratio	Current Assets	Current Liabilities	0.07	3.92	-98%	Refer note (i) below
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	458.41%	Not Applicable	Not Applicable	Refer note (iii) below
3	Return on Equity	Net loss after taxes	Shareholder's Equity	-0.26%	-0.34%	-23%	Not applicable
4	Return on investment	Investment Income	Average investment	1.17%	0.87%	35%	Refer note (iv) below
5	Trade payables turnover Ratio	Net Credit Purchases	Average trade payable	2.45	2.14	14%	Not applicable
6	Return on Capital employed	Earning before interest and taxes	Capital Employed	-0.05%	-0.34%	-86%	Refer note (i) below

Capital employed = Tangible Net worth + total debt
Average = (Opening + Closing)/2

Note:
i) Short-term borrowings availed by the Company during the year affecting debt to equity ratio and current ratio.
ii) Share capital introduced during the year affecting Return on capital employed
iii) There were no debt during the comparative period. Hence, debt equity ratio is not calculated for that period
iv) Long duration investments made during the period resulted in higher yield..

26. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings. Capital represents equity attributable to equity holders of the Company.

	March 31, 2025
Borrowings including interest accrued	34,727.24
Less: Cash and cash equivalents	5.87
Net debt	**34,721.37**
Equity	7,568.06
Net Debt to Equity	**4.59**

There was no debt in the comparative period, so the net debt to equity ratio is not calculated for that period.

27. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence, the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

First Energy 8 Private Limited

Notes to the Financial Statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

- Principal amount dues to micro and small enterprises	0.63	-
- Interest due thereon	-	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year.		
The amount of payment made to the supplier beyond the appointed day during the year	16.47	0.19
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.25	-
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.25	-
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.25	-

*Amount is below the rounding off norm adopted by the Company

29. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with the Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current year and comparative period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current year or comparative period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person (s) or entity (ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person (s) or entity (ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

30. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

31. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

32. Company was incorporated on August 10, 2023. Therefore comparative amounts are for the period August 10, 2023 to March 31, 2024.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements. During the year, the Company did not give any guarantee.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors, or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its Renewable Energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.

Health and Safety

Across all its operational assets, sites and offices, the company implements policies that covers Health and safety.

The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting, at risk behaviour reporting

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors & Key Managerial Personnel

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN:10134848) retires by rotation and being eligible offers, herself for re-appointment. The proposal for re-appointment forms part of the Notice of the First AGM of the Company.

During the year, Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company w.e.f. July 19, 2024 and Mr. Chandrasekar Sureshnathan (DIN: 08180321) resigned as a Director of the Company w.e.f. July 19, 2024.

Board Meetings

During the year, the Board met four times on April 04, 2024, May 10, 2024, September 05, 2024, and January 02, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025, and of the profit of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2025 as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the Company is a subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant material orders passed by the Regulators / Courts which would impact the going concern status of the company and its future operations.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing a safe and conducive work environment for its employees and has complied with provisions relating to constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013.

There were no cases pending at the beginning of the year/ filed during the year, pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of a onetime settlement with any Bank or Financial Institution.

Statutory Auditors

The Shareholders in their Extra- Ordinary General Meeting held on April 10, 2024, has appointed M/s Price Waterhouse Chartered Accountants LLP (FRN. 012754N/N500016) as the Statutory Auditors of the Company for FY 2024-25 until the conclusion of 1st Annual General Meeting to be held in FY 2025-26.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

a. The Grid tariffs for next FY 2025-26 was proposed by the state distribution company. Proposed changes included solar hour discounts and reduced banking benefits, which if implemented, would have led to reduced captive arbitrage for the Company's customers. The Holding Company represented its objections on the proposal, to the state commission. The final provisions (under consideration with state commission) have reduced solar hours discounts, retention of banking facility and a request to institutionalize battery capacities for solar open access projects in the state, thereby having positive impact to business.

b. The State energy department-initiated process for formulating state's Integrated Energy Policy. The Holding Company is part of the engagement and has tabled suggestions/policy recommendations for captive open access projects, and battery projects in the state.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

For and on behalf of the Board of Directors of

Pune, April 30, 2025

First Energy Nine Private Limited

Independent auditor's report

To the Members of First Energy Nine Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy Nine Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from February 1, 2024 to March 31, 2025, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a

statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the period and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2025.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 30(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 30(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the period.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the period for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

First Energy Nine Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy Nine Private Limited on the financial statements for the period ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy Nine Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy Nine Private Limited on the financial statements as of and for the period ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the period and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets). Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. (a) The Company has made investment in 1 mutual fund scheme during the period.

The Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3 (iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

(b) In respect of the aforesaid investments, the terms and conditions under which such investments were made is not prejudicial to the Company's interest.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the period.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs. 966.26 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the period. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has made a private placement of shares during the period, in compliance with the requirements of Section 42 and Section 62 of the Act. The funds raised have been used for the purpose for which funds were raised.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the

Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year. The current financial year being the first period of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy Nine Private Limited

Notes to the financial statements for the period from February 1, 2024 to March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy Nine Private Limited ("the Company") is a private limited company domiciled in India and incorporated on February 01, 2024 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized these financial statements on April 30, 2025. The CIN of the Company is U35100PN2024PTC227760.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

At the end of each reporting period, the Company updates the estimated transaction price to represent the circumstances present at the end of the reporting period and the changes in circumstances during the reporting period. The Company accounts for such changes in the transaction price (including claims). Consideration / claim payable to a customer includes cash amounts that an entity pays to the customer. The Company accounts for consideration payable to a customer as a reduction of the transaction price and, therefore, of revenue unless the payment to the customer is in exchange for a distinct goods or service that the customer transfers to the entity. The consideration payable to a customer includes a variable amount.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, Plant and Equipment

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30
Furniture and fixtures	10	10
Roads	3	3

Also refer 2.3.c for other accounting policies relating to Property, plant and equipment.

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

d. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease

Notes to the financial statements for the period from February 1, 2024 to March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, Plant and Equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis

d. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

e. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

f. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax

Notes to the financial statements for the period from February 1, 2024 to March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

g. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

h. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

j. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

l. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

ii. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

25 Financial risk management

The Company's principal financial liabilities, comprise borrowings, lease liabilities, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents, trade and other receivables that derive directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and price risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, diversification of assets in terms of geographical distribution, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there are no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period and hence not exposed to any foreign currency risk.

c) Price risk

The Company's investments are susceptible to market risk arising from uncertainties about future values of the investment securities. These securities are unquoted. The Company manages the price risk through placing limits on individual and total equity/ mutual fund investments. Reports on the investment portfolio are submitted to the management on a regular basis. The Company is not currently exposed significantly to such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities primarily trade receivables, deposits with banks and other financial instruments.

Expected credit loss for

Balances with Banks

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty.

Notes to the financial statements for the period from February 1, 2024 to March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. Entire revenues of the Company is derived from related parties. Accordingly, all receivables are from group companies. The Company has assessed the credit risk to be negligible and accordingly the impact of expected credit loss is assessed as not material.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summaries the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	917.00	-	-	-
Trade payables	10.01	-	-	-
Lease liabilities	10.83	11.72	12.16	157.75
Other financial liabilities	117.99	-	-	-

21. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2025
1	Current Ratio	Current Assets	Current Liabilities	0.09
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	1.93
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	1.66
4	Return on equity ratio	Net Profits after taxes	Shareholder's Equity	0.79%
5	Return on investment	Investment income	Average investment	Not applicable
6	Return on capital employed	Earning before interest and taxes	Capital Employed	2.58%
7	Net Profit Ratio	Net Profits after taxes	Revenue	4.66%
8	Trade Receivables turnover Ratio	Total Sales	Accounts Receivable	2.50
9	Trade payables turnover Ratio	Net Credit Purchases	Trade Payables	2.30
10	Net capital turnover Ratio	Total Sales	Working Capital	(0.08)

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth + total debt

27. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2025
Borrowings (including accrued interest)	954.42
Lease liabilities	67.55
Less: Cash and cash equivalents	-58.18
Net debt	**963.79**
Equity	**475.72**
Net Debt to Equity	**2.03**

28. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person (s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

31. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

32. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

33. The Company is incorporated on February 1, 2024 . The financial statements are prepared for the period February 1, 2024 to March 31, 2025 as the first financial statements of the Company. Hence, comparative amounts do not exist for the current period.

State of Company's Affairs

The Company was incorporated on March 23, 2024. It is proposed to set up a wind and solar captive project of ~240 MWp in Andhra Pradesh and Tamil Nadu connected to Central transmission utility.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were changes in the capital structure of the Company. The Company has increased its authorized share capital from Rs. 1,00,000/- (Rupees One Lakh only) consisting of 10,000 (Ten Thousand) equity shares of Rs. 10/- each to Rs. 10,00,00,000 (Rupees Ten Crore) consisting of 1,00,00,000 (One crore) Equity Shares of Rs. 10 each and then to Rs. 20,00,00,000 (Rupees Twenty Crore) consisting of 2,00,00,000 (Two crore) Equity Shares of Rs. 10 each. The increase in share capital was approved by the members of the Company in their Extra-Ordinary General Meeting held on December 12, 2024 and March 12, 2025 respectively. The Paid-up Share Capital of the Company is Rs. 10,00,00,000 (Rupees Ten Crore) divided into 1,00,00,000 (One Crore) Equity Shares of Rs.10 each. During the year under review, the Company has made further issue of shares to the existing shareholders on rights basis. Details of the further issue of shares are as follows:

Date of Issue	Number of Shares	Nominal value per share (Rs.)	Amount paid up (Rs.)
27/02/2025	99,90,000	10	9,99,00,000

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section 186 of the Companies Act, 2013, are given in the notes to the Financial Statements. During the year, the Company did not give any guarantee.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The risk identified by the Company is lower generation on account of lower radiation, wind speed, and Grid failures. The Company continuously

studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using waterless robotic technology for cleaning modules and therefore manpower dependency is reduced.

Health and Safety

Across all its operational assets, sites and offices, the Company implements policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

During the year, Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company w.e.f. July 8, 2024 and Mr. Chandrasekar Sureshnathan (DIN: 08180321) resigned as a Director of the Company w.e.f. July 8, 2024.

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN:10134848)retires by rotation and being eligible offers, herself for re-appointment. The proposal of re-appointment forms part of the Notice of the first AGM of the Company.

Board Meetings

During the year, the Board met five times on April 1, 2024, June 13, 2024, October 7, 2024, December 10, 2024 and March 10, 2025 . The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Director's Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025 the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2025 as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. It has complied with provisions relating to the constitution of the Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as first statutory auditors of the Company in the Extra-Ordinary General Meeting of the members held on June 14, 2024 to hold the office from the conclusion of 1st Extra Ordinary General Meeting until the conclusion of 1st Annual General Meeting of the Company. The Auditor's Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Pune, April 30, 2025

First Energy 10 Private Limited

Independent auditor's report

To the Members of First Energy 10 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 10 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from March 23, 2024 to March 31, 2025, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

    (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

    (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the period and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

    (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

    (e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

    (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

    (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

    (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company does not have any pending litigations which would impact its financial position.

        ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

        iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2025.

        iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 29(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

        (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 29(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

        (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

        v. The Company has not declared or paid any dividend during the period.

        vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the period for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

First Energy 10 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy 10 Private Limited on the financial statements for the period ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 10 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy 10 Private Limited on the financial statements as of and for the period ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the period and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The Company does not own any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in the favour of the lessee) (Refer Note 3 to the financial statements). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets). Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b),(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income tax, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including goods and services tax and other statutory dues, as applicable, with the appropriate authorities. However, there are no arrears of statutory dues outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the period.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the period. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the period. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the period by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 16.02 lakhs in the financial year. The current financial year being the first period of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 10 Private Limited

Notes to the financial statements for the period from March 23, 2024 to March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 10 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 23, 2024 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business of producing solar and wind power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 30, 2025. The CIN of the Company is U35100PN2024PTC229447.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

b. Leases

Company as a lessee

The Company lease asset classes primarily consist of leasehold lands. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable and amounts expected to be paid under residual value guarantees. There are no variable lease payments.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Notes to the financial statements for the period from March 23, 2024 to March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

e. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the statement of profit and loss.

f. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

h. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

i. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit and loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying

Notes to the financial statements for the period from March 23, 2024 to March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

j. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

k. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

l. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

m. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

n. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

3(a). Capital work-in-progress

Capital work-in-progress(CWIP) comprises cost of renewable energy plant under construction. Total amount of CWIP is Rs 43.84 Lakhs.

Ageing of capital work-in-progress

Particulars	As at March 31, 2025				
	Less than 1 year	1 to 2 years	2 to 3 years	More than 3 years	Total
Projects in progress

Payments made	(49.44)
As at end of the period	**-**

First Energy 10 Private Limited

Notes to the financial statements for the period from March 23, 2024 to March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Details of amounts recognised in statement of profit and loss

Particulars	March 23, 2024 to March 31, 2025
Depreciation expense of right-of-use assets	0.14
Short term lease rent paid	0.04
Less: Capitalised during the period	(0.14)
Total amount recognised in statement of profit or loss	**0.04**

The total cash outflow for leases during the period Rs 59.31 Lakhs (excluding short term lease payment of Rs 0.04 lakhs).

Extension and termination options are included in the lease. It is used to maximise operational flexibility in terms of managing the assets used in the company's operations. Extension and termination options held are exercisable only by the Company and not by the respective lessor.

4. Deferred tax asset (net)

The company has tax losses of Rs 15.99 lakhs that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of the losses as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidences of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs 4.02 lakhs.

Particulars	Expiry date	As at March 31, 2025	
		Amount	Tax Impact
Tax losses	2032-33	15.99	4.02
Total		**15.99**	**4.02**

The reconciliation of estimated income tax expense at Indian statutory income tax rate to income tax expense reported in Statement of Profit or Loss is as follows:

24. Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents

Notes to the financial statements for the period from March 23, 2024 to March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

The management of the company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk, currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there is no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the period hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2025 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	12.00	-	-	-
Trade Payables	3.38	-	-	-
Other financial liabilities	2.53	-	-	-

25. Analytical ratios

S. No.	Particulars	Numerator	Denominator	For the period from March 23, 2024 to March 31, 2025
1	Current Ratio	Current Assets	Current Liabilities	27.09
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	0.01
3	Return on equity ratio	Net loss after taxes	Shareholder's Equity	-1.66%
4	Return on investment	Investment income	Investment	0.22%
5	Debt Service Coverage Ratio	Earnings available for debt service (Net loss after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	-0.32
6	Trade payables turnover Ratio	Net Credit Purchases	Trade Payables	5.09
7	Return on Capital employed	Earning before interest and taxes	Capital Employed	-1.61%

Capital employed = Tangible Net worth

26. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particulars	As at March 31, 2025
Borrowings (including accrued interest)	12.30
Less: Cash and cash equivalents	892.56
Net cash position	**880.26**
Equity	**963.69**

First Energy 10 Private Limited

27. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Producer of power through renewable energy source". Hence, the Company does not have any reportable segment as per IND AS-108 "Operating Segments".

28. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2025
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year	
- Principal amount dues to micro and small enterprises	0.63
- Interest due thereon	-
The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-
The amount of payment made to the supplier beyond the appointed day during the year	0.95
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.02
The amount of interest accrued and remaining unpaid at the end of each accounting year	0.02
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	0.02

29. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the period.

(iv) There is no income surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current period."

(viii) Utilisation of borrowed funds and share premium
The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

30. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

31. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

32. The Company is incorporated on March 23, 2024. The financial statements are prepared for the period March 23, 2024 to March 31, 2025 as the first financial statement of the Company. Hence, comparative amounts do not exist for the current period.

State of Company's Affairs

The Company was incorporated on July 29, 2024. It is proposed to set up a wind solar hybrid captive project of ~70 MW in Gujrat.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the Company. The Paid-up Share Capital of the Company is Rs. 1,00,000/- (Rupees One Lakh only) divided into 10,000 (Ten Thousand) Equity Shares of Rs. 10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

The details of loans and investments covered under the provisions of section186 of the Companies Act, 2013, are given in the notes to the Financial Statements. During the year, the Company did not give any guarantee.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involved the risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability

- **Renewable Sources and Grid Availability**

  The risk identified by the Company is lower generation on account of lower radiation, wind speed, and Grid failures. The Company continuously studies the radiation levels and Wind Resources Assessment with historical data from reliable sources and accordingly sizes the plant and the financial models for arriving at the right tariff for the available conditions. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance.

Health and Safety

Across all its operational assets, sites and offices, the Company implements

policies that covers Health and safety. The Company strives for continuous improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

During the year there were no changes in Director's of the Company.

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Ms. Anjali Lothe (DIN:10134848) retires by rotation and being eligible offers, herself for re-appointment. The proposal of re-appointment forms part of the Notice of the first AGM of the Company.

Board Meetings

During the year, the Board met three times on August 5, 2024, November 27, 2024 and March 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013.

Director's Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025 the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Financial Statements

Pursuant to Section 2(41) of the Companies Act, 2013, the financial year of the companies incorporated after the 1st day of January of a year shall end on the 31st day of March of the following year, in respect whereof the financial statement of the company is made up. Accordingly, the Company has prepared the financial statements from the date of incorporation to March 31, 2025 as per Schedule III to the Companies Act, 2013, as amended from time to time.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the roll of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. It has complied with provisions relating to the constitution of the Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition, Redressal) Act, 2013. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as first statutory auditors of the Company by a circular resolution passed by the Board of Directors on August 27, 2024 to hold the office till the conclusion of 1st Annual General Meeting of the Company. The Auditor's Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work and support.

Pune, April 30, 2025

First Energy 11 Private Limited

Independent auditor's report

To the Members of First Energy 11 Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of First Energy 11 Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from July 29, 2024 to March 31, 2025, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the period then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the period and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2025.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 21(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 21(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the period.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the period for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

First Energy 11 Private Limited

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of First Energy 11 Private Limited on the financial statements for the period ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of First Energy 11 Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of First Energy 11 Private Limited on the financial statements as of and for the period ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company does not have any Property, Plant and Equipment and accordingly, reporting under clause 3(i)(a)(A), 3(i)(b), 3(i)(c) and 3(i)(d) of the Order is not applicable to the Company.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the period, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, to this extent, the reporting under clause 3(iii), (iii)(a), (iii)(b),(iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961.

ix. (a) As the Company did not have any loans or other borrowings from any lender during the period, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the period. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the period. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the period. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the period by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 2.97 lakhs in the financial year. The current financial year being the first period of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

First Energy 11 Private Limited

Notes to the Financial Statements for the period July 29, 2024 March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

First Energy 11 Private Limited ("the Company") is a private limited company domiciled in India and incorporated on July 29, 2024 under the provisions of Indian Companies Act, 2013 is a subsidiary of First Energy Private Limited. The Company is primarily engaged in business as a producer of energy from renewable sources.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 30, 2025. The CIN of the Company is U35100PN2024PTC233096.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention except certain financial assets measured at fair value (refer accounting policy regarding financial instruments);

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss. There are currently no debt securities which are carried at FVTPL.

2.3. Summary of other accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when the Company has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from Sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in purchase power agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

b. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

i. Debt instruments at amortized cost

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Notes to the Financial Statements for the period July 29, 2024 March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Impairment of financial assets

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Property, plant and equipment (PPE)

All items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15
Building	30	3 to 30

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

e. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

f. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

g. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

h. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

i. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of profit or loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

j. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

k. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

l. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

m. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

n. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

Notes to the Financial Statements for the period July 29, 2024 March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

3. Other Financial Assets (Non-current)

Particulars	As at March 31, 2025
Security deposit	0.10
Total	**0.10**

4. Deferred tax assets (net)

The company has tax losses of Rs 2.94 lakhs that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of the losses as they may not be used to offset taxable profit elsewhere in the company and there are no other tax planning opportunities or other evidences of recoverability in the near future. If the company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs 0.74 lakhs.

Particulars	Expiry date	As at March 31, 2025	
		Amount	Tax Impact
Tax Losses	FY 2032-33	2.94	0.74
Total		**2.94**	**0.74**

Reconciliation of tax expenses and the accounting profit multiplied by tax rate

Particulars	July 29, 2024 to March 31, 2025

16 Financial risk management

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Company's management is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market

Notes to the Financial Statements for the period July 29, 2024 March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

prices. Market risk comprises two types of risk: interest rate risk, currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company does not have any exposure to interest rate changes at the end of the reporting period, currently as there are no borrowings with variable rates.

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is currently exposed to credit risk from its operating activities from its investing activities, including deposits with banks.

Credit risk from balances with banks and financial institutions is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counter parties. Identified impairment loss for the assets is immaterial.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2025 is the carrying amounts as disclosed in notes to accounts.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

As at March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Trade Payables	2.36	-	-	-

17. Analytical ratios

S. No.	Particulars	Numerator	Denominator	As at March 31, 2025
1	Current Ratio	Current Assets	Current Liabilities	0.20
2	Return on equity ratio	Net Profits after taxes	Shareholder's Equity	302%
3	Return on capital employed	Earning before interest and taxes	Capital Employed	151%
4	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	1.25

Capital employed = Tangible Net worth + total debt

18. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

The Company is debt free and has cash balance, details of which is given below:

Particulars	As at March 31, 2025
Borrowings	-
Less: Cash and cash equivalents	0.34
Net cash portion	**0.34**

19. Segment information

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz. "Producer of power through renewable energy source". Hence, the Company does not have any reportable segment as per IND AS-108 "Operating Segments".

20. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Particulars	As at March 31, 2025

The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-
The amount of payment made to the supplier beyond the appointed day during the year	-
The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	-

Notes to the Financial Statements for the period July 29, 2024 March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Particulars	As at March 31, 2025
The amount of interest accrued and remaining unpaid at the end of each accounting period	-
The amount of further interest remaining due and payable even in the succeeding period, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	-

21. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which are yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current period.

(iv) There is no income surrendered or disclosed as income during the current year or comparative period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared willful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current period.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

22. Compliance with Section 143 (3) for Audit Trail

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with regulations.

23. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

24. The Company was incorporated on July 29, 2024. The financial statements are prepared for the period July 29, 2024 to March 31, 2025 as the first financial statement of the Company. Hence, comparative amounts do not exist for the current period.

Provision for taxation (incl. deferred tax)	-	(1.51)
Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	(11.35)	(8.15)

State of Company's Affairs

During the year, the company has commissioned a Renewable Energy Project with a Solar capacity of 1.1 MW/ 1.6 MWp in December 2023 and has been operational since then.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the company. The Paid-up Share Capital of the Company is Rs. 2,21,50,000 divided into 22,15,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

During the year under review, the Company did not make any investment nor did the company give any loan or guarantee pursuant to the provisions of Section 186 of the Companies Act, 2013.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.

Health and Safety

Across all its operational assets, sites and offices, the Company implements policies that covers Health and safety. The Company strives for continuous

improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Eighth AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani (DIN: 01853530) resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Chandrasekar Sureshnathan (DIN: 08180321) was appointed as an Additional Director of the Company w.e.f. May 2, 2024.
- Mr. Sandeep Mandke (DIN: 09619581) resigned as the Director of the Company w.e.f. May 2, 2024.
- Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company w.e.f. April 3, 2024.
- Ms. Anjali Lothe (DIN: 10134848) was appointed as an Additional Director of the Company w.e.f. June 24, 2024.
- Mr. Chandrasekar Sureshnathan (DIN: 08180321) resigned as an Additional Director of the Company w.e.f. June 25, 2024.

Board Meetings

The Board met four times during the year under review on May 2, 2024, July 26, 2024, November 4, 2024 and January 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013 and circulars issued by the Ministry of Corporate Affairs during the year.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to withstand the wind load and string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the rolls of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- Grid tariffs for next FY 2025-26 was proposed by the state distribution company. The proposed changes included solar hour discounts and reduced banking benefits, which if implemented, would have led to reduced captive arbitrage for the Company's customers. The Holding Company represented its objections on the proposal, to the state commission. The final provisions (under consideration with state commission) have reduced solar hours discounts, retention of banking facility and a request to institutionalize battery capacities for solar open access projects in the state, thereby having positive impact to business.
- The State energy department-initiated process for formulating state's Integrated Energy Policy. The Holding company is part of the engagement and has tabled suggestions/policy recommendations for captive open access projects, and battery projects in the state.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 6th Annual General Meeting (AGM) till the conclusion of the 11th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

We have audited the accompanying financial statements of Jalansar Wind Energy Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 32(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

JALANSAR WIND ENERGY PRIVATE LIMITED

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of Jalansar Wind Energy Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Jalansar Wind Energy Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of Jalansar Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy sources and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix.. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans during the year ended March 31, 2025 and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2024. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has utilised funds raised on short-term basis aggregating Rs 2.03 lakhs for long-term purposes.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly,

the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

JALANSAR WIND ENERGY PRIVATE LIMITED

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

Jalansar Wind Energy Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 27, 2017 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 30, 2025. The CIN of the Company is U40300PN2017PTC219725.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation and measurement

(a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

(b) Historical cost convention

The financial statements have been prepared on the historical cost convention;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. The transaction price is adjusted for significant financing component, if any and the adjustment is accounted as finance cost. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

2.4. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, Plant and Equipment (PPE)

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest

income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be

required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

iii. Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a Discounted Cash Flow (DCF) model. The cash flows are derived from the budget over the useful life of assets as approved by the Management and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows. The estimates involved includes long term debt cost, cost of equity and long term debt equity ratio.

iv. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

v. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

3 . Property, Plant and Equipment

Ind AS impact on borrowings	4.99	-
Total	**126.81**	**91.22**
Total	**-**	**-**

The Company has tax losses of Rs. 18.46 lakhs (March 31, 2024: Rs. 28.06 lakhs) that are available for offsetting of future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs. 4.65 lakhs (March 31, 2024: 7.06 lakhs).

Particulars	Expiry Date	As at March 31 2025		As at March 31 2024	
		Amount	Tax Impact	Amount	Tax Impact

17 Revenue from operations

Particular	For the year ended March 31, 2025	For the year ended March 31, 2024
Revenue from contract with customers:		
Revenue from power supply	90.69	93.52
Total	**90.69**	**93.52**

Disclosure pursuant to IND AS 115: Revenue from contracts with customers

Particular	For the year ended March 31, 2025	For the year ended March 31, 2024
i) Revenue by category of contracts:		
Over a period of time basis	90.69	93.52
At a point-in-time basis	-	-
Total revenue from contracts with customers	**90.69**	**93.52**
ii) Revenue by geographical market:		
Within India	90.69	93.52
Outside India	-	-
Total revenue from contracts with customers	**90.69**	**93.52**

iii) Contract balances

The following table provides information about contract balances from contracts with customers as at the reporting date:

Particular	As at March 31, 2025	As at March 31, 2024
Contract Liabilities (Refer note 13(a) and 13(b))	57.22	38.36

The contract liabilities relate to unearned revenue where performance obligations are yet to be fulfilled as per the contracts. The fulfilment of the performance obligations will extinguish these liabilities and revenue will be recognised, with no impact on the Company's cash positions.

Contract liabilities have increased because the Company has received advance as per the agreed payment schedule.

iv) Reconciliation between revenue recognised in Statement of profit and loss and contract price

Particular	For the year ended March 31, 2025	For the year ended March 31, 2024
Contract price	82.93	86.16
Adjustments for:		
Significant Financing Component	7.76	7.36
Total Revenue recognised	**90.69**	**93.52**

v) Revenue recognised in the reporting period that was included in the contract liabilities balance at the beginning of the year:

Unearned revenue	7.76	7.36

vi) The Company applies practical expedient included in para 121 of Ind AS 115 and does not disclose information about its remaining performance obligations for contracts where the entity has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the entity's performance completed till date.

18 Other income

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

27 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that it derives directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk. The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Particulars	March 31, 2025	March 31, 2024
Variable rate borrowings	505.53	544.60

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

March 31, 2025

Particulars	Increase/decrease in %	Impact on loss before tax
Variable rate borrowings	Increase in 25 basis point	(1.37)
	Decrease in 25 basis point	1.37

March 31, 2024

Particulars	Increase/decrease in %	Impact on loss before tax
Variable rate borrowings	Increase in 50 basis point	(2.91)
	Decrease in 50 basis point	2.91

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes above. There is no charge of impairment to Statement of Profit and Loss.

Expected credit loss for contract assets under simplified approach

	As at March 31, 2025		
Trade receivables	**Gross**	**Expected loss rate**	**Expected loss allowance**
Unbilled	8.59	0%	-
Less than 6 months	-	0%	-
Total	**8.59**		**-**

	As at March 31, 2024		
Trade receivables	**Gross**	**Expected loss rate**	**Expected loss allowance**
Unbilled	8.08	0%	-
Less than 6 months	-	0%	-
Total	**8.08**		**-**

Balance with Banks

Credit risk from balances with banks is managed by the Parent Company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on an on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	40.54	44.65	45.61	414.56
Trade payables	4.61	-	-	-

7	Net Profit Ratio	Net Profits/(loss) after taxes	Revenue	-12.51%	-8.71%	44%	Due to increase in loss
8	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	10.88	7.60	43%	Due to decrease in average receivables balance
9	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	4.16	2.59	61%	Due to decrease in average trade payables
10	Net capital turnover Ratio	Total Sales	Working Capital	-4.02	-2.46	63%	Due to increase in working capital

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth + total debt

Average = (Opening + Closing)/2

29. Capital Management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

c)	The amount of payment made to the supplier beyond the appointed day during the year	0.70	-
d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.01	0.26
e)	The amount of interest accrued and remaining unpaid at the end of each accounting year	0.02	0.27
f)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006	0.29	0.27

31. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

32 Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year.

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with the regulations.

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

DIRECTORS' REPORT

Dear Shareholder,

Your directors take pleasure to present the Eighth Annual Report, together with the audited financial statements of your Company for the year ended March 31, 2025.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	2024-25	2023-24
Total income	147.27	152.22
Profit before finance cost, depreciation, and tax	117.25	123.52
Finance Cost	76.19	85.78
Profit before depreciation and tax	41.06	37.74
Depreciation and impairment	46.19	46.32
Profit/(Loss) before tax	(5.13)	(8.58)
Provision for taxation (incl. deferred tax)	-	(3.19)
Items that are not to be reclassified to profit or loss	-	-
Profit/(Loss) after tax	(5.13)	(5.39)

State of Company's Affairs

During the year, the company has commissioned a Renewable Energy Project with a Solar capacity of 1.6MW/ 2.4 MWp in December 2023 and it has been put in operation since then.

Material changes affecting the Financial Position of the Company

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

Dividend

The directors do not recommend any dividend on equity shares.

Amount proposed to be carried to Reserves

During the year, the company has not transferred any amount to the General Reserve.

Share Capital

During the year there were no changes in the capital structure of the company. The Paid-up Share Capital of the Company is Rs. 3,32,30,000 divided into 33,23,000 Equity Shares of Rs.10 each. The Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity during the year.

Subsidiaries, Joint Ventures, and Associates

The Company does not have any Subsidiary, Joint Venture, or Associate Company as on March 31, 2025.

Deposits

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013. It has no unpaid/unclaimed deposits as on March 31, 2025.

Particulars of Loans, Guarantees or Investments

During the year under review, the Company did not make any investment nor did the company give any loan or guarantee pursuant to the provisions of Section 186 of the Companies Act, 2013.

Restriction on purchase by the Company or giving of Loans by it for purchase of its shares

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan exceeding the limit mentioned therein, to persons in the employment of the Company, Directors or Key Managerial Personnel, for purchase or to subscribe shares of the Company.

Business Risk Management

The Company has identified the below types of risks in its renewable energy business and has drawn a mitigation plan to address the same –

- **Land Risk**

  The land title/ ownership data as per Government systems have certain degree of inaccuracies owing to prevalent old manual systems. This could result in delays in land acquisition and give rise to litigation. To mitigate this risk, the Company has an in-house Land expert and appointed a reputable legal agency to conduct Thirty Year Title Search Report (TSR) to clearly establish the ownership prior to land acquisition.

- **Risk of Right of Way (RoW) and Resources**

  This type of risk involves risk of delays due to RoW during construction and the availability of resources as per the plan. To cope with this risk the Company plans advance tie-up for land parcels and NOCs from respective agencies. It also contracts competent local infra partners having experience and capability.

- **Renewable Sources and Grid Availability**

  The major risk identified by the Company is generation loss due to lower radiation, and Grid failures. The Company continuously studies the radiation levels with historical data from reliable sources. It also carries out Load Flow Analysis and studies the data on power availability and quality from the Grid.

- **Plant Uptime and Soiling Losses**

  This type of risk involved the risk of revenue loss due to breakdowns and soiling due to the unavailability of water. This risk can be mitigated by selecting competent and credible service partners for Operations & Maintenance. The Company is also using water cleaning modules at regular frequency.

Health and Safety

Across all its operational assets, sites and offices, the Company implements policies that covers Health and safety. The Company strives for continuous

improvement and its objective is to establish the best safety practices at sites and operating assets.

During the year the Company took below health and safety initiatives:

- HSE Communication: HSE Moment/Lessons Learnt – Weekly HSE Moment is circulated to all employees and contractors and learnings are implemented.
- HSE Risk Management: -Hazard Reporting and closure – Hazards are reported by employees and contractors and closure is monitored and supported by Management.
- HSE Promotion: - HSE Campaigns: - National Safety Week and Road Safety Week was celebrated across the company involving contractors and employees and employee's family members.
- HSE Training: - HSE training including, Visitor Induction, Safety Induction and Risk based training is imparted to Contractors.
- HSE Digitalisation: - HSE digital software implemented for hazard reporting and risk behaviour reporting.

Adequacy of Internal Financial Controls

The Company has adequate internal financial controls and those are operating effectively.

Directors

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Mr. Sumit Rathi (DIN: 07727272) retires by rotation and being eligible offers, himself for re-appointment. The proposal of re-appointment forms part of the Notice of the Eighth AGM of the Company.

During the year, the following changes took place in the Directors and Key Managerial Personnel(s) of the Company.

- Mr. Mitish Somani (DIN: 01853530) resigned as the Director of the Company with effect from April 5, 2024.
- Mr. Chandrasekar Sureshnathan (DIN: 08180321) was appointed as an Additional Director of the Company w.e.f. May 2, 2024.
- Mr. Sandeep Mandke (DIN: 09619581) resigned as the Director of the Company w.e.f. May 2, 2024.
- Mr. Sumit Rathi (DIN: 07727272) was appointed as an Additional Director of the Company w.e.f. April 3, 2024.
- Ms. Anjali Lothe (DIN: 10134848) was appointed as an Additional Director of the Company w.e.f. June 24, 2024.
- Mr. Chandrasekar Sureshnathan (DIN: 08180321) resigned as an Additional Director of the Company w.e.f. June 25, 2024.

Board Meetings

The Board met four times during the year under review on May 2, 2024, July 26, 2024, November 4, 2024 and January 24, 2025. The intervening gap between the meetings was within the period prescribed under the Companies Act, 2013 and circulars issued by the Ministry of Corporate Affairs during the year.

Directors' Responsibility Statement

In terms of Section 134(3)(c) of the Companies Act, 2013, the Directors of your Company, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

a) In the preparation of the annual financial statements for the year ended March 31, 2025 the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;

b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent to give a true and fair view of the state of affairs of the Company as on March 31, 2025 and of the loss of the Company for the year ended on that date;

c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) The annual financial statements have been prepared on a going concern basis;

e) Proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Secretarial Standards

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

Details regarding frauds reported by Auditors under section 143(12)

During the year under review, there were no frauds reported by the auditors to the Board under section 143(12) of the Act.

Related Party Transactions (RPT)

All related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the financial statements.

Maintenance of Cost Records

Pursuant to Section 148(1) of the Companies Act, 2013, the requirement for maintenance of cost records is not applicable to the Company.

Conservation of energy and technological absorption

The Company is in the business of renewable energy. The Company aims to conserve the environment by bringing about significant change in methods of using energy through the application of Solar, Wind, and associated Renewable energy generation sources for commercial & industrial customers.

As a part of its "Build-Green" initiatives, the Company has installed solar powered Robots to clean the solar modules at the Opex projects thus ensuring waterless cleaning. In the case of Technology absorption, the Company used higher rated (540 & 550Wp) Monoperc PV models with better efficiency. The structure is designed to withstand the wind load. Robot technology is being adopted for cleaning the modules and this will help to conserve water and reduce soiling losses.

In the case of Technology absorption, the Company used higher rated (>540Wp) Monoperc PV modules with better efficiency, a structure designed to withstand the wind load and string type Solar Inverters designed for outdoor installation.

Foreign Exchange Earnings and Outgo

There were no foreign exchange earnings and outgo during the year.

Particulars of Employees

Since the company is a Subsidiary of First Energy Private Limited and incorporated for the purpose of carrying out renewable energy business, there are no employees on the rolls of the company as on March 31, 2025.

None of the employees are covered by the provisions contained in Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 framed under the Companies Act, 2013.

Significant and material orders passed by the Regulators or Courts

There are no significant or material orders passed by the Regulators / Courts.

Corporate Social Responsibility

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as of March 31, 2025. Hence, the provisions related to Corporate Social responsibility do not apply to the Company.

Disclosure under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

Your Company is committed to providing employees with a safe and conducive work environment. No cases were pending at the beginning of the year/ filed during the year, according to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

The Insolvency and Bankruptcy Code, 2016

Your Board confirms that there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

Valuation

During the year under review, there is no instance of onetime settlement with any Bank or Financial Institution.

Changes in the Regulatory Provisions and its impact on the business

During the year, the below changes were made to the Regulatory Provisions:

- Grid tariffs for next FY 2025-26 was proposed by the state distribution company. The proposed changes included solar hour discounts and reduced banking benefits, which if implemented, would have led to reduced captive arbitrage for the Company's customers. The Holding Company represented its objections on the proposal, to the state commission. The final provisions (under consideration with state commission) have reduced solar hours discounts, retention of banking facility and a request to institutionalize battery capacities for solar open access projects in the state, thereby having positive impact to business.
- The State energy department-initiated process for formulating state's Integrated Energy Policy. The Holding company is part of the engagement and has tabled suggestions/policy recommendations for captive open access projects, and battery projects in the state.

Auditors

M/s Price Waterhouse Chartered Accountants LLP, (Firm Registration Number. 012754N/N500016) were appointed as Statutory Auditors of the Company for a period of Five year from the conclusion of the 6th Annual General Meeting (AGM) till the conclusion of the 11th AGM. The Auditors' Report for FY 2024-25 does not contain any qualification, reservation, or adverse remark.

Acknowledgments

The Directors wish to place on record their appreciation for the support extended by the Company's customers, vendors and bankers during the year and look forward to their continued support in the future as well. They also place on record their appreciation for the dedication and contributions made by all the employees for their commitment, hard work, and support.

KANAKAL WIND ENERGY PRIVATE LIMITED

Independent auditor's report

To the Members of Kanakal Wind Energy Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Kanakal Wind Energy Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

   We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain books of account and other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2025.

iv. iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 32(viii) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 32(viii) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility that has operated during the year for all relevant transactions recorded in the software, except that audit trail feature has not been enabled at the database level to log any direct data changes.

13. The Company has not paid any remuneration to its directors during the period. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

KANAKAL WIND ENERGY PRIVATE LIMITED

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of Kanakal Wind Energy Private Limited on the financial statements for the year ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Kanakal Wind Energy Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to Independent Auditors' Report

Referred to in paragraph 11 of the Independent Auditor's Report of even date to the members of Kanakal Wind Energy Private Limited on the financial statements as of and for the year ended March 31, 2025

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company does not have any Intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The title deeds of all the immovable properties, as disclosed in Note 3 to the financial statements, are held in the name of the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The Company is in the business of generating power from renewable energy source and, consequently, does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products/ services of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, income tax, and other statutory dues, as applicable, with the appropriate authorities.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans during the year ended March 31, 2025 and there was no unutilized balance of term loan obtained in earlier years as on April 1, 2024. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been utilised for long-term purposes by the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) and (ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly,

the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial/ housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. The reporting under clause 3(xxi) of the Order relates to audit of Consolidated Financial Statements, which is not applicable to the Company. Accordingly, no comment in respect of this clause has been included.

KANAKAL WIND ENERGY PRIVATE LIMITED

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1 Corporate information

Kanakal Wind Energy Private Limited ("the Company") is a private limited company domiciled in India and incorporated on March 27, 2017 under the provisions of Indian Companies Act, 2013. It is a subsidiary of First Energy Private Limited. The Company is primarily engaged in the business as a producer of solar power.

The address of the Company's registered office is 6th Floor, Office No 601, Cello Platina, FC Road, Shivaji Nagar, Pune, Maharashtra – 411005. The Board of Directors have authorized to issue these financial statements on April 30, 2025. The CIN of the Company is U40300PN2017PTC219726.

2. Basis of preparation and summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation and measurement

a) Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the section 133 of the Companies Act 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the act.

b) Historical cost convention

The financial statements have been prepared on the historical cost convention;

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of products and services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.2. Summary of material accounting policies

a. Revenue recognition

Revenue from Contracts with customers

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at the amount of the transaction price allocated to the performance obligation. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is primarily responsible for fulfilling the promise to provide the specified goods or service and has discretion in establishing the price for the specified goods or service.

Revenue from sale of power

Revenue from sale of power is recognised at transaction price and over time for each unit of electricity delivered at the contracted rate. The transaction price is adjusted for significant financing component, if any and the adjustment is accounted as finance cost. Revenue recognized includes amounts billed to consumers on the basis of recording of consumption of energy by installed meters based on the applicable tariff agreed in power purchase agreement, which are recognized considering past trends of approval, management's probability estimate and when no significant uncertainty exists in such determination.

Trade receivables: A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

b. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any.

Depreciation commences when the assets are ready for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Plant and equipment	10 to 25	10 to 15

c. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs pertaining to qualifying assets are presented as part of financing activities in statement of cash flows.

2.3. Summary of other accounting policies

a. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets (excluding trade receivables which do not contain a significant financing component) are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. For all subsequent measurements, financial assets are classified in the following categories by the Company:

i. Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in finance costs/ income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss.

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

ii. Debt instrument at FVOCI

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. There are currently no debt securities which are carried at FVOCI.

iii. Debt instrument at FVTPL

Fair value through profit or loss (FVTPL): FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss. There are currently no debt securities which are carried at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

For trade receivables, the Company follows 'simplified approach' for recognition of impairment loss and always measures the loss allowance at an amount equal to lifetime expected credit losses to measure the expected credit losses.

In case of other financial assets, the Company applies general approach for recognition of impairment losses wherein the Company uses judgement in considering the probability of default upon initial recognition and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

Financial liabilities

All financial liabilities are recognized initially at fair value and in the case of borrowings, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables and borrowings.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. There are currently no financial liabilities classified as FVTPL.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of Profit and Loss. Amortised cost category is applicable to loans and borrowings, trade and other payables. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on effective interest rate (EIR). The EIR amortization is included as finance cost in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires or when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

b. Fair value measurement

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

c. Property, Plant and Equipment

All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

d. Income recognition

Interest income

For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Statement of Profit and Loss.

e. Cash and cash equivalents

Cash and cash equivalents includes cash on hand, balances with banks and other short-term, highly liquid investments with original

maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f. Share capital

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

Cost for issuance of equity instruments:

The cost in issuing or acquiring Company's own equity instruments includes registration and other regulatory fees and stamp duties. These costs are accounted for as a deduction from equity (net of any related income tax benefit) to the extent they are incremental costs directly attributable to the equity transaction that otherwise would have been avoided.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

h. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the Statement of Profit and Loss.

For assets, an assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of Profit and Loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

i. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

j. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The Board of Directors of the Company has been identified as the chief operating decision maker of the Company.

k. Contingent liabilities

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

l. Earnings per share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

m. Rounding of amounts:

Amounts disclosed in the financial statements are presented in INR in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013, unless otherwise stated.

2.4. Significant accounting judgments, estimates and assumptions

The preparation of financial statements requires the use of accounting estimates which, by definition, will likely differ from the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to final outcomes deviating from estimates and assumptions made.

i. Impairment of property, plant and equipment

Determining whether property, plant and equipment are impaired requires an estimation of the value in use of the relevant cash generating units. The value in use calculation is based on a Discounted Cash Flow model over the estimated useful life of the property, plant and equipment. Further, the cash flow projections are based on estimates and assumptions relating to expected generation based on past trends and the current and likely future state of the industry etc. which are considered reasonable by the Management. Any reasonable possible change in the underlying assumptions would lead to recoverable amount and conclusion on impairment assessment.

ii. Borrowing costs

Significant management judgement is involved in determining whether in assessing whether the asset is a qualifying asset using the factors such as period of time to get ready, nature of activities necessary and industry practice. The construction of project involves a period ranging from 6 months to 10 months.

iii. Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a Discounted Cash Flow (DCF) model. The cash flows are derived from the budget over the useful life of assets as approved by the Management and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows. The estimates involved includes long term debt cost, cost of equity and long term debt equity ratio.

iv. Useful lives of property, plant and equipment

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives annually and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

v. Deferred taxes

At each balance sheet date, the Company assesses whether the realization of future tax benefits is sufficiently probable to recognize deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

3. Property, plant and equipment

Total	**188.40**	**136.26**
Total	**-**	**-**

The Company has tax losses of Rs. 9.87 lakhs (March 31, 2024: Rs. 31.24) that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the profit for the year would increase by Rs. 2.49 lakhs (March 31, 2024: Rs. 7.86 lakhs).

Particulars	Expiry Date	As at March 31 2025		As at March 31 2024	
		Amount	Tax Impact	Amount	Tax Impact

17 Revenue from operations

Particular	For the year ended March 31, 2025	For the year ended March 31, 2024
Revenue from Power Supply	139.23	125.80
Total	**139.23**	**125.80**

Disclosure pursuant to IND AS 115: Revenue from contracts with customers

Particular	For the year ended March 31, 2025	For the year ended March 31, 2024
i) Revenue by category of contracts:		
Over a period of time basis	139.23	125.80
At a point-in-time basis	-	-
Total revenue from contracts with customers	**139.23**	**125.80**
ii) Revenue by geographical market:		
Within India	139.23	125.80
Outside India	-	-
Total revenue from contracts with customers	**139.23**	**125.80**

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

iii) Contract balances

The following table provides information about contract balances from contracts with customers as at the reporting date:

Particular	As at March 31, 2025	As at March 31, 2024
Contract Liabilities (Refer note 13(a) and 13(b))	85.84	57.54

The contract liabilities relate to unearned revenue where performance obligations are yet to be fulfilled as per the contracts. The fulfilment of the performance obligations will extinguish these liabilities and revenue will be recognised, with no impact on the Company's cash positions.

Contract liabilities have increased because the Company has received advance as per the agreed payment schedule.

iv) Reconciliation between revenue recognised in Statement of Profit and Loss and contract price

Particular	For the ended March 31, 2025	For the ended March 31, 2024
Contract price	128.07	114.94
Adjustments for:		
Significant Financing Component	11.16	10.86
Total Revenue recognised	**139.23**	**125.80**

v) Revenue recognised in the reporting period that was included in the contract liabilities balance at the beginning of the year:

Unearned revenue	11.16	10.86

vi) Remaining performance obligations:

The Company applies practical expedient included in para 121 of Ind AS 115 and does not disclose information about its remaining performance obligations for contracts where the entity has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the entity's performance completed till date.

Non current liabilities	730.98	765.10
Total	**793.34**	**852.52**

Break-up of financial assets carried at amortised cost

Particular	As at March 31, 2025	As at March 31, 2024
Trade receivables	13.14	12.31
Other financial assets	1.45	1.32
Cash and cash equivalents	23.72	13.20
Bank balances other than cash and cash equivalents	35.15	34.94
Total	**73.46**	**61.77**
Current assets	72.42	60.73
Non-current assets	1.04	1.04
Total	**73.46**	**61.77**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

27 Financial risk management

The Company's principal financial liabilities, comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that it derives directly from its operations.

Risk is inherent in the Company's activities but it is managed through a process of ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing operations. The Company is exposed to market risk, credit risk and liquidity risk.

Management of the Company is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. Management of the Company reviews and agrees policies for managing each of these risks, which are summarised below.

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and currency risk.

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

The sensitivity analyses in the following sections relate to the position as at March 31, 2025 and March 31, 2024.

a Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows

Particulars	March 31, 2025	March 31, 2024
Variable rate borrowings	761.79	820.62

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Particulars	March 31, 2025	March 31, 2024
Interest rates - Increase by 25 (March 31, 2024 - 50) basis points	(2.06)	(4.36)
Interest rates - Decrease by 25 (March 31, 2024 - 50) basis points	2.06	4.36

b) Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates.

The Company has not entered into any foreign currency transaction during the current year and comparative period and hence not exposed to any foreign currency risk.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks.

Expected credit loss for

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on individual credit limits and risk of potential default based on defined credit risk parameters. An impairment analysis is performed based on expected credit loss model at each reporting date. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in notes below. There is no charge of impairment to Statement of profit and loss.

Expected credit loss for contract assets under simplified approach

As at March 31, 2025

Trade receivables	Gross	Expected loss rate	Expected loss allowance
Unbilled	13.14	0%	-
Total	**13.14**		**-**

As at March 31, 2024

Trade receivables	Gross	Expected loss rate	Expected loss allowance
Unbilled	12.31	0%	-
Total	**12.31**	**-**	**-**

Balance with Banks

Credit risk from balances with banks is managed by the parent company's finance department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties to mitigate financial loss through counterparty's potential failure to make payments. Identified impairment loss for these assets is immaterial.

Other financial assets carried at amortised cost

Company's exposure to other financial asset includes security deposits which is considered to be low risk. No loss allowance is required to be recognised for the same.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows on a on-going basis. The Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

Maturities of financial liabilities

The tables below summarises the company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

March 31, 2025

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	38.81	66.98	68.42	622.19
Trade payables	10.08	-	-	-
Other financial liabilities	13.47	-	-	-

March 31, 2024

Particulars	< 1 year	1 to 3 years	3 to 5 years	> 5 years
Non- derivative				
Borrowings	63.52	63.40	67.70	657.30
Trade payables	7.95	-	-	-
Other financial liabilities	15.95	-	-	-

28 Analytical ratios

Sr. No.	Particulars	Numerator	Denominator	For the year ended March 31, 2025	For the year ended March 31, 2024	Variance	Remarks for variation more than 25%
1	Current Ratio	Current Assets	Current Liabilities	1.02	0.66	54.00%	Due to increase in current assets and decrease in current liabilities
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	2.59	2.74	-5.50%	Not applicable
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit after taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest + Principal Repayments)	0.89	0.79	12.69%	Not applicable
4	Return on Equity	Net loss after taxes	Average Shareholder's Equity	-1.71%	-2.81%	-39.17%	Due to decrease in losses
5	Return on investment	Investment income	Average investment	7.40%	11.16%	-33.70%	Due to increase in average investments
6	Return on Capital employed	Earning before interest and taxes	Capital Employed	6.66%	6.82%	-2.44%	Not applicable
7	Trade Receivables turnover Ratio	Total Sales	Average Trade Receivable	10.94	9.73	12.50%	Not applicable
8	Trade payables turnover Ratio	Net Credit Purchases	Average Trade Payables	3.33	2.61	27.69%	Due to decrease in average trade payables
9	Net capital turnover Ratio	Total Sales	Working Capital	107.54	-3.79	-2740.91%	Due to decrease in working capital
10	Net Profit Ratio	Net Profit/(loss) after taxes	Revenue	-3.68%	-4.28%	-13.96%	Not applicable

Working Capital = Current assets less Current liabilities

Capital employed = Tangible Net worth + total debt

Average = (Opening + Closing)/2

29. Capital management

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through borrowings, equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

Particular	March 31, 2025	March 31, 2024
Borrowings including accrued interest	776.39	835.36
Less: Cash and cash equivalents (includes other bank balances)	58.87	48.14
Net debt	**717.52**	**787.22**
Equity	297.59	302.72
Net Debt to equity	**2.41**	**2.60**

There is no major variation in debt to equity ratio

Loan Covenants

Under the terms of the borrowing facilities, the Company is required to comply with the following financial covenants:

(i) Debt to Equity ratio of 3:1 is maintained;

(ii) Debt Service Coverage ration of 1.10x is maintained; and

(iii) Debt to Tangible net worth is less than or equal to 3:1

Financial Covenant are tested based on the audited financial statements annually within a period of 6 (six) months from the end of the relevant Financial Year.

Some of the debt covenants were not complied as at March 31, 2024 and March 31, 2025, refer note 12 for details.

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

30. Details of dues to Micro and Small Enterprises as defined under MSMED Act, 2006

Dues to small-scale industrial undertakings have been worked out on the basis of information available with the Management.

Sr. No	Particulars	As at March 31, 2025	As at March 31, 2024
a)	The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
	- Principal amount dues to micro and small enterprises	2.69	2.26
	- Interest due thereon	0.01	0.01
b)	The amount of interest paid by the Company in terms of section 16 of the MSMED Act, 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
c)	The amount of payment made to the supplier beyond the appointed day during the year	0.98	0.27
d)	The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	0.02	0.01
e)	The amount of interest accrued and remaining unpaid at the end of each accounting year	0.03	0.02
f)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006	0.05	0.02

31. Segment reporting

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Producer of power through renewable energy source". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

32. Other Statutory Information

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Registrar of Companies beyond the statutory period.

(iii) The Company has not traded or invested in crypto currency or virtual currency during the current and previous year.

(iv) There is no income surrendered or disclosed as income during the current year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956.

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current or previous financial year

(viii) Utilisation of borrowed funds and share premium

The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

33. Compliance with Section 143 (3) for Maintenance of Books of Account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain books and records maintained in electronic mode has not been maintained on servers physically located in India on daily basis. The Company will take appropriate measures to comply with the regulations.

34. Compliance with Section 143 (3) for Audit Trail

The primary accounting software used for maintaining its books of account has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail has been enabled at the database level to log any direct data changes.

DIRECTORS' REPORT

Dear Shareholders,

The Directors present their Annual Report of the company for the year ended March 31, 2025.

FINANCIAL RESULTS

(Rs. in Lakh)

Particulars	For the year ended March 31, 2025	For the year ended March 31, 2024
Total Income	**2,899.09**	3,734.49
Profit before depreciation and interest	**429.23**	566.01
Depreciation	**29.19**	33.35
Interest	**14.28**	0.63
Profit before Tax	**385.76**	532.03
Provision for taxation (incl. deferred tax)	**116.78**	152.00
Profit after Tax	**268.98**	380.03

STATE OF COMPANY'S AFFAIRS

During the period under review, the Company posted a revenue of Rs. 2899.09 lakhs, with profit before tax of Rs. 385.76 lakhs.

The management has identified a potential roadmap for the future operations and is hopeful of a decent growth in the years ahead. Your directors are hopeful to increase the commercial activities at a large scale in coming years and to achieve better financial results.

MATERIAL CHANGES AFFECTING FINANCIAL POSITION

No material changes and commitments occurred after the close of the year till the date of this report, which affect the financial position of the Company.

CHANGE IN NATURE OF BUSINESS

There is no change in nature of business during the year under review.

HEALTH & SAFETY

The Company is committed to follow highest Safety and Health standards.

DIVIDEND

The directors did not recommend any dividend on equity shares during the year.

AMOUNT PROPOSED TO BE CARRIED TO RESERVES

During the year, the Company has not transferred any amount to the General Reserve.

SHARE CAPITAL

The Authorized share capital of the Company is Rs. 2,00,00,000/- (Rupees Two Crore only) comprising of 20,00,000 Equity Shares of Rs. 10/- each.

The Paid up capital of the Company is Rs. 1,52,10,000/- (Rupees One Crore Fifty Two Lacs Ten Thousand only) comprising of 15,21,000 Equity Shares of Rs. 10/- each.

During the period under review there has been no change in the authorized, as well as subscribed and paid-up share capital and the Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity.

PUBLIC DEPOSITS

The company has not accepted any deposits under Chapter V of the Companies Act, 2013. Consequently, it has no unpaid / unclaimed deposit(s) as on March 31, 2025.

PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS

During the year company has not given loans, guarantees and investments covered under the provisions of Section 186 and Section 134(3) (g) of Companies Act, 2013.

SUBSIDIARY / ASSOCIATE / JOINT VENTURE COMPANY

INDEPENDENT AUDITOR'S REPORT

To the members of Buildtech Products India Private limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Buildtech Products India Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the period then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profits and total comprehensive income, its changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Other Matter

The Financial Statements of the Company for the year ended March 31, 2024, were audited by another auditor who expressed an unmodified opinion on those statements on September 06, 2024.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among

other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) Based on the records examined by us and according to information and explanations given to us, the Company has not paid/provided for managerial remuneration. Hence, the provisions of Section 197 of the Act related to managerial remuneration are not applicable.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      (i) The Company does not have any pending litigations which would impact its financial position in its Financial Statements.

      (ii) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

      iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement.

      (v) The Company has not declared/paid/declared and paid any dividend during the year; and

      (vi) Based on our examination which included test checks and information given to us, the Company has used accounting software for maintaining its books of account, which did not have a feature recording audit trail (edit log) facility throughout the year for all relevant transactions recorded in the respective softwares, hence we are unable to comment on audit trail feature of the said software.

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **Buildtech Products India Private Limited** ("the Company") as of March 31, 2025, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BUILDTECH PRODUCTS INDIA PRIVATE LIMITED

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

(i) (a) (A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) The Company does not have intangible assets on the reporting date. Thus, reporting under clause 3(i)(a)(B) of the order is not applicable to the Company.

(b) The Company has a regular programme of physical verification of its property, plant and equipment by which the property, plant and equipment are verified by the management according to a phased programme designed to cover all the items every year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In accordance with the programme, the Company has physically verified certain property, plant and equipment during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanation given to us and on the basis of our examination of records of the Company, in respect of immovable properties (Land) that have been taken on lease, the lease agreements are held in the name of the Company where the Company is the lessee in the agreements. The Company does not have any other immovable property.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence reporting under clause 3((i)(d) is not applicable to the Company.

(e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) (ii) (a) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished goods have been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

(iii) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

(iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act for the products of the Company. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, specified by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities though there has been a slight delay in a few cases . According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Income Tax, Goods and Services Tax, Service Tax, Provident Fund, Employees State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, Cess as at 31 March 2025, which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

(e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) Though establishment of vigil mechanism is not mandated for the Company by the Act, or by Securities Exchange Board of India (Listing Obligations and Disclosure Requirement) ("SEBI LODR") Regulations, as represented by the management, no whistle blower complaints were received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination, internal audit system is not applicable to the Company. Hence reporting under clause 3(xiv) is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company and subsidiary companies or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us, we report that the Company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one Core Investment Companies.

(xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

(xviii) There has been resignation of the statutory auditors during the year. However, there are no issues, objections or concerns raised by the outgoing auditors.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) According to the information and explanations given to us, the company has not transferred the amount remaining unspent in respect of other than ongoing projects, to a Fund specified in Schedule VII to the Act till the date of our audit report. However, the time period for such transfer i.e. six months of the expiry of the financial year as permitted under the second proviso to sub-section (5) of Section 135 of the Act, has not elapsed till the date of our audit report.

(b) According to the information and explanations given to us, there are no ongoing projects relating to corporate social responsibility. Accordingly, the reporting under Clause 3(xx)(b) of the Order is not applicable to the Company.

2 Material accounting policies

2.1 Basis of preparation, measurement

a. Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Sch III) as applicable to the financial statements.

The preparation of the financial statements requires the use of certain critical accounting judgements, estimates and assumptions. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

b. Basis of measurement

The financial statements have been prepared on the accrual and going concern basis under historical cost convention except certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

2.2 Summary of material accounting policies, critical accounting estimates and judgements

a. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/noncurrent classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

The Company's standalone financial statements are prepared in INR, which is also the functional currency of the Company.

Transactions and balances

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the Statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

c Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets are recognized initially at fair value except for Trade receivables which are recognised initially at the transaction price.

(i) Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

The Company does not have any debt instrument measured at fair value or any equity investments.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

Further disclosures relating to impairment of financial assets are provided in the following notes:

- **Trade receivables -** Refer note 7;

Financial liabilities

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables. Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. The Company's all financial liability are currently classified under amortized cost.

Amortized cost category is applicable to trade and other payables. After initial recognition the financial liabilities are measured at amortized cost using the EIR method. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on EIR. The EIR amortization is included as finance cost in the Statement of profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

In the application of the Company's accounting policies, the Management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on industry experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas involving critical estimates or judgements are:

a. Estimates and assumptions related to useful lives of Property, Plant and Equipment (PPE) (Refer note 4)

b. Estimate and assumptions for income taxes (Refer note 10)

c. Estimations used for impairment of trade receivable (Refer note 7);

d. Judgments related to employee benefits expense (Refer note 19)

4 (a) Property, Plant and Equipment (PPE)

Accounting policy

Property, Plant and Equipment (PPE) are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any. All significant costs relating to the acquisition and installation of PPE are capitalized. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Consolidated Statement of profit and loss during the financial year in which they are incurred. The carrying amount of the replaced part is derecognised. The carrying amount of an item of property, plant and equipment shall be derecognized on disposal or when no future economic benefits are expected from its use or disposal.

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

(a) OWNED ASSETS:

*The Company had elected to continue with the carrying value of property, plant and equipment as recognised in the consolidated financial statements as per previous GAAP and had regarded those values as the deemed cost on the date of transition (i.e. April 1, 2023). The Company has disclosed the gross cost and accumulated depreciation above, for information purpose only.

(b) CAPITAL WORK-IN-PROGRESS ('CWIP')

Accounting policy

The Company recognises capital work in progress at cost, net of accumulated impairment loss, if any.

Ageing of Capital work-in-progress (CWIP) *:

Description		Amount in CWIP for a period of			
		Less than 1 year	1-2 years	2-3 years	Total
Capital work-in-progress 1st Apr 2023	As at April 1, 2023	**-**	**-**	**-**	**-**
Capital work-in-progress 31st Mar 2024	01-Apr-23 to 31-Mar-24	-	-	-	-
	As at March 31, 2024	**-**	**-**	**-**	**-**
Capital work-in-progress 31st Mar 2025	01-Apr-24 to 31-Mar-25	**67.68**	**-**	**-**	**67.68**
	As at March 31, 2025	**67.68**	**-**	**-**	**67.68**

4 (b) Right of use assets

Accounting policy

Company recognises right of use assets at cost at the commencement date of the lease. The cost of right of use assets includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and estimate of costs to dismantle. After the commencement date, ROU assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. Right of use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated remaining useful lives of the assets, as follows:

- Leasehold Land - 1 to 99 years

	Leasehold land
Gross carrying amount as at April 1, 2023	**69.74**
Additions	
Disposals/Transfers/Adjustments

Net Block as at March 31, 2024	**68.90**
Net Block as at April 1, 2023	**69.74**

The Company has taken certain assets on lease which has been accounted in accordance with Ind AS 116-Leases under right-of-use assets.

(d) DEPRECIATION AND AMORTISATION EXPENSES

	Year ended March 31, 2025	Year ended March 31, 2024
Depreciation on Property plant and equipment	28.36	32.51
Depreciation on Right to Use Asset	0.84	0.84
Amortisation of intangible asset		
	29.20	**33.35**

5 Financial risk management

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations. Risk is inherent in the Company's activities but it is managed through a process of on going identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's Board of Directors is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the Company reviews and agrees policies for managing each of these risks which are summarised below:

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk.

Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Company's has not entered into any transaction in foreign currency during the year.

Foreign exchange risk is managed on the basis of continuous assessment of current and expected exchange rate movements.

Commodity price risk

Commodity price risk for the Company is mainly related to fluctuations in RM - 1A and Aluminium Sulphate prices which are linked to various external factors, which can affect the production cost of the Company and can lead to drop in operating margin. To manage this risk, processes and policies are put in place by senior management. The policies are reviewed regularly and are implemented by the central procurement team. The Company has not hedged its exposure to future commodity purchases.

	Change in commodity price	Effect on profit before tax	Effect on pre-tax equity
GBP Sensitivity			
'RM-1A (GUJARAT PCA 510 (L)	+5%	38.41	38.41
	-5%	(38.41)	(38.41)
'ALUMINIUM SULPHATE	+5%	10.75	10.75
	-5%	(10.75)	(10.75)

The sensitivity is calculated by changing the purchase price of commodities by 5% keeping all other factors constant.

Price risk

The Company does not hold investments in equity shares or mutual fund as on the date of Balance Sheet and hence it is not exposed to any such risks.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

trade receivables) and from its financing activities and deposits and other balances with banks.

Trade receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous company and assessed for impairment collectively. The calculation is based on losses as per historical data. Credit risk is managed through credit approval process by establishing credit limits along with continuous monitoring of credit worthiness of customers to whom credit terms are granted. Wherever required, credit risk of receivables is further covered through letter of credit, bank guarantee, business deposits and such other forms of credit assurance schemes.

	As at March 31, 2025		As at March 31, 2024	
	Gross	Expected loss allowance	Gross	Expected loss allowance
Not due	-	-	-	-
Less than 6 months	799.20	5.80	1,158.83	7.43
6 months to 1 years	206.44	-	34.26	
1 to 2 years	14.90	4.92	38.96	12.86
> 2 years	50.36	44.75	61.09	44.38
Total	**1,070.90**	**55.47**	**1,293.14**	**64.67**

Financial instruments and bank deposits

Credit risk from balances with banks and other financial assets are managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties having a good market reputation and within credit limits assigned to each

counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2025, March 31, 2024 and April 1 2023, is the carrying amounts as disclosed in Note 8 to the financial statements.

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

The management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements. The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

(i) Maturities of financial liabilities

The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

March 31, 2025	On demand	Less than 3 months	3 months to 1 year	More than 1 years	Total

6 First-time adoption

Transition to Ind AS

The Company's financial statements for the year ended 31 March, 2025 are the first annual financial statements prepared by the Company in order to comply with Ind AS. The adoption of Ind AS was carried out in accordance with Ind AS 101, using 1 April, 2023 as the transition date. The transition was carried out from Previous GAAP (based on the AS framework) to Ind AS. The effect of adopting Ind AS has been summarized in the reconciliations provided below.

Ind AS 101 generally requires full retrospective application of the Standards in force at the first reporting date. However, Ind AS 101 allows certain exemptions in the application of particular Standards to prior periods in order to assist companies with the transition process.

The accounting policies as stated above in Note 2 above have been applied in preparing the financial statements for the year ended 31 March, 2025, the financial statements for the year ending 31 March, 2024 and the preparation of an opening Ind AS statement of financial position as at 1 April, 2023. In preparing its opening Ind AS Balance Sheet and Statement of Profit and Loss for the year ended 31 March, 2024, the Company has adjusted amounts reported in financial statements prepared in accordance with Previous GAAP. An explanation of how the transition from Previous GAAP to Ind AS has affected the Companies financial position, financial performance and cash flows is set out in the following tables.

Reconciliation of total equity as at March 31, 2024 and April 1, 2023

		March 31, 2024	April 1, 2023
	Total Equity as per previous GAAP	1,851.76	1,480.57
	Ind-AS Adjustments [Increase in Equity/ (Decrease in Equity)]		
i.	Transition Impact of Lease as per IND AS 116 (net of tax)	(0.84)	-
ii	Impact on Deferred taxes of above adjustments		
ii	Impact of ECL on Trade Receivable (net of deferred tax)	(48.40)	(38.31)
iii	Fair Value Gain/(Loss) on Investment (net of deferred tax)	3.32	
	Deferred Tax on above		
iv.	Other Adjustment	11.44	(4.34)
	Total Ind-AS adjustments	**(34.47)**	**(42.65)**
Total Equity as per Ind-AS		**1,817.30**	**1,437.92**

Reconciliation of total comprehensive income for the year ended March 31, 2024

		Year ended March 31, 2024
	Net profit after tax under previous GAAP	380.90
	Ind AS adjustments [Increase in profits / (decrease in profits)]	
i.	Transition Impact of Lease as per IND AS 116 (net of tax)	(0.84)
iii.	Impact of ECL on Trade Receivable (net of deferred tax)	(10.09)
iv.	Fair Value Gain/(Loss) on Investment	3.32
v.	Other Adjustment	6.07
	Total of adjustments	**(1.53)**
	Net Profit after tax as per Ind-AS	**379.38**

Notes to above re-conciliations

A The company has lease agreements for long-term land use in exchange for rent consideration. The property was originally taken on a 99-year lease, and based on Ind AS 116, the company needs to evaluate whether it qualifies for recognition as a Right-of-Use (ROU) asset.

B As per Ind AS 101, entity is required to determine the of credit risk at the date of initial recognition of financial asset and compare the same with credit risk at the transition date. If the determination requires undue cost and efforts, an entity shall recognize a loss allowance equal to lifetime expected credit losses at each reporting date until that financial instrument is de-recognized.

C As per Ind AS 109, investments must be reclassified and measured at Fair Value through Profit or Loss (FVTPL), since it do not meet the criteria of solely payments of principal and interest (SPPI). The option to classify these investments as Fair Value Through Other Comprehensive Income (FVTOCI) is not available to the company due to the nature and purpose of the investment.

7 TRADE RECEIVABLES - AT AMORTIZED COST

Accounting policy

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

(a) CURRENT TRADE RECEIVABLES

	As at March 31, 2025	As at March 31, 2024
Trade receivables from:		
i) Related parties (note 33)	41.99	-
ii) Others	973.45	1,228.47
Total	**1,015.44**	**1,228.47**
Break-up for security details		
Secured, considered good		
Unsecured, considered good	1,015.44	1,228.47
Trade receivables which has a significant increase in credit risk	55.46	64.67
Trade receivables - credit impaired	(55.46)	(64.67)
	1,015.44	**1,228.47**
Less: Impairment allowance*	**-**	
Total	**1,015.44**	**1,228.47**

No trade or other receivables are due from directors or other officers of the Company either severally or jointly with any other person. Nor any receivable from firms or private companies in which any director is a partner, a director or a member, respectively.

The ageing of current trade receivables which are due for receipt:

Particulars		Outstanding for the following period					Total
		Less than 6 months	6 months-1 year	1-2 years	2-3 years	More than 3 years	
(i) Undisputed trade receivables-considered good	March 31, 2025	799.20	206.44	14.90	17.01	33.36	**1,070.91**
	March 31, 2024	1,158.83	34.26	38.96	50.62	10.47	**1,293.14**
	April 1, 2023	892.97	82.66	34.49	48.11	-	**1,058.23**
Less: Impairment allowance	March 31, 2025						**(55.46)**
	March 31, 2024						**(64.67)**
	April 1, 2023						**(51.19)**
Total	March 31, 2025						**1,015.44**
	March 31, 2024						**1,228.47**
	April 1, 2023						**1,007.03**

The above ageing includes retention receivables which are classified as due or not due on the basis of the contractual terms with respective customers.

(c) Expected Credit Loss (ECL)

Accounting Policy

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss and credit risk exposure on the financial assets that are debt instruments measured at amortized costs e.g. loans, deposits, trade receivables, contractual receivables and bank balances. The Company follows 'simplified approach' for recognition of impairment allowance. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant

Notes to financial statements for the year ended March 31, 2025
(All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

increase in credit risk since initial recognition, then the entity reverts to recognizing impairment allowance based on 12-month ECL. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

ECL impairment allowance (or reversal) recognized during the period is recognized as income/expense in the Consolidated Statement of profit and loss under the head 'other expenses' in the Consolidated Statement of profit and loss. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

The following table summarises the change in impairment allowance measured using the life time expected credit loss model (Pursuant to Ind AS 109):

	Provision on trade receivables		Provision on unbilled revenue	
	As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024
At the beginning of the year	64.67	64.67	-	
Less: Bad debts/ write off	-		-	
	64.67	64.67	-	-
Add: Provision made during the year				
Less: Utilized/reversed during the year	(9.21)			
Exchange differences				-
At the end of the year	**55.46**	**64.67**	**-**	**-**

9 OTHER FINANCIAL ASSETS - AT AMORTIZED COST

Accounting policy

Contract assets: A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration and are transferred to trade receivables on completion of milestones and its related invoicing. Contract assets are recorded in balance sheet as unbilled revenue.

(a) Other Non-Current Assets

Particulars	As at March 31, 2025	As at March 31, 2024
Bank deposits with remaining maturity more than twelve months #	912.94	5.00
Security deposits	0.79	0.79
Total	**913.73**	**5.79**

10 INCOME TAXES

Accounting policy

Tax expense comprises current tax expense and deferred tax.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the tax jurisdictions where the Company operates and generates taxable income.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The major components of income tax expense for the year ended March 31, 2025 and March 31, 2024 are:

Statement of profit and loss	As at March 31, 2025	As at March 31, 2024
Current tax	119.11	152.00
Deferred tax	(2.33)	0.00
Income tax expense reported in the consolidated statement of profit or loss	**116.78**	**152.00**

Other comprehensive income	As at March 31, 2025	As at March 31, 2024
Deferred tax related to items recognised in other comprehensive income during the year		
Net gain/(loss) on remeasurements of defined benefit plans	0.13	0.22
Deferred tax credit in other comprehensive income	**0.13**	**0.22**

Deferred tax

Balance Sheet	As at March 31, 2025	As at March 31, 2024
Deferred tax relates to the following :		
Impact of difference between tax depreciation and depreciation/ amortisation charged for financial reporting purposes	18.77	22.83
Losses available for offsetting against future taxable income	-	-
Provision for doubtful debts, advances and liquidated damages	13.96	16.28
Employee benefit obligations	-	-
Items allowed on payment basis	6.99	(1.86)
Others	-	-
Net deferred tax assets	**39.71**	**37.26**

Reconciliation of deferred tax assets (net)	As at March 31, 2025	As at March 31, 2024
Opening balance	37.26	37.04
Tax (expense)/ income during the year recognised in profit or loss	2.33	(0.00)
Tax (expense)/ income during the year recognised in OCI	0.13	0.22
Currency translation effect	-	
Closing balance	**39.71**	**37.26**

11 OTHER ASSETS

	As at March 31, 2025	As at March 31, 2024
Unsecured, considered good		
Advance to suppliers	0.10	0.10
Advance to employees	1.30	0.75
Prepayments (Flat (Gaziabad))	-	42.41
Balances with government authorities	8.92	9.35
Prepaid employee benefits (note 25)		
Others (includes interest due, other recoveries of expenses, etc.)		9.71
Total	**10.32**	**62.32**

There were no advances due by directors or officers of the Holding company or any of them severally or jointly with any other persons or amounts due by firms or private companies respectively in which any director is a partner or a member.

12 INVENTORIES

Accounting policy

Inventories are stated at the lower of cost and net realisable value (NRV). Cost of inventory includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs of inventories are determined on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Write down of inventories are calculated based on an analysis of foreseeable changes in demand, technology, market conditions and ageing of inventories.

	As at March 31, 2025	As at March 31, 2024
Raw materials, components and bought-outs **	84.14	119.53
Work-in-progress		
Finished goods	20.87	-
Stores and spares	-	-
Traded goods	1.72	-
Total	**106.73**	**119.53**

13 (a) CASH AND CASH EQUIVALENTS

Accounting policy

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Consolidated Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

	As at March 31, 2025	As at March 31, 2024
Balances with banks		
- in current accounts (including balances with EEFC accounts)	336.41	696.08
Cash on hand	-	3.24
Total	**336.41**	**699.32**

14 SHARE CAPITAL

Accounting policy

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

	As at March 31, 2025	As at March 31, 2024
Authorized shares		
20,00,000 equity shares of Rs. 10/- each.	200.00	200.00
	200.00	**200.00**
Issued, subscribed and fully paid share capital		
15,21,000 equity shares of Rs. 10/- each.	152.10	152.10
Total issued, subscribed and fully paid-up share capital	**152.10**	**152.10**

(a) Reconciliation of the shares outstanding at the beginning and at the end of the year

(a) OTHER EQUITY

	As at March 31, 2025	As at March 31, 2024
Reserves and surplus		
General reserve	-	-
Retained earnings		
Opening balance	1,665.20	1,285.82
Add: Profit for the year	268.98	380.03
Add: Adjustments on account of acquisition of non-controlling interest		
Less: Dividends paid		
Movement during the year	268.98	380.03
Items of other comprehensive income recognised directly in retained earnings:		
Share of OCI of associates (Re-measurement of defined benefit plans (net of tax))	(0.39)	(0.65)
Net surplus in the Statement of profit and loss	**1,933.79**	**1,665.2 0**
Total Reserves and Surplus	**1,933.79**	**1,665.20**

General reserve

Represents amounts transferred from retained earning in earlier years as per the requirements of the erstwhile Companies Act 2013 of India and other countries' corporate laws.

(b) DISTRIBUTION MADE AND PROPOSED

Dividends

Accounting policy

Dividend to equity shareholders is recognized as a liability in the period in which the dividends are approved by the equity shareholders. Interim dividends that are declared by the Board of Directors without the need for equity shareholders' approvals are recognized as a liability and deducted from shareholders' equity in the year in which the dividends are declared by the Board of directors.

16 Borrowings - At Amortized Cost

(a) Non-current borrowings

	As at March 31, 2025	As at March 31, 2024
Term loans (from banks)		
Secured loans - Vehicle Loan	-	1.72

Employee related payables	30.51	49.93
Payables for Property, plant and equipment and intangible assets	-	-
Total	**30.51**	**49.93**

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

19 Provisions

Accounting policy

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the Consolidated Statement of profit and loss in subsequent periods.

Estimates and assumptions

• Defined benefit plan - Gratuity

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. The parameter which is most subjected to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. Future salary increases are based on expected future inflation rates.

(a) Current provisions

	As at March 31, 2025	As at March 31, 2024
Provision for employee benefits		
Provision for gratuity	0.58	1.33
Provision for leave encashment	1.22	-
	1.80	**1.33**
Other provisions		
Other Misc Provisions		
	-	**-**
Total	**1.80**	**1.33**

(b) Gratuity

	As at March 31, 2025	As at March 31, 2024
Current asset	-	-
Current liability	(0.58)	(1.33)
Non-current liability	-	-
Net asset	**(0.58)**	**(1.33)**

I Changes in the net benefit obligation and fair value of plan assets are as follows :

Particulars	Present value of obligation	Fair value of plan assets	Net amount
March 31, 2024	**32.47**	**(31.14)**	**1.33**
Arising on account of acquisition	-	-	**-**
Current service cost	3.35	-	**3.35**
Interest expense/(income)	2.00	(2.07)	**(0.07)**
Total amount recognised in (Profit) or Loss	**5.35**	**(2.07)**	**3.28**
Experience adjustments	-	-	**-**
Return on plan assets (income)	(0.08)	-	**(0.08)**
Actuarial loss from change in demographic assumptions		-	**-**
Actuarial loss from change in financial assumptions	0.60	-	**0.60**
Total amount recognised in Other Comprehensive Income	**0.52**	**-**	**0.52**
Employer contributions	-	(4.55)	**(4.55)**
Benefits paid			**-**
March 31, 2025	**38.34**	**(37.76)**	**0.58**

II The net liability disclosed above relates to funded plans which are as follows :

	March 31, 2025	March 31, 2024
Present value of funded obligation	38.34	32.47
Fair value of plan assets	(37.76)	(31.14)
Surplus of funded plan	**0.58**	**1.33**

III Significant assumptions

The principal actuarial assumptions were as follows :

	March 31, 2025	March 31, 2024
Discount rate	6.8%	7.2%
Salary growth rate	7.0%	7.0%
Normal retirement age	60.00	60.00
Mortality table	IALM(2012-14) ult	IALM(2012-14) ult
Employee turnover	5%	5%

IV Sensitivity analysis

The sensitivity of defined obligation to changes in the weighted principal assumptions is:

Assumption	As at March 31, 2025		As at March 31, 2024	
	Impact of 1% increase	Impact of 1% decrease	Impact of 1% increase	Impact of 1% decrease
Discount rate	26.92	31.34	30.36	34.94
Future salary increase	31.07	27.12	34.66	30.56
Attrition rate	28.92	28.99	32.51	32.44

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit

obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

20 Other liabilities

(a) Other Current Liabilities

Contract liabilities

	As at March 31, 2025	As at March 31, 2024
Contract liabilities		
Customer advances	4.34	-
Advance lease rentals		
Statutory dues and other liabilities**	3.93	19.97
Total	**8.27**	**19.97**

21 Revenue From Operations

Accounting policy

Revenue from Contracts with Customers

"Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks. The Company collects goods and services tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue.

The Company has following streams of revenue:

- **Revenue from Sale of goods**

The Company recognizes revenue at a point-in-time. The point-in-time is determined when the control of the goods or services is transferred which is determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time where control has been transferred.

- **Revenue from Sale of services**

Revenue in respect of operation and maintenance contract, awarded on a standalone basis or included in long term contracts and identified as a separate performance obligation, is recognized on a time proportion basis under the contracts.

(a) Revenue From Contract With Customers

	Year ended March 31, 2025	Year ended March 31, 2024
Revenue from projects and products	2,864.77	3,716.36
Revenue from services

The following table provides information about contract balances from contracts with customers as at the reporting date:

	As at March 31, 2025	As at March 31, 2024
Trade receivables (note 7)	1,015.44	1,228.47
Customer advances (Contract liability)	4.34	1.46

22 Other income

Accounting policy

i) Interest Income

For all debt instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in finance income in the Consolidated Statement of profit and loss.

	Year ended March 31, 2025	Year ended March 31, 2024
Interest income from financial assets at amortised cost		
Bank deposits	9.13	6.29
Other interest income		
Net Gain/(loss) on sale of investment	0.82	-
Gain on Sale of Mutual Fund measured at fair value through profit or loss	1.21	-

26 Finance cost

Accounting policy

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

28 Earnings per share

Accounting policy

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Parent by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by adjusting the net profit for the year attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares (which includes the various stock options granted to employees).

The following table reflects the income and earnings per share data used in the basic and diluted EPS computation:

	March 31, 2025	March 31, 2024
Profit after tax attributable to the equity holders (a)	268.98	380.03
Weighted average number of shares considered for calculating basic EPS (b)	15,21,000	15,21,000
Weighted average number of shares considered for calculating diluted EPS (c)	15,21,000	15,21,000
Nominal valur per share (Rs.)	10.00	10.00
Basic earnings per share (d) = (a)/(b)	17.68	24.99
Diluted earnings per share (e) = (a)/(c)	17.68	24.99

Total	**-**	**(0.65)**	**(0.65)**

30 Contingent Liabilities and Commitments

A Contingent liabilities

(a) Accounting policy

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(b) Judgements

Contingencies relating to tax and legal matters

The Company has received various orders and notices from tax authorities in respect of direct taxes and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyzes current information about these matters and provides provisions for probable losses including the estimate of legal expense to resolve such matters. In making the decision regarding the need for loss provisions, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Company or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate.

a) Details of Contingent liabilities

Contingent liabilities provided for as on 31 March 2025 is Nil (Nil as on 31 March 2024)

b) Guarantees

Aggregate amount of Bank Guarantees other than the Performance Guarantees outstanding as on 31 March 2025 is Nil (Nil as on 31st March 2024)

c) There are certain law suits, disputes, warranty claims, etc., including commercial matters that arise from time to time in the ordinary course of business, the amounts involved in such matters are currently not quantifiable. However, based on managements assessment under Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets" , that claims are not tenable/probability of final outcome against the Company is low and therefore not disclosed as contingent liabilities.

B Capital and other commitments

(i) Estimated amount of Contracts remaining to be executed on capital account and not provided for (Net of advances) as on 31 March 2025 is ₹ 80.98 lacs (Nil as on 31 March 2024)

30. Analytical ratios

Ratios	Numerator	Denominator	Description	As at 31 March 2025	As at 31 March 2024	% of variance	Remarks
Current Ratio	Current Assets	Current Liability	The current ratio indicates Company's overall liquidity position	1.72	2.18	-21%	The current ratio has improved by 21% as compared to the previous period. Indicating improved liquidity position of the company. This reduction majorly due to reduction of debtor by ₹ 200 Lacs & Increase in other liabilities by ₹ 75 Lacs.
Return on Equity Ratio	Net profits after taxes - Preference Dividend (if any)	Average Shareholder's Equity	It measures the profitability of equity funds invested in the Company	14%	23%	-41%	Return on Equity (ROE) has decreased by 41% compared to the previous period, indicating a decline in profitability relative to shareholders' equity. This is due to reduced revenue by 22%, and indirect cost increase. Major cost in- creased in rates and taxes , Profesional charges etc.
Inventory turnover ratio	Cost of Goods sold	Average Inventory	This ratio measures the efficiency with which a Company utilizes or manages its inventory	15.91	17.97	-11%	The Inventory Turnover Ratio has decreased by 11% compared to the previous period, indicating slower movement of inventory. This is mainly reduction of sales.
Trade Receivables turnover ratio	Net Credit Sales	Average Trade Receivables	This ratio measures the efficiency at which the Company is managing the receivables	2.55	3.32	-23%	The Trade Receivables Turnover Ratio has declined by 23% compared to the previous period, indicating a slower collection of receivables. Measures are being taken to speed up the collection of old receivables.

Notes to financial statements for the year ended March 31, 2025

(All amounts are in Rupees Lakh, except per share data and unless stated otherwise)

Ratios	Numerator	Denominator	Description	As at 31 March 2025	As at 31 March 2024	% of variance	Remarks
Trade payables turnover ratio	Net Credit Purchases	Average Trade Payables	This ratio indicates the number of times sundry creditors have been paid during a period	2.77	3.30	-16%	"The Trade Payables Turnover Ratio has decreased by 16% compared to the previous period, indicating that the company is taking longer to settle its obligations with suppliers. Management has already taken action for smooth payment process by impelenting SAP ERP.
Net capital turnover ratio	Net Sales	Working Capital	This ratio indicates a company's effectiveness in using its working capital	5.69	4.50	26%	The Net Capital Turnover Ratio has improved by 26% compared to the previous period this is majorly improved working capital position.
Net Profit Ratio	Net Profit	Total Sales	This ratio measures the relationship between net profit and sales of the business	9%	10%	-9%	"The Net Profit Ratio has decreased as compared to the previous period. This is due to reduced turnover and increased in indirect costs.
Return on Capital employed	Earning before Interest & Tax (PBIT)	Capital Employed	Return on capital employed indicates the ability of a company's management to generate returns for both the debt holders and the equity holders	20%	30%	-35%	"The Return on Capital Employed (ROCE) has decreased by 35% compared to the previous period. This is majorly due to reduction on sale & EBIT levels. Also improved position on capital employed.

THERMAX CHEMICAL SOLUTIONS PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the members of Thermax Chemical Solutions Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of Thermax Chemical Solutions Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the period then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its losses and total comprehensive income, its changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs)specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we

have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) Based on the records examined by us and according to information and explanations given to us, the Company has not paid/provided for managerial remuneration, to it's directors during the year/ period. Hence, the provisions of Section 197 of the Act related to managerial remuneration are not applicable.

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      (i) The Company does not have any pending litigations which would impact its financial position in its Financial Statements.

      (ii) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

      (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

      iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

      (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement.

      (v) The Company has not declared/paid/declared and paid any dividend during the year; and

      (vi) Based on our examination which included test checks, the Company has not used any accounting software for maintaining its books of accounts, which has a feature of recording audit trail (edit log) facility.

THERMAX CHEMICAL SOLUTIONS PRIVATE LIMITED

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **Thermax Chemical Solutions Private Limited** ("the Company") as of March 31, 2025, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

(i) (a) (b) According to the information and explanations given to us, the Company does not have any Property, Plant and Equipments and Intangible assets hence reporting under clause 3((i)(a) and (b) is not applicable to the Company.

(c) According to the information and explanations given to us, the Company does not have any immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee). Hence reporting under clause 3((i)(c) is not applicable to the Company.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence reporting under clause 3((i)(d) is not applicable to the Company.

(e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

(ii) (ii) (a) The Company does not hold any inventory. Thus, the reporting under Clause 3(ii) (a) of the order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year.

(iii) According to the information and explanations given to us, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) and 3(iii)(c) to 3(iii)(f) of the Order is not applicable to the Company. According to the information and explanations given to us, the investment made by the Company during the year in its subsidiary is not prejudicial to the company's interest.

(iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the reporting under Clause 3(vi) of the Order is not applicable to the Company.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Income Tax and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Goods and Services Tax, Service Tax, Provident Fund, Employees State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, Cess as at 31 March 2025, which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

(e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) Though establishment of vigil mechanism is not mandated for the Company by the Act, or by Securities Exchange Board of

India (Listing Obligations and Disclosure Requirement) ("SEBI LODR") Regulations, we have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination, internal audit system is not applicable to the Company. Hence reporting under clause 3(xiv) is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company and subsidiary companies or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

(xvi)(a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us, we report that the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one Core Investment Companies.

(xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, the reporting under Clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

(xx) The provisions of Section 135 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xx)(a) and (b) of the Order is not applicable to the Company.

2.1 Basis of preparation, measurement

a. Basis of preparation

These financials statements are prepared in accordance with Indian Accounting Standards (IND AS) under the historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values, the provisions of the Companies Act,2013 ('the Act') (to the extent notified) and the guidelines issued by the securities and exchange board of India (SEBI).The IND AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) Amendment Rules,2016 and 2017.

The preparation of the financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies.

b. Basis of measurement

The financial statements have been prepared on under historical cost convention.

The financial statements are presented in Indian Rupees (INR) and all values are in Rupee.

2.2 Summary of significant accounting policies

a. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Financial instruments

Financial assets

Initial Recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit and Loss, transactions costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, payables.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

d. Earnings per Share (EPS)

The Company presents the basic and diluted EPS data for its equity shares. Basic EPS is computed by dividing the net profit for the year attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

e. Revenue from Sale of Goods

The Company recognizes revenue at a point-in-time. The point-in-time is determined when the control of the goods or services is transferred which is determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time where control has been transferred.

f. Interest Income

Interest income is recognised when it is probable that economic benefits will flow to the company and the amount of revenue can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable.

g. Income tax

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or

substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in OCI or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

h. Property, Plant and Equipment

Property, plant and equipment (PPE) is stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any. All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the Statement of profit and loss during the financial year in which they are incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation on PPE is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

3. Significant accounting judgments, estimates and assumptions.

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures and the disclosure of contingent liabilities as at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Break-up of financial assets carried at amortised cost

	March 31, 2025
Investment in Subsidiary	810.73
Cash and cash equivalents	653.63
Total	**1,464.36**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

Break-up of financial assets carried at fair value through profit and loss

12 Financial risk management

The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Investments, cash and cash equivalents that it derives directly from its operations.

The Company is exposed to Market risk, Credit risk and liquidity risk. The company follows guidance given by the Corporate Risk

Management Policy of the group. The risks are summarized below:

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk.

Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk.

I Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily Cash and Bank Deposits) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Financial instruments and bank deposits

Credit risk from balances with banks and financial institutions is managed by the group treasury department in accordance with the Thermax group policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

II Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, company maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at operating segments level in the Company in accordance with practice and limits set by the Company. In addition, the company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements.

13 As the consolidated financial statements are presented by the entity's holding Company, the entity has elected to apply the exemption available to it under Ind AS 110 and has opted to present only one set of standalone financial statements.

14 (a) Compliance with section 143(3) for maintenance of books of account

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The status of compliance is summarised in the below table:

Requirements u/s 143(3) of Companies Act, 2013	Response
Books of Account maintained on cloud / servers physically located in India	Yes
Backup maintained in India on daily basis	
Intimation sent to the ROC for the current year	NA

**20th April 24 to 31st March 25*

STATE OF COMPANY'S AFFAIRS

During the year under review, Thermax Limited (Thermax/Holding Company) has acquired a 51% equity stake in the Company on April 20, 2024, thereby making the Company a subsidiary of Thermax. The Board believes that this development will strengthen the Company's strategic direction, governance framework and operational synergies through the support and expertise of its holding company.

During the year, the Company earned a total income of Rs 13,005.96 lakh (previous year Rs. 12218.46 lakh). Profit before tax stood at Rs. 358.45 lakh (previous year Rs.782.46 lakh) and profit after tax was Rs. 228.45 lakh (previous year Rs. 325.95 lakh). Revenue for FY 2024-25 was Rs. 13,005.96 lakh, increased by 6 % over last year.

The Company is nearing the completion and commencement of operations at Plots No. 7 and 8, where a new factory is being established adjacent to the existing facility. Partial production has started from end of February, 2025. The Occupancy Certificate was obtained in December, 2024 and Operating license for New Factory expected by first week of May, 2025. Full factory completion is anticipated by May, 2025. Additionally, product development for the Mechanical Vapour Compression (VC) system which is primarily used to reduce black steam consumption, has been completed successfully.

HEALTH AND SAFETY

The Company has prioritized providing Mediclaim and accident insurance policies for factory, sales, and site workers. Additionally, factory workers are equipped with helmets and safety shoes to ensure their safety.

MATERIAL CHANGES AFFECTING FINANCIAL POSITION OF THE COMPANY

No material changes and commitments have occurred after the close of the year till the date of this Report, which affect the financial position of the Company.

DIVIDEND

The Directors do not recommend any dividend on equity shares during year.

AMOUNT PROPOSED TO BE CARRIED TO RESERVES

The Company does not propose to carry any amount to reserves.

SHARE CAPITAL

The authorized and paid – up capital of the Company is Rs. 1,37,00,000 divided into 13,70,000 equity shares of Rs. 10 each and Rs. 1,36,80,000 divided into 13,68,000 equity shares of Rs. 10 each respectively as on March 31, 2025. No shares were issued during the year under review.

During the year under review, the Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity.

DETAILS OF SUBSIDIARY, JOINT VENTURE OR ASSOCIATE COMPANIES

The Company does not have any subsidiary, joint venture or associate Company as on March 31, 2025.

PUBLIC DEPOSITS

The Company has not accepted any deposits under Chapter V of the Companies Act, 2013.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the year under review, the Company did not give any loan or make an investment pursuant to the provisions of Section 186 of the Companies Act, 2013

BUSINESS RISK MANAGEMENT

The Company is in process of identifying and classifying its key risks pertaining to the core business and based on that the Company will prepare a broad framework for effective risk identification, review and mitigation. The Company will actively monitor and strengthen its proposed risk management framework in the future.

ADEQUACY OF INTERNAL FINANCIAL CONTROLS

The Company has in place adequate internal financial controls in reference to financial statements. During the year under review, such controls were tested, and the reportable material weakness are being addressed for improvements to the extent possible.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

As per section 135(9) of Companies Act, 2013, a Company is exempt from having a CSR committee if its mandated CSR expenditure in a financial year does not exceed 50 lakhs. Accordingly, the CSR committee of the Company is dissolved on November 4, 2024 with the Board of Directors discharging the committee's functions.

As a part of its initiatives under Corporate Social Responsibility (CSR), the Company has undertaken projects mainly in the area of women empowerment, medical, health care and rural development. The projects are in accordance with Schedule VII of the Companies Act, 2013. The CSR initiatives have been undertaken through Thermax Foundation. The Company has contributed Rs. 20 lakhs to Thermax Foundation. The detailed report on CSR is annexed as Annexure-2

KEY MANAGERIAL PERSONNEL (KMP)

During the year Mr. Apurva Shah, Mr. Alpesh Shah and Mr. Rajiv Parikh were appointed as Chief Executive Officer (CEO), Chief Financial Officer (CFO) and Chief Operating Officer (COO) and KMPs of the Company respectively by the Board of Directors in their meeting held on April 23, 2024.

DIRECTORS

POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS AND KEY MANAGERIAL PERSONNEL

Nomination and Remuneration Committee has recommended Policy on Appointment and Remuneration of Directors and Key Managerial Personnel. The Board has adopted the same in the Board meeting held on January 28, 2025. Except Mr. Apurva Shah (CEO & Director) and Mr. Rajiv Parikh (COO & Director), no other Non-Executive Non-Independent Directors receives remuneration from the Company. Independent Directors receives sitting fees as approved by the Board for each Board/Committee meeting attended. A detailed policy is annexed herewith as Annexure 1.

DECLARATION BY INDEPENDENT DIRECTORS

The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and have also confirmed that their names have been added to the data bank maintained by the Indian Institute of Corporate Affairs (IICA) for Independent Directors, in accordance with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014. Pursuant to the provisions of Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, every individual whose name is so included in the data bank shall pass an online proficiency self-assessment test. Both of the Independent Directors have completed the said requirements.

INDEPENDENT DIRECTORS MEETING

During the year under review, the Independent Directors met once on January 28, 2025, where all Independent Directors were present inter alia to review the performance of the Board and non-independent Directors of the Company.

COMMITTEES OF THE BOARD

The Board has constituted the following Committees viz. Audit Committee and Nomination and Remuneration Committee.

AUDIT COMMITTEE

The Audit Committee of the Board of Directors was constituted on December 24, 2024. The Committee comprises the non-executive Directors viz Mr. B Padmanabhan as the Chairman and Mr. L Venkateswaran & Mr. Sandeep Deshpande as the members of the Committee. The Committee met one time from its constitution on January 28, 2025 where all the members were present. Further, all the recommendations made by the Audit Committee were accepted by the Board.

NOMINATION AND REMUNERATION COMMITTEE

The Nomination & Remuneration Committee of the Board of Directors was constituted on December 24, 2024. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirement under Section 134(5) of the Companies Act, 2013 with respect to Directors' Responsibility Statement, it is hereby confirmed that:

(a) In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

(b) The Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;

(c) The Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(d) The Directors have prepared the annual accounts on a going concern basis; and

(e) The Directors have devised proper systems to ensure compliance with

the provisions of all applicable laws and that such systems were adequate and operating effectively.

SECRETARIAL STANDARDS

The Company follows the Secretarial Standards issued by the Institute of Company Secretaries of India on the Meetings of the Board of Directors (SS-1) and on General Meetings (SS-2). The Company is in compliance with these secretarial standards.

RELATED PARTY TRANSACTIONS

All related party transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the Financial Statements.

CONSERVATION OF ENERGY

The Company is in the business of providing utilities generated through renewable energy sources to its clients. This activity directly helps its clients to reduce their Carbon Footprint.

TECHNOLOGICAL ABSORPTION

There was no technology acquisition and absorption during the year under review.

Policy on the Selection and Appointment of Directors and the Remuneration of Directors, Key Managerial Personnel (KMP), and Employees

The Nomination & Remuneration Committee (NRC) has prepared a "Terms of Reference" (TOR), which, inter alia, deals with laying down the criteria for the selection of Directors, based on the requirements of the organization, including the qualifications, and determining the independence of Directors. The NRC has also laid down the criteria for the evaluation of the performance of the Board and guidelines for determining the remuneration of Directors, KMP and other employees of the Company. This Policy is based on the above TOR of NRC:

(1) Criteria for selection and appointment of Directors:

(a) The Director shall have relevant expertise and experience commensurate with the requirements of the Company to discharge the duties as a Director.

(b) While selecting a director, the emphasis be given to the qualifications, experience, and personal and professional standing of the incumbent.

(c) Assess the independence and nature of the appointment as Director vis-à-vis any conflict- of-interest w.r.t. any pecuniary relationship and procure necessary declaration.

(d) The Director is not disqualified for appointment u/s. 164 of the Companies Act, 2013.

(e) In the event of re-appointment of the Director, due emphasis be given to the performance evaluation of the Director during his tenure.

(2) Remuneration of Non- Executive Directors (NEDs):

The remuneration payable to Directors shall be in accordance with Sec. 197 of the Companies Act, 2013 and other applicable provisions & rules made thereunder from time to time.

The Directors shall also be eligible to receive reimbursement of expenses for participation in the Board and Committee Meetings.

The Independent Directors shall be entitled to receive remuneration by way of sitting fees for attending the meetings of the Board as well as the Committees.

(3) Criteria for selection of MD, WTD & CEO:

For selection of the MD, WTD and CEO, the NRC shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendations, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria regarding age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

(4) Remuneration for MD, WTD & CEO:

i. At the time of appointment or re-appointment, the Managing Director (MD), Whole Time Director (WTD) and Chief Executive Officer (CEO) shall be paid such remuneration as may be mutually agreed between the Company (which includes the NRC and the Board of Directors) and the MD, WTD and CEO within the overall limits prescribed under the Companies Act, 2013.

ii. The remuneration shall be subject to the approval of the Members of the Company in the General Meeting.

iii. The remuneration of the MD, WTD and CEO is broadly divided into fixed and variable components. The fixed component comprises salary, allowances, perquisites, amenities and retiral benefits. The variable component comprises a performance bonus.

iv. In determining the remuneration (including the fixed increment and performance bonus) the NRC shall ensure/consider the following:

a. the relationship of remuneration and performance benchmarks is clear.

b. balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals.

c. responsibility required to be shouldered by the MD, WTD and CEO, the industry benchmarks, and the current trends.

d. the Company's performance vis-à-vis the annual budget achievement and individual performance vis-à-vis the KRAs / KPIs.

(5) Remuneration Policy for Senior Management, KMPs and employees:

The NRC, while determining the remuneration of Senior Management/ employees and KMPs shall ensure the following:

(i) he remuneration is divided into Fixed component & Variable Component (Short Term Incentive Plan (STIP) and Long-Term Incentive Plan (LTIP)

(ii) The division between fixed and variable is based on the roles & responsibilities, the Company's performance vis-à-vis KRA & KPIs, industry benchmark and current compensation trends in the market.

(6) Remuneration criteria for employees:

Employees will be assigned roles based on their qualifications, work experience, competencies, and responsibilities within the organization. Employee remuneration will be determined in line with the company's current HR policy, taking into account factors such as job profile, skill sets, seniority, experience, performance, and prevailing compensation levels for similar roles.

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

Annexure 2

ANNUAL REPORT ON CSR ACTIVITIES AND CSR POLICY
CSR REPORT FOR THE FINANCIAL YEAR 2024-25

1. A Brief outline on CSR Policy of the Company

TSA Process Equipmemts Private Limited is a subsidiary of Thermax Limited, specializes in water treatment solutions, particularly high-purity and ultra-pure water systems for various industries like pharmaceuticals, biopharma, and personal care. Being a subsidiary of Thermax Limited, it has been decided that the CSR policy of the Company will be aligned with the CSR policy of Thermax Limited and the CSR activities of the Company shall be conducted through Thermax Foundation (TF).

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the members of TSA Process Equipments Private Limited

Report on the audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of TSA Process Equipments Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity for the period then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profits and total comprehensive income, its changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the 'Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Other Matter

The audited financial statements of the Company for the year ended 31 March 2024 and quarter ended 30 June 2024 were audited/reviewed by erstwhile auditors who have expressed an unmodified opinion/conclusion on those audited/reviewed Financial Statements. Our conclusion is only for the period from 1 July 2024 to 31 March 2025 in respect of Profit and Loss items.

Our conclusion is not modified in respect of this matter.

Information other than the Financial Statements and Auditors' Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors' Report and the related annexures, but does not include the Financial Statements and our Auditors' Report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

   (d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.

   (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

   (g) In our opinion, the managerial remuneration for the year ended March 31, 2025 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act which also requires the approval of shareholders in the ensuing general meeting. (Refer Note 35.9 to the Financial Statements).

   (h) With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

   (i) The Company does not have any pending litigations which would impact its financial position in its Financial Statements.

   (ii) The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses;

   (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

   iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

   b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

   (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) contain any material misstatement.

   (v) The Company has not declared/paid/declared and paid any dividend during the year; and

   (vi) Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

Annexure A to the Independent Auditors' Report

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of **TSA Process Equipments Private Limited** ("the Company") as of March 31, 2025, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditors' Report

[Referred to in paragraph 1 under 'Report on other Legal and Regulatory Requirements' section of our report of even date]

i. (a) A) According to the information and explanations given to us, the Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) According to the information and explanations given to us, the Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a regular programme of physical verification of its property, plant and equipment by which the property, plant and equipment are verified by the management according to a phased programme designed to cover all the items over a period of two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In accordance with the programme, the Company has physically verified certain property, plant and equipment during the year and no material discrepancies were noticed on such verification.

(c) According to the information and explanation given to us and on the basis of our examination of records of the Company, in respect of immovable properties (Land) that have been taken on lease, the lease agreements are held in the name of the Company where the Company is the lessee in the agreements. The Company does not have any other immovable property.

(d) According to the information and explanations given to us, the Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Hence reporting under clause 3((i)(d) is not applicable to the Company.

(e) Based on the audit procedures performed by us and according to the information, explanations and representations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. (a) According to the information and explanations given to us, the inventory comprising of raw materials, work-in-progress, finished goods have been physically verified at reasonable intervals by the management during the year. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification between the physical inventory and the book records.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees from Citi Bank ("the Bank") on the basis of security of the current assets during the year. The statements of current assets filed by the Company with the Bank on a quarterly basis are in agreement with the unaudited books of account as certified by the management.

(iii) According to the information and explanations given to us, the Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, the reporting under Clauses 3(iii)(a) to 3(iii)(f) of the Order is not applicable to the Company.

(iv) According to the information and explanations given to us, the Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Accordingly, the reporting under Clause 3(iv) of the Order is not applicable to the Company.

(v) According to the information and explanations given to us, the Company has not accepted deposits under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, the reporting under Clause 3(v) of the Order is not applicable to the Company.

(vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act for the products of the Company. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, specified by the Central Government under sub-section (1) of Section 148 of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) According to the information and explanations given to us and on the basis of our examination of records of the Company, the amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Duty of Customs, Income Tax and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities though there has been a slight delay in a few cases . According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no undisputed statutory dues payable in respect of Sales tax, Service tax, Duty of Excise and Value Added Tax.

According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no arrears of outstanding statutory dues in respect of Goods and Services Tax, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues as on the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanation given to us and on the basis of our examination of records of the Company, there are no statutory dues in respect of Income Tax, Goods and Services Tax, Service Tax, Provident Fund, Employees State Insurance, Sales tax, Service tax, Duty of Customs, Duty of Excise, Value added tax, Cess as at 31 March 2025, which have not been deposited on account of any dispute.

(viii) According to the information and explanations given to us, there are no transactions not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income-tax Act, 1961. Accordingly, the reporting under Clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) According to the information and explanations given to us, the Company has not been declared a willful defaulter by any bank or financial institution or any other lender till the date of our audit report.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not availed any term loans during the year. Accordingly, the reporting under Clause 3(ix)(c) of the Order is not applicable to the Company.

(d) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that funds raised on short-term basis have not been utilised for long- term purposes as at the Balance Sheet date.

(e) According to the information and explanations given to us and on an overall examination of the Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) According to the information and explanations given to us and based on the audit procedures performed by us, we report that the Company has not raised any loans during the year on the pledge of

securities held in its subsidiaries. Accordingly, the reporting under Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) According to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under Clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management.

(b) There has been no report filed by us under sub-section (12) of Section 143 of the Act in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.

(c) Though establishment of vigil mechanism is not mandated for the Company by the Act, or by Securities Exchange Board of India (Listing Obligations and Disclosure Requirement) ("SEBI LODR") Regulations, as represented by the management, no whistle blower complaints were received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Financial Statements as required by Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.

(xiv) In our opinion and according to the information and explanations given to us and based on our examination, internal audit system is not applicable to the Company. Hence reporting under clause 3(xiv) is not applicable to the Company.

(xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or directors of its holding company and subsidiary companies or persons connected with them during the year and hence, the provisions of Section 192 of the Act are not applicable to the Company. Accordingly, the reporting under Clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) According to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under Clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities. Accordingly, the reporting under Clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) In our opinion and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under Clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) Based on the information and explanations given to us, we report that the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one Core Investment Companies.

(xvii) In our opinion and according to the information and explanations given to us, the Company has not incurred cash losses in the current financial year as well as in the immediately preceding financial year. Accordingly, the reporting under Clause 3(xvii) of the Order is not applicable to the Company.

(xviii) There has been resignation of the statutory auditors during the year. However, there are no issues, objections or concerns raised by the outgoing auditors.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us, in respect of other than ongoing projects, the Company has no unspent amount that needs to be transferred to a Fund specified in Schedule VII to the Act in compliance with second proviso to sub-section (5) of Section 135 of the Act.

TSA PROCESS EQUIPMENTS PRIVATE LIMITED

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

1. Corporate information

TSA Process Equipment Private Limited ('the Company'), is in the business of design and manufacturing of water system & process equipment for optimal purity and manufacture them with high-quality materials for supply of high purity applications in Pharmaceutical, Biotech & Food Beverage Industries.

Its business portfolio includes

1. Offering upstream and downstream suites of Process Vessels, CIP/ SIP Systems, microbial fermenters, animal cell culture bioreactors, interconnecting piping and utilities and bio kill systems.

2. High Purity range includes clean utility systems for purified water, WFI (Water for injection) and pure steam generation and distribution systems.

3. Providing innovative and sustainable process solutions for Pharma and bio pharma industries. Important features being

   a. cGMP and Country specific FDA compliant

   b. As per US FDA guidelines

   c. Designed with a QRM/ QRS approach as per ASME / BPE / PED guidelines.

The Company is a Private Limited company incorporated under the provisions of the Companies Act, 2013 (the 'Act') and domiciled in India. The CIN of the Company is U74999MH2004PTC149217. The address of its registered office is 701, Star Hub-1, Behind ITC Maratha Hotel, Sahar Road, Andheri (East), Mumbai – 400059, Maharashtra, India.

2. Material accounting policies

2.1. Basis of preparation and measurement

(a) Basis of preparation

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Act) as applicable to the standalone financial statements.

The preparation of the standalone financial statements requires the use of certain critical accounting judgements, estimates and assumptions. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the standalone financial statements are disclosed in note 34(3).

The accounting policies adopted for preparation and presentation of these standalone financial statements have been consistently applied for financial years beginning on or after April 1, 2023

(b) Basis of measurement

The standalone financial statements have been prepared on the accrual and going concern basis under historical cost convention except the following:

- Derivative financial instruments;
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments); and
- Defined benefit plans whereby the plan assets are measured at fair value

2.2 Summary of Material accounting policies

(a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

The Company has identified twelve months as its operating cycle.

b. Foreign currencies

The Company's standalone financial statements are prepared in INR, which is also the functional currency of the Company.

Transactions and balances

Transactions in foreign currencies are initially recorded at the functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognized in the Statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

c. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Fair value measurement of unquoted financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of assumption is required in establishing fair values. Assumptions include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note 35 for further disclosures.

(d) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Financial assets are classified, at initial recognition and subsequently measured at amortized cost, fair value through other comprehensive income (OCI), and fair value through profit or loss. For all subsequent measurements financial assets are classified in following categories by the Company:

(i) Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

(ii) Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as FVTPL (refer note 15).

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized when:

• The rights to receive cash flows from the asset have expired; or

• The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Impairment of financial assets

Further disclosures relating to impairment of financial assets are provided in the following notes:

• Trade receivables - Refer note 7;

Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost.

All changes in fair value of financial liabilities classified as FVTPL is recognized in the Statement of profit and loss. Amortized cost category is applicable to loans and borrowings, trade and other payables. After initial recognition the financial liabilities are measured at amortized cost using the EIR method. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on EIR. The EIR amortization is included as finance cost in the Statement of profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires when an existing financial liability

is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(e) Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as forward currency contracts and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Statement of profit and loss, except for the effective portion of cash flow hedges, which is recognized in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non-financial liability.

For the purpose of hedge accounting, hedges are classified as "Cash flow hedges" when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognized asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognized firm commitment.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging / economic relationship, the hedged item or transaction, the nature of the risk being hedged and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated Hedges that meet the strict criteria for hedge accounting are accounted for, as cash flow hedge.

Cash flow hedges

The effective portion of the gain or loss on the hedging instrument is recognized in OCI in the cash flow hedge reserve, while any ineffective portion is recognized immediately in the Statement of profit and loss. The Company uses forward currency contracts as hedges of its exposure to foreign currency risk in forecast transactions and firm commitments. The ineffective portion relating to foreign currency contracts is recognized in statement of profit and loss.

Amounts recognized in OCI are transferred to the Statement of profit and loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognized or when a forecast sale occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognized in OCI are transferred to the initial carrying amount of the non-financial asset or liability. If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognized in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met.

(f) Employee stock option and share based payments

In respect of stock options granted pursuant to the Company's Employee Stock Option Scheme, the Company recognizes employee compensation expense, using the grant date fair value in accordance with Ind AS 102 - "Share Based Payment (SBP)", on straight line basis over the period over which the employees would become unconditionally entitled to apply for the shares. Employees (senior executives) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments.

The Company initially measures the cost of transactions with employees using a Black Scholes Options Pricing model to determine the fair value of the liability incurred.

Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model and the performance of the Company, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them.

The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in note 38.

3. Significant accounting judgments, estimates and assumptions

In the application of the Company's accounting policies, the Management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the standalone financial statements.

The areas involving significant estimates or judgements are:

a. Estimations used for fair value measurement (Refer note 2.2.c);

b. Estimations used for impairment of financial assets and liabilities (Refer note 2.2.d);

c. Estimates and assumptions for income taxes (Refer note 3.2);

d. Estimates and assumptions related to provisions (Refer note 3.2);

e. Estimates, judgments and assumptions used for revenue from operations (Refer note 3.1(i));

f. Judgements related to segment reporting (Refer note 3.1(ii)).

3.1 Judgements

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the standalone financial statements:

i) Revenue recognition on construction contracts

Company's revenue is recognized on the completion of the project rather than on percentage completion. This requires management to make judgement with respect to recognition of revenue at point

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

in time, depending upon when the customer consumes the benefit, when the control is passed to customer and whether the company has right to payment for performance completed till date, either contractually or legally.

ii) Segment reporting

Ind AS 108 'Operating Segments' requires Management to determine the reportable segments for the purpose of disclosure in standalone financial statements based on the internal reporting reviewed by Chief Operating Decision Maker (CODM) to assess performance and allocate resources. The standard also requires Management to make judgments with respect to aggregation of certain operating segments into one or more reportable segment.

Operating segments used to present segment information are identified based on the internal reports used and reviewed by the Chief Executive Officer to assess performance and allocate resources. The Company is operating in a single business segment, viz Industrial Product.

3.2 Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

i. Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (CGU) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a Discounted Cash Flow (DCF) model. The cash flows are derived from the budget for the next five years as approved by the Management and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the terminal growth rate used.

ii. Defined benefit plans

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuation. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future post-retirement medical benefit increase. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The most sensitive parameter is the discount rate. In determining the appropriate discount rate, management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are mainly based on expected future inflation rates for the country

Further details about defined benefit obligations are provided in Note 36.5.6

iii. Warranty provision

The Company generally offers warranty for its various products. Warranty costs are provided based on a technical estimate of the costs required to be incurred for repairs, replacements, material costs, servicing cost and past experience in respect of warranty costs. Management estimates the related provision for future warranty claims based on historical warranty claim information, as well as recent trends that might suggest that past cost information may differ from future claims. The assumptions made in current period are consistent with those in the prior year. Warranty provisions are discounted using a pre-tax discount rate which reflects current market assessments of time value of money and risks specific to the liability considering the materiality of the amounts involved.

iv. Impairment of financial assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss and credit risk exposure on the financial assets that are debt instruments measured at amortized costs e.g. loans, deposits, trade receivables, lease receivables, contractual receivables and bank balances. The Company follows 'simplified approach' for recognition of impairment allowance.

ECL impairment allowance (or reversal) recognized during the period is recognized as income/expense in the Statement of profit and loss under the head 'other expenses'. ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

v. Deferred taxes

Deferred tax assets are recognized for all deductible temporary differences including the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

(b) Property, Plant and Equipment

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a

The company has adopted Ind AS from transition date 1st April 2022. Accordingly the company has elected to continue with the carrying value of all of its Property, plant and equipment measured as per the Indian GAAP as at 31 March 2022 and use those values as deemed cost.

Property, plant and equipment (PPE) and capital work in progress are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any. All significant costs relating to the acquisition and installation of PPE are capitalized. Subsequent costs/replacement costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to the Statement of profit and loss during the financial year in which they are incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation on PPE is calculated on a straight line basis using the rates arrived at, based on the useful lives estimated by the management. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The following useful lives are adopted by the management:

Asset category	Useful life as prescribed under Schedule II (years)
Factory Buildings	30
Plant and Equipment	15
Office equipment	5
Furniture and fixtures	10
Computers and data processing units	3
Vehicles	8

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis

(b) Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets are recorded at the consideration paid for its acquisition. In case of internally generated intangible assets, expenditure incurred in development phase, where it is reasonably certain that the outcome of development will be commercially exploited to yield future economic benefits to the company, is considered as an intangible asset. Such developmental expenditure is capitalized at cost including a share of allocable expenses.

The useful lives of intangible assets are assessed as either finite or indefinite

Intangible assets with finite useful lives are amortized by using written down value method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Amortization of Intangible assets is included in the depreciation and amortization in the statement of Profit and Loss.

The amortization period and amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with indefinite useful lives, if any are not amortized, but are tested for impairment annually, either individually or at the cash generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(c) Non-current assets held for sale and Discontinuing Operation

A. Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amounts will be recovered principally through a sale transaction rather than through continuing use. Non-current assets and disposal groups classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. This condition is regarded as met only when the sale is highly probable and the asset or disposal group is available for immediate use in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

B. Discontinuing Operation

Discontinuing operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss account.

Assets and liabilities classified as held for distribution are presented separately from others assets and liabilities in the balance sheet.

A disposal group qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

(a) Represents a separate major line of business or geographical area of operations,

(b) Is part of a single coordinated plan to dispose of a separate major line of business or geographical area of operations Or

(c) Is a subsidiary acquired exclusively with a view to resale

An entity does not depreciate (or amortize) a non-current asset while it is classified as held for sale or while it is part of a disposal group classified as held for sale.

(d) Inventories

Raw materials, components, stores and spares are valued at lower of cost and estimated net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

Finished goods and work in progress are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads. Cost is determined on a weighted average basis.

Traded goods are valued at lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Write down of inventories are calculated based on an analysis of foreseeable changes in demand, technology, market conditions and ageing of inventories.

(e) Revenue recognition

i. Revenue from contracts with customers

The company recognizes revenue, when or as control over distinct goods or services is transferred to the customer; i.e. when the customer is able to direct the use of the transferred goods or services and obtains substantially all of the remaining benefits, provided a contract with enforceable rights and obligations exists and amongst others collectability of consideration is probable.

Revenue is the transaction price the company expects to be entitled to. Variable consideration is included in the transaction price if it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved.

The amount of variable consideration is calculated by either using the expected value or the most likely amount depending on which is expected to better predict the amount of variable consideration.

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

Consideration is adjusted for the time value of money if the period between the transfer of goods or services and the receipt of payment exceeds twelve months and there is a significant financing benefit either to the customer or the company. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices.

If stand-alone selling prices are not observable, the company reasonably estimates those. Revenue is recognized for each performance obligation either at a point in time or over time.

Performance obligations are identified based on individual terms of contract. If a contract contains more than one distinct good or service, the transaction price is allocated to each performance obligation based on relative stand-alone selling prices. If stand-alone selling prices are not observable, the company reasonably estimates them. Revenue is recognized for each performance obligation either at a point in time or over time.

ii. Interest income

Interest Income from a Financial Asset is recognized using effective interest rate method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. Interest income is included in other income in the statement of profit and loss.

iii. Dividend

Revenue is recognized when the Company's right to receive the payment is established, which is when shareholders approve the dividend.

iv. Rental income

Rental income from operating leases (net of any incentives given to the lessee) is recognized on a straight-line basis over the lease term.

(f) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(g) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash which are subject to an insignificant risk of changes in value. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

(h) Government Grants

Grants and subsidies from the government are recognized if the following conditions are satisfied,

There is reasonable assurance that the company will comply with the conditions attached to it

Such benefits are earned and reasonable certainty exists of the collection.

Export Incentives

Export incentives under various schemes notified by government are accounted for in the year of exports as grant related to income and is recognized as other operating income in the statement of profit and loss if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

(i) Income tax

Current income tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognized outside profit or loss is recognized either in OCI or in equity. Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss;
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint arrangements, deferred tax liabilities are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

Deferred tax assets are recognized for all deductible temporary differences including, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss;
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint arrangements, deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the profit or loss. Deferred tax

items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(j) Borrowing costs

Borrowing Costs net of any investment income from temporary investment of related borrowings that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized till the month in which the asset is ready to use, as part of the cost of that asset. Other borrowing costs are recognized as expenses in the period in which these are incurred.

(k) Leases

Lease is a contract that provides to the customer (lessee) the right to use an asset for a period of time in exchange for consideration.

a) Company as a Lessee

A lessee is required to recognize assets and liabilities for all leases and to recognize depreciation of leased assets separately from interest on lease liabilities in the statement of Profit and Loss. The Company uses the practical expedient to apply the requirements of this standard to a portfolio of leases with similar characteristics if the effects on the financial statements of applying to the portfolio does not differ materially from applying the requirement to the individual leases within that portfolio.

However, when the lessee and the lessor each have the right to terminate the lease without permission from the other party with no more than an insignificant penalty the Company considers that lease to be no longer enforceable. Also according to Ind AS 116, for leases with a lease term of 12 months or less (short-term leases) and for leases for which the underlying asset is of low value, the lessee is not required to recognize right of-use asset and a lease liability. The Company applies both recognition exemptions. The lease payments associated with those leases are generally recognized as an expense on a straight-line basis over the lease term or another systematic basis if appropriate.

Right-to-use Asset

Right-of-use assets, which are included under property, plant and equipment, are measured at cost less any accumulated depreciation and, if necessary, any accumulated impairment. The cost of a right-of-use asset comprises the present value of the outstanding lease payments plus any lease payments made at or before the commencement date less any lease incentives received, any initial direct costs and an estimate of costs to be incurred in dismantling or removing the underlying asset. In this context, the Company also applies the practical expedient that the payments for non-lease components are generally recognized as lease payments. If the lease transfers ownership of the underlying asset to the lessee at the end of the lease term or if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, the right-of-use asset is depreciated to the end of the useful life of the underlying asset. Otherwise, the right-of-use asset is depreciated to the end of the lease term.

Lease Liability

Lease liabilities, which are assigned to financing liabilities, are measured initially at the present value of the lease payments. Subsequent measurement of a lease liability includes the increase of the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

Lease Modification

For a lease modification that is not accounted for as a separate lease, the company accounts for the re-measurement of the lease liability by making a corresponding adjustment to the right-of-use asset

b) Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Where the Company is a lessor under an operating lease, the asset is capitalized within property, plant and equipment and depreciated over its useful economic life. Payments received under operating leases are recognized in the Statement of profit and Loss on a straight-line basis over the term of the lease

(l) Impairment of non-financial assets

The company assesses at each balance sheet date whether there is any indication due to internal or external factors that an asset or a group of assets comprising a Cash Generating Unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the assets or the recoverable amount of the CGU to which the asset belongs is less than the carrying amount of the assets or the CGU as the case may be, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the profit and loss account. If at any subsequent balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the profit and loss account.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired. 'An impairment loss for an asset is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss was recognized or relates to a change in the estimate of the recoverable amount in the previous periods.

(m) Provisions and Contingencies

Necessary provisions are made for the present obligations that arise out of past events entailing future outflow of economic resources. Such provisions reflect best estimates based on available information.

However a disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

(n) Employee benefits

a) Short Term Employee Benefits

The distinction between short term and long term employee benefits is based on expected timing of settlement rather than the employee's entitlement benefits. All employee benefits payable within twelve months of rendering the service are classified as short term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. and are recognized in the period in which the employee renders the related service.

b) Post-Employment Benefits

(i) Defined contribution plan

The company makes payment to state government provident fund scheme and employee state insurance scheme which are defined contribution plans. The contribution paid/payable under

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

the schemes is recognized in the statement of profit and loss during the period in which the employee renders the related service. The company has no further obligations under these schemes beyond its periodic contributions.

(ii) Defined benefit plan

The employee's gratuity fund scheme is Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance sheet. In case of funded plans, the fair value of plan asset is reduced from the gross obligation under the defined benefit plans, to recognize the obligation on a net basis

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the profit or loss in subsequent periods

Past service costs are recognized in the statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the company recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

(iii) Other than the Defined contribution plan and Defined benefit plan disclosed above, the company does not offer any other Long term employment benefits or Termination benefits to its employees.

(o) Segment Reporting

a) Identification of Segments

The entire operation is governed by the same set of risk and returns and hence considered as representing a single primary segment and not analyzed separately. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(p) Earnings Per Share (EPS)

Earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares

(q) Dividends

The company recognizes a liability to make cash distributions to the equity holders of the company when the distribution is authorized and the distribution is no longer at the discretion of the company. As per the provisions of Companies Act, 2013, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

Non-cash distributions, if any, are measured at the fair value of the assets to be distributed with fair value re-measurement recognized directly in equity

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognized in the statement of profit and loss.

Note 35.1 : Share Purchase Agreement between M/s TSA Process Equipments Private Limited and M/s Thermax Limited

The Parent Company i.e. Thermax Limited had entered into a share purchase agreement ("SPA") and a Shareholders Agreement ("SHA") on February 06, 2024 with TSA Process Equipments Private Limited and its shareholders to acquire 51% equity share of Target subject to conditions precedents to the share purchase agreement ("SPA"). Subsequent to the year end upon fulfilling of the condition's precedents the company has completed acquisition of 51% of the shares of Target on April 19, 2024. (i.e., the closing date) for a consideration of Rs. 71.14 crores. Further, the Parent company has a right to acquire remaining 49% of the shares over a period of two years i.e. FY 2025-26 (Audited Balance Sheet) from the closing date, subject to completion of certain conditions precedents mentioned in share purchase agreement ("SPA").

Note 35.2 : Capital and Other Commitments

(i) Estimated amount of Contracts remaining to be executed on capital account and not provided for (Net of advances) as on 31st March 2025 is 89.55 Lakh (31st March 2024 Rs 33.92 lakhs)

Notes to the financial statements for the year ended March 31, 2025

((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

Note 35.3 : Leases

a. Profit and Loss information

Depreciation charge on right-of-use assets:

Particulars	Current Year 2024-25	Previous Year 2023-24
Buildings	53.64	53.62
Total	**53.64**	**53.62**

Interest expense on lease liabilities

Particulars	Current Year 2024-25	Previous Year 2023-24
Buildings	13.73	17.58
Total	**13.73**	**17.58**

b. Maturity analysis of lease liabilities*

Particulars	Current Year 2024-25	Previous Year 2023-24
Less than 1 year	32.06	51.90
Between 1 year to 5 years	92.14	123.91
More than 5 years	-	-

*Excluding interest to be accrued and paid after reporting date

c. Total cash outflow for leases

Particulars	Current Year 2024-25	Previous Year 2023-24
Payment of lease liabilities (including advance payments)	65.34	66.52
Short term leases and low-value asset leases not included in the measurement of the liabilities	-	-
Total	**65.34**	**66.52**

d. Other information

Nature of leasing activity

The Company has leases for Factory and Office Buildings. Lease contracts provide for payments to increase each year at a specified rate. The Company has entered into binding lease agreements coming into effect from 16th March, 2022 to 15th March, 2027 for Office building for 05 years which has lock in period up to 15th March, 2025 and from 1st April, 2023 to 31st March 2028 Factory Land with a lock-in-period having condition of 6 months notice in case of Early Leave.

Extension and termination options

The use of extension and termination options gives the Company added flexibility in the event it has identified more suitable premises in terms of cost and/or location or determined that it is advantageous to remain in a location beyond the original lease term. An option is only exercised when consistent with the Company's strategy and the economic benefits of exercising the option exceeds the expected overall cost. Existing lease agreements provides the Company with an option to extend the lease term on mutually agreed terms and conditions.

Note 35.4 : Payment to Auditors (Net of Taxes)

Sr. No.	Particulars	Current Year 2024-25	Previous Year 2023-24

g)	Details of related party transactions in relation to CSR expenditure		-

Note 35.6 : Disclosures pursuant to Employee benefits

A. Defined contribution plans:

Amount of ₹ 38.48 Lakhs (31 March 2024 : ₹ 29.23 Lakhs) is recognised as expenses and included in Note No. 29 "Employee Benefits Expense

B. Defined benefit plans:

The Company has following post employment benefits which are in the nature of defined benefit plans:

(a) Gratuity

March 31, 2025 : Changes in defined benefit obligation and plan assets

	April 1, 2024	Gratuity cost charged to statement of profit and loss			Benefit paid	Remeasurement gains/(losses) in other comprehensive income					Contributions by employer	March 31, 2025
		Service cost	Net interest expense	Sub-total included in statement of profit and loss (Note 30)		Return on plan assets (excluding amounts included in net interest expense)	Actuarial changes arising from changes in demographic assumptions	Actuarial changes arising from changes in financial assumptions	Experience adjustments	Sub-total included in OCI		
Gratuity												
Defined benefit obligation	79.00	20.69	5.69	26.38	-	-	-	3.79	(2.47)	1.32		106.70
Benefit liability	79.00	20.69	5.69	26.38	-	-	-	3.79	(2.47)	1.32	-	106.70
Total benefit liability	**79.00**	**20.69**	**5.69**	**26.38**	**-**	**-**	**-**	**3.79**	**-2.47**	**1.32**	**-**	**106.70**

March 31, 2024 : Changes in defined benefit obligation and plan assets

	April 1, 2024	Gratuity cost charged to statement of profit and loss			Benefit paid	Remeasurement gains/(losses) in other comprehensive income					Contributions by employer	March 31, 2025
		Service cost	Net interest expense	Sub-total included in statement of profit and loss (Note 30)		Return on plan assets (excluding amounts included in net interest expense)	Actuarial changes arising from changes in demographic assumptions	Actuarial changes arising from changes in financial assumptions	Experience adjustments	Sub-total included in OCI		
Gratuity												
Defined benefit obligation	50.36	15.98	3.73	19.71	-	-	-	8.94	-	8.94		79.00
Benefit liability	50.36	15.98	3.73	19.71	-	-	-	8.94	-	8.94	-	79.00
Total benefit liability	**50.36**	**15.98**	**3.73**	**19.71**	**-**	**-**	**-**	**8.94**	**-**	**8.94**	**-**	**79.00**

The principal assumptions used in determining above defined benefit obligations for the Company's plans are shown below:

Particulars	March 31, 2025	March 31, 2024
Discount rate	6.90 %	7.20 %
Future salary increase	7.00 %	7.00 %
Normal retirement age	60 years	60 years
Mortality	Indian Assured Lives Mortality (2012-14) Ultimate	Indian Assured Lives Mortality (2012-14) Ultimate
Withdrawal rate	1% - 5%	1% - 5%

A quantitative sensitivity analysis for significant assumption is as shown below:

Gratuity

Particulars	Sensitivity level	(increase) / decrease in defined benefit obligation	(increase) / decrease in defined benefit obligation
		March 31, 2025	March 31, 2024
Discount rate	1% increase	94.86	70.18
	1% decrease	121.02	-89.61
Future salary increase	1% increase	118.38	-87.25
	1% decrease	96.95	72.10
Withdrawal rate	1% increase	107.02	-79.58
	1% decrease	106.37	78.38

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligations as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The followings are the expected future benefit payments for the defined benefit plan :

Particulars	March 31, 2025	March 31, 2024
Within the next 12 months (next annual reporting period)	6.71	2.55
Between 2 and 5 years	15.84	12.68
Beyond 5 years	111.06	95.37
Total expected payments	**133.61**	**110.60**

Weighted average duration of defined plan obligation (based on discounted cash flows)

Particulars	As at 31 March 2025	As at 31 March 2024
Gratuity	18.98	18.48

C. Risk Exposure

Gratuity is a defined benefit plan and Company is exposed to the following Risks:

Asset liability Mismatch Risk : Risk which arises if there is a mismatch in the duration of the assets relative to the liabilities. By matching duration with the defined benefit liabilities, the company is successfully able to neutralize valuation swings caused by interest rate movements. Hence companies are encouraged to adopt asset-liability management.

Future Salary Escalation and Inflation Risk : Since price inflation and salary growth are linked economically, they are combined for disclosure purposes. Rising salaries will often result in higher future defined benefit payments resulting in a higher present value of liabilities especially unexpected salary increases provided at management's discretion may lead to uncertainities in estimating this increasing risk.

Discount Rate Risk : Variations in the discount rate used to compute the present value of the liabilities may seem small, but in practise can have a significant impact on the defined benefit liabilities.

Unfunded Plan Risk : This represents unmanaged risk and a growing liability. There is an inherent risk here that the company may default on paying the benefits in adverse circumstances. Funding the plan removes volatility in company's financials and also benefit risk through return on the funds made available for the plan.

Compensated absences/ leaves

Other long term employee benefits comprise of compensated absences/ leaves, which are recognised based on actuarial valuation. The actuarial liability for compensated absences as at the year ended 31st March 2025 is Rs 18.11 Lakhs (previous year Rs 08.15 Lakhs).

Notes to the financial statements for the year ended March 31, 2025
((All amounts in Rupees Lakh, except per share data and unless stated otherwise.)

Particulars	Current Year 2024-25	Previous Year 2023-24
Revenue as per Contract	12,934.47	12,171.65
Less : Discounts and Incentives	-	-
Total	**12,934.47**	**12,171.65**

Note 35.12 : Fair value disclosures for financial assets and financial liabilities

The management believes that the fair values of non-current financial assets (e.g., Loans and others), current financial assets (e.g., cash and cash equivalents, trade and other receivables, loans), non-current financial liabilities and current financial liabilities(e.g. Trade payables and other payables and others) approximate their carrying amounts.

Note 35.13 : Financial instruments risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables and other financial liabilities. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets include investments, loans, trade and other receivables, cash and cash equivalents and other financial assets that have been derived directly from its operations. The Company has not entered into any derivative transactions.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors review financial risks and the appropriate risk governance framework for the Company's financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk, price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings, deposits, investments, trade and other receivables and trade and other payables.

The sensitivity analysis in the following sections relate to the position as at 31 March 2025. The analysis exclude the impact of movements in market variables on the carrying values of gratuity provisions.

The following assumption has been made in calculating the sensitivity analyses:

• The sensitivity of the relevant statement of profit and loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2025."

(i) Interest rate risk

a. Exposure

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Particulars	Current Year 2024-25	Previous Year 2023-24
Long Term Fixed Interest Loans		-
Short Term Fixed Interest Loans		-
Long Term Floating Interest Loans	9.79	461.43
Short Term Floating Interest Loans	**2,166.10**	**1,408.64**

b. Interest Rate Sensitivity

Particulars	Effect on profit before tax	Effect on pre-tax equity
March 31, 2025	**-10.88**	**(10.88)**
	10.88	**10.88**
March 31, 2024	(9.35)	(9.35)
	9.35	9.35

The sensitivity is calculated only in respect of floating interest rate loan. It is calculated by changing the interest rates by 50 bps keeping all other factors constant.

ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the company's operating activities (when revenue or expense is denominated in a foreign currency).

Amounts in Foreign Currencies

Nature of Exposure	Currency	Current Year 2024-25	Previous Year 2023-24
Receivable	USD	9,78,455.90	10,13,612.88
	EUR		34,872.63
Payable	USD	75,779.00	-
	EUR		150.72

The Company does not have hedging for foreign currency transactions related to sales & purchases.

iii) Commodity price risk

The Company is affected by the price volatility of certain commodities. Its operating activities require the on-going purchase of stainless steel and other allied materials. However, Company being the indirect user of these commodities, volatility in price of such commodity does not have direct or immediate impact on the profitability of the company. Hence, the Company does not foresee any direct or immediate risk with respect to such commodity price fluctuation.

iv) Other price risk

The Company does not hold investments in equity shares or mutual fund as on the date of Balance Sheet and hence it is not exposed to any such risks.

b) Credit risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

Trade receivables

Receivables are reviewed, managed and controlled for each class of customers separately. Credit exposure risk is mainly influenced by class / type of customers, depending upon their characteristics. Credit risk is managed through credit approval process by establishing credit limits along with continuous monitoring of credit worthiness of customers to whom credit terms are granted. Wherever required, credit risk of receivables is further covered through letter of credit, bank guarantee, business deposits and such other forms of

credit assurance schemes.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are combined into homogenous category and assessed for impairment collectively. The calculation is based on historical data. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are spread over vast spectrum.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made as per the approved investment policy. Investment limits are set to minimize the concentration of risks and therefore mitigate financial loss if any.

c) Liquidity risk

The Company monitors its risk of a shortage of funds using a liquidity planning tool. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly. Selective hedging is used within the Company to manage risk concentrations at both the relationship and industry levels.

(i) The table below summarizes the maturity profile of the Company's financial liabilities (Excluding interest to be accrued and paid after reporting dates) :

Particulars	On demand	Less than 3 months	3 months to 1 year	1 year to 5 years	More than 5 years	Total
Year ended 31 March 2025						
Interest bearing borrowings	2,166.10	-	3.50	6.29	-	2,175.89
Lease Liability	-	8.01	24.04	92.14	-	124.20
Other financial liabilities	-	99.94	20.82	-	-	120.76
Trade payables	887.41	1,297.86	-	-	-	2,185.27
Total	**3,053.51**	**1,405.81**	**48.36**	**98.43**	**-**	**4,606.12**

The Company has been incorporated with an authorised share capital of Rs. 20 crores. The present paid-up share capital of the Company is Rs.16.18 crores. The members of the Company at their Extra-Ordinary General Meeting held on February 25, 2025, approved issuance of 80,75,000 equity shares on private placement basis to Vebro Polymers Holdings Limited constituting 49.90% of the paid-up share capital of the Company. Accordingly, Thermax Chemical Solutions Private Limited and Vebro Polymers Holdings Limited hold 50.10% and 49.90% equity share capital of the Company respectively.

During the year under review, the Company has not issued shares with differential voting rights nor has granted any stock options or sweat equity.

PUBLIC DEPOSITS

The company has not accepted any deposits under Chapter V of the Companies Act, 2013. Consequently, it has no unpaid / unclaimed deposit(s) as on March 31, 2025.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the year company has not given loans, guarantees and investments covered under the provisions of Section 186 and Section 134(3) (g) of Companies Act 2013.

Pursuant to the provisions of Section 67(3)(c) of the Companies Act, 2013, and rules made thereunder, the Company has not given any loan to persons in the employment of the Company including its directors or key managerial personnel, in order to purchase or subscribe shares of the Company.

SUBSIDIARY / ASSOCIATE / JOINT VENTURE COMPANY

Your Company does not have any Subsidiary / Associate / Joint Venture company and there was no change in the position during the financial year 2024-25.

BUSINESS RISK MANAGEMENT

The company has identified and classified its key risks pertaining to the core business and has a broad framework in place for effective risk identification, review and mitigation. The company will continue to actively monitor and strengthen its risk management framework. The company has implemented Legatrix software to track & ensure timely statutory compliances.

ADEQUACY OF INTERNAL FINANCIAL CONTROLS

The Company has adequate internal financial controls and those are operating effectively. Internal Audit is not applicable for the company as per section 138 of the Companies Act, 2013 and Rule 13 of the Companies (Accounts) Rules, 2014.

CORPORATE SOCIAL RESPONSIBILITY

The Company does not fall under the criteria defined under Section 135 of the Companies Act, 2013 as on March 31, 2025. Hence, the Corporate Social Responsibility provisions are not attracted.

DIRECTORS

Currently, the Board of the company comprises of five Directors. In accordance with the provisions of the Companies Act, 2013 and the company's Articles of Association, Mr. Dinesh Mandhana (DIN: 10646110) and Mr. Swapnil Dhumane (DIN:10646109) retires by rotation, and being eligible, offers themselves for re-appointment as director.

The First Directors of the Company were Mr. Dinesh Mandhana (DIN: 10646110) and Mr. Swapnil Dhumane (DIN: 10646109). During the year, the Board of Directors at their Meeting held on July 22, 2024, appointed Mr. Sandeep Deshpande (DIN: 09748806) as an Additional Director of your Company, subject to the approval of the shareholders. Further, the Board of Directors through their circular resolutions passed on February 7, 2025, appointed Mr. Mark Raymond Verinder (DIN: 10345209) and Mr. Craig Edward Brookes (DIN: 03094677) as Additional Directors of your Company, subject to the approval of the shareholders. The members of the Company at their first Extra-Ordinary General Meeting held on February 25, 2025 approved the appointment of Mr. Sandeep Deshpande (DIN: 09748806), Mr. Mark Verinder (DIN: 10345209) and Mr. Craig Edward Brookes (DIN: 03094677) as Directors of the Company, liable to retire by rotation.

During the year, the paid-up share capital of the Company exceeded Rs. 10 crores, pursuant to issuance and allotment of shares to Vebro Polymers Holdings Ltd., thereby, attracting the requirement under Section 149(4) of the Companies Act, 2013 read with Rule 4 of Companies (Appointment and Qualifications of Director) Rules, 2014, to appoint atleast two independent directors on the Board of the Company. The Company is in the process of identifying suitable candidate for the said position to ensure compliance within prescribed timelines.

CHANGE IN KEY MANAGERIAL PERSONNEL (KMP)

During the year, the Board of Directors at their Meeting held on September 16, 2024, appointed Mr. Ravi Varanasi as the Chief Executive officer and Key Managerial Personnel (CEO & KMP) of your Company. Further, the Board of Directors at their Meeting held on February 20, 2025 appointed Mr. Arvind Tiwari as the Chief Financial Officer and Key Managerial Personnel (CFO& KMP) of your Company. In terms of Section 203 of the Companies Act, 2013, the Company is required to appoint Company Secretary within a period of six months from the date of increase in share capital. The Company is in the process of identifying suitable candidate for the said position to ensure compliance within prescribed timelines.

BOARD MEETINGS

During the year, the Board met six times and the intervening gap between the meetings was within the period prescribed under the Companies Act, 2013. Attendance details of the Board are as follows:

Name	Board Meetings					
	July 22, 2024	August 14, 2024	September 16, 2024	November 7, 2024	January 29, 2025	February 20, 2025
Mr. Dinesh Mandhana	P	A	A	P	P	P
Mr. Swapnil Dhumane	P	P	P	P	A	P
Mr. Sandeep Deshpande#	NA	P	P	P	P	A
Mr. Mark Verinder*	NA	NA	NA	NA	NA	P
Mr. Craig Edward Brookes	NA	NA	NA	NA	NA	P

 # Mr. Sandeep Deshpande appointed as Director w.e.f. July 22, 2024

**Mr. Mark Verinder and Mr. Craig Edward Brookes appointed as Director w.e.f. February 7, 2025*

During the year, the paid-up share capital of the Company exceeded Rs. 10 crores, pursuant to issuance and allotment of shares to Vebro Polymers Holdings Ltd. thereby, attracting the requirement under Section 177 and 178 of the Companies Act, 2013 read with Rule 4 of Companies (Appointment and Qualifications of Director) Rules, 2014 to constitute:

1. Audit Committee: with minimum three directors and majority to be independent directors
2. Nomination & Remuneration Committee: with three or more non-executive directors out which not less than half must be independent directors.

The Company will constitute the said committee upon appointment of Independent Directors.

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirement under Section 134(3) (c) of the Companies Act, 2013 with respect to Directors' Responsibility Statement, it is hereby confirmed that:

(a) In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;

(b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period;

(c) The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(d) The Directors had prepared the annual accounts on a going concern basis; and

(e) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

SECRETARIAL STANDARDS

Your Company is in compliance with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) as amended from time to time.

AUDITORS

During the year, the Board of Directors at their Meeting held on August 14, 2024 appointed M/s. Price Waterhouse Chartered Accountants, LLP (Firm Registration No.: 012754N/N500016) as the First Auditors of the Company till the conclusion of the First Annual General Meeting of the Company.

The Board of Directors at its meeting held on April 22, 2025 has approved the appointment of Price Waterhouse Chartered Accountants, LLP (Firm Registration No.: 012754N/N500016) as the Statutory Auditors of your Company for a term of five years from the conclusion of First Annual General Meeting until the conclusion of the Sixth Annual General Meeting, subject to shareholders approval at the ensuing Annual General Meeting. The said proposal forms part of the Notice convening the First Annual General Meeting of the Company.

DETAILS REGARDING FRAUDS REPORTED BY AUDITORS UNDER SECTION 143(12) OF THE COMPANIES ACT, 2013

During the year under review, there were no frauds reported by the auditors to the Board under section 143 (12) of the Act.

RELATED PARTY TRANSACTIONS

All related party transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of business. There are no materially significant related party transactions made by the company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the company at large. Therefore, requirements of disclosure of RPTs in AOC-2 are not attracted.

A statement showing the disclosure of transactions with related parties as required under IND AS 24 is set out separately in the Financial Statements.

THERMAX VEBRO POLYMERS INDIA PRIVATE LIMITED

INDEPENDENT AUDITOR'S REPORT

To the Members of Thermax Vebro Polymers India Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of Thermax Vebro Polymers India Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the period from July 18, 2024 to March 31, 2025, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and total comprehensive income (comprising of loss and other comprehensive income), changes in equity and its cash flows for the period from July 18, 2024 to March 31, 2025.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with governance for the financial statements

5. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

   - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

11. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

12. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books, except that the backup of certain other books and papers maintained in electronic mode has not been maintained on a daily basis on servers physically located in India during the year and the matters stated in paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

(e) On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 12(b) above on reporting under Section 143(3)(b) and paragraph 12(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).

(g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company was not required to recognise a provision as at March 31, 2025 under the applicable law or Indian Accounting Standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2025.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the period ended March 31, 2025.

iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 31(viii)(A) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 31(viii)(B) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

v. The Company has not declared or paid any dividend during the period.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software, except that the audit trail is not maintained in case of modification by certain users with specific access. Further at the database level it has operated only towards the end of the financial year, except for certain information or data.

During the course of performing our procedures, other than the aforesaid instances of audit trail not maintained where the question of our commenting does not arise, we did not notice any instance of audit trail feature being tampered with.

13. The Company has not paid any remuneration to its directors during the year. Accordingly, reporting under Section 197(16) of the Act is not applicable to the Company.

Annexure A to Independent Auditor's Report

Referred to in paragraph 12(g) of the Independent Auditor's Report of even date to the members of Thermax Vebro Polymers India Private Limited on the financial statements for the period ended March 31, 2025

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Thermax Vebro Polymers India Private Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

THERMAX VEBRO POLYMERS INDIA PRIVATE LIMITED

Annexure B to Independent Auditor's Report

In terms of the information and explanations sought by us and furnished by the Company, and the books of account and records examined by us during the course of our audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company is maintaining proper records showing full particulars of Intangible Assets.

(b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.

(c) The Company does not own any immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Accordingly, reporting under clause 3(i)(c) of the Order is not applicable to the Company.

(d) The Company has chosen cost model for its Property, Plant and Equipment (including Right of Use assets) and Intangible Assets. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (including Right of Use assets) or Intangible Assets does not arise.

(e) No proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in the financial statements does not arise.

ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.

(b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.

iii. The Company has not made any investments, granted secured/ unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under.

vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, income tax, and other statutory dues, as applicable, with the appropriate authorities. Further, undisputed statutory dues of professional tax have not generally been regularly deposited with the appropriate authorities though the delays in deposit have not been serious. However, there are no arrears of statutory dues outstanding as at March 31, 2025, for a period of more than six months from the date they became payable.

(b) There are no statutory dues referred to in sub-clause (a) which have not been deposited on account of any dispute.

viii. There are no transactions previously unrecorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. (a) As the Company did not have any loans or other borrowings from any lender during the year, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) On the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not obtained any term loans. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short-term basis. Accordingly, reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiary, joint venture or associate company during the year. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has made a private placement of shares during the year, in compliance with the requirements of Section 42 and Section 62 of the Act. The funds raised have been used for the purpose for which funds were raised.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

(b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.

(c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act and, accordingly, to this extent, the reporting under clause 3(xiii) of the Order is not applicable to the Company.

xiv. In our opinion, the Company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Act.

xv. In our opinion, the Company has entered into non-cash transactions with person connected with directors, in compliance with the provisions of Section 192 of the Act. (Also, refer Note 4 (c) and 11 to the financial statements).

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.

(b) The Company has not conducted non-banking financial / housing finance activities during the period. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) In our opinion, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has one CIC as part of the Group.

xvii. The Company has incurred cash losses of Rs. 363.36 lakhs in the financial year. The current financial year being the first year of incorporation of the Company, reporting under Clause (xvii) to the extent it relates to the immediately preceding financial year, is not applicable to the Company.

xviii. There has been no resignation of the statutory auditors during the period and accordingly the reporting under clause 3(xviii) of the Order is not applicable.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.

xx. The provisions relating to Corporate Social Responsibility under Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

xxi. As stated in Note 31 (ix) to the Financial Statements, the Company does not have subsidiary or joint venture or associate company and does not prepare Consolidated Financial Statements. Accordingly, the reporting under clause 3(xxi) of the Order is not applicable to the Company.

THERMAX VEBRO POLYMERS INDIA PRIVATE LIMITED

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

1. Corporate information

Thermax Vebro Polymers India Private Limited (the Company) is in the business of manufacturing, producing, processing, buying, selling, importing, exporting, distributing, and dealing in all kinds of flooring chemicals, including but not limited to adhesives, sealants, epoxy coatings, floor hardeners, floor levelling compounds, and floor cleaning agents (together termed as "chemical products").

The Company is a private limited company incorporated under the provisions of The Companies Act, 2013 and domiciled in India. The address of its registered office is S No. 14/D, F P No. 32/33, Wakdewadi Mumbai Pune Road, Khadki, Pune, Maharashtra, India, 411003.

The Board of Directors have authorized to issue these financial statements on April 22, 2025. The CIN of the Company is U20290PN2024PTC232807.

2 Material accounting policies

2.1 Basis of preparation, measurement and Consolidation

a. Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS), notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Sch III) as applicable to the financial statements.

The preparation of the financial statements requires the use of certain critical accounting judgements, estimates and assumptions. It also requires the management to exercise judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

b. Basis of measurement

The financial statements have been prepared on the accrual and going concern basis under historical cost convention except certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

2.2 Summary of material accounting policies, critical accounting estimates and judgements

a. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/noncurrent classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

The Company's standalone financial statements are prepared in INR, which is also the functional currency of the Company.

Transactions and balances

Transactions in foreign currencies are initially recorded at the functional currency spot rates

at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the Statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

c Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

All financial assets are recognized initially at fair value except for Trade receivables which are recognised initially at the transaction price.

(i) Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. The EIR amortization is included in income in the Statement of profit and loss. The losses arising from impairment are recognized in the Statement of profit and loss.

The Company does not have any debt instrument measured at fair value or any equity investments.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

Impairment of financial assets

Further disclosures relating to impairment of financial assets are provided in the following notes:

- **Trade receivables -** Refer note 10;

Financial liabilities

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables.

Subsequent measurement of financial liabilities depends on their classification as fair value through profit and loss or at amortized cost. The Company's all financial liability are currently classified under amortized cost.

Amortized cost category is applicable to trade and other payables. After initial recognition the financial liabilities are measured at amortized cost using the EIR method. Gains and losses are recognized in profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or cost that are integral part on EIR. The EIR amortization is included as finance cost in the Statement of profit and loss.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires when an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

In the application of the Company's accounting policies, the Management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on industry experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas involving critical estimates or judgements are:

a. Estimates and assumptions related to useful lives of Property, Plant and Equipment (PPE) (Refer note 4)

b. Estimate and assumptions for income taxes (Refer note 6)

c. Estimations used for impairment of trade receivable (Refer note 10);

d. Judgments related to employee benefits expense (Refer note 15)

4 Property, Plant and Equipment

Accounting policy

Property, plant and equipment (PPE) are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss, if any. All significant costs relating to the acquisition and installation of PPE are capitalised. Subsequent costs/replacement costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance expenses are charged to the Statement of profit and loss during the financial year in which they are incurred.

Depreciation on PPE is calculated on a straight line basis using the rates arrived at, based on the useful lives estimated by the management. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

The management has estimated, supported by technical assessment, the useful lives of certain classes of assets. The following useful lives are adopted by the management:

Asset category	Company's estimate of useful life (years)	Useful life as prescribed under Schedule II (years)
Office equipment	5	5
Computers and data processing units	5	3 to 6

The residual values, useful lives and methods of depreciation of PPE are reviewed on a regular basis and changes in estimates, when relevant, are accounted for on a prospective basis.

Estimates and assumptions:

The Company determines, based on technical assessment, the estimated useful lives of its property, plant and equipment and intangible assets for calculating depreciation and amortisation. This estimate is determined after considering the expected usage of the asset or physical wear and tear. Management reviews the residual value and useful lives periodically and future depreciation and amortisation charge would be adjusted where the management believes the useful lives differ from previous estimates.

Impairment of PPE

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

THERMAX VEBRO POLYMERS INDIA PRIVATE LIMITED

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025

((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

(a) PROPERTY, PLANT AND EQUIPMENT:

Particulars	Computer and data processing units	Computer and data processing units	Total
Gross carrying amount as at July 18, 2024	**-**	**-**	**-**
Additions	2.65	6.91	9.56
Disposals	-	-	-
Gross carrying amount as at March 31, 2025	**2.65**	**6.91**	**9.56**
Accumulated depreciation as at July 18, 2024	**-**	**-**	**-**
Charge for the period	0.26	0.62	0.88

Net Block as at March 31, 2025	**2.39**	**6.29**	**8.68**

(b) RIGHT-OF-USE ASSETS (ROU)

Accounting policy

The Company recognises ROU assets at cost at the commencement date of the lease. The cost of ROU asset includes the amount of lease liabilities recognised, initial direct costs incurred, lease payments made at or before the commencement date less any lease incentives received and estimate of costs to dismantle. After the commencement date, ROU assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs. ROU assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated remaining useful lives of the assets, as follows:

Office Premise- 3 years

Description	Office Premise	Total
Gross carrying amount as at July 18, 2024		
Additions	74.27	74.27
Disposals	-	-
Gross carrying amount as at March 31, 2025	**74.27**	**74.27**
Accumulated amortisation as at July 18, 2024	**-**	**-**
Charge for the year	15.47	15.47
Disposals	-	-
Closing accumulated amortisation as at March 31, 2025	**15.47**	**15.47**
Net Block as at March 31, 2025	**58.80**	**58.80**

The Company has taken certain assets on lease which has been accounted in accordance with Ind AS 116-Leases under right-of-use assets. Refer note 26 for further disclosure on leases.

Contractual Obligations: Refer to note 25(a) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

(c) INTANGIBLE ASSETS

Accounting policy

Intangible assets acquired separately are measured on initial recognition at cost. In case of intangible assets which has not been acquired for cash consideration, the cost of such an intangible asset is measured at fair value of the asset acquired. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the Statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of profit and loss when the asset is derecognized.

A summary of amortisation rates applied to the Company's intangible assets are as below:

Assets category	Company's estimate of useful life (years)
Technical know how	5
Computer software	3

Description	Computer software	Technical know-how#	Total
Gross carrying amount as at July 18, 2024	**-**	**-**	**-**
Additions	14.30	950.00	964.30
Disposals	-	-	-
Gross carrying amount as at March 31, 2025	**14.30**	**950.00**	**964.30**
Accumulated amortisation as at July 18, 2024	**-**	**-**	**-**
Charge for the year	1.21	95.00	96.21

#The Company during the year has obtained technical know how from Vebro Polymer Holdings Limited, UK, in lieu of equity shares of the Company subject to applicable TDS laws.

(d) DEPRECIATION AND AMORTIZATION EXPENSE

	July 18, 2024 to March 31, 2025
Depreciation on property, plant and equipment (note 4(a))	0.88
Amortisation on right-of-use assets (note 4(b))	15.47
Amortisation of intangible assets (note 4(c))	96.21
Total	**112.56**

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

5 OTHER FINANCIAL ASSETS - AT AMORTIZED COST

(a) OTHER NON-CURRENT ASSETS

	As at March 31, 2025
Security deposits	17.31
Total	**17.31**

(b) OTHER CURRENT ASSETS

	As at March 31, 2025
Other receivables (refer note 27)	26.10
Total	**26.10**

6 INCOME TAXES

Accounting policy

Tax expense comprises current tax expense and deferred tax.

Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised either in OCI or in equity. Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty.

Estimates and assumptions

At each balance sheet date, the Company assesses whether the realisation of future tax benefits is sufficiently probable to recognise deferred tax assets. This assessment requires the use of significant estimates with respect to assessment of future taxable income. The recorded amount of total deferred tax assets could change if estimates of projected future taxable income or if changes in current tax regulations are enacted.

The major components of income tax expense for the period ended March 31, 2025 are:

Statement of profit and loss	**July 18, 2024 to March 31, 2025**
Current tax	-
Deferred tax	-
Income tax expense reported in the Statement of profit or loss	**-**

Other comprehensive income	**July 18, 2024 to March 31, 2025**
Deferred tax related to items recognised in other comprehensive income during the year	-
Net gain/(loss) on remeasurements of defined benefit plans	-
Deferred tax credit in other comprehensive income	**-**

Reconciliation of tax expense and accounting profit multiplied by India's domestic tax rate

	July 18, 2024 to March 31, 2025
Accounting profit before tax	(475.92)
At India's statutory income tax rate (as per Income Tax Act, 1961) of 25.17%	(119.78)
Non deductible expenditure	23.90
Unrecognized tax benefits on tax losses and other items	95.88
Effective tax	**-**
Income tax expense reported in the Statement of profit or loss	-

The Company has tax losses & other items of Rs. 380.96 lakhs that are available for offsetting for future taxable profits. Deferred tax assets have not been recognised in respect of these losses as they may not be used to offset taxable profits elsewhere in the Company and there are no other tax planning opportunities or other evidence of recoverability in the near future. If the Company was able to recognise all unrecognised deferred tax assets, the loss for the year would decrease by Rs. 95.88 lakhs.

7 INVENTORIES

Accounting policy

Inventories are stated at the lower of cost and net realisable value (NRV). Cost of inventory includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Costs of inventories are determined on weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Write down of inventories are calculated based on an analysis of foreseeable changes in demand, technology, market conditions and ageing of inventories.

	As at March 31, 2025
Traded goods	0.23
Total	**0.23**

8 CASH AND CASH EQUIVALENTS

Accounting policy

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the Statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

	As at March 31, 2025
Balances with banks	
- in current accounts	119.70
- in deposits with original maturity of less than three months *	405.94
Total	**525.64**

*Short-term deposits are made for varying periods ranging between one day and three months, depending on the immediate cash requirements of the Group, and earn interest at the respective short-term deposit rates.

Note: There are no repatriation restrictions with regard to cash and cash equivalents as at the end of the reporting period.

9 OTHER ASSETS

OTHER CURRENT ASSETS

	As at March 31, 2025
Unsecured, considered good	
Balances with government authorities	24.96
Total	**24.96**

10 TRADE RECEIVABLES - AT AMORTIZED COST

Accounting policy

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance. For trade receivables, the Company applies the simplified approach required by Ind AS 109, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

CURRENT TRADE RECEIVABLES

	As at March 31, 2025
Trade receivables from:	
i) Related parties (note 27)	-
ii) Others	148.50
Total	**148.50**
Break-up for security details	
Secured, considered good	-
Unsecured, considered good	148.50
Trade receivables which has a significant increase in credit risk	-
Trade receivables - credit impaired	-
	148.50
Less: Impairment allowance	-
Total	**148.50**

No trade or other receivables are due from directors or other officers of the company either severally or jointly with any other person. Nor any trade receivables due from firms or private companies respectively in which any director is a partner, a director or a member.

The ageing of current trade receivables which are due for receipt:

Particulars	Not Due	Outstanding for the following period from due date of payments					Total
		Less than 6 months	6 months-1 year	1-2 years	2-3 years	More than 3 years	
(i) Undisputed trade receivables-considered good	46.00	102.50	-	-	-	-	**148.50**
(ii) Undisputed trade receivables- which have significant increase in credit risk	-	-	-	-	-	-	**-**
(iii) Undisputed trade receivables- credit impaired	-	-	-	-	-	-	**-**
(iv) Disputed trade receivables-considered good	-	-	-	-	-	-	**-**
(v) Disputed trade receivables- which have significant increase in credit risk	-	-	-	-	-	-	-
(vi) Disputed trade receivables- credit impaired	-	-	-	-	-	-	-
Sub-total	**46.00**	**102.50**	**-**	**-**	**-**	**-**	**148.50**
Less: Impairment allowance							**-**
Total							**148.50**

The above ageing includes retention receivables which are classified as due or not due on the basis of the contractual terms with respective customers.

Estimates and Judgements

The impairment provisions for financial assets are based on assumptions about risk of default, expected loss rates and timing of cash flows. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

As a practical expedient, the Company uses a provision matrix to determine ECL impairment allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the Company estimates a default rate of total revenue for trade receivables and contract revenue for contract assets. The Company follows provisioning norms based on ageing of receivables to estimate the impairment allowance under ECL.

No impairment allowance has been considered necessary using lifetime ECL model on the outstanding receivables.

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025

((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

11 Share capital

Accounting policy

Equity shares issued to shareholders are classified as equity. Incremental costs directly attributable to the issue of new equity shares are recognized as a deduction from equity, net of any related income tax effects.

	March 31, 2025
Authorized shares	
2,00,00,000 equity shares of Rs. 10/- each.	2,000.00
	2,000.00
Issued, subscribed and fully paid share capital	
1,61,82,300 equity shares of Rs. 10/- each.	1,618.23
Total issued, subscribed and fully paid-up share capital	**1,618.23**

(a) Reconciliation of the shares outstanding at the beginning and at the end of the period

	No. of shares
Equity share of Rs. 10 each issued, subscribed and fully paid	
As at July 18, 2024	**-**
Changes during the year (1,61,82,300 equity shares of Rs. 10/- each.)	1,618.23
As at March 31, 2025	1,618.23

(b) Terms/ rights attached to equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

(c) Equity shares held by ultimate holding / holding company

	As at March 31, 2025
Holding Company	
Thermax Chemical Solutions Private Limited, India	810.73
81,07,300 equity shares of Rs. 10/- each fully paid	

(d) Details of equity shares held by shareholders holding more than 5% of the aggregate shares in the Company

	As at March 31, 2025
Thermax Chemical Solutions Private Limited, India	50.10%
No. of shares (81,07,300 equity shares of Rs. 10/- each fully paid)	810.73
Vebro Polymers Holdings Limited, UK	49.90%
No. of shares((80,75,000 equity shares of Rs. 10/- each fully paid)	807.50

As per records of the Company, including its register of shareholders/ members and other declarations received from shareholders regarding beneficial interest, the above shareholding represents the legal ownerships of shares.

(e) Details of equity shares held by promoters in the Company

	As at March 31, 2025
Thermax Chemical Solutions Private Limited, India	
%	50.10%
No. of shares	810.73
% of change during the year	Not applicable
Vebro Polymers Holdings Limited, UK	
%	49.90%
No. of shares	807.50
% of change during the year	Not applicable

(f) An aggregate of 80,75,000 equity shares were issued pursuant to purchase of technical know how, without payment being received in cash (Refer Note 4(c))

(g) There are no buy back of shares by company during the period preceding the reporting date.

12 OTHER EQUITY

	As at March 31, 2025
Reserves and surplus	
Retained earnings	
Opening balance	
Add: Loss for the year	(475.92)
Transaction costs arising on share issues	(20.32)
Movement during the year	(496.24)
Items of other comprehensive income recognised directly in retained earnings:	
Re-measurement (loss) on defined benefit plans	(2.10)
Net deficit in the Statement of profit and loss	**(498.34)**
Total Reserves and Surplus	**(498.34)**
Total	**(498.34)**

13 TRADE PAYMENTS - AT AMORTIZED COST

CURRENT TRADE PAYABLES

	As at March 31, 2025
Total outstanding dues of micro enterprises and small enterprises	4.53
Total outstanding dues of creditors other than micro enterprises and small enterprises	
i) Related parties (note 27)	351.63
ii) Others	16.20
Total	**372.36**

14 FINANCIAL LIABILITIES

OTHER CURRENT LIABILITIES

	March 31, 2025
Payables for Property, plant and equipment	23.76
Employee related payables	56.48
Total	**80.24**

15 PROVISIONS

Accounting policy

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expense when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

The Company operates a defined benefit gratuity plan in India. The cost of providing benefits under the defined benefit plan is determined using the Projected Unit Credit Method. Remeasurements, excluding amounts included in interest on the defined benefit liability, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the Statement of profit and loss in subsequent periods.

Past service costs are recognized in the Statement of profit and loss on the earlier of:

(a) The date of the plan amendment or curtailment; and

(b) The date that the Company recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the Statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Accumulated leave, which is expected to be utilised within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the Projected Unit Credit Method at the period-end. The Company presents the leave as a current liability in the balance sheet as it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

Estimates and assumptions

• **Provision for onerous contracts:** The Group provides for future losses on EPC contracts where it is considered highly probable that the contract costs are likely to exceed revenues in future years. Estimating these future losses involves a number of assumptions about the achievement of contract performance targets and the likely levels of future cost escalation over time.

Defined benefit plan - Gratuity:

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions.

All assumptions are reviewed at each reporting date. The parameter which is most subjected to change is the discount rate. In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post employment benefit obligation. The mortality rate is based on Indian Assured Lives Mortality (2012-14) Ultimate. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

(a) NON-CURRENT PROVISIONS

	As at March 31, 2025
Provision for employee benefits	
Provision for gratuity	16.06
Total	**16.06**

(b) CURRENT PROVISIONS

	As at March 31, 2025
Provision for employee benefits	
Provision for gratuity	0.15
Provision for compensated absences	17.63
Total	**17.78**

(c) GRATUITY

The Company operates a defined benefit plan viz. gratuity for its employees. Under the gratuity plan, every employee who has completed at least specified years of service gets a gratuity on departure at 15 days (minimum) of the last drawn salary for each completed year of service. The Scheme is unfunded.

	As at March 31, 2025
Current liability	0.15
Non-current liability	16.06
Net asset	**16.21**

I Changes in the net benefit obligation and fair value of plan assets are as follows :

	Amount
July 18, 2024	
Current service cost	
Interest expense	3.08
Transfer in	11.03
Reimbursement from related party	(11.03)
Total amount recognised in Statement of profit and loss	**3.08**
Experience adjustments	2.10
Total amount recognised in Other Comprehensive Income	**2.10**
Benefits paid	-
March 31, 2025	**5.18**

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

II Significant assumptions

The principal actuarial assumptions were as follows :

	As at March 31, 2025
Discount rate	6.70%
Salary growth rate	8.00%
Normal retirement age	60.00
Mortality table	IALM (2012-14) Ultimate
Employee turnover	5.00%

III Sensitivity analysis

The sensitivity of defined obligation to changes in the weighted principal assumptions is:

	As at March 31, 2025	
	Impact of 1% increase	Impact of 1% decrease
Discount rate	(0.96)	12.12
Future salary increase	11.94	10.20
Attrition rate	10.98	11.10

The above sensitivity analysis is based on a change in assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of defined benefit obligation calculated with the Projected Unit Credit Method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The following are the expected cash outflows to the defined benefit plan in future years:

	As at March 31, 2025
Within next 12 months	0.15
Between 2-5 years	5.24
Next 5 years	40.57

The average duration of the defined benefit plan obligation at the end of the reporting period is 9.91 years.

16 OTHER LIABILITIES

OTHER CURRENT LIABILITIES

	As at March 31, 2025
Statutory dues and other liabilities*	14.43
Total	**14.43**

*includes tax deducted at source, provident fund, etc.

17 REVENUE FROM OPERATIONS

Accounting policy

Revenue from contracts with customers:
Revenue from contracts with customers is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Revenue is recognised when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primarily responsible for fulfilling the promise to provide the specified good or service and has discretion in establishing the price for the specified good or service. The Company collects goods and services tax on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue.

The Company has following stream of revenue:

Revenue from Sale of goods

If the criteria for revenue recognition over-a-period of time is not met, the Company recognises revenue at a point-in-time. The point-in-time is determined when the control of the goods is transferred which is determined based on when the significant risks and rewards of ownership are transferred to the customer. Apart from this, the Company also considers its present right to payment, the legal title to the goods, the physical possession and the customer acceptance in determining the point in time when control has been transferred. Considering the nature of business and goods sold, warranty claims are not expected to arise and therefore, no provision for warranty is required to be made.

(a) REVENUE FROM CONTRACT WITH CUSTOMERS

	July 18, 2024 to March 31, 2025
Revenue from sale of goods	169.89
Total revenue from operations	**169.89**

(b) DISCLOSURE PURSUANT TO IND AS 115: REVENUE FROM CONTRACT WIH CUSTOMERS

By category of contracts

	July 18, 2024 to March 31, 2025
Over a period of time basis	-
At a point-in-time basis	169.89
Total revenue from contracts with customers	

Revenue by geographical market

	July 18, 2024 to March 31, 2025
Within India	169.89
Outside India	-
Total revenue from operations	**169.89**

Reconciliation between revenue recognised in Statement of profit and loss and contract price:

There is no variation between revenue recognised in Statement of profit and loss and contract price.

18 OTHER INCOME

	July 18, 2024 to March 31, 2025
Interest income from financial assets at amortised cost	
Bank deposits	5.94
Security deposit	0.84
Total	**6.78**

19 STOCK IN TRADE

	July 18, 2024 to March 31, 2025
Inventories at the beginning of the year	-
Add: Purchases	122.72
	122.72
Inventories at the end of the year	0.23
Total	**122.95**

20 CHANGES IN INVENTORIES OF STOCK IN TRADE

	July 18, 2024 to March 31, 2025
Inventories at the beginning of the year	
Traded goods	-
	-
Less: inventories at the end of the year	
Traded goods	0.23
	0.23
Total	**(0.23)**

21 EMPLOYEE BENEFIT EXPENSES

	July 18, 2024 to March 31, 2025
Salaries and wages	263.27
Contribution to provident and other funds	8.70
Gratuity expense (refer note 15)	3.08
Staff welfare expenses	0.07
Total	**275.12**

22 FINANCE COSTS

	July 18, 2024 to March 31, 2025
Unwinding of discount	3.47
Total	**3.47**

23 OTHER EXPENSES

	July 18, 2024 to March 31, 2025
Consumption of stores and spare parts	0.05
Power and fuel	0.72
Freight and forwarding charges	10.86
Advertisement and sales promotion	5.37
Sales and marketing support charges	29.69
Rates and taxes	0.40
Insurance	0.19
Repairs and maintenance:	
Others	6.27
Travelling and conveyance	32.41
Legal and professional fees	7.48
Administrative support charges	32.30
Payment to auditors (refer below note)	8.00
Telephone and communication charges	1.50
Printing & Stationary	2.76
Miscellaneous expenses	0.72
Total	**138.72**

Note: Payment to auditors

	July 18, 2024 to March 31, 2025
As auditor	
- Statutory audit fees	8.00
Total	**8.00**

Note: Corporate Social Responsibility

The Company does not meet the criteria specified in sub section (1) of section 135 of the Companies Act, 2013, read with Corporate Social Responsibility (CSR) Rules, 2014. Therefore, it is not required to incur any expenditure on account of CSR activities during the current period.

24 EARNINGS PER SHARE

Accounting policy

The Company presents the basic and diluted EPS data for its equity shares.

(i) Basic EPS is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period;

(ii) Diluted EPS is computed by adjusting the net profit for the period attributable to the equity shareholders and the weighted average number of equity shares considered for deriving basic EPS for the effects of all the equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The following table reflects the income and earnings per share data used in the basic and diluted EPS computation:

Particulars	July 18, 2024 to March 31, 2025
Loss after tax attributable to the equity holders (a)	(475.92)
Weighted average number of shares considered for calculating basic EPS (b)	8,990,503
Weighted average number of shares considered for calculating diluted EPS (c)	8,990,503
Nominal value per share (Rs.)	10.00
Basic earnings per share (d) = (a)/(b)	(5.29)
Diluted earnings per share (e) = (a)/(c)	(5.29)

25 CONTINGENT LIABILITIES AND COMMITMENTS

A CONTINGENT LIABILITIES

Accounting policy

A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Details of Contingent liabilities

There are no liabilities of contingent nature.

B CAPITAL AND OTHER COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account (net of advances) and not provided for is Nil.

26 LEASING ARRANGEMENTS

Accounting policy

WHERE THE COMPANY IS LESSEE:

Accounting policy

The Company has taken office premise on lease. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

(1) The contract involves the use of an identified asset;

(2) The Company has substantially all of the economic benefits from use of the asset through the period of the lease; and

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

(3) The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at present value of the future lease payments. The lease payments include fixed payments less any lease incentives receivable. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a practical expedient, Ind AS 116 - "Property, plant and equipment", permits a lessee not to separate non-lease components, and instead account for any lease and associated non-lease components as a single arrangement. The Company has not used this practical expedient. For a contract that contains a lease component and one or more additional lease or non-lease components, the Company allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate standalone price of the non-lease components.

Details of Leases:

The Company has taken office building on lease for a tenure of 3 years. There are no variable lease payments and residual value guarantees for these leases. The leases are renewable on mutually agreeable terms. At the expiry of the non-cancellable period of the lease term, either party has an option to terminate the agreement or extend the term by giving notice in writing.

Carrying amounts of lease liabilities and the movements during the period ended as follows:

	As at March 31, 2025
Opening	-
Additions (for new lease during the period)	71.92
Accretion of interest	3.47
Payments made	(17.84)
Lease liabilities at the end of the period	**57.55**
Current portion of lease liabilities	25.83
Non-current portion of lease liabilities	31.72
Total	**57.55**

Details of amounts recognised in Statement of Profit and Loss

	As at March 31, 2025
Amortisation expense of right-of-use assets	15.47
Interest expense on lease liabilities	3.47
Total amount recognised in Statement of profit or loss	**18.94**

Current liabilities	478.43
Non-current liabilities	31.72
Total	**510.15**

The management has assessed that the carrying amounts of the above financial instruments approximate their fair values.

29 Financial risk management

The Company's principal financial liabilities, comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations. Risk is inherent in the Company's activities but it is managed through a process of on going identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is exposed to market risk, credit risk and liquidity risk.

The Company's Board of Directors is ultimately responsible for the overall risk management approach and for approving the risk strategies and principles. The management of the Company reviews and agrees policies for managing each of these risks which are summarised below:

I Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of currency risk.

Market risk is managed on the basis of pre-determined asset allocations across various asset categories, a continuous appraisal of market conditions and trends and management's estimate of long and short term changes in fair value.

Foreign currency risk

Foreign exchange risk arises when future commercial transactions and relevant assets and liabilities are denominated in a currency that is not the Company's functional currency. Foreign exchange risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to GBP.

Foreign exchange risk is managed on the basis of continuous assessment of current and expected exchange rate movements.

Foreign currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in GBP exchange rates, with all other variables held constant. The impact on the Company's loss before tax is due to changes in the fair value of monetary liabilities.

	Impact on loss before tax As at March 31, 2025
GBP Sensitivity	
INR/GBP - Increase by 1%	(0.45)
INR/GBP - Decrease by 1%	0.45

Favourable impact shown as positive and adverse impact as negative.

The exposure to other foreign currencies is not significant to the Company's financial statements.

II Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities and deposits and other balances with banks.

Trade receivables

Customer credit risk is managed subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on losses as per historical data. The maximum exposure to credit risk at the reporting date is the carrying value disclosed in notes 8 above.

Financial instruments and bank deposits

Credit risk from balances with banks and other financial assets are managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties having a good market reputation and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Company's maximum exposure to credit risk for bank balances and deposits as at March 31, 2025 is the carrying amounts as disclosed in Note 10 to the financial statements.

	As at March 31, 2025		
	Gross	Expected loss rate	Expected loss allowance
Not due	46.00	0%	-
Less than 6 months	102.50	0%	-
Total			

Notes to the financial statements for the period of July 18, 2024 to March 31, 2025
((All amounts are in Rupees Lakhs, except per share data and unless stated otherwise)

III Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations.

The management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting future cash flows and considering the level of liquid assets necessary to meet these and monitoring balance sheet liquidity ratios against internal requirements. The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments:

(i) Maturities of financial liabilities

The tables below summarises the Company's financial liabilities into relevant maturity profile based on contractual undiscounted payments :

	< 1 year	1 to 3 years	> 3 years	Total
Trade Payables	372.36	-	-	372.36
Other financial liabilities				
Lease obligation	25.83	37.48	-	63.31
Payables for Property, plant and equipment	23.76	-	-	23.76
Employee related payables	56.48	-	-	56.48

30 CAPITAL MANAGEMENT

The Company's objective for capital management is to maximise long term shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long- term and other strategic investment plans. The funding requirements are met through equity and operating cash flows generated. Capital represents equity attributable to equity holders of the Company.

There are no borrowings outstanding as on period end.

31 OTHER STATUTORY INFORMATION

(i) No proceedings have been initiated on or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder.

(ii) The Company does not have any charges or satisfaction which is yet to be registered with Register of Companies beyond the statutory period.

(iii) The Company has not traded or invested in Crypto currency or Virtual Currency during the current period.

(iv) There is no income surrendered or disclosed as income during the current period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

(v) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.

(vi) The Company has no transactions with the companies struck off under Companies Act, 2013 or Companies Act, 1956."

(vii) The Company has not entered into any scheme of arrangement which has an accounting impact on current period.

(viii) Utilisation of borrowed funds and share premium:

A. The Company has not advanced or loaned or invested funds to any other person (s) or entity (ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

   a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or

   b. provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

B. The Company has not received any fund from any person (s) or entity (ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

   a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

   b. provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(ix) The Company does not have any subsidiary or joint venture or associate company.

32 SEGMENT REPORTING

The Chief Operating Decision Maker (CODM) evaluates the Company's performance and applies the resources to whole of the Company's business viz "Sale of chemicals". Hence the Company does not have any reportable segment as per Ind AS - 108 "Operating Segments".

33 ANALYTICAL RATIOS

S. No.	Particulars	Numerator	Denominator	As at March 31, 2025
1	Current Ratio	Current Assets	Current Liabilities	1.42
2	Debt-Equity Ratio	Total Debt	Shareholders' Equity	0.05
3	Debt Service Coverage Ratio	Earnings available for debt service (Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.)	Debt Service (Interest & Lease Payments + Principal Repayments)	-20.17

The amount of interest accrued and remaining unpaid at the end of each accounting year	-
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006.	-

35 (A) COMPLIANCE WITH SECTION 143 (3) FOR MAINTENANCE OF BOOKS OF ACCOUNT

With effect from August 5, 2022, the Ministry of Corporate Affairs (MCA) has amended the Companies (Accounts) Rules, 2014, relating to maintenance of electronic books of account and other relevant books and papers. Pursuant to this amendment, the Company is required to maintain the books of account which are accessible in India at all times and their backup is to be kept on servers located in India on a daily basis.

The Company has a process to take daily back-up of books of account maintained in electronic mode and along with the logs of the back-up of such books of account. However, the backup of certain other books and papers; maintained on file servers, has not been maintained on servers physically located in India on daily basis.

(B) COMPLIANCE WITH SECTION 143 (3) FOR AUDIT TRAIL

The Company has used accounting softwares for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that the audit trail is not maintained in case of modification by certain users with specific access. Further at the database level it has operated only towards the end of the financial year, except for certain information or data.

36 An independent review for assessing compliance with Transfer Pricing Rules for the year July 18, 2024 to March 31, 2025 is under progress. On the basis of self-assessment of the operation during the year, the management does not expect any significant deviations from the requirements of the aforesaid Transfer Pricing Rules.

37 The Company is incorporated on July 18, 2023. The financial statements are prepared for the period July 18, 2024 to March 31, 2025 as the first financial statement of the Company. Hence, comparative figures do not exist for the current period.

STRATEGIC REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The directors present their strategic report for the year ended 31 March 2025.

REVIEW OF BUSINESS

The performance for the financial year 24-25 has been lower than what was budgeted at the beginning of the year and lower than the previous financial year.

The year closed with a turnover of £3.8 Million (previous year £5.75 Million). The pre-tax profit stands at £152,220 (previous year £344,508).

The order booking for the year stands at £5.25 Million, in line with budget..

The Chiller business continues to be driven by on-site power generation market in Italy, Germany, Spain and UK. The Heat Pump business is driven by the district heating sector and the commitment made by some of the European countries to reduce their dependency on fossil fuel and increase energy efficiencies.

The highlights of the year are a large chiller order from Serbia and from Poland.

The Service & spare parts business has been lower that budgeted owing to many onsite power generators stopped due to cost of gas.

The outlook for 2025-26 will be lower than present year due to continued Ukraine crisis that has created uncertainty in energy market, the lack of new gas contracts for new on site power generators on which the chiller business is dependent on. The focus however will remain on Germany, Italy, Eastern Europe and Scandinavia.

PRINCIPAL RISKS AND UNCERTAINTIES

The core business of Thermax Europe Ltd is the sales and service of Absorption chillers and heat pumps, manufactured by our parent company Thermax Ltd. Near term risk to the business comes from other competitors from the Far East, who could drive down the prices affecting the company's bottom line and sales. Any changes in government policies regarding energy can also affect the market for the type of equipment the company markets. The recent strides taken by renewable energy sector will be a long-term threat to businesses that directly or indirectly deal with equipment supply that rely on fossil fuel. The chillers and heat pumps the company markets falls in this category.

On financial management, the company has established a risk management framework whose primary objectives are to protect the company from events that hinder the achievement of the company's performance objectives. The objectives aim to ensure sufficient working capital exists.

SECTION 172(1) STATEMENT

Directors confirm that, during the year, they continued to promote the success of the Company for the benefit of all stakeholders. In doing so, the Board's desire to act fairly for its sole member, maintain a reputation for high standards of business conduct, and consider the long-term consequences of the decisions they take, have underpinned the way it operates.

EXPOSURE TO PRICE, CREDIT, LIQUIDITY AND CASH FLOW RISK

Cash flow risk is the exposure to variability in cash flows that is attributable to a particular risk associated with a recognised asset or liability. The Company finances its operations with cash and working capital items such as trade debtors and trade creditors that arise directly from its operations.

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The company aims to mitigate liquidity risk by managing cash generation by its operations and credit facilities.

Credit risk is the risk that one party to financial instruments will cause a financial loss for that other party failing to discharge an obligation. The policy is aimed at minimising such losses and requires that the deferred terms are granted to customers who demonstrate an appropriate payment history and satisfy credit worthiness procedures. The director sets working capital targets including debtor days. Outstanding balances are reviewed by staff on a regular basis, in conjunction with debt ageing, and the Company operates a robust collection procedure.

NON-FINANCIAL INFORMATION

The company is a buy and sell company catering to European market for Absorption chillers and heat pumps. All chillers and heat pumps are manufactured by the parent company in India. The business strategy involves working with appointed distributors across continental Europe and key relationship with large contractors. In the UK the business model is working with HVAC contractors. The company also has a revenue stream from sales of spare parts and service support

Through 'Thermax Cares', the group companies are inculcating environmental consciousness into the organizational culture. We have undertaken various initiatives to encourage employees and their families to contribute to reducing the earth's carbon and water footprint. Thermax is committed to minimise the use of natural resources and the impact of its operations on nature. It remains committed to building its Natural Capital through resource efficiency and excellence in environmental performance. The company is constantly measuring and managing the impact of its business and manufacturing operations on the environment, and taking necessary measures to reduce energy, water, and material consumption

Thermax Group remains steadfastly focussed on nurturing a healthy organisation and a capable workforce, with an inclusive approach to its resources and human rights. At the core of its people policy is the company's thrust on building and retaining its critical skills, enhancing its performance potential, and developing its leadership capabilities. We provide necessary growth opportunities to have an engaged and committed workforce to drive the organisation towards growth. Some of the ways in which the company engages with the employees include open forums, online and functional training, people and leadership development, communication blogs, and celebrations like Technology Day, Environment Day, and Safety Week.

The company recognises that its business sustainability is premised on the relationships it builds with its communities. It acknowledges the importance of its societal welfare initiatives to promote sustainable growth. Its key objective is to facilitate quality education for children from economically weaker

backgrounds, to help them come out of the vicious cycle of poverty. Further, Thermax Foundation works closely with the vulnerable communities around the company's manufacturing locations, and encourages key projects based on need-based evaluation.

The company's Corporate Governance framework encompasses its transparent systems, processes, and principles. It is designed to help Thermax create wealth for its stakeholders on a sustainable basis. It enables the company to conduct its business in a smooth manner and engage with its stakeholders. The company identifies material issues by engaging with multiple stakeholders - investors, shareholders, media, government, employees, vendors and suppliers, customers, and the community.

The company has a strong culture and elaborate processes to reduce the risk of unethical conduct, including a clear code of conduct and whistle blower policy. The Company is committed to operating its businesses with integrity and adopting governance policies that promote the thoughtful and independent representation of its stakeholders' interests.

The company adheres to all applicable local and international laws including social, human rights, anti-corruption, health & safety, environmental and employment laws. The subsidiary is advised by the parent company on some of these matters and others through local external consultants.

FOREIGN CURRENCY RISK

The company's principal foreign currency exposures arise from trading with overseas companies. Company policy permits but does not demand that these exposures may be hedged in order to fix the cost in sterling.

ON BEHALF OF THE BOARD:

Sandeep Suresh Mandke

Director

Date: 04 May, 2025

Report of the Directors

FOR THE YEAR ENDED 31 MARCH 2025

The directors present their report with the financial statements of the company for the year ended 31 March 2025.

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of the sale and service of absorption chillers.

DIVIDENDS

No dividends will be distributed for the year ended 31 March 2025.

DIRECTORS

The directors set out in the table below have held office during the whole of the period from 1 April 2024 to the date of this report.

The directors shown below were in office at 31 March 2025 but did not hold any interest in the Ordinary shares of £1 each at 1 April 2024 or 31 March 2025.

Venkatesh Balasubramanian

Sandeep Suresh Mandke

STATEMENT OF CORPORATE GOVERNANCE ARRANGEMENTS

Details of the group's corporation governance arrangements can be found on Thermax Limited's website.

DISCLOSURE IN THE STRATEGIC REPORT

The company has chosen in accordance with the Companies Act 2006, s 414C(11) to set out in the company's strategic report information required by Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008, Sch 7 to be contained in the directors' report. It has done so in respect of:

- Business model
- Review of business
- Principal risks and uncertainties
- Section 172(1) Statement
- Exposure to price, credit, liquidity and cash flow risk
- Likely future developments in the business

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

ON BEHALF OF THE BOARD:

Sandeep Suresh Mandke

Director

Date: 04 May, 2025

Directors' Responsibilities Statement

FOR THE YEAR ENDED 31 MARCH 2025

The directors are responsible for preparing the Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditors to the Members of Thermax Europe Limited

Opinion

We have audited the financial statements of Thermax Europe Limited (the 'company') for the year ended 31 March 2025 which comprise the Income Statement, Other Comprehensive Income, Balance Sheet, Statement of Changes in Equity, Cash Flow Statement and Notes to the Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2025 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Strategic Report, the Report of the Directors and the Directors' Responsibilities Statement, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or

- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page five, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Detecting Irregularities

The engagement partner ensured that the engagement team had the appropriate competence, capabilities and skills to identify or recognise non compliance with applicable laws and regulations;

we identified the laws and regulations applicable to the company through discussions with directors and other management;

we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, taxation legislation, employment environmental and health and safety legislation;

we assessed the extent of compliance with the laws and regulations identified above;

we communicated identified laws and regulations within the audit team who remained alert to instances of non-compliance.

We assessed the susceptibility of the company's financial statements to material misstatement including obtaining an understanding of how fraud might occur, by;

- making enquiries of management as to whether they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud;
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations; and
- understanding the design of the company's remuneration policies.
- requesting confirmation of opening balances and carrying out further audit procedures as required.

To address the risk of fraud through management bias and override of controls, we;

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;

In response to the risk of non-compliance with laws and regulations, we designed procedures which included, but were not limited to;

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with HMRC and the company's legal advisors.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to Financial Statements
For the year ended 31 March 2025

1. STATUTORY INFORMATION

Thermax Europe Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

This company is a qualifying entity for the purposes of FRS 102, being a member of a group where the parent of that group prepares publicly available consolidated financial statements, including this company, which are intended to give a true and fair view of the assets, liabilities, financial position and profit or loss of the group. The company has therefore taken advantage of exemptions from the following disclosure requirements:

- Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instrument Issues: The disclosure requirements of paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b), 11.48(c), 12.26, 12.27, 12.29(a), 12.29(b), and 12.29A.

- Section 33 'Related Party Disclosures': Compensation for key management personnel

The financial statements of the company are consolidated in the financial statements of Thermax Limited. These consolidated financial statements are available from its registered office Thermax House, 14 Mumbai Pune Road, Wakdewadi, Pune 411 003 India.

Turnover

Revenue is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant & machinery - 20% on cost

Fixtures and fittings - 20% on cost

Computer equipment - 33.33% on cost

Stocks

Inventories are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slowmoving items.

Financial instruments

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provision of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Notes to Financial Statements March 31, 2025

Basic Financial Assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised costs using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is a contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors and loans from related companies are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised costs, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straightline basis over the period of the lease.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

3. CRITICAL ACCOUNTING JUDGEMENTS & KEY SOURCES OF ESTIMATION UNCERTAINTY

The group makes estimates and assumptions concerning the future. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below

Stock: The Company makes a periodic estimation of any possible impairment to stock taking into account a number of factors including: its commercial value in the current market; signs of significant or irreparable damage; and any potential items considered to be worth less than cost or deemed worthless. When assessing the carrying value of the stock, these factors are taken into consideration.

Debtors: The Company makes an estimate of the recoverable value of trade and other debtors. When assessing the potential impairment of trade and other debtors, management considers factors including the current credit rating of the debtor, the ageing profile of debtors and the historical experience of the relationship with that debtor. Please also refer to 11 for the net carrying amount of the debtors and any associated impairment provision.

Creditors: Provision is made for commissioning costs of units fully invoiced but not yet commissioned. This requires management's best estimate of the expenditure that will be incurred based on contractual requirements. Management consider factors including the complexity of the machines and the estimated hours that would be required to fulfil the contract.

4. REVENUE

The revenue and profit before taxation are attributable to the one principal activity of the company.

An analysis of revenue by geographical market is given below:

	2025	2024
	£	£
United Kingdom	**351,781**	732,911
Europe	**2,411,432**	5,022,246
Saudi Arabia	**1,026,758**	-
	3,789,971	5,755,157

5. EMPLOYEES AND DIRECTORS

	2025	2024
	£	£

Social security costs	**26,920**	31,234
Other pension costs	**15,868**	15,329
	336,843	366,384

The average number of employees during the year was as follows:

	2025	2024
Director	**2**	2
Admin	**5**	6
	7	8

	2025	2024
	£	£
Directors' remuneration	**-**	-

THERMAX EUROPE LIMITED

Notes to Financial Statements March 31, 2025

6. OPERATING PROFIT /(LOSS)

The operating loss (2024 - operating profit) is stated after charging/ (crediting):

	2025	2024
	£	£
Other operating leases	**9,286**	9,230
Depreciation - owned assets	**3,452**	4,138
Profit on disposal of fixed assets	**-**	(210)
Foreign exchange differences	**75,012**	182,084

7. AUDITORS' REMUNERATION

	2025	2024
	£	£
CED Accountancy Services Limited (annual statutory audit)	**9,540**	9,800
SRBC & Co. LLP (quarterly group audit)	**Nil**	16,008
CED Accountancy Services Limited (quarterly group audit)	**6,352**	Nil
	15,892	25,808

8. TAXATION

Analysis of the tax charge

The tax charge on the profit for the year was as follows:

	2025	2024
	£	£
Current tax:		
UK corporation tax	**35,723**	88,535
Deferred tax	**(768)**	(246)
Tax on profit	**34,955**	88,289

Reconciliation of total tax charge included in profit and loss

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below:

	2025	2024
	£	£
Profit before tax	**152,220**	344,509
Profit multiplied by the standard rate of corporation tax in the UK of 24% (2024-25%)	**36,533**	86,127
Effects of:		
Expenses not deductible for tax purposes	**123**	441
Depreciation in excess of capital allowances	**774**	246
Bad debt provision	**(1,707)**	1,721
Deferred tax	**(768)**	(246)
Total tax charge	**34,955**	88,289

9. PROPERTY, PLANT AND EQUIPMENT

Commentary of the directors

The directors have the pleasure to submit their commentary to the directors together with the audited financial statements of Thermax International Limited, (the "Company"), for the year ended 31 March 2025.

Principal activity

The principal activity of the Company is that of investment holding and investing in the sectors involved in the manufacturing and supplying of industrial equipment based on Energy and environmental management.

Results

Details of the financial position, results of operations and cash flow of the Company are set out in these financial statements.

Directors

The present membership of the Board is set out on page 2.

Directors' responsibilities with respect to the financial statements

Company law requires the directors to prepare financial statements for each financial year, which present fairly the financial position, financial performance, changes in equity and cash flow of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether International Financial Reporting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors confirm that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Mauritius Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditors

The auditor, Yousouf Peerbaye, has indicated his willingness to continue in office and a resolution concerning his re-appointment will be proposed at the Annual Meeting of the shareholder.

Certificate from the secretary

We certify that, to the best of our knowledge and belief, THERMAX INTERNATIONAL LIMITED, (the "Company"), has filed with the Registrar of Companies all such returns as are required of the Company under the Mauritius Companies Act 2001 in terms of Section 166(d) for the year ended 31 March 2025.

for Anex Management Services Ltd
Corporate secretary

Date: 28th April 2025

Independent auditors' report

To the member of THERMAX INTERNATIONAL LIMITED

Report on the audit of the Financial Statements

Opinion

We have audited the financial statements of THERMAX INTERNATIONAL LIMITED, (the "Company"), which comprise of the statement of financial position at 31 March 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

In our opinion, the financial statements on pages 8 to 24 give a true and fair view of the financial position of the Company 31 March 2025, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritius Companies Act 2001 for companies holding a Category 1 Global Business Licence and comply with the Mauritius Companies Act 2001.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditors' Report Thereon ("Other Information")

The directors are responsible for the other information. The other information comprises the Directors' Report, the Certificate from the Secretary and the Statement of Profit or Loss and Other Comprehensive Income as required by the Mauritius Companies Act 2001 of Mauritius, which we obtained prior to the date of this report. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with International Financial Reporting Standards and comply with the requirements or the Mauritius Companies Act 2001, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or have realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Auditors' Responsibilities for the audit of the Financial Statements

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of Mauritius Companies Act 2001, we report as follows

- we have no relationship with, or any interests in, the Company other than in our capacity as auditors;
- we have obtained all the information and explanations we have required; and
- in our opinion, proper accounting records have been kept by the Company as far as it appears from our examination of those records.

THERMAX INTERNATIONAL LIMITED

Notes to the financial statements
For the year 31 March 2025

Corporate information

THERMAX INTERNATIONAL LIMITED (the "Company"), is a private company with limited liability and was incorporated in the Republic of Mauritius on 24 January 2000. The Company was granted a Category 1 Global Business Licence under the Financial Services Act 2007. (The surviving Act of the former Financial Services Development Act 2001)

The principal activity of the Company is that of investment holding and investing in the sectors involved in the manufacturing and supplying of industrial equipment based in Energy and environmental management.

The registered office is at 8th floor Ebene Tower, 52 Cybercity, Ebene, Republic of Mauritius.

1. Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below.

1.1 Basis of preparation

The financial statements have been prepared on the going concern basis in accordance with, and in compliance with, International Financial Reporting Standards ("IFRS") and International Financial Reporting Interpretations Committee ("IFRIC") interpretations issued and effective at the time of preparing these financial statements and the Mauritius Companies Act 2001.

The financial statements have been prepared on the historic cost convention, unless otherwise stated in the accounting policies which follow and incorporate the principal accounting policies set out below. They are presented in US Dollars, which is the Company's functional currency.

2. Application of new and revised IFRS

2.1 New and revised standards

The following are the revised standards and interpretation issued by the IASB in 2021:

	Effective for accounting period beginning on or after
Interest Rate Benchmart Reform – Phase 2 – Amendment to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16	1 January 2021

Management has assessed the impact of these new and revised standards and interpretation and concluded that none of them have an impact on these financial statements.

2.2 Standards and interpretations not yet effective

There are certain standards and interpretations which apply for the first time to financial reporting periods commencing on or after 01 January 2022. These relevant standards and interpretations are being evaluated by management as to their impact on the financial statements.

Standard / Interpretation:	Effective date: Years beginning on or after	Expected impact:
1. Classification of Liabilities as current or non –current – Amendment to IAS 1	01 January 2022 (possibly deferred to 01 January 2023)	The impact of the standard is not material.
2. Property, Plant and Equipment: Proceeds before intended use- Amendments to IAS 16	01 January 2022	The impact of the standard is not material
3. Onerous Contracts – cost of fulfilling a contract - Amendment to IAS 37	01 January 2022	The impact of the standard is not material
4. Annual improvements to IFRS Standards 2018-2020	01 January 2022	The impact of the standard is not material
5. Disclosure of Accounting Policies – Amendments to IAS 1 and IFRS Practice Statement 2	01 January 2023	The impact of the standard is not material
6. Definition of Accounting Estimates – Amendments to IAS 8	01 January 2023	The impact of the standard is not material

3. Summary of accounting policies

3.1 Overall considerations

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

3.2 Financial instruments

Recognition and derecognition

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

Classification and initial measurement of financial assets

Except for those receivables that do not contain a significant financing component and are measured at the transaction price in accordance with IFRS 15, all financial assets are initially measured at fair value adjusted for transaction costs, where appropriate.

Financial assets, other than those designated and effective as hedging instruments, are classified into the following categories:

- amortised cost
- fair value through profit and loss ("FVTPL")
- fair value through other comprehensive income ("FVOCI")

In the current period, the Company does not have any financial assets categorised as FVTPL and FVOCI.

The classification is determined by both:

- the entity's business model for managing the financial asset; and
- the contractual cash flow characteristics of the financial asset.

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance income, finance cost or other financial items, except for impairment of receivables which is presented within other expenses.

Notes to the financial statements
For the year 31 March 2025

Classification and subsequent measurement of financial assets

Financial assets at amortised cost

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVTPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows; and
- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Company's cash and cash equivalents and trade and most of its receivables fall into this category of financial instruments.

Impairment of financial assets

IFRS 9's impairment requirements use more forward-looking information to recognise expected credit losses – the 'expected credit loss (ECL) model'. This replaces IAS 39's 'incurred loss model'. Instruments within the scope of the new requirements include mainly trade receivables.

Recognition of credit losses is no longer dependent on the Company first identifying a credit loss event. Instead the Company considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

Impairment of financial assets

The Company makes use of a simplified approach in accounting for trade receivables and records the loss allowance as lifetime expected credit losses. These are the expected shortfalls in contractual cashflows, considering the potential for default at any point during the life of the financial instrument. In calculating, the Company uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses.

The Company assess impairment of trade receivables on a collective basis as they possess shared credit risk characteristics and they have been grouped based on the days past due.

The Company writes off a financial asset when there is information indicating that the debtor is in severe difficulty and there is no realistic prospect of recovery. Receivables or other financial assets written off are still subject to recovery procedures based on legal advices.

Classification and measurement of financial liabilities

The Company's financial liabilities include trade and other payables and loans from related parties.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Company designated a financial liability at fair value through profit or loss.

Subsequent measurement of financial liabilities

Subsequently, financial liabilities are measured at amortised cost using the effective interest method.

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

3.3 Foreign currency

Functional and presentation currency

The financial statements are presented in US Dollars "USD", which is also the functional currency of the Company.

Foreign currency transactions and balances

Foreign currency transactions are translated into the functional currency, using the exchange rates prevailing at the dates of the transactions (spot exchange rate). Foreign exchange gains and losses resulting from the settlement of such transactions and from the re-measurement of monetary items denominated in foreign currency at year-end exchange rates are recognised in the statement of comprehensive income.

Non-monetary items are not retranslated at year-end and are measured at historical cost (translated using the exchange rates at the transaction date), except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

3.4 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank, together with other short-term, highly liquid investments maturing within 90 days from date of acquisition, that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

3.5 Trade receivables

Trade receivables are in respect of products sold in the ordinary course of business and are classified as current assets if settlement is expected within one year.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. Discounting is omitted where the effect of discounting is immaterial.

3.6 Trade payables

Trade payables are in respect of services provided and products acquired in the ordinary course of business and are classified as current liabilities if payment is due within one year.

Trade payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial.

3.7 Operating leases

Where the Company is a lessee, payments on operating lease agreements are recognised as an expense on a straight-line basis over the lease term. Associated costs, such as maintenance and insurance, are expensed as incurred.

3.8 Equity

Stated capital is determined using the nominal value of shares that have been issued.

Loss for the period consists of the current period results as disclosed in the statement of comprehensive income.

3.9 Income taxes

Tax expense recognised in profit or loss comprises the sum of deferred tax, and current tax not recognised in other comprehensive income or directly in equity.

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operation results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognised in full.

3.10 Revenue recognition

Revenue is recognised upon declaration of dividend by its subsidiaries.

3.11 Set up costs

Set up costs are expensed in the period in which they are incurred.

3.12 Expense recognition

All expenses are accounted for on an accrual basis.

3.13 Related parties

A related party is a person or company where that person or company has control or joint control of the reporting company; has significant influence over the reporting company; or is a member of the key management personnel of the reporting company or of a parent of the reporting company.

A company is related to another company where:

(a) the other company is its holding company or subsidiary;

(b) more than half of the issued shares of the company, other than shares that carries no right to participate beyond a specified amount in a distribution of either profits or capital, is held by the other company and companies related to that other company (whether directly or indirectly, but other than in a fiduciary capacity)

(c) there is another company to which both company are related

3.14 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. At the time of the effective payment, the provision is deducted from the corresponding expenses.

All known risks at reporting date are reviewed in detail and a provision is made where necessary.

3.15 Impairment of assets

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. When an indication of impairment loss exists, the carrying amount of the asset is assessed and written down to its recoverable amount.

4. Critical accounting judgements and key sources of estimation uncertainty

Critical accounting judgments in applying the Company's accounting policies.

In the process of applying the Company's accounting policies, which are described in Note 3.3, the directors have made the following judgements that have the most significant effect on the amounts recognized in the financial statements: -

Determination of functional currency

The determination of the functional currency of the Company is critical since recording of transactions and exchange differences arising there from are dependent on the functional currency selected. As described in Note 3.5, the directors have considered those factors described therein and have determined that the reporting currency of the Company is the United States Dollars ("USD").

5. Taxation

Income tax

The Company, being the holder of a Category 1, Global Business Licence, is liable to income tax in Mauritius on its taxable profit arising from its world-wide income at the rate of 15%. The Company's foreign sourced income is eligible for a foreign tax credit which is computed as the higher of the Mauritian tax and the foreign tax on the respective foreign sourced income. The foreign tax for a GBL1 company is based on either the foreign tax charged by the foreign country or a presumed amount of foreign tax: the presumed amount of foreign tax is based on 80% of the Mauritian tax on the relevant foreign sourced income, thus reducing its maximum effective tax rate to 3%. In computing its total foreign tax credit, the Company is allowed to pool all its foreign sourced income. No Mauritian capital gains tax is payable on profits arising from sale of securities, and any dividends paid by the Company to its shareholders will be exempt in Mauritius from any withholding tax.

The Company has received a tax certificate from the Mauritian tax authorities that it is a tax resident of Mauritius, and such certification is renewed on an annual basis subject to satisfying certain conditions.

The Financial Services Commission ("FSC") issued a Category 1 Global Business Licence ("GBL1") to the company on 19 November 2015. Further to the changes made by the Finance (Miscellaneous Provisions) Act 2018 ("FMPA 2018") to the Financial Services Act ("FSA"), the FSC is no longer empowered to issue any GBL1 as from 1 January 2019. Instead, the FSC may issue a Global Business Licence ("GBL") if the company satisfies certain conditions. The company will be deemed to hold a GBL as from 1 July 2021 under section 96A(1)(b) of the FSA.

As from 1 July 2021, the company will not be allowed to compute its foreign tax according to a presumed amount of 80% of the Mauritian tax of the relevant foreign sourced income. Furthermore, transactions with GBL corporations and non-residents will not necessarily be considered to be foreign sourced income. Effective as from 1 January 2019, the company may apply a partial exemption on its foreign dividend income, interest income and profits from foreign permanent establishments: the partial exemption is computed at 80% of the relevant foreign sourced income. The partial exemption is not mandatory: the company may apply the credit system if it so wishes.

A reconciliation of the theorical tax charge that would arise using the tax rate applicable to the profits of the Company to the tax charge is presented below:

Notes to the financial statements
For the year 31 March 2025

	31-03-2025	31-03-2024
	USD	USD
Profit before taxation	**1,742,099**	1,095,309

10. Trade and other payables and accruals

	31-03-2025	31-03-2024
	USD	USD
Trade payables	**2,850**	-
Accruals	**450,470**	450,225

The figure of USD 450,470 (2024: USD 450,225) includes USD 441,000 (2024: USD 441,000) representing the tax liability of Thermax Senegal SARL.

11. Financial instruments

(a) Financial risk factors

The Company's activities expose the Company to a variety of financial risks: market risk (including currency risk and cash flow interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

(b) Currency profile

The currency profile of the Company's financial assets and liabilities is summarised as follows:

	Financial assets 2025	Financial liabilities 2025	Financial assets 2024	Financial liabilities 2024
	USD	**USD**	USD	USD
Senegal XOF	**-**	**441,000**	-	441,000
Indonesian Rupiah	**773**	**-**	773	-
United States Dollars	**3,644,762**	**-**	1,927,074	-
Nigeria Naira	**138,275**	**-**	138,275	-
TITL (TANZANIA)	**261,450**	**-**	261,450	-
	4,045,260	**441,000**	2,327,572	441,000

(c) Financial risks

(i) Foreign currency risk

The Company invest in securities denominated in currencies other than its reporting currency. Consequently, the Company is exposed to the risk that the exchange rate of the USD relative to those currencies may change in a manner which has a material effect on the reported values of that portion of the company's assets which are denominated in those currencies.

(ii) Credit risk

Financial assets that potentially expose the Company to credit risk consist principally of loans receivables and cash and cash equivalents. The extent of the Company's exposure to credit risk in respect of these financial assets approximates their carrying values as recorded in the Company's statement of financial position.

(iii) Market risk

Market risk represents the potential loss that can be caused by a change in the market value of financial instruments. The Company's exposure to market risk is determined by a number of factors, including interest rates, foreign currency exchange rates and market volatility. The Company conducts its investment operations in a manner that seeks to exploit the potential gains in the market, while limiting its exposure to market declines.

(iv) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial liabilities.

The table below illustrates the aged analysis of the Company's financial liabilities.

Liabilities Accruals	**31 March 2024**		
	Less than 1 year	**Over 1 year**	**Total**
	USD	**USD**	**USD**
Accruals	**9,470**	**441,000**	**450,470**

Liabilities Accruals	**31 March 2024**		
	Less than 1 year	**Over 1 year**	**Total**
	USD	**USD**	**USD**
Accruals	9,225	441,000	450,225

(i) Interest rate risk

Interest rate risk is the risk that the fair value of the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's financial assets bear a fixed interest rate, and its financial liabilities are non-interest bearing. Therefore, the Company is not exposed to any interest rate risk at reporting date.

(ii) Concentration risk

At 31 March 2025 the directors consider that the Company is not exposed to any concentration risk.

(v) Capital risk management

The Company's objectives when managing capital are to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholder and benefits for other stakeholders.

The capital structure of the Company consists of equity attributable to equity holders of the Company, comprising of issued capital and retained earnings and unsecured borrowings from related parties.

The Company does not have any third-party debt due for the year ended 31 March 2025, hence does not have any capital risk.

12. Ultimate holding company

Holding company: Thermax Limited (India).

Independent Auditor's Report

To the Board of Directors

Thermax Inc.

Opinion

We have audited the financial statements of Thermax Inc. (the "Company"), which comprise the balance sheet as of March 31, 2025 and 2024 and the related statements of operations, stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2025 and 2024 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Company and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

THERMAX INC

Notes to Financial Statements March 31, 2025 and 2024

Note 1 - Nature of Business

Thermax Inc. (the "Company") was incorporated on October 23, 2000. The Company's operations consist of two segments chemical and energy. The chemical segment consists of the sale of ion exchange resins and chemicals primarily within North America. The energy segment consists of the sale of absorption chillers, with operations conducted primarily in North America.

The Company is a wholly owned subsidiary of Thermax International Limited (Mauritius), which, in turn, is wholly owned by Thermax Ltd., an Indian publicly listed company. Thermax Ltd. is a subsidiary of RDA Holdings Private Limited, a company incorporated in India. The Company acquires substantially all of its products for sale from Thermax Ltd. The Company operates out of a corporate office in Houston, Texas.

Note 2 - Significant Accounting Policies

This summary of significant accounting policies of the Company is presented to assist in understanding the Company's financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Credit Risk and Major Customers

The Company's energy business segment includes sales to three customers of $2,807,772 and two customers of $3,320,049 during the years ended March 31, 2025 and 2024, respectively. Accounts receivable from these customers totaled $367,650 and $19,425 at March 31, 2025 and 2024, respectively.

The Company's chemical business segment includes sales to two customers totaling $4,643,226 and $6,189,880 for the years ended March 31, 2025 and 2024, respectively. Accounts receivable from these customers totaled $832,191 and $540,338 at March 31, 2025 and 2024, respectively.

Advertising Expense

Advertising expense is charged to income during the year in which it is incurred. Advertising and promotion expenses for the years ended March 31, 2025 and 2024 were $39,666 and $48,377, respectively.

Cash Equivalents

The Company utilizes a money market account and certificates of deposit to earn interest on funds held.

The Company maintains its cash in bank deposit accounts that at times may exceed federally insured limits. The Company has not experienced any losses in such accounts.

For the purpose of the accompanying financial statements, the Company considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents. This includes certificates of deposit totaling $0 and $6,550,000 as of March 31, 2025 and 2024, respectively. The carrying amount reported on the balance sheet for cash and cash equivalents approximates fair value due to the short term nature of these investments.

Investments

Short term investments at March 31, 2025 consisted of certificates of deposit with an original maturity greater than three months but less than one year. Investments are valued at cost, which approximates fair value.

Trade Accounts Receivable

The Company's accounts receivable are primarily related to sales of ion exchange resins and vapor absorption chillers and spares. Credit is extended based on prior experience with the customer and evaluation of the customer's financial condition. Trade accounts receivable are stated at invoice amounts and generally due within 30 days. A reserve for credit loss allowance is established based on company policy, the assessment of outstanding invoices unpaid following normal customer payment periods, and review of historical loss experience adjusted for future economic conditions and market trends affecting the Company's ability to collect outstanding amounts. Uncollectible amounts are written off against the reserve for credit losses in the period they are determined to be uncollectible. The reserve for credit losses on accounts receivable balances was $180,958 and $133,947$0 as of March 31, 2025 and 2024, respectively.

Inventory

Inventory consists of products purchased from Thermax Ltd. and is valued at the lower of cost or net realizable value (NRV), with NRV based on selling prices in the ordinary course of business, less costs of completion, disposal, and transportation. Inventory cost is determined using the average cost method. The cost of inventory includes the purchase price of the products, expenses incurred on freight, customs duty where applicable, and other incidental expenses.

Shipping and Handling Costs

Shipping and handling costs are generally capitalized to inventory for the inbound costs of the Company's purchases and recorded as costs of sales for the outbound costs of the Company's sales as they are incurred.

Property and Equipment

Property and equipment are recorded at cost. The straight line method is used for computing depreciation over the estimated useful lives of the assets. Costs of maintenance and repairs are charged to expense when incurred.

The estimated useful lives used to determine depreciation are as follows:

	Depreciable Life - Years
Furniture and fixtures	7
Office equipment	5
Leasehold improvements	7

Income Taxes

A current tax liability or asset is recognized for the estimated taxes payable or refundable on tax returns for the year. Deferred tax liabilities or assets are recognized for the estimated future tax effects of temporary differences between financial reporting and tax accounting.

The Company has elected to classify interest and penalties, if applicable, related to income tax obligations as part of income tax expense.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

Certain 2024 amounts have been revised to conform to the 2025 presentation. The 2024 presentation has been revised to classify interest income in nonoperating income, as it was previously presented within other revenue in the statement of operations.

Subsequent Events

The financial statements and related disclosures include evaluation of events up to and including May 6, 2025, which is the date the financial statements were available to be issued.

Note 3 - Revenue Recognition

The Company generates revenue from contracts with customers through the sale of absorption chillers to customers in North America and ion exchange resins and chemicals primarily in North America.

Notes to Financial Statements March 31, 2025 and 2024

The Company's typical contract terms for the sale of absorption chillers are memorialized in purchase orders. The typical contract calls for delivery of the chiller to the designated customer site and startup. Any ongoing requirement for maintenance of the chillers after startup is negotiated as a separate customer contract when needed, which may not be at the time the chiller is purchased.

From time to time, the Company may sell spare parts to its customers under separately negotiated customer contracts. Spare parts sold to customers are recognized when control transfers to the customer under the customer contract.

The Company's typical contract terms for the sale of ion exchange resins are memorialized in purchase orders. In most of the contracts, customers will pick up resins from one of the storage warehouses. In certain circumstances, contracts call for delivery of a specific type and quantity of resin to the customer location. In other cases, containers of ion exchange resins imported from the factory are delivered direct to customer locations.

The most significant economic factor affecting the nature, amount, timing, and uncertainty of the Company's revenue and cash flows pertains to the type of customers for sale of the Company's absorption chillers. The Company's revenue per customer in this segment is significant. As a result, the credit quality of the customer may have a significant impact on the risks associated with this revenue stream.

During the years ended March 31, 2025 and 2024, the Company recognized revenue from contracts with customers as follows:

	2025	2024
Absorption chillers	**$ 3,972,447**	$ 5,457,582
Absorption chillers Services/ Maintenance	**471,332**	328,733
Absorption chillers Spare parts	**515,381**	523,129
Ion exchange resins	**16,872,684**	16,984,314
Total revenue from contracts with customers	**$ 21,831,844**	$ 23,293,758

The Company's revenue from the sale of absorption chillers includes revenue for startup services. Revenue for startup services for the years ended March 31, 2025 and 2024 was approximately $78,000 and $114,000, respectively.

The Company recognized impairment losses of $47,011 and $114,830 on its trade receivables for the years ended March 31, 2025 and 2024, respectively. Accounts receivable were $3,614,639, $3,886,414, and $4,834,453 as of March 31, 2025; March 31, 2024; and April 1, 2023, respectively.

For the absorption chillers revenue stream, the Company has performance obligations for the delivery of the chiller and the subsequent startup of the chiller. The performance obligation for the delivery of chillers is recognized at a point in time. The performance obligation for sale of spare parts is also recognized at a point in time. The Company has evaluated the factors to determine when the customer obtains control over the chiller and the spare parts sold and has concluded that control transfers when the risk of ownership has transferred. In most cases, this is upon delivery to the customer site, as the Company typically bears the risk of loss for goods in transit.

The startup service and maintenance performance obligations are recognized over time. The Company has evaluated the factors to determine when the customer obtains control over the service being rendered and has concluded that control transfers as the work is performed by the Company's technicians. For startup service and for maintenance performance obligation, the measure of progress is completion of activity per the terms of the service contract. The measure of progress is actual costs incurred, including salaries and fringe benefits, and travel and other out of pocket costs incurred. There were no outstanding contract assets related to startup service and maintenance contracts as of March 31, 2025; March 31, 2024; or April 1, 2023. Contract liabilities related to startup service and maintenance contracts totaled $179,700 and $212,700 as of March 31, 2025 and 2024, respectively, and $204,700 as of April 1, 2023.

For the ion exchange resins revenue stream, the Company has performance obligations for the delivery of the resins. The delivery performance obligation is recognized at a point in time. The Company has evaluated the factors to determine when the customer obtains control over the resins and has concluded that control transfers when the risk of ownership has transferred. In most cases, this is upon pickup by the customer and, in a few cases, by delivery to the customer site, as the Company typically bears the risk of loss for goods in transit.

Payment for goods and services sold by the Company is typically due within 30 days after an invoice is sent to the customer. Invoices for goods are typically sent to customers within 3 calendar days of delivery. Invoices for services performed over time are typically sent to customers on the completion of service by the Company's service personnel.

The Company does not offer discounts if the customer pays some or all of an invoiced amount prior to the due date. Related to the Company's customer contracts for the sale of absorption chillers and occasionally for sale of ion exchange resins, the Company, in some cases, bills its customers and collects cash prior to the satisfaction of the performance obligation, which results in the Company recognizing contract liabilities. These payments are effectively down payments from its customers. These contract liabilities are recorded as customer deposits and advances on the balance sheet. Customer advances totaled $2,698,320 and $851,586 as of March 31, 2025 and 2024, respectively. Customer advances totaled $1,322,990 as of April 1, 2023.

For startup services associated with the sale of the Company's absorption chillers, the amount of consideration to which the Company will be entitled is included in the total contract price and is not separately stated. Under some of the contracts, consideration/payment is contingent on the successful performance of the promised service. The Company estimates and accrues costs it expects to incur to complete startup of each absorption chiller it delivers. As startup services are rendered and actual costs are incurred, the startup accrual is reduced, with any final adjustments recorded when the performance obligation is complete. None of the Company's contracts have a significant financing component.

The Company offers no warranties related to the sale of its products. Any warranties on the absorption chillers are offered by and are the obligation of the manufacturer (Thermax Ltd.). In most cases, consideration paid for products and services that customers purchase from the Company is nonrefundable. Therefore, at the time revenue is recognized, the Company does not estimate expected refunds for services, nor does the Company exclude any such amounts from revenue.

The transaction price of a contract is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer. Transaction prices do not include amounts collected on behalf of third parties (e.g., sales taxes).

To determine the transaction price of a contract, the Company considers the terms of the contract and its customary business practices. For the purpose of determining transaction prices, the Company assumes that the goods or services will be transferred to the customer as promised in accordance with existing contracts and that the contracts will not be canceled, renewed, or modified.

The Company's contracts with customers have fixed transaction prices that are payable in cash. A majority of the transaction price is allocated to chiller delivery, while the Company allocates a portion of the transaction price to the startup performance obligation equal to its anticipated direct costs for providing this service. The basis for this allocation is that the margin the Company is entitled to keep is related to the delivery of the chiller. The startup, while a separate performance obligation, does not have value that is contemplated in the contract price beyond the direct costs incurred by the Company.

The Company has elected all available and relevant practical expedients in its application of ASU No. 2014 09, Revenue from Contracts with Customers (Topic 606). These include (1) recognition of the incremental costs of obtaining contracts as expenses when incurred and (2) treatment of shipping and handling activities that occur after the customer has obtained control of a good as a fulfillment cost rather than an additional promised service.

THERMAX INC

Notes to Financial Statements March 31, 2025 and 2024

Note 4 - Accounts Receivable

The following is the detail of accounts receivable

	2025	2024
Trade receivables	**$ 3,080,706**	$ 3,346,420
Trade receivables from related parties	**714,891**	673,941
Less reserve for credit loss	**180,958**	133,947
Net trade accounts receivable	**$ 3,614,639**	$ 3,886,414

The activity in the reserve for credit losses is as follows:

	2025	2024
Beginning balance	**$ 133,947**	$ 19,117
Additions charged to expense	**47,011**	114,830
Ending balance	**$ 180,958**	$ 133,947

Note 5 - Inventory

Inventory, net of reserves, at March 31, 2025 and 2024 consists of the following:

	2025	2024
Traded goods - Ion exchange resins and spare parts	**$ 2,478,776**	$ 1,786,093
Goods in transit - Ion exchange resins and chemicals	**1,631,828**	1,604,498
Goods in transit - Chillers and spare parts	**2,861,080**	808,663
Total inventory	**$ 6,971,684**	$ 4,199,254

The Company maintains inventory of ion exchange resins and spare parts at third party warehouses located in various states. At March 31, 2025 and 2024, net inventory valued at $2,478,776 and $1,786,093, respectively, was located at third party warehouses.

At March 31, 2025 and 2024, the Company maintained a reserve for inventory obsolescence of $120,218 and $101,918, respectively.

Note 6 - Property and Equipment

Property and equipment at March 31, 2025 and 2024 are summarized as follows:

	2025	2024
Office equipment	$ **56,902**	$ 70,111
Furniture and fixtures	**35,045**	35,045
Leasehold improvements	**9,379**	9,379
Total cost	**101,326**	114,535
Accumulated depreciation	**79,256**	83,995
Net property and equipment	$ **22,070**	$ 30,540

Depreciation expense was $12,147 and $13,179 for the years ended March 31, 2025 and 2024, respectively.

Note 7 - Related Party Transactions

The following is a description of transactions between the Company and related parties that are related to the Company through common ownership:

Accounts Receivable and Advances

At March 31, 2025 and 2024, the Company had accounts receivable from related parties totaling $714,891 and $673,941, respectively, related to expenses paid by the Company on behalf of the related parties.

At March 31, 2025 and 2024, the Company had advances to related parties totaling $598,800 and $154,880, respectively. The advances represent deposits on the purchase of chillers for sale to the Company's customers.

Accounts Payable

At March 31, 2025 and 2024, the Company had accounts payable to related parties totaling $5,011,279 and $3,308,748, respectively.

Purchases

For the years ended March 31, 2025 and 2024, the Company had purchases of ion exchange resins, absorption chillers, and spare parts from Thermax Ltd. totaling $16,836,040 and $15,276,752, respectively.

Note 8 - Leases

The Company is obligated under operating leases primarily for office space and vehicles, expiring at various dates through March 2027. The Company recognizes expense for operating leases on a straight line basis over the lease term. The Company has made a policy election to separate lease and nonlease components for all leases. Therefore, the calculation of the right of use asset and lease liability includes payments only for the lease component. The weighted average remaining lease term was 1.36 years and 1.56 years at March 31, 2025 and 2024, respectively. The right of use asset and related lease liability have been calculated using discount rates ranging from 5.75 to 9.50 percent, which represent the Company's incremental borrowing rate. The weighted average discount rate for these leases was 7.74 percent at March 31, 2025 and 5.91 percent at March 31, 2024. The leases require the Company to pay taxes, insurance, utilities, and maintenance costs. Variable lease payments are not included in the measurement of the right of use asset and lease liability. Variable lease payments totaled $41,821 and $42,533 for the years ended March 31, 2025 and 2024, respectively. Operating lease expenses were $95,100 and $93,631 for the years ended March 31, 2025 and 2024, respectively. Cash paid for amounts included in the measurement of operating lease liabilities was $100,688 and $97,110 for the years ended March 31, 2025 and 2024, respectively.

Future minimum annual commitments are as follows:

Years Ending March 31	Amount
2026	$ 73,064
2027	16,809
Total	89,873
Less amount representing interest	5,838
Present value of net minimum lease payments	84,035
Less current obligations	68,495
Long term obligations under leases	$ 15,540

Note 9 - Income Taxes

The components of the income tax provision included in the statement of operations are all attributable to continuing operations and are detailed as follows:

	2025	2024
Current income tax expense	$ **255,309**	$ 390,978
Deferred income tax (recovery)	**(40,000)**	(20,000)
Total income tax expense	$ **215,309**	$ 370,978

Notes to Financial Statements March 31, 2025 and 2024

A reconciliation of the provision for income taxes to income taxes computed by applying the statutory United States federal rate to income before taxes is as follows:

	2025	2024
Income tax expense Computed at 21 percent of pretax income	$ **191,761**	$ 328,342
State income taxes Net of federal tax benefit	**21,574**	36,215
Nondeductible expenses and adjustments to prior year estimate Net	**1,974**	6,421
Total income tax expense	$ **215,309**	$ 370,978

The details of the net deferred tax asset are as follows:

	2025	2024
Deferred tax assets:		
Inventory reserve	$ **25,000**	$ 21,000
Section 263A	**16,000**	11,000
Accrued bonuses	**35,000**	27,000
Other	**126,000**	104,000
Gross deferred tax assets	**202,000**	163,000
Deferred tax liabilities Depreciation	**5,000**	6,000
Net deferred tax asset	$ **197,000**	$ 157,000

No valuation allowance has been recognized for the deferred tax assets.

The Company files income tax returns in U.S. federal and various state jurisdictions. With few exceptions, the Company is no longer subject to income tax examinations by taxing authorities for years ended before March 31, 2021. There are no pending or ongoing tax examinations.

Note 10 - Segment Information

The Company has two reportable segments (1) chemical and (2) energy.

The chemical segment is engaged in the distribution of ion exchange resins, and the energy segment is engaged in the distribution of absorption chillers and the sale of spares. The two segments consist of distinct product lines that are managed separately, as each has different selling and distribution requirements.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies in Note 2. For the years ended March 31, 2025 and 2024, all corporate expenses have been allocated to reportable segments based on their predetermined share of operating activities, which was 65 percent to the chemical segment and 35 percent to the energy segment. Segment profit is based on operating profit before income taxes.

Intersegment charges for administrative services are allocated by management.

The following is summarized information about profit or loss, assets, and liabilities and other information for each reportable segment for the years ended March 31, 2025 and 2024:

	2025	2024
Chemical Segment		
Revenue from external customers	$ **16,872,684**	$ 16,984,314
Other revenue	**405,779**	312,390
Segment pretax profit	**1,348,638**	1,783,862
Segment assets	**7,201,417**	6,622,998
Segment liabilities	**2,157,173**	2,804,608
Energy Segment		
Revenue from external customers	**4,959,160**	6,309,444
Other revenue	**110,121**	85,245
Segment pretax loss	**(435,491)**	(220,331)
Segment assets	**4,007,653**	1,666,128
Segment liabilities	**6,237,935**	1,957,031

The following are reconciliations from the segment information above to the amounts reported in the accompanying financial statements for the years ended March 31, 2025 and 2024:

	2025	2024
Revenue by Country		
United States	$ **19,135,343**	$ 16,840,258
Mexico and South America	**1,612,871**	2,927,924
Canada	**340,333**	328,467
Other	**1,259,197**	3,594,744
Total revenue	$ **22,347,744**	$ 23,691,393
Assets		
Total assets for reportable segments	$ **11,209,070**	$ 8,289,126
Unallocated amounts	**10,263,595**	8,883,287
Total assets	$ **21,472,665**	$ 17,172,413
Liabilities		
Total liabilities for reportable segments	$ **8,395,108**	$ 4,761,639
Unallocated amounts	**189,580**	220,635
Total liabilities	$ **8,584,688**	$ 4,982,274

Revenue is allocated based on the geographic location of the customers.

Note 11 - Retirement Plans

The Company has a defined contribution profit sharing 401(k) plan covering substantially all employees. Company contributions are discretionary. The Company has the option to match up to 50 percent of an employee's deferral amount, not to exceed 4 percent of the employee's compensation. For the years ended March 31, 2025 and 2024, the Company made matching contributions totaling $52,987 and $51,138, respectively.

Note 12 - Contingencies and Settlements

The Company is subject to various legal proceedings and claims that arise in the ordinary course of business. In the opinion of management, the amount of any ultimate liability with respect to these actions, if any, will not materially affect the Company's financial statements, with the potential exception for the matter disclosed below.

The Company has been named as one of three parties in a lawsuit for breach of warranty and misrepresentation, as initiated by an entity that purchased a chiller from one of the Company's customers. During the year ended March 31, 2025, a settlement was reached relating to the lawsuit, resulting in a liability of $85,000 to be paid by the Company. This amount was unpaid as of March 31, 2025 and is reported as part of other accrued liabilities on the balance sheet.

AUDITORS' REPORT

To Quotaholders

Thermax do Brasil – Energia e Equipamentos Ltda.

São Paulo - SP

1. We have examined the balance sheet of **Thermax do Brasil – Energia e Equipamentos Ltda.,** as of March 31, 2025 and the related statements of income, changes in quotaholders' equity and changes in financial position for the period then ended, which are the responsibility of its management. Our responsibility is to express an opinion on these financial statements.

2. We conducted our audit in accordance with auditing standards generally accepted in Brazil and, accordingly, included: a) the planning of the audit work, considering the materiality of the balances, volume of transactions, and the system of internal controls of the Company; b) the verification on a test basis, of the evidence and records which support the values and information in the published financial statements; and c) evaluation of the accounting practices and the more material accounting estimates adopted by Company management as well as the presentation of the financial statements taken as a whole.

3. In our opinion, the financial statements referred in the paragraph 1 present fairly, in all material respects, the financial position of **Thermax do Brasil – Energia e Equipamentos Ltda.,**as of March 31, 2025, and of the results of their operations, changes in their quotaholders' equity and changes in its financial position for the period then ended, in accordance with accounting principles generally accepted in Brazil.

THERMAX DO BRASIL – ENERGIA E EQUIPAMENTOS LTDA.

Notes to the Financial Statements Year Ended March 31, 2025
(Amounts in reais)

1. Operational Context

The Company is a subsidiary of Thermax Ltd which in turn is a subsidiary of RDA Holdings Private Limited, a Company incorporated in India. The Company's business activities mainly consist of rendering services, including technical assistance, which may be provided through hiring outsourced companies.

2. Presentation of the Financial Statements

The financial statements were prepared in accordance with accounting practices emanated from the Brazilian Corporation Law.

3. Summary of the Significant Accounting Policies

a. Revenue and expenses recognition

Income and expenses are recorded on monthly accrual basis.

b. Current and long-term assets

Current and long-term assets are recorded at lower of cost or market value plus accrued income until the end of the period. An allowance is recorded in case the market value is lower than cost.

c. Current and long-term liabilities

Liabilities are recorded at known or estimated amounts.

4. Trade Receivables

Description	2025	2024
Accounts receivable	63,470.75	1,42,687.95
(-)Provision for Doubtful Debts	(25,283.53)	(25,283.53)
Net accounts receivable	**38,187.22**	**1,17,404.42**

The Company decided to make a provision for accounts receivables due the uncertainty of recovery of receivables from Consulthermos.

5. Accounts Receivable - Intercompany

Description	2025	2024
Accounts receivable	2,40,983.93	3,24,952.71
Net accounts receivable	**2,40,983.93**	**3,24,952.71**

The amount of R$ 2,40,983.93 refers to invoices issued to Thermax LTD for the recovery of commercial expenses.

In March 2025, the amount of R$ 85,865.81 was considered as a deduction from the value of accounts receivable, relating to payment orders in transit, the bank credit of which will occur on 04/2025.

This value was checked with Thermax Ltd. and not present differences

6. Recoverable Taxes

Description	2025	2024
IRPJ – 2005	89.28	89.28
CSLL – 2005	10,851.37	10,851.37
IRRF – Authorized	802.03	802.03
	11,742.68	11,742.68
Provision for losses	**(10,940.65)**	**(10,940.65)**
Net	**802.03**	**802.03**

The value of the recoverable taxes basically represents withholding taxes by the Customers. The possibility of setting off the recoverable taxes was authorized by Federal Authorities in May,2013.

Compensation may be made with other federal taxes after delivery of the ECD - Digital Tax Registration on 06.2025. After delivery we make a formal request for compensation or refund. This possibility was introduced with Law IN RFB 2214/2024.

7. Taxes and Contributions payable

Description	2025	2024
PIS	1,596.90	4,396.33
COFINS	12,917.50	28,567.75
ISS – SALES	-	4,168.16
(-)Reversal – Taxes – Bad Debts	(9,927.66)	(9,927.66)
Net Taxes and Contributions payable	**4,586.75**	**27,204.58**

The above balances were compared with the tax books of the Company and subsequent events and do not present differences.

The Company recorded a reversal of taxes payable in view of the uncertainty of recovery of receivables from Consulthermos.

8. Other liabilities

Description	2025	2024
Rent	2,073.14	2,073.14
Reimbursment – Mr.Felipe	3,291.83	12,224.17
Audit Fees	2,000.00	2,000.00
TOTAL	**7,364.97**	**16,297.31**

9. Capital Social

The paid-in Capital is represented by R$ 10,87,130.00 with nominal value of R$ 1.00 (one real) each.

10. Services

The company's total sales from services amounted to R$ 3,81,296.87 as presented below:

Description	2025	2024
Services Sales	3,81,296.87	2,99,430.74
Net sales	**3,81,296.87**	**2,99,430.74**

The services sales amounts were checked against the company's tax books and do not present differences.

11. Taxes incident on Services

The company's total taxes related to service, amounted to R$ 55,135.81, as presented below:

Description	2025	2024
ISS - SALES	19,859.84	17,123.69
COFINS – SALES	28,978.56	22,756.66
PIS – SALES	6,297.41	4,940.59
TOTAL	**55,135.81**	**44,820.94**

12. Operating Expenses

The composition of the "Operating Expenses" account is presented below:

Description	2025	2024
Rents/Condominium	26,489.01	26,393.68
Accounting Outsourcing	46,800.00	46,800.00
Third Part Services	2,17,068.15	30,307.00
Auditory	2,000.00	2,000.00
Total	**2,92,357.16**	**1,05,500.68**

13. Financial (expenses) income

The balance of the Financial (expenses) income and exchange variation income account is presented below:

Description	2025	2024
Bank Expenses	(3,738.25)	(3,399.28)
Exchange Variation	4,822.78	850.34
Total	**1,084.53**	**(2,548.94)**

14 . Identified Contingencies

There are no identified tax and accounting contingencies for the year ended on March 31, 2025 (Previous Year Nil)

INDEPENDENT AUDITORS' REPORT

To: Board of Directors of Thermax Netherlands B.V.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS 2025 INCLUDED IN THE ANNUAL REPORT

OUR OPINION

We have audited the financial statements of 31 March 2025 of Thermax Netherlands B.V. ('the Company'), based in Amsterdam.

In our opinion the accompanying financial statements give a true and fair view of the financial position of Thermax Netherlands B.V. as at 31 March 2025 and of its result for 2024-25 in accordance with Part 9 of Book 2 of the Dutch Civil Code.

The financial statements comprise:

1. the Company balance sheet as at 31 March 2025;
2. the Company profit and loss account for 2024-25; and
3. the notes comprising a summary of the accounting policies and other explanatory information.

BASIS FOR OUR OPINION

We conducted our audit in accordance with Dutch law, including the Dutch Standards on Auditing. Our responsibilities under those standards are further described in the 'Our Responsibilities for the Audit of the Financial Statements' section of our report.

We are independent of Thermax Netherlands B.V. in accordance with the Wet toezicht accountantsorganisaties (Wta, Audit firms supervision act), the Verordening inzake de onafhankelijkheid van accountants bij assurance-opdrachten (ViO, Code of Ethics for Professional Accountants, a regulation with respect to independence) and other relevant independence regulations in the Netherlands. Furthermore, we have complied with the Verordening gedrags- en beroepsregels accountants (VGBA, Dutch Code of Ethics).

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

REPORT ON THE OTHER INFORMATION INCLUDED IN THE ANNUAL REPORT

The annual report contains other information, in addition to the financial statements and our auditor's opinion thereon.

Based on the following procedures performed, we conclude that the other information:

- is consistent with the financial statements and does not contain material misstatements
- contains the information regarding the other information as required by Part 9 of Book 2 of the Dutch Civil Code.

We have read the other information. Based on our knowledge and understanding obtained through our audit of the financial statements or otherwise, we have considered whether the other information contains material misstatements.

By performing these procedures, we comply with the requirements of Part 9 of Book 2 of the Dutch Civil Code and the Dutch Standard 720. The scope of the procedures performed is substantially less than the scope of those performed in our audit of the financial statements.

Management is responsible for the preparation other information as required by Part 9 of Book 2 of the Dutch Civil Code.

DESCRIPTION OF RESPONSIBILITIES REGARDING THE FINANCIAL STATEMENTS

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Part 9 of Book 2 of the Dutch Civil Code. Furthermore, management is responsible for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

As part of the preparation of the financial statements, management is responsible for assessing the Company's ability to continue as a going concern. Based on the financial reporting framework mentioned, management should prepare the financial statements using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Management should disclose events and circumstances that may cast significant doubt on the company's ability to continue as a going concern in the financial statements.

OUR RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objective is to plan and perform the audit assignment in a manner that allows us to obtain sufficient and appropriate audit evidence for our opinion.

Our audit has been performed with a high, but not absolute, level of assurance, which means we may not detect all material errors and fraud during our audit.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. The materiality affects the nature, timing and extent of our audit procedures and the evaluation of the effect of identified misstatements on our opinion.

We have exercised professional judgement and have maintained professional scepticism throughout the audit, in accordance with Dutch Standards on Auditing, ethical requirements and independence requirements. Our audit included among others.:

- Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control;
- Evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Concluding on the appropriateness of management's use of the going concern basis of accounting, and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause a company to cease to continue as a going concern;
- Evaluating the overall presentation, structure and content of the financial statements, including the disclosures; and
- Evaluating whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant findings in internal control that we identify during our audit.

Leusden 27 June 2025

HLG audit B.V.

Notes to financial statements for the year ended March 31, 2025

1.4 Notes to the financial statements

General notes

The most important activities of the entity

Thermax Netherlands B.V. (hereinafter 'the Company'), a private limited liability company, having its statutory seat in Amsterdam and its place of business at Herikerbergweg 238, 1101CM, Amsterdam, the Netherlands, was incorporated under the laws of the Netherlands on 5 November 2010 and is registered at the trade register under number 51219352. The Company is a wholly owned subsidiary of publicly listed Thermax Limited, registered in Chinchwad Pune, India.

The principal activity of the Company is to act as a holding company.

The Company qualifies as a micro-sized entity but applies the requirements of a small-sized entity in its annual report.

Since the Company qualifies as a micro entity, it is, consequently, not required to have its accounts audited as provided for in Article 395A, Paragraph 6, Part 9, Book 2 of the Dutch Civil Code. However, the management has preferred to opt for a voluntary audit for the Company.

The Company has made use of the exemption allowed by Article 395A, Paragraph 6, Part 9, Book 2 of the Dutch Civil Code in not presenting a Management Boards report.

In view of the international operations of the group of which the Company forms part, the annual accounts have been drawn up in EUR.

Disclosure of going concern

Despite the accumulated deficit and profit for the year, Management is confident the Company is able to continue as a going concern, considering its overall equity position. Currently there are no plans to sell the shares of or any assets of the Company.

These financial statements have been prepared based on going concern basis. The going concern basis of presentation assumes that the Company will continue its operations for the foreseeable future and will be able to realize its assets and discharge its liabilities and commitments in the normal course of business.

We have assessed the Group's and the Company's ability to continue as going concern, taking into account all relevant information about the future on the Company's activities and cash flows, which covers a period of at least, but not limited to, 12 months from the balance sheet date. Accordingly, Management is confident the Company is able to continue as a going concern.

Disclosures about estimates, judgements, assumptions and uncertainties

In applying the principles and policies for drawing up the financial statements, the directors of the Company make different estimates and judgments that may be essential to the amounts disclosed in the annual accounts. If it is necessary in order to provide the transparency required under Book 2, Article 362, paragraph 1, the nature of these estimates and judgments, including related assumptions, is disclosed in the change accounting estimates, or in the notes to the relevant balance sheet or profit and loss item.

The exemption of consolidation

Consolidation has not taken place since the Company makes use of Article 408, Part 9, Book 2 of the Dutch Civil Code and consequently will file the consolidated financial statements of its parent company Thermax Limited, Chinchwad Pune, India with the commercial register in the Netherlands.

General accounting principles

The accounting standards used to prepare the financial statements

The annual accounts have been drawn up in accordance with the provisions of Part 9, Book 2 of the Dutch Civil Code and the firm pronouncements in the Guidelines for Annual Reporting in the Netherlands, as published by the Dutch Accounting Standards Board.

Conversion of amounts denominated in foreign currency

All monetary assets and liabilities expressed in currencies other than Euro ('EUR') have been translated at the rates of exchange prevailing at the balance sheet date, whereas non-monetary assets expressed in currencies other than EUR are translated at historical rates. All transactions in foreign currencies have been translated into EUR at the rates of exchange approximating those ruling at the date of the transactions. Resulting exchange differences have been recognised in the profit and loss account.

Financial instruments

Financial instruments comprise other receivables, cash and cash equivalents, payables to group company, and trade and other payables. With the exception of cash and cash equivalents, financial instruments are initially measured at fair value, which includes attributable transaction costs. Subsequent to initial measurement, these items are stated at amortised cost. Cash and cash equivalents are measured at nominal value.

Unless otherwise stated, all assets and liabilities are valued at historical cost.

Accounting principles

Financial assets

Investments in participations are stated at the lower of the historical cost or the net realisable value (historical cost less impairment).

Income from participations is recognised only to the extent of dividends declared.

Impairment of financial assets

On each balance sheet date the Company assesses whether there are any indications that a fixed asset may be subject to impairment. If there are such indications, the recoverable amount of the asset is determined. If it is not possible to determine the recoverable amount of the individual asset, the recoverable amount of the cash- generating unit to which the asset belongs is determined. An impairment occurs when the carrying amount of an asset is higher than the recoverable amount; the recoverable amount is the higher of the realisable value and the value in use.

An impairment loss is directly recognised in the profit and loss account while the carrying amount of the asset concerned is concurrently reduced.

If it is established that an impairment that was recognised in the past no longer exists or has reduced, the increased carrying amount of the asset concerned is set no higher than the carrying amount that would have been determined if no impairment value adjustment for the asset concerned had been reported.

Cash and cash equivalents

Cash and cash equivalents represent cash in hand, bank balances and deposits with terms of less than twelve months. Bank overdrafts, if any, are shown within borrowings in current liabilities on the balance sheet. Cash and cash equivalents are stated at face value.

Accounting principles for determining the result

The result is the difference between the realisable value of any income received and the costs and other charges incurred during the year. The results on transactions are recognised in the year in which they are realised.

General and administrative expenses

Expenses are determined with due observance of the aforementioned accounting policies and allocated to the financial year to which they relate. Foreseeable and other obligations as well as potential losses arising before the financial year-end are recognised if they are known before the financial statements are prepared and provided all other conditions for forming provisions are met.

Income tax expense

Tax on the result is calculated based on the result before tax in the income statement, taking account of the losses available for set-off from previous financial years and exempt profit components and after the addition of non-deductible costs. Due account is also taken of changes which occur in the deferred tax assets and deferred tax liabilities in respect of changes in the applicable tax rate.

Cash flow statement

The cash flow statement has been prepared using the indirect method. The cash items disclosed in the cash flow statement comprise cash at banks and in hand except for deposits with a maturity longer than three months. Cash flows denominated in foreign currencies have been translated at average estimated exchange rates. Exchange differences affecting cash items are shown separately in the cash flow statement. Interest paid and received, dividends received and income taxes are included in cash from operating activities. Dividends paid are recognised as cash used in financing activities. Transactions not resulting in inflow or outflow of cash, including finance leases, are not recognised in the cash flow statement. Payments of finance lease instalments qualify as repayments of borrowings under cash used in financing activities and as interest paid under cash generated from operating activities.

1.5 Notes to the balance sheet as at 31 March 2025

1 Investment in participation

At balance sheet date, the Company owned 100% in Thermax Denmak ApS, Herning, Denmark (2023/2024:100%).

The movement in this balance during the year under review are as follows:

	01-04-2024 / 31-03-2025	01-04-2023/ 31-03-2024
	EUR	EUR
Historic Cost	**31,781,767**	31,781,767
Provision for Impairment	**(19,044,372)**	(28,535,461)
Total	**12,737,395**	3,246,306

Thermax Denmark ApS is a holding company and holds shares in Danstoker A/S, Boilerworks A/S, and Ejendomsanpartsselskabet Industrivej Nord 13, all of which are registered in Denmark.

Thermax Denmark ApS was incorporated on 29 October 2010. On 8 November 2010, the Company subscribed for 74,920,000 newly issued shares in Thermax Denmark ApS with a nominal value of DKK 1 each. The total consideration involved was EUR 20,000,000.

On 22 June 2011, the Company acquired the remaining 80,000 shares in Thermax Denmark ApS with a nominal value of DKK 1 each, rendering its total shareholding in the participation to 100%. The total consideration involved was EUR 21,767.

Additional investments in this participation have taken place since then, as follows:

- Investment of EUR 2,000,000 on 19 April 2017.
- Investment of EUR 5,400,000 on 11 March 2019.
- Investment of EUR 2,850,000 on 13 July 2020.
- Investment of EUR 1,010,000 on 9 April 2021.
- Investment of EUR 500,000 on 16 September 2021.

The total amount invested in the participation as at 31 March 2025 was EUR 31,781,767 (31 March 2024: EUR 31,781,767).

In Prior years Management compared the carrying amount of the investment in Thermax Denmark ApS with its recoverable amount based on future cash flows.

During the financial year ending 31 March 2019, an impairment of EUR 19,231,767 was levied on this investment in view of its recoverable amount being lower than the cost value at balance sheet date. During the financial year ending 31 March 2021, a further impairment of EUR 9,303,694 was levied on this investment in view of its recoverable amount being lower than the cost value at balance sheet date.

During the year under review the management decided to use the Net Equity Value of Thermax Denmark ApS to determine the recoverable amount of the investment. During the financial year ending 31 March 2025, an impairment of EUR 9,491,089 was released on this investment in view of its recoverable amount being higher than the cost value at balance sheet date.

The Net Equity Value of the Subsidiary Thermax Denmark ApS as on March 31, 2025, is EUR 12.738 million (2023/2024: EUR 7.582 million).

A fair valuation of the subsidiary carried out in accordance with Foreign Exchange Management (Overseas Investment) Rules, 2022 and Foreign Exchange Management (Overseas Investment) Regulations, 2022, as on January 02, 2024, shows a fair value of Thermax Denmark ApS for EUR 32.187 million.

2 Cash and cash equivalents

The Company maintains a bank account denominated in EUR with Citibank N.A., the balance of which is available on demand.

3 Shareholder's equity

The Company's issued and fully paid-up share capital as at 31 March 2025 amounted to EUR 32,710,000, consisting of 32,710,000 shares with a nominal value of EUR 1 each (31 March 2024: 32,410,000 shares at EUR 1 each).

The movements in shareholder's equity during the year under review were as follows:

	Paid-in and called-up share capital	**Other reserves**	**Accumulated results**	**Result for the year**	**Total**
	EUR	EUR	EUR	EUR	EUR
Balance as at 1 April 2024	32,410,000	300,000	(29,149,999)	(77,714)	3,482,287
Result for the year	-	-	-	9,402,970	9,402,970
Appropriation of prior year result	-	-	(77,714)	77,714	-
Conversion reserves in capital	300,000	(300,000)	-	-	-
Balance as at 31 March 2025	**32,710,000**	**-**	**(29,227,713)**	**9,402,970**	**12,885,257**

The Company amended its articles of association on 30 March 2021 by a Deed of Amendment in order to change its authorised share capital from 30,000,000 shares of EUR 1 each to unlimited authorised capital in accordance with current Dutch legislation.

On 2 April 2024 the company issued 300,000 additional shares with a nominal value of EUR 1 each.

Statement of the proposed appropriation of the result

Management proposes that the result for the year will be added to the accumulated results. This proposal has not yet been reflected in the balance sheet.

10 Income tax expense

At balance sheet date the Company had accumulated losses carried forward of EUR 29,227,713 (2023/2024: EUR 29,149,999). Considering it is not probable that future taxable profits will be available against which they can be utilised, a deferred tax asset has not been recognised in this respect.

1.7 Other notes

Average number of employees

Disclosure of average number of employees during the period

During the year ending 31 March 2025 no employees were employed (2023/2024: nil).

Remuneration of managing and supervisory directors

Disclosure of remuneration of managing and supervisory directors

The Company has two directors (2023/2024: two).

During the year under review TMF Netherlands B.V. invoiced the Company EUR 68,803 (2023/2024: EUR 50,472), which amongst other services rendered, includes the fees for them acting as Director A of the Company.

The Company has no Supervisory Directors.

Subsequent events

Disclosure of subsequent events

No events have occurred since 31 March 2025 that would make the present financial position substantially different from that shown in the balance sheet as at balance sheet date.

Amsterdam,

TMF Netherlands B.V.	Mr. S.V. Dhumane
Director A	Director B

Statutory provision regarding appropriation of result

Under the restriction that Dutch law prescribes that any profit distribution may only be made to the extent that the shareholder's equity exceeds the amount of the issued capital and the legal and/or statutory reserves, the remaining reserves and unappropriated results are, in accordance with article 26 of the Company's articles of association, at the disposal of the General Meeting of the Shareholder.

Management proposes that the result for the year will be added to the accumulated results. This proposal has not yet been reflected in the balance sheet.

Management Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Thermax Denmark ApS for the financial year 1 April 2024 - 31 March 2025.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements and the Consolidated Financial Statements give a true and fair view of the financial position at 31 March 2025 of the Company and the Group and of the results of the Company and Group operations and of consolidated cash flows for 2024/25.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Herning, 23 June 2025

Executive Board:

Swapnil Vitthal Dhumane
CEO

Board of Directors:

Independent Auditor's Report

To the shareholder of Thermax Denmark ApS

Opinion

We have audited the Consolidated Financial Statements and the Parent Company Financial Statements of Thermax Denmark ApS for the financial year 1 April 2024 - 31 March 2025, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies, for both the Group and the Parent Company, as well as consolidated statement of cash flows. The Consolidated Financial Statements and the Parent Company Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Consolidated Financial Statements and the Parent Company Financial Statements give a true and fair view of the financial position of the Group and the Parent Company at 31 March 2025 and of the results of the Group's and the Parent Company's operations as well as of the consolidated cash flows for the financial year 1 April 2024 - 31 March 2025 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Consolidated Financial Statements and the Parent Company Financial Statements" section of our report.

Independence

We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the Consolidated Financial Statements and the Parent Company Financial Statements

Management is responsible for the preparation of consolidated financial statements and parent company financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements and the Parent Company Financial Statements, Management is responsible for assessing the Group´s and the Parent Company´s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Consolidated Financial Statements and the Parent Company Financial Statements unless Management either intends to liquidate the Group or the Parent Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Consolidated Financial Statements and the Parent Company Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements and the Parent Company Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements and the Parent Company Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements and the Parent Company Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group´s and the Parent Company´s internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Consolidated Financial Statements and the Parent Company Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group´s and the Parent Company´s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements and the Parent Company Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Parent Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Consolidated Financial Statements and the Parent Company Financial Statements, including the disclosures, and whether the Consolidated Financial Statements and the Parent Company Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the group as a basis for forming an opinion on the group financial statements and the parent company financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Consolidated Financial Statements and the Parent Company Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements and the Parent Company Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Consolidated Financial Statements and the Parent Company Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Consolidated Financial Statements and the Parent Company Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

THERMAX DENMARK APS

Management's Review

Key Activities

Thermax Denmark ApS is a wholly owned subsidiary of Thermax Netherlands B.V., which in turn is wholly owned by Thermax Ltd., an Indian publicly listed company. The ultimate holding company of Thermax Ltd. is RDA Holdings Private Limited, Pune, India.

The main activity of the company is owning shares in the fully-owned subsidiaries Danstoker A/S, Boilerworks A/S, Ejendomsanpartssselskabet Industrivej Nord 13 (estate company) and Thermax Chemical Europe A/S. All operational activities take place within these respective subsidiaries.

Danstoker A/S is the parent company of Danstoker Poland Sp. Z o.o.

The primary activities within Thermax as under the label of Danstoker. The Danstoker Group designs, produces and sells boilers and relevant equipment to the energy market, including rebuilding and servicing of boilers. The product range of the Danstoker Group is continuously adapted to the 5 categories:

1. Solid fuel market, mainly based biofuels
2. Combined heat and power market
3. Exhaust gas market
4. Oil/gas market
5. Thermax Ion Exchange Resins has been started up successfully and activity has been transferred from Danstoker A/S to Thermax Chemical Europe A/S as of 01.04.2025.

The activity of "Ejendomsanpartsselskabet Industrivej Nord 13" is to own and lease estate. The service activities in Boilerworks were sold at 1st November 2020. Only few projects need to be finally closed.

Development in the year

The market in general for biomass fired boilers has settled compared to the two previous years where activity was very high due to Europe moving away from dependency of Russian gas and at the same time also the high focus on moving away from fossil fuels towards a more environmentally friendly energy production.

Danstoker has been able to maintain its position as the market leader within medium sized biofuel boilers in our primary markets

As the gas prices have come down again it has been possible to gain back a bit of the lost on oil and gas fired boilers. Danstoker has maintained its position in the primary markets, and with the setup in Poland we are processing on building a stronger position in the eastern part of Europe.

Our production in both Herning and Ostrowiec has been running at full capacity the first 3 quarters of the year. In the last quarter we have reduced our capacity with around 10%, to better match our backlog and expectations going forward.

Order intake has been on a lower level compared to the last two years. Especially on biomass plants we are down to 60% of last year order booking in this segment. The present backlog is back on a more normal level compared to the last two extraordinary high year's.

The waste heat recovery boiler market consists primarily of stainless-steel economizers.

The market segments for electrical boilers are expected to increase significantly over the coming years. The market for Service of boilers has maintained its level.

Compared to last year the revenue is almost on the same level. The results achieved of the primary operation are above expectations.

The year has been positively impacted by sales of Thermax Ion Exchange Resins via Danstoker. For the coming year sale of Ion Exchange Resins to the European market (+100 MDKK business) will be done through a newly established entity Thermax Chemical Europe A/S.

Profit for the year before tax amount DKK 47,646 thousand and after-tax amounts to DKK 37,403 thousand. The total number of employees by end of financial year is 113 in Denmark and 117 in Poland.

Targets and expectations for the year ahead

The overall volume of orders of the Danstoker Group at the end of the financial year is on an acceptable level.

It is the aim of the Danstoker Group to create 2 profitable, strong sales and production companies in Danstoker A/S and Danstoker Poland Sp. z o.o., all as an attractive workplace with competent employees, based on competitive products sold to professional co-operation partners and customers in selected markets where such products are supplied in the quality and at the time and price agreed.

It is also the Group's aim to achieve optimal utilization of the production facilities.

It is not yet known to what extent the potential end of the war in Ukraine will impact the company. For now, we see very good possibilities in the biomass segment when rebuilding of Ukraine will start. However, Danstoker Group will continue to monitor the situation to ensure the Company remains flexible in its ability to respond to changing circumstances.

Besides the above mentioned the Management of the Group is of the opinion that it is not faced with special long-term risks, neither in terms of its markets, nor otherwise.

The growing, necessary, political focus on CO2 on a global scale will in the long term contribute to making our CO2- neutral products within biofuels and electrical boilers even more relevant and will contribute to securing the Danstoker Group's continued positive development.

With all the initiatives taken the profit before tax for the financial year 2025/26 is expected to be around 25 mDKK.

External environment

Danstoker A/S is devoted to environmental issues and is constantly striving to reduce the environmental impact resulting from the operations of the Company. The Company has no outstanding issues with the environmental authorities in complying with environmental permits and other environmental regulations. Danstoker A/S holds a ISO 14001 certificate.

Danstoker A/S has decided for the coming years to focus on 4 of United Nations Sustainable Development Goals: "7 Affordable and clean energy", "9 Industry, Innovation and infrastructure", "12 Responsible consumption and production" and "13 Climate action".

In the coming period the Company will have special attention to reduce the consumption of energy during manufacturing, optimizing the design to reduce material use and better waste management to recycle more material. Furthermore, a project is running with the local university with focus on mental health in Danstoker.

In relation to Code of Conduct Danstoker has decided to lean towards UN Global Compact's ten principles for responsible business conduct.

Subsequent events

Thermax Ion Exchange Resins has been started up successfully in 2024/25 and the activity has been transferred from Danstoker to another subsidiary Thermax Chemical Europe A/S as of 01.04.2025.

Except from above, the Management is of the opinion that from the balance sheet date until today, no events have occurred which could alter the assessment of the annual report substantially.

Deferred tax liabilities at 1 April	**4,135**	901	**-595**	-502
Amounts recognised in the income statement for the year	**1,841**	3,211	**595**	-93
Amounts recognised in equity for the year	**0**	23	**0**	0
Deferred tax liabilities at 31 March	**5,976**	4,135	**0**	-595
Recognised in the balance sheet as follows:				
Assets	**770**	1,847	**0**	595
Provisions	**-6,746**	-5,982	**0**	0
	5,976	4,135	**0**	-595

Deferred tax comprises timing differences on property, plant and equipment, contract work in progress and tax losses. Deferred tax assets are expected to be utilised within 3 years.

14. Other provisions

Other provisions consists of customer warranties, DKK 7,330 thousand (2023/24: DKK 1,774 thousand) and provision for guarantee obligations and other costs DKK 72 thousand (2023/24: DKK 72 thousand).

Other provisions are expected to fall due within 1 year.

15 Long-term debt

Payments due within 1 year are recognised in short-term debt. Other debt is recognised in long-term debt.

The debt falls due for payment as specified below:

	Group		Parent company	
	2024/25	2023/24	**2024/25**	2023/24

Between 1 and 5 years	**525**	802	**0**	0
	1,323	1,593	**0**	0

Guarantee obligations

The Group has a recourse guarantee commitment for performance and advance guarantees, DKK 37,340 thousand.

Other contingent liabilities

The Group is currently involved in legal cases. Management believes that these cases will not have a material impact on the financial statements, beyond what has already been accounted for, based on consultations with legal counsel.

The Parent Company has issued a letter of unlimited guarantee in favour of bank facilities in affiliated Danish companies. Bank facilities only comprise positive bank balances at 31 March 2025.

As management company, the Parent Company is jointly taxed with other Danish group entities. The Parent Company is jointly and severally with other jointly taxed group entities for payment of income taxes and withholding taxes falling due for payment in the group of jointly taxed entities.

The Company is included in the Group Annual Report of the Parent Company:

Name	Place of registered office
Thermax Ltd.	India

The Group Annual Report of Thermax Ltd. may be obtained at the following address:

www.thermaxglobal.com

20. Accounting policies

The Annual Report of Thermax Denmark ApS for 2024/25 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to medium-sized enterprises of reporting class C.

The accounting policies applied remain unchanged from last year.

The Consolidated Financial Statements and the Parent Company Financial Statements for 2024/25 are presented in TDKK.

Recognition and measurement

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Basis of consolidation

The Consolidated Financial Statements comprise the Parent Company, Thermax Denmark ApS, and subsidiaries in which the Parent Company directly or indirectly holds more than 50% of the votes or in which the Parent Company, through share ownership or otherwise, exercises control. Enterprises in which the Group holds between 20% and 50% of the votes and exercises significant influence but not control are classified as associates.

On consolidation, items of a uniform nature are combined. Elimination is made of intercompany income and expenses, shareholdings, dividends and accounts as well as of realised and unrealised profits and losses on transactions between the consolidated enterprises.

The Parent Company's investments in the consolidated subsidiaries are set off against the Parent Company's share of the net asset value of subsidiaries stated at the time of consolidation.

Business combinations

Business acquisitions carried through on or after 1 July 2018

Acquisitions of subsidiaries are accounted for using the purchase method under which the identifiable assets and liabilities of the entity acquired are measured at fair value at the time of acquisition. Acquired contingent liabilities are recognised at fair value in the Consolidated Financial Statements to the extent that the value can be measured reliably.

The time of acquisition is the time when the Group obtains control of the entity acquired.

The cost of the entity acquired is the fair value of the consideration agreed, including consideration contingent on future events. Transaction costs directly attributable to the acquisition of subsidiaries are recognised in the income statement as incurred.

Positive differences between the cost of the entity acquired and identifiable assets and liabilities are recognised as goodwill in intangible assets in the balance sheet and are amortised in the income statement on a straight-line basis over their estimated useful lives. Where the differences are negative, they are recognised immediately in the income statement.

Where the purchase price allocation is not final, positive and negative differences from acquired subsidiaries due to changes to the recognition and measurement of identifiable net assets may be adjusted for up to 12 months after the time of acquisition. These adjustments are also reflected in the value of goodwill or negative goodwill, including in amortisation already made.

Where cost includes contingent consideration, this is measured at fair value at the time of acquisition. Contingent consideration is subsequently measured at fair value. Any value adjustments are recognised in the income statement.

In respect of step acquisitions, any previously held investments in the entity acquired are remeasured at fair value at the time of acquisition. The difference between the carrying amount of the investment previously held and the fair value is recognised in the income statement.

Business acquisitions carried through before 1 July 2018

Subject to some exemptions, acquisitions carried through before 1 July 2018 are accounted for under the same accounting policies as those applying to business combinations carried through on or after 1 July 2018. The most material exemptions are:

- Identifiable assets and liabilities of the entity acquired are recognised only if they are probable.
- Identifiable contingent liabilities of the entity acquired are not

recognised in the consolidated balance sheet.

- Where the purchase price allocation is not final, positive and negative differences due to changes to the recognition and measurement of the acquired net assets may be adjusted until the end of the financial year following the year of acquisition. These adjustments are also reflected in the value of goodwill or negative goodwill, including in amortisation already made.
- Transaction costs directly attributable to the acquisition of subsidiaries are included as part of cost.
- After the initial recognition, adjustment of contingent consideration is recognised directly with its counter entry in initial purchase price, thus correcting the value of goodwill or negative goodwill.
- In respect of step acquisitions, the carrying amount of the existing investments is recognised in cost.

Leases

Leases in terms of which the Group assumes substantially all the risks and rewards of ownership (finance leases) are recognised in the balance sheet at the lower of the fair value of the leased asset and the net present value of the lease payments computed by applying the interest rate implicit in the lease or an alternative borrowing rate as the discount rate. Assets acquired under finance leases are depreciated and written down for impairment under the same policy as determined for the other fixed assets of the Group.

The remaining lease obligation is capitalised and recognised in the balance sheet under debt, and the interest element on the lease payments is charged over the lease term to the income statement.

All other leases are considered operating leases. Payments made under operating leases are recognised in the income statement on a straight-line basis over the lease term.

The Company has chosen IAS 17 as interpretation for classification and recognition of leases.

Translation policies

Danish kroner is used as the presentation currency. All other currencies are regarded as foreign currencies.

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Exchange differences arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement. Where foreign exchange transactions are considered hedging of future cash flows, the value adjustments are recognised directly in equity.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised in financial income and expenses in the income statement; however, see the section on hedge accounting.

Income statements of foreign subsidiaries and associates that are separate legal entities are translated at transaction date rates or approximated average exchange rates. Balance sheet items are translated at the exchange rates at the balance sheet date. Exchange adjustments arising on the translation of the opening equity and exchange adjustments arising from the translation of the income statements at the exchange rates at the balance sheet date are recognised directly in equity.

Income statements of enterprises that are integrated entities are translated at transaction date rates or approximated average exchange rates; however, items derived from non-monetary balance sheet items are translated at the transaction date rates of the underlying assets or liabilities. Monetary balance sheet items are translated at the exchange rates at the balance sheet date, whereas non-monetary items are translated at transaction date rates. Exchange adjustments arising on the translation are recognised in financial income and expenses in the income statement.

Derivative financial instruments

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently remeasured at their fair values. Positive and negative fair values of derivative financial instruments are classified as "Other receivables" and "Other payables", respectively.

Changes in the fair values of derivative financial instruments are recognised in the income statement unless the derivative financial instrument is designated and qualify as hedge accounting, see below.

Hedge accounting

Changes in the fair values of financial instruments that are designated and qualify as fair value hedges of a recognised asset or a recognised liability are recognised in the income statement as are any changes in the fair value of the hedged asset or the hedged liability related to the hedged risk.

Changes in the fair values of derivative financial instruments that are designated and qualify as hedges of expected future transactions are recognised in the fair value reserve under equity as regards the effective portion of the hedge. The ineffective portion is recognised in the income statement. If the hedged transaction results in an asset or a liability, the amount deferred in equity is transferred from equity and recognised in the cost of the asset or the liability, respectively. If the hedged transaction results in an income or an expense, the amount deferred in equity is transferred from equity to the income statement in the period in which the hedged transaction is recognised. The amount is recognised in the same item as the hedged transaction.

Changes in the fair values of financial instruments that are designated and qualify as hedges of net investments in independent foreign subsidiaries or associates are recognised directly in equity as regards the effective portion of the hedge, whereas the ineffective portion is recognised in the income statement.

Income statement

Revenue

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably and it is probable that the economic benefits relating to the sale will flow to the Group.

Contract work in progress (construction contracts) is recognised at the rate of completion, which means that revenue equals the selling price of the work completed for the year (percentage-of-completion method). This method is applied when total revenues and expenses in respect of the contract and the stage of completion at the balance sheet date can be measured reliably, and it is probable that the economic benefits, including payments, will flow to the Group. The stage of completion is determined on the basis of the ratio between the expenses incurred and the total expected expenses of the contract.

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to sales.

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Production expenses

Production expenses comprise costs incurred to achieve revenue for the year. Cost comprises raw materials, consumables, direct labour costs and indirect production costs such as maintenance and depreciation, etc, as well as operation, administration and management of factories.

Gross profit

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss is calculated as a summary of revenue, production expenses and other operating income.

Distribution expenses

Distribution expenses comprise costs in the form of salaries to sales and distribution staff, advertising and marketing expenses as well as operation of motor vehicles, depreciation, etc.

Administrative expenses

Administrative expenses comprise expenses for Management, administrative staff, office expenses, depreciation, etc.

Income from investments in subsidiaries

The item "Income from investments in subsidiaries" in the income statement includes the proportionate share of the profit for the year.

Full elimination of intra-group gains/losses is made for equity investments in subsidiaries.

Financial income and expenses

Financial income and expenses comprise interest, financial expenses in respect of finance leases, realised and unrealised exchange adjustments, price adjustment of securities, amortisation of mortgage loans as well as extra payments and repayment under the on-account taxation scheme.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Any changes in deferred tax due to changes to tax rates are recognised in the income statement.

The Company is jointly taxed with its Danish group entities. The tax effect of the joint taxation with the subsidiaries is allocated to enterprises showing profits or losses in proportion to their taxable incomes (full allocation with credit for tax losses).

Balance sheet

Intangible fixed assets

Goodwill

Goodwill is amortised on a straight-line basis over the estimated useful life of 20 years, determined on the basis of Management's experience with the individual business areas.

Development projects

Costs of development projects comprise salaries, amortisation and other expenses directly or indirectly attributable to the Company's development activities.

Development projects that are clearly defined and identifiable and in respect of which technical feasibility, sufficient resources and a potential future market or development opportunity in the enterprise can be demonstrated, and where it is the intention to manufacture, market or use the project, are recognised as intangible assets. This applies if sufficient certainty exists that the value in use of future earnings can cover cost of sales, distribution and administrative expenses involved as well as the development costs.

Development projects that do not meet the criteria for recognition in the balance sheet are recognised as expenses in the income statement as incurred.

Capitalised development costs are measured at cost less accumulated amortisation and impairment losses or at a lower recoverable amount. An amount corresponding to the recognised development costs is allocated to the equity item 'Reserve for development costs'. The reserve comprises only development costs recognised in financial years beginning on or after 1 January 2016. The reserve is reduced by amortisation of and impairment losses on the development projects on a continuing basis.

As of the date of completion, capitalised development costs are amortised on a straight-line basis over the period of the expected economic benefit from the development work. The amortisation period is 3 year.

Other intangible fixed assets

Patents are measured at cost less accumulated amortisation and less any accumulated impairment losses or at a lower value in use.

Patents are amortised over the remaining patent period or a shorter useful life. The amortisation period is 3 years.

Property, plant and equipment

Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use.

Depreciation based on cost reduced by any residual value is calculated on a straight-line basis over the expected useful lives of the assets, which are:

Land and buildings	20-50 years
Plant and machinery	3-10 years
Other fixtures and fittings, tools and equipment	3-5 years

The fixed assets' residual values are determined at nil.

Depreciation period and residual value are reassessed annually.

Land is not depreciated

Gains or losses are calculated as the difference between the selling price less selling costs and the carrying amount at the date of disposal. Gains and losses from the disposal of property, plant and equipment are recognised in the income statement as other operating income or other operating expense.

Impairment of fixed assets

The carrying amounts of intangible assets and property, plant and equipment and investments are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by amortisation and depreciation.

If so, the asset is written down to its lower recoverable amount.

Investments in subsidiaries

Investments in subsidiaries are recognised and measured under the equity method.

The item "Investments in subsidiaries" in the balance sheet include the proportionate ownership share of the net asset value of the enterprises calculated on the basis of the fair values of identifiable net assets at the time of acquisition with deduction or addition of unrealised intercompany profits or losses and with addition of the remaining value of any increases in value and goodwill calculated at the time of acquisition of the enterprises.

The total net revaluation of investments in subsidiaries is transferred upon distribution of profit to "Reserve for net revaluation under the equity method" under equity. The reserve is reduced by dividend distributed to the Parent Company and adjusted for other equity movements in the subsidiaries.

Subsidiaries with a negative net asset value are recognised at DKK 0. Any legal or constructive obligation of the Parent Company to cover the negative balance of the enterprise is recognised in provisions.

Other fixed asset investments

Other fixed asset investments consist of deposit.

Inventories

Inventories are measured at the lower of cost based on weighted average prices and net realisable value.

The net realisable value of inventories is calculated at the amount expected to be generated by sale of the inventories in the process of normal operations with deduction of selling expenses and costs of completion. The net realisable value is determined allowing for marketability, obsolescence and development in expected selling price.

The cost of goods for resale, raw materials and consumables equals landed cost.

The cost of finished goods and work in progress comprises the cost of raw materials, consumables and direct labour.

The cost of finished goods and work in progress includes the cost of raw materials, consumables, direct labour and indirect production overheads.

Indirect production overheads include the indirect cost of material and labour as well as maintenance and depreciation of production machinery, buildings and equipment and expenses relating to plant administration and management. Borrowing costs are not recognised in the sales price.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Contract work in progress

Contract work in progress is measured at selling price of the work performed calculated on the basis of the stage of completion. The stage of completion is measured by the proportion that the contract expenses incurred to date bear to the estimated total contract expenses. Where it is probable that total contract expenses will exceed total revenues from a contract, the expected loss is recognised as an expense in the income statement.

Where the selling price cannot be measured reliably, the selling price is measured at the lower of expenses incurred and net realisable value.

Payments received on account are set off against the selling price. The individual contracts are classified as receivables when the net selling price is positive and as liabilities when the net selling price is negative.

Expenses relating to sales work and the winning of contracts are recognised in the income statement as incurred.

Prepayments

Prepayments comprise prepaid expenses concerning rent, insurance premiums, subscriptions and interest.

Cash

Cash comprise cash.

Equity

Reserve for net revaluation according to the equity method

The net revaluation reserve according to the equity method includes net revaluations of investments in subsidiaries and associates relative to cost. The reserve can be eliminated in case of losses, realization of investments or a change in accounting estimates. The reserve cannot be recognised at a negative amount.

Translation reserve

The translation reserve comprises the share of foreign exchange differences arising on translation of financial statements of entities that have a functional currency other than DKK, foreign exchange adjustments of assets and liabilities considered part of the Company's net investments in such entities and foreign exchange adjustments regarding hedging transactions that hedge the Company's net investments in such entities. The reserve is dissolved on the sale of foreign entities or if the conditions for effective hedging no longer exist. When equity investments in subsidiaries and associates in the parent company financial statements are subject to the limitation requirement in the net revaluation reserve according to the equity method, foreign exchange adjustments will be included in this equity reserve instead.

Hedging reserve

The hedging reserve comprises the cumulative net change in the fair value of hedging transactions that qualify for recognition as a cash flow hedge and where the hedged transaction has not yet been realised. The reserve is dissolved when the hedged transaction is realised, if the hedged cash flows are no longer expected to be realised or if the hedging relationship is no longer effective. The reserve does not represent a limitation under company law and may therefore be negative.

Provisions

Provisions are recognised when - in consequence of an event occurred before or on the balance sheet date - the Group has a legal or constructive obligation and it is probable that economic benefits must be given up to settle the obligation.

Other provisions include warranty obligations in respect of repair work within the warranty period of 1-5 years. Provisions are measured and recognised based on experience with guarantee work.

Deferred tax assets and liabilities

Deferred tax is recognised in respect of all temporary differences between the carrying amount and the tax base of assets and liabilities. However, deferred tax is not recognised in respect of temporary differences concerning goodwill not deductible for tax purposes and other items - apart from business acquisitions - where temporary differences have arisen at the time of acquisition without affecting the profit for the year or the taxable income.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. In cases where the computation of the tax base may be made according to alternative tax rules, deferred tax is measured on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets, including the tax base of tax loss carry-forwards, are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities.

Deferred tax assets and liabilities are offset within the same legal tax entity.

Current tax receivables and liabilities

Current tax receivables and liabilities are recognised in the balance sheet at the amount calculated on the basis of the expected taxable income for the year adjusted for tax on taxable incomes for prior years. Tax receivables and liabilities are offset if there is a legally enforceable right of set-off and an intention to settle on a net basis or simultaneously.

Financial liabilities

Loans, such as mortgage loans and loans from credit institutions, are recognised initially at the proceeds received net of transaction expenses incurred. Subsequently, the loans are measured at amortised cost; the difference between the proceeds and the nominal value is recognised as an interest expense in the income statement over the loan period.

Mortgage loans are measured at amortised cost, which for cash loans corresponds to the remaining loan. Amortised cost of debenture loans corresponds to the remaining loan calculated as the underlying cash value of the loan at the date of raising the loan adjusted for depreciation of the price adjustment of the loan made over the term of the loan at the date of raising the loan.

Other debts are measured at amortised cost, substantially corresponding to nominal value.

The Company has chosen IAS 39 as interpretation for recognition and measurement of liabilities.

Fair Value

The fair value measurement is based on the principal market. If no principal market exists, the measurement is based on the most advantageous market, i.e. the market that maximises the price of the asset or liability less transaction and/ or transport costs. All assets and liabilities which are measured at fair value, or whose fair value is disclosed, are classified based on the fair value hierarchy, see below:

Level 1: Value in an active market for similar assets/ liabilities

Level 2: Value based on recognised valuation methods on the basis of observable market information

Level 3: Value based on recognised valuation methods and reasonable estimates (non-observable market information).

Cash Flow Statement

With reference to section 86(4) of the Danish Financial Statements Act, the Parent Company has not prepared a cash flow statement for the Company itself but has only prepared a cash flow statement for the Group.

The cash flow statement shows the Group's cash flows for the year broken down by operating, investing and financing activities, changes for the year in cash and cash equivalents as well as the Group's cash and cash equivalents at the beginning and end of the year.

Cash flows from operating activities

Cash flows from operating activities are calculated as the net profit/ loss for the year adjusted for changes in working capital and non-cash operating items such as depreciation, amortisation and impairment losses, and provisions. Working capital comprises current assets less short-term debt excluding items included in cash and cash equivalents.

Cash flows from investing activities

Cash flows from investing activities comprise cash flows from acquisitions and disposals of intangible assets, property, plant and equipment as well as fixed asset investments.

Cash flows from financing activities

Cash flows from financing activities comprise cash flows from the raising and repayment of long-term debt as well as payments to and from shareholders.

Cash and cash equivalents

Cash and cash equivalents comprise "Cash at bank and in hand".

The cash flow statement cannot be immediately derived from the published financial records.

Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Danstoker A/S for the financial year 1 April 2024 - 31 March 2025.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 March 2025 of the Company and of the results of the Company operations for 2024/25.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the shareholder of Danstoker A/S

Opinion

We have audited the Financial Statements of Danstoker A/S for the financial year 1 April 2024 - 31 March 2025, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 March 2025 and of the results of the Company´s operations for the financial year 1 April 2024 - 31 March 2025 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Financial Statements" section of our report.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company´s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement

and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company´s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company´s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.
- Plan and perform the audit of the Financial Statements to obtain sufficient appropriate audit evidence regarding the consolidated financial information of the entities or business units as a basis for forming an opinion on the Financial Statements. We are responsible for the direction, supervision and review of the audit work performed. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management review

Key activities

Danstoker A/S, which has its registered address in the municipality of Herning, is a wholly owned subsidiary of Thermax Denmark ApS.

The ultimate parent company of the company is RDA Holdings Private Limited, Pune, India, which holds the majority through the listed company Thermax Ltd., Pune, India.

Danstoker A/S is the parent company of Danstoker Poland Sp.z o.o..

The Danstoker Group designs, manufactures, sells and do service on boilers and associated equipment within the energy market. The Danstoker Group product range is continuously adapted to the 5 categories:

1. Solid fuel market, mainly based on biofuels
2. Electrical boiler market
3. Waste heat recovery boiler market
4. Oil/gas market
5. Thermax Ion Exchange Resins has been started up successfully and activity has been transferred to Thermax Chemical Europe A/S as of 01.04.2025.

Development in the year

The market in general for biomass fired boilers has settled compared to the two previous years where activity was very high due to Europe moving away from dependency of Russian gas and at the same time also the high focus on moving away from fossil fuels towards a more environmentally friendly energy production.

Danstoker has been able to maintain its position as the market leader within medium sized biofuel boilers in our primary markets.

As the gas prices have come down again it has been possible to gain back a bit of the lost on oil and gas fired boilers. Danstoker has maintained its position in the primary markets, and with the setup in Poland we are processing on building a stronger position in the eastern part of Europe.

Our production in both Herning and Ostrowiec has been running at full capacity the first 3 quarters of the year. In the last quarter we have reduced our capacity with around 10%, to better match our backlog and expectations going forward.

Order intake has been on a lower level compared to the last two years. Especially on biomass plants we are down to 60% of last year order booking in this segment. The present backlog is back on a more normal level compared to the last two extraordinary high year's.

The waste heat recovery boiler market consists primarily of stainless-steel economizers.

The market segments for electrical boilers are expected to increase significantly over the coming years. The market for Service of boilers has maintained its level of turnover.

Compared to last year the revenue is almost on the same level. The results achieved of the primary operation are above expectations.

The year has been positively impacted by sales of Thermax Ion Exchange Resins via Danstoker. For the coming year sale of Ion Exchange Resins to the European market (+100 MDKK business) will be done through a newly established entity Thermax Chemical Europe A/S.

Profit for the year before tax amount DKK 46,410 thousand and after-tax amounts to DKK 37,346 thousand. The total number of employees by end of financial year is 113 in Denmark and 117 in Poland.

Targets and expectations for the year ahead

The overall volume of orders of the Danstoker Group at the end of the financial year is on an acceptable level.

It is the aim of the Danstoker Group to create 2 profitable, strong sales and production companies in Danstoker A/S and Danstoker Poland Sp. z o.o., all as an attractive workplace with competent employees, based on competitive products sold to professional co-operation partners and customers in selected markets where such products are supplied in the quality and at the time and price agreed.

It is also the Group's aim to achieve optimal utilization of the production facilities.

It is not yet known to what extent the potential end of the war in Ukraine will impact the company. For now, we see very good possibilities in the biomass segment when rebuilding of Ukraine will start. However, Danstoker Group will continue to monitor the situation to ensure the Company remains flexible in its ability to respond to changing circumstances.

Besides the above mentioned the Management of the Group is of the opinion that it is not faced with special long-term risks, neither in terms of its markets, nor otherwise.

The growing, necessary, political focus on CO2 on a global scale will in the long term contribute to making our CO2- neutral products within biofuels and electrical boilers even more relevant and will contribute to securing the Danstoker Group's continued positive development.

With all the initiatives taken the profit before tax for the financial year 2025/26 is expected to be around 20 mDKK.

External environment

Danstoker A/S is devoted to environmental issues and is constantly striving to reduce the environmental impact resulting from the operations of the Company. The Company has no outstanding issues with the environmental authorities in complying with environmental permits and other environmental regulations. Danstoker A/S holds a ISO 14001 certificate.

Danstoker A/S has decided for the coming years to focus on 4 of United Nations Sustainable Development Goals: "7 Affordable and clean energy", "9 Industry, Innovation and infrastructure", "12 Responsible consumption and production" and "13 Climate action".

In the coming period the Company will have special attention to reduce the consumption of energy during manufacturing, optimizing the design to reduce material use and better waste management to recycle more material. Furthermore, a project is running with the local university with focus on mental health in Danstoker.

In relation to Code of Conduct Danstoker has decided to lean towards UN Global Compact's ten principles for responsible business conduct.

Subsequent events

Thermax Ion Exchange Resins has been started up successfully in 2024/25 and the activity has been transferred to Thermax Chemical Europe A/S as of 01.04.2025.

Except from above, the Management is of the opinion that from the balance sheet date until today, no events have occurred which could alter the assessment of the annual report substantially.

Between 1 and 5 years	**437**	484
	1,005	987

The Company has entered into lease contracts in building with affiliated company with a tenancy commitment amounting to DKK 30,822 thousand, of this DKK 2,802 thousand concerns 2025/26.

Guarantee obligations

The Company has undertaken guarantees whereby it has assumed primary liability for the affiliated companies' outstanding balances with mortgage credit institutions and banks, DKK 9,529 thousand.

Performance bonds and advance payment guarantees issued by guarantee insurers amount to DKK 37,340 thousand.

Other contingent liabilities

The Company has issued a letter of unlimited guarantee in favour of bank facilities in affiliated Danish companies. Bank facilities only comprise positive bank balances at 31 March 2025.

The Company is currently involved in legal cases. Management believes that these cases will not have a material impact on the financial statements, beyond what has already been accounted for, based on consultations with legal counsel.

The Company is jointly taxed with the Danish parent company and Danish subsidiaries. The companies included in the joint taxation have joint and several unlimited liability for Danish corporation taxes and withholding taxes on dividends, interest, and royalties.

www.cvr.dk

The Group Annual Report of Thermax Ltd. may be obtained at the following address:

www.thermaxglobal.com

17. Accounting policies

The Annual Report of Danstoker A/S for 2024/25 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to medium-sized enterprises of reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2024/25 are presented in TDKK.

Consolidated financial statements

With reference to section 112 of the Danish Financial Statements Act and to the consolidated financial statements for 2024/25 of Thermax Denmark ApS, the Company has not prepared consolidated financial statements.

Cash flow statement

With reference to section 86(4) of the Danish Financial Statements Act and to the cash flow statement included in the consolidated financial statements of Thermax Denmark ApS, the Company has not prepared a cash flow statement.

Recognition and measurement

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and

the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Leases

Leases in terms of which the Company assumes substantially all the risks and rewards of ownership (finance leases) are recognised in the balance sheet at the lower of the fair value of the leased asset and the net present value of the lease payments computed by applying the interest rate implicit in the lease or an alternative borrowing rate as the discount rate. Assets acquired under finance leases are depreciated and written down for impairment under the same policy as determined for the other fixed assets of the Company.

The remaining lease obligation is capitalised and recognised in the balance sheet under debt, and the interest element on the lease payments is charged over the lease term to the income statement.

All other leases are considered operating leases. Payments made under operating leases are recognised in the income statement on a straight-line basis over the lease term.

The Company has chosen IAS 17 as interpretation for classification and recognition of leases.

Translation policies

Danish kroner is used as the presentation currency. All other currencies are regarded as foreign currencies.

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Fixed assets acquired in foreign currencies are measured at the transaction date rates.

Derivative financial instruments

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently remeasured at their fair values. Positive and negative fair values of derivative financial instruments are classified as "Other receivables" and "Other payables", respectively.

Changes in the fair values of derivative financial instruments are recognised in the income statement unless the derivative financial instrument is designated and qualify as hedge accounting.

Income statement

Revenue

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably and it is probable that the economic benefits relating to the sale will flow to the Company.

Contract work in progress (construction contracts) is recognised at the rate of completion, which means that revenue equals the selling price of the work completed for the year (percentage-of-completion method). This method is applied when total revenues and expenses in respect of the contract and the stage of completion at the balance sheet date can be measured reliably, and it is probable that the economic benefits, including payments, will flow to the Company. The stage of completion is determined on the basis of the ratio between the expenses incurred and the total expected expenses of the contract.

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to sales.

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Production expenses

Production expenses comprise costs incurred to achieve revenue for the year. Cost comprises raw materials, consumables, direct labour costs and indirect production costs such as maintenance and depreciation, etc, as well as operation, administration and management of factories.

Production expenses also include amortisation of goodwill to the extent that goodwill relates to production activities.

Production expenses also comprise research and development costs that do not qualify for capitalisation and amortisation of capitalised development costs.

Gross profit

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss comprises of revenue, production expenses and other operating income.

Distribution expenses

Distribution expenses comprise costs in the form of salaries to sales and distribution staff, advertising and marketing expenses as well as operation of motor vehicles, depreciation, etc.

Administrative expenses

Administrative expenses comprise expenses for Management, administrative staff, office expenses, depreciation, etc.

Income from investments in subsidiaries

The item "Income from investments in subsidiaries" in the income statement includes the proportionate share of the profit for the year.

Full elimination of intra-group gains/losses is made for equity investments in subsidiaries.

Financial income and expenses

Financial income and expenses comprise interest, financial expenses in respect of finance leases, realised and unrealised exchange adjustments, price adjustment of securities, amortisation of mortgage loans as well as extra payments and repayment under the on-account taxation scheme.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Any changes in deferred tax due to changes to tax rates are recognised in the income statement.

The Company is jointly taxed with its Danish group entities. The tax effect of the joint taxation with the subsidiaries is allocated to enterprises showing profits or losses in proportion to their taxable incomes (full allocation with credit for tax losses).

Balance sheet

Intangible fixed assets

Development projects

Costs of development projects comprise salaries, amortisation and other expenses directly or indirectly attributable to the Company's development activities.

Development projects that are clearly defined and identifiable and in respect of which technical feasibility, sufficient resources and a potential future market or development opportunity in the enterprise can be demonstrated, and where it is the intention to manufacture, market or use

the project, are recognised as intangible assets. This applies if sufficient certainty exists that the value in use of future earnings can cover cost of sales, distribution and administrative expenses involved as well as the development costs.

Development projects that do not meet the criteria for recognition in the balance sheet are recognised as expenses in the income statement as incurred.

Capitalised development costs are measured at cost less accumulated amortisation and impairment losses or at a lower recoverable amount. An amount corresponding to the recognised development costs is allocated to the equity item 'Reserve for development costs'. The reserve comprises only development costs recognised in financial years beginning on or after 1 January 2016. The reserve is reduced by amortisation of and impairment losses on the development projects on a continuing basis.

As of the date of completion, capitalised development costs are amortised on a straight-line basis over the period of the expected economic benefit from the development work. The amortisation period is 3 year.

Property, plant and equipment

Property, plant and equipment are measured at cost less accumulated depreciation and less any accumulated impairment losses.

Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use.

Depreciation based on cost reduced by any residual value is calculated on a straight-line basis over the expected useful lives of the assets, which are:

Plant and machinery	3-10 years
Other fixtures and fittings, tools and equipment	3-5 years

The fixed assets' residual values are determined at nil.

Depreciation period and residual value are reassessed annually.

Gains or losses are calculated as the difference between the selling price less selling costs and the carrying amount at the date of disposal. Gains and losses from the disposal of property, plant and equipment are recognised in the income statement as other operating income or other

Impairment of fixed assets

The carrying amounts of intangible assets and property, plant and equipment and investments are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by amortisation and depreciation.

The recoverable amount of the asset is calculated as the higher of net selling price and value in use. Where a recoverable amount cannot be determined for the individual asset, the assets are assessed in the smallest group of assets for which a reliable recoverable amount can be determined based on a total assessment.

Goodwill, head office buildings and other assets for which a separate value in use cannot be determined as the asset does not on an individual basis generate future cash flows are reviewed for impairment together with the group of assets to which they are attributable.

Investments in subsidiaries

Investments in subsidiaries are recognised and measured under the equity method.

The item "Investments in subsidiaries" in the balance sheet include the proportionate ownership share of the net asset value of the enterprises calculated on the basis of the fair values of identifiable net assets at the time of acquisition with deduction or addition of unrealised intercompany profits or losses and with addition of the remaining value of any increases in value and goodwill calculated at the time of acquisition of the enterprises.

The total net revaluation of investments in subsidiaries is transferred upon distribution of profit to "Reserve for net revaluation under the equity method" under equity. The reserve is reduced by dividend distributed to the Parent Company and adjusted for other equity movements in the subsidiaries.

Subsidiaries with a negative net asset value are recognised at DKK 0. Any legal or constructive obligation of the Parent Company to cover the negative balance of the enterprise is recognised in provisions.

Other fixed asset investments

Other fixed asset investments consist of receivables from group entities and deposits.

Inventories

Inventories are measured at the lower of cost based on weighted average prices and net realisable value.

The net realisable value of inventories is calculated at the amount expected to be generated by sale of the inventories in the process of normal operations with deduction of selling expenses and costs of completion. The net realisable value is determined allowing for marketability, obsolescence and development in expected selling price.

The cost of raw materials, consumables and goods for resale equals landed costs.

The cost of finished goods and work in progress includes the cost of raw materials, consumables, direct labour and indirect production overheads.

Indirect production overheads include the indirect cost of material and labour as well as maintenance and depreciation of production machinery, buildings and equipment and expenses relating to plant administration and management. Borrowing costs are not recognised in the sales price.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Contract work in progress

Contract work in progress is measured at selling price of the work performed calculated on the basis of the stage of completion. The stage of completion is measured by the proportion that the contract expenses incurred to date bear to the estimated total contract expenses. Where it is probable that total contract expenses will exceed total revenues from a contract, the expected loss is recognised as an expense in the income statement.

Where the selling price cannot be measured reliably, the selling price is measured at the lower of expenses incurred and net realisable value.

Payments received on account are set off against the selling price. The individual contracts are classified as receivables when the net selling price is positive and as liabilities when the net selling price is negative.

Expenses relating to sales work and the winning of contracts are recognised in the income statement as incurred.

Prepayments

Prepayments comprise prepaid expenses concerning rent, insurance premiums, subscriptions and interest.

Cash

Cash comprise cash.

Equity

Reserve for net revaluation according to the equity method

The net revaluation reserve according to the equity method includes net revaluations of investments in subsidiaries and associates relative to cost. The reserve can be eliminated in case of losses, realization of investments or a change in accounting estimates. The reserve cannot be recognised at a negative amount.

Reserve for development costs

The reserve for development costs comprises recognised development costs. The reserve cannot be used to distribute dividends or cover losses. The reserve will be reduced or dissolved if the recognized development costs are no longer part of the Company's operations by a transfer directly to the distributable reserves under equity.

Proposed dividends

Dividend proposed for the year is recognised as a liability once adopted at the annual general meeting (declaration date). Dividends expected

to be distributed for the financial year are presented as a separate item under "Equity".

Provisions

Provisions are recognised when - in consequence of an event occurred before or on the balance sheet date - the Company has a legal or constructive obligation and it is probable that economic benefits must be given up to settle the obligation.

Other provisions include warranty obligations in respect of repair work within the warranty period of 1-5 years. Provisions are measured and recognised based on experience with guarantee work.

Deferred tax assets and liabilities

Deferred tax is recognised in respect of all temporary differences between the carrying amount and the tax base of assets and liabilities. However, deferred tax is not recognised in respect of temporary differences concerning goodwill not deductible for tax purposes and other items - apart from business acquisitions - where temporary differences have arisen at the time of acquisition without affecting the profit for the year or the taxable income.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. In cases where the computation of the tax base may be made according to alternative tax rules, deferred tax is measured on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets, including the tax base of tax loss carry-forwards, are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities.

Deferred tax assets and liabilities are offset within the same legal tax entity.

Current tax receivables and liabilities

Current tax receivables and liabilities are recognised in the balance sheet at the amount calculated on the basis of the expected taxable income for the year adjusted for tax on taxable incomes for prior years. Tax receivables and liabilities are offset if there is a legally enforceable right of set-off and an intention to settle on a net basis or simultaneously.

Financial liabilities

Loans, such as loans from credit institutions, are recognised initially at the proceeds received net of transaction expenses incurred. Subsequently, the loans are measured at amortised cost; the difference between the proceeds and the nominal value is recognised as an interest expense in the income statement over the loan period.

Other debts are measured at amortised cost, substantially corresponding to nominal value.

The Company has chosen IAS 39 as interpretation for recognition and measurement of liabilities.

Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Ejendomsanpartsselskabet Industrivej Nord 13 for the financial year 1 April 2024 - 31 March 2025.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 March 2025 of the Company and of the results of the Company operations for 2024/25.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the shareholder of Ejendomsanpartsselskabet Industrivej Nord 13

Opinion

We have audited the Financial Statements of Ejendomsanpartsselskabet Industrivej Nord 13 for the financial year 1 April 2024 - 31 March 2025, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 March 2025 and of the results of the Company´s operations for the financial year 1 April 2024 - 31 March 2025 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Financial Statements" section of our report.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company´s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company´s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company´s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

8 Accounting policies

The Annual Report of Ejendomsanpartsselskabet Industrivej Nord 13 for 2024/25 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2024/25 are presented in TDKK.

Derivative financial instruments

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently remeasured at their fair values. Positive and negative fair values of derivative financial instruments are classified as "Other receivables" and "Other payables", respectively.

Changes in the fair values of derivative financial instruments are recognised in the income statement unless the derivative financial instrument is designated and qualify as hedge accounting, see below.

Hedge accounting

Changes in the fair values of financial instruments that are designated and qualify as fair value hedges of a recognised asset or a recognised liability are recognised in the income statement as are any changes in the fair value of the hedged asset or the hedged liability related to the hedged risk.

Changes in the fair values of derivative financial instruments that are designated and qualify as hedges of expected future transactions are recognised in the fair value reserve under equity as regards the effective portion of the hedge. The ineffective portion is recognised in the income statement. If the hedged transaction results in an asset or a liability, the amount deferred in equity is transferred from equity and recognised in the cost of the asset or the liability, respectively. If the hedged transaction results in an income or an expense, the amount deferred in equity is transferred from equity to the income statement in the period in which the hedged transaction is recognised. The amount is recognised in the same item as the hedged transaction.

Changes in the fair values of financial instruments that are designated and qualify as hedges of net investments in independent foreign subsidiaries or associates are recognised directly in equity as regards the effective portion of the hedge, whereas the ineffective portion is recognised in the income statement.

EJENDOMSANPARTSSELSKABET INDUSTRIVEJ NORD 13

Income statement

Revenue

Revenue comprises rental income, etc., which is recognised in the income statement in the period, which the rent concerns.

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised in revenue.

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Gross profit

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss comprises of revenue.

Administrative expenses

Administrative expenses comprise expenses for Management, administrative staff, office expenses, depreciation, etc.

Financial income and expenses

Financial income and expenses comprise interest, financial expenses in respect of finance leases, realised and unrealised exchange adjustments, price adjustment of securities, amortisation of mortgage loans as well as extra payments and repayment under the on-account taxation scheme.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Any changes in deferred tax due to changes to tax rates are recognised in the income statement.

The Company is jointly taxed with other group entities. The tax effect of the joint taxation with the subsidiaries is allocated to enterprises showing profits or losses in proportion to their taxable incomes (full allocation with credit for tax losses).

Balance sheet

Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. It is revalued at fair value if any significant changes in the fair value of land and buildings are recognized. Cost includes the acquisition price and costs directly related to the acquisition until the time at which the asset is ready for use.

In connection with significant changes in the fair value of land and buildings, revaluation to fair value is made based on a yearly assessment on each property. Revaluations and reversals hereof, less deferred tax, are taken directly to equity.

Gains or losses are calculated as the difference between the selling price less selling costs and the carrying amount at the date of disposal. Gains and losses from the disposal of property, plant and equipment are recognised in the income statement as other operating income or other operating expenses.

Depreciation based on cost added revaluations and reduced by any residual value is calculated on a straight-line basis over the expected useful lives of the assets, which are:

Land and buildings	50 years

Land is not depreciated

Impairment of fixed assets

The carrying amounts of property, plant and equipment and investments are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by depreciation.

If so, the asset is written down to its lower recoverable amount.

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Cash

Cash comprise cash.

Equity

Revaluation reserve

The reserve comprises revaluations of property, plant and equipment/ investments in subsidiaries and associates relative to cost net of deferred tax. The revaluation reserve is reduced by the depreciation charges relating to the revaluation.

Deferred tax assets and liabilities

Deferred income tax is measured using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets, including the tax base of tax loss carry-forwards, are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. Any changes in deferred tax due to changes to tax rates are recognised in the income statement or in equity if the deferred tax relates to items recognised in equity.

Current tax receivables and liabilities

Current tax liabilities and receivables are recognised in the balance sheet as the expected taxable income for the year adjusted for tax on taxable incomes for prior years and tax paid on account. Extra payments and repayment under the on- account taxation scheme are recognised in the income statement in financial income and expenses.

Joint taxation contributions payable and receivable are recognised in the balance sheet under balances with group enterprises.

Financial liabilities

Loans, such as mortgage loans, are recognised initially at the proceeds received net of transaction expenses incurred. Subsequently, the loans are measured at amortised cost; the difference between the proceeds and the nominal value is recognised as an interest expense in the income statement over the loan period.

Mortgage loans are measured at amortised cost, which for cash loans corresponds to the remaining loan. Amortised cost of debenture loans corresponds to the remaining loan calculated as the underlying cash value of the loan at the date of raising the loan adjusted for depreciation of the price adjustment of the loan made over the term of the loan at the date of raising the loan.

Other debts are measured at amortised cost, substantially corresponding to nominal value.

The Company has chosen IAS 39 as interpretation for recognition and measurement of liabilities.

A. Audit Engagement

Our subsequently reported "Audit Report" on the statutory audit of the annual financial statements of the Rifox-Hans Richter GmbH Spezialarmaturen, Bremen, as of March 31, 2025 is addressed to the audited company.

The management of

Rifox-Hans Richter GmbH Spezialarmaturen, Bremen,

(hereinafter referred to as "Rifox" or "the Company")

engaged us to audit the annual financial statements of the Company for the financial year from April 1, 2024 through March 31, 2025 including the bookkeeping system in accordance with Section 316 et seqq. HGB.

RIFOX is a small corporation within the meaning of Section 267 (1) and (4) HGB.

The audit, which is not legally required, was conducted on the basis of the application of management pursuant to the provisions of Section 316 et seqq. HGB.

The Company is required under Section 325 HGB in conjunction with Section 326 HGB to electronically file the balance sheet and the notes to the financial statements with the operator of the electronic Federal Gazette and to publish them in the electronic Federal Gazette.

The Company did not prepare a management report because this is not legally required.

The statutory duty to prepare consolidated financial statements and a group management report does not apply to the group of RIFOX because the size criteria of Section 293 HGB are not satisfied.

This engagement and our liability, also in relation to third parties, are governed by the "General Engagement Terms for Wirtschaftsprufer and Wirtschaftsprufungsgesellschaften" dated January 1, 2024, which are attached to this report.

Our audit was conducted in compliance with the general principles for the conduct of audits of financial statements as set out in the relevant auditing standards issued by the "Institut der Wirtschaftsprufer in Deutschland e. V. (IDW) (Institute of Public Auditors in Germany, Düsseldorf)". This long-form audit report was prepared in accordance with the Generally Accepted Standards for the Issuance of Long-form Audit Reports for the Audits of Financial Statements (IDW PS 450 n.F). As the audit is not legally required, this report is addressed only to the audited company.

B. General Findings

I. Opinion on the Management's Assessment of the Company's Position

Since the management admissibly has not prepared a management report because this is not legally required, we, as auditors, have not been able to comment, as set forth in Section 321 (1) Clause 2 HGB, on the management's assessment of the Company's position which would otherwise have been stated in the management report.

The assessment of the Company's position, and in particular, the assessment of the Company's ability to continue as a going concern and its material opportunities and risks of future development, has been reasonably and appropriately determined. According to the results of our audit and the knowledge obtained, the legal representative's assessment of the Company's position is appropriate in terms of scope and accurate in terms of content.

II. Copy of the Auditors' Report

Based on the final results of our audit we issued the following unrestricted auditor's report dated April 17, 2025:

Independent Auditor's Report

To Rifox-Hans Richter GmbH Spezialarmaturen

Audit Opinion

We have audited the annual financial statements of Rifox-Hans Richter GmbH Spezialarmaturen, which comprise the balance sheet, and the statement of profit and loss, for the financial year from April 01, 2024 to March 31, 2025, and notes to the financial statements, including the presentation of the recognition and measurement policies.

In our opinion, on the basis of the knowledge obtained in the audit, the accompanying annual financial statements comply, in all material respects, with the requirements of German commercial law applicable to business corporations and give a true and fair view of the assets, liabilities, and financial position of the Company, and of its financial performance for the financial year from April 01, 2024 to March 31, 2025 in compliance with German Legally Required Accounting Principles.

Pursuant to § [Article] 322 Abs. [paragraph] 3 Satz [sentence] 1 HGB [Handelsgesetzbuch: German Commercial Code], we declare that our audit has not led to any reservations relating to the legal compliance of the annual financial statements.

Basis for the Audit Opinion

We conducted our audit of the annual financial statements in accordance with § 317 HGB and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprufer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements and principles are further described in the "Auditor'sResponsibilities for the Audit of the Annual Financial Statements" section of our auditor's report. We are independent of the Company in accordance with the requirements of German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the annual financial statements.

Responsibilities of the Executive Directors and the Supervisory Board for the Annual Financial Statements

The executive directors are responsible for the preparation of the annual financial statements that comply, in all material respects, with the requirements of German commercial law applicable to business corporations and that the annual financial statements give a true and fair view of the assets, liabilities, financial position, and financial performance of the Company in compliance with German Legally Required Accounting Principles. In addition, the executive directors are responsible for such internal control as they, in accordance with German Legally Required Accounting Principles, have determined necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud (i.e., fraudulent financial reporting and misappropriation of assets) or error.

In preparing the annual financial statements, the executive directors are responsible for assessing the Company's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting provided no actual or legal circumstances conflict therewith.

Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, as well as to issue an auditor's report that includes our audit opinion on the annual financial statements.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with § 317 HGB and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprufer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our audit opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting a material misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an audit opinion on the effectiveness of this system of the Company.
- Evaluate the appropriateness of accounting policies used by the executive directors and the reasonableness of estimates made by the executive directors and related disclosures.
- Conclude on the appropriateness of the executive directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our audit opinion on the annual financial statements. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to be able to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements present the underlying transactions and events in a manner that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

C. Subject, Nature and Scope of the Audit

The subject of our audit was the bookkeeping system, the annual financial statements for the financial year from April 01, 2024 through March 31, 2025, prepared in accordance with the regulations stipulated by commercial law for all merchants (Sections 242 to 256 HGB), the supplementary regulations for corporations and for certain commercial partnerships (Sections 264 to 288 HGB). The responsibility for the compliance of the bookkeeping system and the annual financial statements with the applicable requirements lies with the Company's legal representatives. Our responsibility was to examine these documents to determine whether they comply with the statutory accounting regulations.

Our audit also included assessing whether the management has taken suitable measures to ensure that developments endangering the going concern of the Company are recognized at an early stage (risk early recognition system). We satisfied ourselves that the system is capable of fulfilling its objectives.

According to Section 317 (4a) HGB, our audit does not have to extend to whether the continued existence of the audited company or the effectiveness and profitability of the management can be guaranteed.

Our engagement to audit the annual financial statements did not include assessing the appropriateness of the Company's insurance coverage, or in particular, whether all risks have been recognized and sufficiently insured.

We conducted our audit at the Company's premises in Bremen, as well as in our office.

We hereby confirm, to have considered the regulations for independence of the Auditor according to § 321 Abs. 4a HGB.

For business year from April 01, 2024 to March 31, 2025 the starting point was the annual financial statements for the financial year from April 01, 2023 through March 31, 2024, which we had audited and provided with an unqualified auditors' report.

We conducted our audit in accordance with the regulations of Section 316 et seqq. HGB and the generally accepted standards for the audit of financial statements as set forth in the IDW Auditing Standards. In accordance herewith we planned our audit in such a way as to detect any inaccuracies and violations of statutory provisions which have a material influence on the presentation of a true and fair view of the net assets, financial position and results of operations. Our engagement did not include detecting or clarifying criminal offenses (such as fraud or any other form of breach of trust) or breach of administrative rules unrelated to the accounting context, or assessing the effectiveness or operational efficiency of the management. However, we planned and conducted our audit such that misstatements and violations which are material to the accounting would be detected with reasonable assurance. The responsibility for the avoidance and detection of misstatements and violations lies with the Company's legal representatives.

In accordance with our risk-driven audit approach we initially acquired up-to-date knowledge of the economic and legal environment of the Company and, through interviews with the management, gathered information about those business risks that may lead to material errors in the accounting records. In addition to that, we examined what measures the Company has taken to manage these business risks. In this connection, we examined the appropriateness of the Company's accounting related internal control system.

We considered this knowledge in determining our further audit procedures. In areas where management has implemented adequate internal controls to limit such risks, we conducted tests of operation to satisfy ourselves of the continuous effectiveness of those internal controls. The degree of effectiveness of those internal controls determined the nature and scope of our examination of individual business transactions and balances and the extent of our analytical audit procedures. To the extent we could rely on the accuracy of the figures to be audited because of the effectiveness of the Company's internal controls, we extensively reduced the scope of our examination of individual transactions. Especially in the case of business transactions which, by their nature, are recorded and processed in large numbers according to identical procedures and within the framework of effective internal control (according to our preliminary findings), the audit focused on the consistent application of the Company's internal controls. In the other areas, we mainly conducted tests of details on a sample basis, and analytical audit procedures. In accordance with the principle of materiality and the requirement of audit procedure efficiency we therefore performed substantive audit procedures to obtain audit assurance.

To audit the items in the annual financial statements of the Company, we reviewed, among other things, excerpts from the Land Register and Commercial Register, supply and service contracts, loan contracts as well as other business records. We observed the physical count of inventories

in Bremen. In order to identify potential risks from pending litigation, we requested attorneys' confirmations, and to audit trade receivables and payables, we requested balance confirmations as of March 31, 2025 (reference date). We obtained bank confirmations as of March 31, 2025 (reference date) in order to audit the relationships with financial services institutions.

The management and the staff members authorized by the management supplied us with all information and supporting documentation which we requested.

The management submitted to us a standard letter of representation relating to the annual financial statements.

D. Findings Regarding Accounting Records

I. Appropriateness of Accounting Records

1. Bookkeeping System and Other Audited Records

According to our findings, the bookkeeping system and the voucher system are proper and in compliance with the statutory regulations. The information obtained from other records audited properly depicts the bookkeeping system and the annual financial statements.

According to our findings, the accounting-related internal control system is generally suitable to ensure complete and accurate recording, processing, documentation and safeguarding of the bookkeeping data.

2. Annual Financial Statements

The annual financial statements of Rifox for the financial year from April 1, 2024 through March 31, 2025 were prepared in accordance with the statutory provisions including legal form, German principles of proper accounting.

The balance sheet and the income statement were properly derived from the bookkeeping system and the other audited records. In doing so, the recognition, disclosure and valuation requirements of commercial law were observed.

The notes to the financial statements comply with the statutory provisions. The disclosures in the notes to the financial statements are complete and appropriate.

II. Overall Impression given by the Annual Financial Statements

The annual financial statements comply with the statutory provisions and, as a whole, give a true and fair view of the net assets, financial position and results of operations of the Company in accordance with [German] principles of proper accounting.

To provide a better understanding of the overall impression given by the annual financial statements, we refer below, as required by law, to the material valuation bases and the influence that changes to the valuation bases have had, as a whole, on the overall impression given by the annual financial statements (Section 321 (2) Clause 4 HGB); we refer to the notes to the financial statements for the financial year 2024/2025 (Appendix III).

III. Analysis of net assets, financial position & result of operations

1. Net assets & financial position

The comparison of the balance sheet as at March 31, 2025 to the balance sheet as at March 31, 2024 structured by aspects of solvency, leads to the following changes; items with a remaining period up to one year are referred to as short-term tied.

	March 31, 2025		March 31, 2024		Change
	TEUR	**%**	TEUR	%	TEUR
Assets structure					
Long and medium term tied					
Tangible assets	**292**	**11,8**	155	7,2	137
	292	**11,8**	155	7,2	137
Short-term tied					
Stocks	**1.075**	**43,5**	1.039	48,0	36
Debtors and other assets	**807**	**32,6**	669	30,9	138
Cash items	**283**	**11,4**	292	13,5	-9
Prepaid expenses	**17**	**0,7**	9	0,4	8
	2.182	**88,2**	2.009	92,8	173
	2.474	**100,0**	2.164	100,0	310
Financial structure					
Long and medium term available					
Shareholders' equity	**1.851**	**74,8**	1.649	76,2	202
	1.851	**74,8**	1.649	76,2	202
Short-term payable					
Provisions	**312**	**12,6**	390	18,0	-78
Bank loans	**138**	**5,6**	0	0,0	138
Trade creditors	**90**	**3,6**	93	4,3	-3
Other creditors	**83**	**3,4**	32	1,5	51
	623	**25,2**	515	23,8	108
	2.474	**100,0**	2.164	100,0	310

Total assets amounted to TEUR 2.473 as at March 31, 2025, which is TEUR 310 more than the TEUR 2.164 reported as at March 31, 2024. This is largely caused by the increase of tangible assets (TEUR 137) and trade debtors (TEUR 138).

Equity increased by TEUR 202 to TEUR 1.851 as at the balance sheet date on March 31, 2025. This is due to the result for the financial year 2024/2025.

The provisions decreased from TEUR 390 to TEUR 312, due to tax provisions because of higher tax prepayments.

The bank loan is used to finance a machine purchased during the financial year.

Rifox-Hans Richter GmbH Spezialarmaturen, Bremen (Germany)

The development of the financial position and results of operations, as well as the causative transactions, is shown by a statement of changes in financial positions (rounding differences are accepted) - according to the German Accounting Standard No. 21 - year on year - as follows:

	2025 TEUR	2024 TEUR
Net result	**202**	264
Loss from disposal of fixed assets	**-**	-
Depreciation	**49**	43
	251	307
Changes on assets (-increase/+decrease)		
Stocks	**-36**	14
Receivables and other assets	**-138**	-340
Deferred charges	**-8**	3
Changes on liabilities and shareholders' equity (+increase/-decrease)		
Provisions	**-79**	170
Trade creditors	**-3**	-1
Other creditors	**52**	-331
Cash flow from operating activities	**39**	-178
Proceeds from disposal of property, plant and equipment	**-**	-
Purchase of property, plant and equipment	**-186**	-26
Cash flow from investing activities	**-186**	-26
Liabilities to banks	**152**	-
Cash payments to lenders	**-14**	-
Cash flow from financing activities	**138**	-
Change in cash funds from cash relevant transactions	**-9**	-204
Cash funds at the beginning of period	**292**	496
Cash funds at the end of period	**283**	292

The solvency of the company was not at risk during the reporting year and up to our audit in April 2025.

2. Results of operations

Based on the income statement (Appendix II) we ascertained the following statement of operations with a view to economic aspects - according to accounting principles - for 2025 - financial year on year:

	2025		2024		Change
	TEUR	**%**	TEUR	%	TEUR
Operating income	**4.255**	**100,0**	4.438	100,0	-183
Cost of material	**1.038**	**24,4**	1.072	24,2	-34
Gross profit	**3.217**	**75,6**	3.366	75,8	-149
Other operating income	**115**	**2,7**	84	6,1	31
Staff costs	**2.405**	**56,5**	2.399	54,1	6
Depreciation	**49**	**1,2**	43	1,0	6
Other operating charges	**573**	**13,5**	620	14,0	-47
Operating charges	**2.912**	**68,4**	2.978	67,1	-66
Operating income (EBIT)	**305**	**7,2**	**388**	**8,7**	**-83**
Interest receivables and similar income	**2**	**0,0**	2	0,0	0
Interest and other similar charges	**9**	**0,2**	4	0,1	5
Financial Income	**-7**	**-0,2**	-2	0,0	-5
Operating and financial income	**298**	**7,0**	**386**	**8,7**	**-88**
Non operating income	**0**	**0,0**	0	0,0	0
Income taxes	**95**	**2,2**	121	2,8	-26
Non operating results	**-95**	**-2,2**	**-121**	**-2,8**	**26**
Other taxes	**1**	**0,0**	1	0,0	0
Result for the year	**202**	**4,7**	**264**	**5,8**	**-62**

The result for the year decreased by TEUR 62 to TEUR 202 compared to the result for the year 2023/2024. The margin decreased from 75,8% to 75,6%.

The business development is mainly due to lower adequate orders. Other costs decreased due to lower consulting fees. The IT migration was completed during the prior year, so no further IT migration costs were incurred.

3. Material company ratios - year on year

The following table illustrates the development of the company overall:

		2025	2024	2023	2022	2021	2020
Balance sheet total	(TEUR)	**2.473**	2.164	2.063	1.850	1.692	1.446
Equity	(TEUR)	**1.851**	1.649	1.386	1.046	778	673
Turnover	(TEUR)	**4.255**	4.438	4.010	3.839	2.817	3.416
Gross profit	(TEUR)	**3.217**	3.366	2.815	2.829	1.953	2.417
Result for the year	(TEUR)	**202**	264	340	268	106	152
Cash flow	(TEUR)	**251**	307	420	332	156	185
Equity ratio	in %	**74,9**	76,2	67,2	56,5	46,0	46,5

E. Conclusion

We have prepared the above report on the audit of the annual financial statements of Rifox-Hans Richter GmbH Spezialarmaturen, Bremen, for the financial year from April 01, 2024 through March 31, 2025 in accordance with the statutory regulations and the generally accepted standards for the issuance of long-form audit reports for the audits of financial statements (IDW PS 450 n.F).

Notes to the Financial Statements for the financial year

April 01, 2024 – March 31, 2025

Rifox-Hans Richter GmbH Spezialarmaturen, Bremen

A. General information on the annual financial statements

The annual financial statements as at 31 March 2024 were prepared in accordance with the provisions of Sections 242 et seq. of the German Commercial Code (HGB), in compliance with the supplementary provisions for corporations (§§ 264 ff HGB) in the version of the German Accounting Standards Directive (BilRUG).

Information on the identification of the company according to the register court:

Company name according to register court:	Rifox-Hans Richter GmbH Spezialarmaturen
Registered office:	Bremen
Register entry:	commercial register
Registry court:	Bremen
Registration number:	HRB 3148

Additionally to these regulations the German Limited Liability Companies Act had to be applied.

The total expenditure format was applied to the profit and loss account.

According to the size classes in § 267 (1) HGB the company is a small limited company.

The easing of restrictions for small limited companies according to § 274a and § 288 HGB were partly applied.

B. Information on accounting and valuation methods

The accounting and valuation methods of the previous year were maintained without change.

The intangible assets and property, plant and equipment were stated at acquisition or production cost and, to the extent that they can be worn out, reduced by scheduled depreciation.

The planned depreciation was made using the straight-line method or the declining-value method. The expected life-spans of the assets were estimated using the depreciation-index in line with the tax rules.

Low-value assets with acquisition costs of up to Euro 800.00 were fully written off in the year of acquisition

Stocks were listed at acquisition or production costs. If necessary the lower value on the key balance sheet date was used.

Trade receivables and other assets were valued considering all recognizable risks. Cash balance and bank accounts were listed at cash value.

To cover the general credit risk and the costs of discounts, general provisions for doubtful debts were formed.

The tax provisions include the taxes relating to the financial year and previous year that have not yet been assessed.

Other provisions account for all recognizable risks and uncertain liabilities. All recognizable risks were accounted for.

Liabilities are recognized at the fulfillment value.

C. Notes to the Balance Sheet

The development of the fixed assets is attached as appendix.

Specifications concerning trade receivables and other assets with a remaining term of more than one year can be gathered from the balance sheet.

Other provisions account for all recognizable risks and uncertain liabilities. The value was estimated according to reasonable commercial evaluation.

Specifications concerning liabilities with a remaining term of up to one year can be gathered from the balance sheet.

The total amount of liabilities recorded in the balance sheet with a remaining term of more than 5 years amounts to Euro 137.543,19 (previous year: Euro 0.00).

D. Other Information

In the financial year, an average of 30 employees were employed (previous year 30).

Members of the board of management:

Mr. Sandeep Mandke, Pune, India

Mr. Mahesh Channakeshaviah Bukinkere, Pune, India

Mr. Peter Overgaard, Hojbjerg, Denmark

The annual accounts were produced before appropriation of net income.

DIRECTORS' REPORT

The Directors have pleasure in submitting their report together with the audited financial statements of the Company for the financial year ended 31 March 2025.

Principal Activity

The principal activity of the Company is that of undertaking market research and business development in Malaysia as well as provision of erection, commissioning and supervision services.

There has been no significant changes in the nature of this principal activity during the financial year.

Financial Results

	RM
Profit for the financial year	322,385

Dividend

No dividend has been paid or declared by the Company since the end of the previous financial year. The Board of Directors does not recommend any dividend to be paid for the financial year under review.

Reserves and Provisions

There were no material transfers to or from reserves and provisions during the financial year other than those disclosed in the financial statements.

Issue of Shares and Debentures

There were no issuances of shares or debentures during the financial year under review.

Options Granted Over Unissued Shares

No options were granted to any person to take up unissued shares of the Company during the financial year under review.

Directors

The Directors in office during the financial year and during the period from the end of the financial year to the date of this report are:

Mandke Sandeep Suresh	
Dipu Varghese	(Appointed on 31 March 2025)
Shirsat Sandeep Manohar	(Resigned on 31 March 2025)

Directors' Interests in Shares or Debentures

According to the register of Directors' shareholdings required to be kept under Section 59 of the Companies Act 2016, none of the Directors who held office at the end of the financial year held any shares or debentures in the Company or its holding company or subsidiaries of the holding company during the financial year except as follows:

	No. of ordinary shares			
	As at 1.4.2024	Acquired	Disposed	As at 31.3.2025
Interest in the intermediate holding company - Thermax Limited				
Direct interest				
Mandke Sandeep Suresh	75	-	-	75

Other than as disclosed above, according to the register of Directors' shareholdings, the Director in office at the end of the financial year did not hold any interest in shares or debentures in the Company or its holding company or subsidiaries of the holding company during the financial year.

Directors' Benefits

Since the end of the previous financial year, no Director of the Company has received or become entitled to receive any benefit (other than a benefit included in the aggregate amount of emoluments received or due and receivable by Directors as shown in the financial statements) by reason of a contract made by the Company or a related corporation with the Director or with a firm of which the Director is a member, or with a company in which the Director has a substantial financial interest.

There were no arrangements during and at the end of the financial year which had the object of enabling the Directors of the Company to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

Directors' Remuneration

Directors' remuneration is as follows:

	RM
Director's remuneration	
- Salary and allowances	324,477
- Benefits in kind	67,652
	392,129

Auditors' Remuneration

Auditor's remuneration is as follows:

	RM
HLB Ler Lum Chew PLT	
- Statutory audit	6,500

Indemnity and Insurance for Directors and Officers

There was no indemnity given to or insurance effected for Directors or officers of the Company in accordance with Section 289 of the Companies Act 2016.

Other Statutory Information

Before the financial statements of the Company were prepared, the Directors took reasonable steps:

(i) to ascertain that action had been taken in relation to the writing off of bad debts and the making of provision for doubtful debts and satisfied themselves that all known bad debts had been written off and that adequate provision had been made for doubtful debts; and

(ii) to ensure that any current assets which were unlikely to be realised in the ordinary course of business including the value of current assets as shown in the accounting records of the Company have been written down to an amount which the current assets might be expected so to realise.

At the date of this report, the Directors are not aware of any circumstances which would render:

(i) the amount written off for bad debts or the amount of provision for doubtful debts in the financial statements of the Company inadequate to any substantial extent; or

(ii) the values attributed to the current assets in the financial statements of the Company misleading; or

(iii) adherence to the existing method of valuation of assets or liabilities of the Company misleading or inappropriate; or

(iv) any amount stated in the financial statements of the Company misleading.

No contingent or other liability of the Company has become enforceable, or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the Directors, will or may affect the ability of the Company to meet its obligations when they fall due.

At the date of this report, there does not exist:

(i) any charge on the assets of the Company which has arisen since the end of the financial year which secures the liabilities of any other person; or

(ii) any contingent liability of the Company which has arisen since the end of the financial year.

In the opinion of the Directors:

(i) the results of the operations of the Company for the financial year were not substantially affected by any item, transaction or event of a material and unusual nature; and

(ii) there has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely to affect substantially the results of the operations of the Company for the financial year in which this report is made.

Immediate Holding Company

The immediate holding company is Thermax Engineering Singapore Pte. Ltd., a company incorporated and domiciled in Singapore.

Intermediate Holding Company

The intermediate holding company is Thermax Limited, a company incorporated and domiciled in India.

Ultimate Holding Company

The Directors regard RDA Holdings Pvt. Ltd., a company incorporated in India, as the ultimate holding company.

Auditors

The auditors, HLB Ler Lum Chew PLT have expressed their willingness to accept re-appointment.

Signed in accordance with a resolution of the Directors.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBER OF THERMAX SDN. BHD.

Registration No.: 201101016787 (944923-K)

(Incorporated in Malaysia)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of THERMAX SDN. BHD., which comprise the statement of financial position as at 31 March 2025 of the Company, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows of the Company for the year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 11 to 38.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2025, and of its financial performance and its cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the information included in Directors' Report but does not include the financial statements of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Company, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Company, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

This report is made solely to the member of the Company, as a body, in accordance with Section 266 of the Companies Act 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2025

1. Corporate Information

The principal activity of the Company is that of undertaking market research and business development in Malaysia as well as provision of erection, commissioning and supervision services.

There has been no significant changes in the nature of this principal activity during the financial year.

The registered office and principal place of business of the Company is located at Unit 23A-2, Level 23A, Oval Tower, Menara Permata, No. 685, Jalan Damansara, 60000 Kuala Lumpur.

The Company is a private limited liability company, incorporated under the Companies Act, 1965 and domiciled in Malaysia.

The immediate holding company is Thermax Engineering Singapore Pte. Ltd., a company incorporated and domiciled in Singapore.

The intermediate holding company is Thermax Limited, a company incorporated and domiciled in India.

The Directors regard RDA Holdings Pvt. Ltd., a company incorporated in India, as the ultimate holding company.

2. Basis of Preparation and Accounting Policies

(a) Basis of preparation

The financial statements of the Company have been prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The financial statements have been prepared under the historical cost convention except as disclosed in material accounting policy information.

The preparation of financial statements in conformity with MFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reported year. It also requires Directors to exercise their judgement in the process of applying the Company's accounting policies. Although these estimates and judgements are based on the Directors' best knowledge of current events and actions, actual results may differ. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(b) to the financial statements.

Amendments to accounting standards that are effective for the Company's financial year beginning on or after 1 April 2024 are as follows:

- Amendments to MFRS 16, "Leases" (Lease Liability in a Sale and Leaseback)
- Amendments to MFRS 101, "Presentation of Financial Statements" (Non-current Liabilities with Covenants)
- Amendments to MFRS 107, "Statement of Cash Flows" and MFRS 7, "Financial Instruments: Disclosures" (Supplier Finance Arrangements)

The above amendments to accounting standards effective during the financial year do not have any material impact to the financial results and position of the Company.

Accounting standards and amendments to accounting standards that are applicable for the Company in the following periods but are not yet effective:

Annual periods beginning on/after 1 January 2025

- Amendments to MFRS 121 "The Effects of Changes in Foreign Exchange Rates" (Lack of Exchangeability)

Annual periods beginning on/after 1 January 2026

- Annual Improvements to MFRS Accounting Standards – Volume 11
  - Amendments to MFRS 1, "First-time Adoption of Malaysian Financial Reporting Standards"
  - Amendments to MFRS 7, "Financial Instruments: Disclosures"
  - Amendments to MFRS 9, "Financial Instruments"
  - Amendments to MFRS 10, "Consolidated Financial Statements"
  - Amendments to MFRS 107, "Statement of Cash Flows"
- Amendments to MFRS 9, "Financial Instruments" and MFRS 7, "Financial Instruments: Disclosures" (Classification and Measurement of Financial Instruments)

Annual periods beginning on/after 1 January 2027

- MFRS 18, "Presentation and Disclosure in Financial Statements"
- MFRS 19, "Subsidiaries without Public Accountability: Disclosures"

Effective date yet to be determined by the Malaysian Accounting Standards Board

- Amendments to MFRS 10, "Consolidated Financial Statements" and MFRS 128, "Investments in Associates and Joint Ventures" (Sale or Contribution of Assets between an Investor and its Associate or Joint Venture)

The adoption of the accounting standards and amendments to accounting standards are not expected to have any material impact to the financial statements of the Company.

(b) Significant accounting estimates and judgements

Estimates, assumptions concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the Company's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances.

The key assumptions concerning the future and other key sources of estimation or uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

(i) Revenue recognition from construction contracts

The Company recognises revenue from construction contracts over the period of the contract by reference to the progress towards complete satisfaction of the performance obligation using the input method. The input method recognises revenue based on direct measurements of the value transferred by the Company to the customer and the Company's efforts or budgeted inputs to the satisfaction of the performance obligation. Significant judgement is required in determining:

- the completeness and accuracy of the budgets;
- the extent of the costs incurred.

Substantial changes in cost estimates in future period can have a significant effect on the Company's revenue recognised. In making the above judgement, the Company relies on past experience and work of specialists.

(c) Foreign currencies

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (the "functional currency"). The financial statements are presented in Ringgit Malaysia ("RM"), which is the Company's functional and presentation currency.

(ii) Transaction and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are remeasured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss, except for differences arising from borrowings in foreign currencies and other currency instruments designated and qualifying as net investment hedges and net investment in foreign operations, are recognised in other comprehensive income and accumulated in the translation reserve.

Non-monetary items denominated in foreign currencies measured at fair value are translated using the spot exchange rates at the date when the fair value was determined. Exchange differences arising on the translation of non-monetary items carried at fair value are included in profit or loss, except for the differences arising on the translation of non-monetary items in respect of which gains and losses are recognised in other comprehensive income.

The principal closing rates used in translation of foreign currency amounts at the financial position were:

	2025	2024
	RM	RM
Foreign currency		
United States Dollar ("USD")	4.4320	4.7205

(d) Property, plant and equipment

(i) Recognition and measurement

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses. The cost of an item of property, plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are recognised as expenses in profit or loss during the financial period in which they are incurred.

When significant parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposals are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised in net in profit or loss.

(ii) Depreciation and impairment

Property, plant and equipment are depreciated on the straight line method to allocate the cost less its residual values over their estimated useful lives as follows:

Office equipment	5 -10 years

Depreciation methods, useful lives and residual values are reviewed at end of each reporting period, and adjusted as appropriate.

At the end of the reporting period, the Company assesses whether there is any indication of impairment. If such indications exist, an analysis is performed to assess whether the carrying amount of the asset is fully recoverable. A write down is made if the carrying amount exceeds the recoverable amount.

(e) Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, bank balances and deposits with banks and highly liquid investments which have an insignificant risk of changes in fair value with original maturities of three month or less, and are used by the Company in the management of their short term commitments. For the purpose of the statement of cash flows, cash and cash equivalents are presented net of bank overdrafts and pledged deposits.

(f) Financial instruments

(i) Classification

The Company classifies its financial assets at amortised cost.

The classification depends on the Company's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

The Company reclassifies debt instruments when and only when its business model for managing those assets changes.

(ii) Recognition and initial measurement

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the Company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(iii) Subsequent measurement

Debt instruments

Debt instruments mainly comprise of trade and other receivables, amount owing by holding company and cash and cash equivalents.

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in interest income using the effective interest rate method.

(iv) Impairment

The Company assesses expected credit losses associated with its debt instruments carried at amortised cost on a forward-looking basis. The impairment methodology applied depends

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2025

on whether there has been a significant increase in credit risk. Expected credit losses represent a probability-weighted estimate of the difference between present value of cash flows according to contract and present value of cash flows the Company expects to receive, over the remaining life of the financial instrument.

For trade receivables, the Company applies the simplified approach, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

While cash and cash equivalents are also subject to the impairment requirements of MFRS 9, the identified impairment loss was immaterial.

In measuring expected credit losses, trade receivables and contract assets are grouped based on shared credit risk characteristics and days past due.

In calculating the expected credit loss rates, the Company considers historical loss rates for each category of customers and adjusts to reflect current and forward-looking factors affecting the ability of the customers to settle the receivables.

The Company defines a financial instrument as default, which is aligned with the definition of credit-impaired, when the debtor meets unlikeliness to pay criteria, which indicates the debtor is in significant financial difficulty. The Company considers the following instances:

- The debtor is in breach of financial covenants
- Concessions have been made by the Company related to the debtor's financial difficulty
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganisation
- The debtor is insolvent

Financial assets that are credit-impaired are assessed for impairment on an individual basis.

The Company writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount. The Company may write-off financial assets that are still subject to enforcement activity.

(g) Financial liabilities

Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss. Finance liabilities carried at fair value through profit or loss are initially recognised at fair value, and transaction costs are expensed in profit or loss.

Fair value though profit or loss category comprises financial liabilities that are derivatives (except for a derivative that is a financial guarantee or a designated and effective hedging instrument) or financial liabilities that are specifically designated into this category upon initial recognition.

All financial liabilities are subsequently measured at amortised cost using the effective interest method other than those categorised as fair value through profit or loss.

Other financial liabilities categorised as fair value through profit or loss are subsequently measured at their fair values with the gain or loss recognised in profit or loss.

(h) Share capital

Ordinary shares and non-redeemable preference shares with discretionary dividends are classified as equity.

Other shares that carry mandatory dividend payments and mandatory redemption are classified as financial liabilities or a compound instrument according to the economic substance of the instrument.

(i) Leases

(i) Accounting by lessee

Leases are recognised as right-of-use assets and a corresponding liability at the commencement date on which the leased asset is available for use by the Company.

In determining the lease term, the Company considers all facts and circumstances that create an economic incentive to exercise an extension option, or not to exercise a termination option. Extension or termination options are taken into consideration in determining the lease term if it is reasonably certain that the lease will be extended or terminated.

Right-of-use assets are initially measured at cost comprising the following:

- The amount of the initial measurement of lease liability;
- Any lease payments made at or before the commencement date less any lease incentive received;
- Any initial direct costs; and
- Decommissioning or restoration costs

Right-of-use assets are subsequently measured at cost, less accumulated depreciation and impairment loss. The right-of-use assets are depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain that it will exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Lease liabilities are initially measured at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the lessee's incremental borrowing rate is used. Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Short-term leases are leases with a lease term of 12 months or less. Payments associated with short-term leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss.

(j) Current and deferred income tax

Income tax expense for the period comprises current and deferred income tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted by the end of the reporting period, and any adjustment to tax payable in respect of previous financial years.

Deferred tax is recognised, using the liability method, on temporary differences arising between the amounts attributed to assets and

liabilities for tax purposes and their carrying amounts in the financial statements. However, deferred tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred tax is determined using tax rates that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses or unused tax credits can be utilised.

Deferred and current tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income tax assets and liabilities relate to taxes levied by the same taxation authority on either the taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

(k) Revenue from contracts with customers

Revenue is recognised by reference to each distinct performance obligation promised in the contract with customer when or as the Company transfers the control of the goods or services promised in a contract and the customer obtains control of the goods or services. Depending on the substance of the respective contract with customer, the control of the promised goods or services may transfer over time or at a point in time.

A contract with customer exists when the contract has commercial substance, the Company and its customer have approved the contract and intend to perform their respective obligations, the Company's and the customer's rights regarding the goods or services to be transferred and the payment terms can be identified, and it is probable that the Company will collect the consideration to which it will be entitled to in exchange of those goods or services.

Construction contracts

Revenue from construction activities is recognised when or as the control of the asset is transferred to the customer. Depending on the terms of the contract and the laws that apply to the contract, control of the asset may transfer over time or at a point in time. Control of the asset is transferred over time if the Company's performance creates and enhances an asset that the customer controls as the Company performs.

If control of the asset transfers over time, revenue is recognised over the period of the contract by reference to the progress towards complete satisfaction of that performance obligation. Otherwise, revenue is recognised at a point in time when the customer obtains control of the asset.

The progress towards complete satisfaction of the performance obligation is assessed by reference to the proportion that contract costs incurred for work performed to-date bear to the estimated total contract costs.

Incremental costs of obtaining a contract, if recoverable, are capitalised as contract assets and are subsequently amortised consistently with the pattern of revenue for the related contract.

(l) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognised for the amount expected to be paid under short-term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Defined contribution plans

As required by law, companies in Malaysia make contributions to the state pension scheme, the Employees Provident Fund ("EPF"). Such contributions are recognised as an expense in profit or loss in the period to which they relate.

3. PROPERTY, PLANT AND EQUIPMENT

	RM	RM
Current taxation:		
- Current year	**132,135**	10,870
- (Over)/Under provision in prior years	**(10,010)**	40,728
	122,125	51,598

Income tax is calculated at the statutory rate of 24% (2024: 24%) on the chargeable income of the estimated assessable profit for the financial year.

A reconciliation of income tax expense applicable to profit before taxation at the statutory income tax rate to the income tax expense at the effective income tax rate of the Company is as follows:

	2025	2024
	RM	RM
Profit before taxation	**444,510**	133,786
Taxation on statutory tax rate of 24% (2024: 24%)	**106,682**	32,109
Changes in unrecognised temporary differences	**(7,367)**	(50,265)
Expenses not deductible for tax purposes	**32,820**	29,026
(Over)/Under provision of taxation in prior years	**(10,010)**	40,728
Taxation for the financial year	**122,125**	51,598

The deductible temporary differences of the Company for which no deferred tax assets were recognised in the statement of financial position are as follows:

	2025	2024
	RM	RM
Deferred tax assets		
- advances received from customers	**4,200**	1,800
- lease liability	**-**	5,597
- provisions	**2,400**	3,341
- unrealised foreign exchange difference	**2,122**	11,021
	8,722	21,759
Offsetting	**(523)**	(5,962)
Net deferred tax assets not recognised	**8,199**	15,797
Deferred tax liabilities		
- property, plant and equipment	**523**	510
- right-of-use asset	**-**	5,452
	523	5,962
Offsetting	**(523)**	(5,962)
Net deferred tax liabilities	**-**	-

18. Staff Costs

	2025	2024
	RM	RM
Staff costs (excluding Directors)	**452,637**	543,649

Included in staff costs of the Company (excluding Directors) is contributions made to the Employees Provident Fund under a defined contribution plan amounting to RM33,452 (2024: RM40,435).

The total number of employees of the Company (excluding Directors) at the end of the financial year was 5 (2024: 3).

19. Significant Related Party Transactions

For the purposes of these financial statements, parties are considered to be related to the Company if the Company has the ability, directly or indirectly, to control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Company and the party are subject to common control or common significant influence. Related parties may be individuals or other entities.

The significant related party transactions are as follows:

	2025	2024
	RM	RM
Administration fee charged to intermediate holding company	**1,017,591**	1,153,909
Purchase of equipment from intermediate holding company	**(639,465)**	-

The remuneration of Director during the financial year is disclosed in Note 16 to the financial statements.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2025

20. Financial Instruments

The table below provides an analysis of financial instruments and their categories in which they are subsequently measured:

	2025	2024
	Amortised costs	Amortised costs
	RM	RM
Financial assets		
Trade receivables	**681,275**	394,567
Other receivables	**37,635**	29,375
Amount owing by holding company	**358,129**	478,590
Amount owing by a Director	**6,094**	2,834
Cash and bank balances	**1,459,681**	860,901
	2,542,814	1,766,267
Financial liabilities		
Trade payables	**1,456,329**	678,701
Other payables	**35,790**	23,659
Lease liability	**-**	23,320
	1,492,119	725,680

Financial risk management objectives and policies

The Company financial risk management policy is to ensure that adequate financial resources are available for the development of the Company's operations whilst managing its financial risks, including credit risk, liquidity risk and market risk.

Credit risk

Credit risk is the risk of a financial loss to the Company if a counterparty of a financial asset fails to meet its contractual obligations. The Company's exposure to credit risk arises mainly from trade and other receivables, contract assets and intercompany receivables.

Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis through the review of receivables and contract assets ageing.

The maximum exposure to credit risk for the Company is the carrying amount of the financial assets shown in the statement of financial position.

The ageing analysis of the Company's trade receivables is as follows:

	2025	2024
	RM	RM
Past due 0 – 6 months but not individually impaired	**653,667**	394,116
Past due 6 months – 1 year but not individually impaired	**-**	-
Past due more than 1 year but not individually impaired	**27,300**	451
Past due more than 2 years but not individually impaired	**308**	-
	681,275	394,567
Individually impaired	**10,000**	10,000
	691,275	404,567

The Company's trade receivables of RM681,275 (2024: RM394,567) that are past due at the reporting date but not impaired relate mainly to customers who have never defaulted on payments but are slow paymasters and are periodically monitored.

The Company's trade receivables of RM10,000 (2024: 10,000) were individually impaired. The individually impaired receivable relates to trade receivable which is facing cash flows difficulties.

At the reporting date, the Company's concentration of the top 2 (2024: top 1) trade customers of the Company represents 96% (2024: 97%) of the total trade receivables.

Movement on the expected credit loss allowances on trade receivables is as follows:

	2025	2024
	RM	RM
At beginning of the financial year	**-**	-
Charge during the financial year	**10,000**	10,000
At end of the financial year	**10,000**	10,000
Represented by:		
Individually impairment	**10,000**	10,000

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's exposure to liquidity risk arises principally from trade and other payables.

The table below summarises the maturity profile of the Company's financial liabilities as at the end of the reporting period based on contractual undiscounted payments:

	Carrying amount	**Contractual interest rate**	**Contractual cash flow**	**On demand or within one year**
	RM	**%**	**RM**	**RM**
2025				
Trade payables	**1,456,329**	-	**1,456,329**	1,456,329
Other payables	**35,790**	-	**35,790**	35,790
	1,492,119		**1,492,119**	1,492,119
2024				
Trade payables	**678,701**	-	**678,701**	678,701
Other payables	**23,659**	-	**23,659**	23,659
Lease liability	**23,320**	-	**24,000**	24,000
	725,680		**726,360**	726,360

Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and cash flow and fair value interest rate risk that may affect the Company's financial position and cash flows.

(a) Foreign currency exchange risk

The Company is exposed to foreign currency risk on transactions and balances that are denominated in currencies other than the functional currency. The currencies give rise to this risk is primarily United States Dollar ("USD"). Foreign currency exchange risk is monitored closely on an ongoing basis to ensure that the net exposure is at an acceptable level.

The Company's exposure to foreign currency exchange risk, denominated in USD, based on carrying amounts as at the end of the reporting period was:

	2025	2024
	RM	RM
Trade payables	**1,165,069**	631,488

The following shows the sensitivity of the Company's equity and profit net of tax to a reasonably possible change in the USD exchange rates against the functional currency, with all other variables remain constant.

	Increase/(decrease) Profit net of tax	
	2025	2024
	RM	RM
USD/RM - strengthening 1%	**(8,855)**	(4,799)
USD/RM - weakening 1%	**8,855**	4,799

Fair value information

The carrying amounts of cash and bank balances, trade and other receivables, amount owing by holding company, amount owing by a Director, trade and other payables are carried at their approximate fair values due to the relatively short term nature of these financial instruments.

The Company does not anticipate the carrying amounts recorded at the reporting date to be significantly different from the values that would eventually be settled. Therefore, the fair value hierarchy is not presented.

21. Capital Management

The objective of the Company's capital management is to ensure that it maintains a strong credit rating and safeguard the Company's ability to continue as a going concern, so as to support its business, maintain the market confidence and maximise its shareholders value.

During the financial year, the Company is not subject to externally imposed capital requirement as it does not have any external borrowings.

22. Date of Authorisation for Issue

The financial statements of the Company for the financial year ended 31 March 2025 were authorised for issue in accordance with a resolution of the Board of Directors on 25 April 2025.

Management Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Boilerworks A/S for the financial year 1 April 2024 - 31 March 2025.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 March 2025 of the Company and of the results of the Company operations for 2024/25.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the shareholder of Boilerworks A/S

Opinion

We have audited the Financial Statements of Boilerworks A/S for the financial year 1 April 2024 - 31 March 2025, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 March 2025 and of the results of the Company´s operations for the financial year 1 April 2024 - 31 March 2025 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the Financial Statements" section of our report.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company´s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

BOILERWORKS A/S

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company´s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company´s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management review

Key activities

Boilerworks A/S, which has its registered address in the Danish municipality of Herning, is a fully owned subsidiary of Thermax Denmark ApS. The ultimate parent company of the company is RDA Holdings Private Limited, Pune, India, which holds the majority through the listed company Thermax Ltd., Pune, India.

Boilerworks A/S designs, produces and supplies high-pressure boilers and components to power stations, waste-fuelled and biomass-fuelled plants as well as petrochemical plants. Moreover, the Company manufactures a wide variety of heat exchangers and flue-gas coolers.

The maintenance of boiler systems is one of Boilerworks' specialties. This includes everything from simple repairs to extensive maintenance planning, modernisation and optimisations of the system, installation of new components and control systems.

Development in the year

The income statement of the Company for 2024/25 shows a loss of TDKK 322, and at 31 March 2025 the balance sheet of the Company shows a negative equity of TDKK 5,305.

All projects has been closed.

Capital resources

Management is aware that the Company is subject to capital loss regulations in the Danish Companies Act § 119. Management expects that the capital will be re-established through capital contributions.

Subsequent events

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

6. Contingent assets, liabilities and other financial obligations

Guarantee obligations

Performance bonds and advance payment guarantees issued by guarantors' amount to DKK 1,646 thousand.

Other contingent liabilities

The Company has issued a letter of unlimited guarantee in favour of bank facilities in affiliated Danish companies. Bank facilities only comprise positive bank balances at 31 March 2025

The Company is jointly taxed with the Danish parent company and Danish subsidiaries. The companies included in the joint taxation have joint and several unlimited liability for Danish corporation taxes and withholding taxes on dividends, interest, and royalties.

7. Related parties and disclosure of consolidated financial statements

Consolidated Financial Statements

The Company is included in the Group Annual Report of the Parent Company:

Name	Place of registered office
Thermax Denmark ApS	Denmark

Requisitioning of the parent company's consolidated financial statements:

www.cvr.dk

8. Accounting policies

The Annual Report of Boilerworks A/S for 2024/25 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B as well as selected rules applying to reporting class C.

The accounting policies applied remain unchanged from last year.

The Financial Statements for 2024/25 are presented in TDKK.

Recognition and measurement

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Leases

Leases in terms of which the Company assumes substantially all the risks and rewards of ownership (finance leases) are recognised in the balance sheet at the lower of the fair value of the leased asset and the net present value of the lease payments computed by applying the interest rate implicit in the lease or an alternative borrowing rate as the discount rate. Assets acquired under finance leases are depreciated and written down for impairment under the same policy as determined for the other fixed assets of the Company.

The remaining lease obligation is capitalised and recognised in the balance sheet under debt, and the interest element on the lease payments is charged over the lease term to the income statement.

All other leases are considered operating leases. Payments made under operating leases are recognised in the income statement on a straight-line basis over the lease term.

The Company has chosen IAS 17 as interpretation for classification and recognition of leases.

Translation policies

Danish kroner is used as the presentation currency. All other currencies are regarded as foreign currencies.

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the rates at the time when the receivable or the debt arose are recognised in financial income and expenses in the income statement.

Fixed assets acquired in foreign currencies are measured at the transaction date rates.

Derivative financial instruments

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently remeasured at their fair values. Positive and negative fair values of derivative financial instruments are classified as "Other receivables" and "Other payables", respectively.

Changes in the fair values of derivative financial instruments are recognised in the income statement unless the derivative financial instrument is designated and qualify as hedge accounting.

NOTES TO THE FINANCIAL STATEMENTS

Income statement

Revenue

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably and it is probable that the economic benefits relating to the sale will flow to the Company.

Contract work in progress (construction contracts) is recognised at the rate of completion, which means that revenue equals the selling price of the work completed for the year (percentage-of-completion method). This method is applied when total revenues and expenses in respect of the contract and the stage of completion at the balance sheet date can be measured reliably, and it is probable that the economic benefits, including payments, will flow to the Company. The stage of completion is determined on the basis of the ratio between the expenses incurred and the total expected expenses of the contract.

Services are recognised at the rate of completion of the service to which the contract relates by using the percentage-of- completion method, which means that revenue equals the selling price of the service completed for the year. This method is applied when total revenues and expenses in respect of the service and the stage of completion at the balance sheet date can be measured reliably, and it is probable that the economic benefits, including payments, will flow to the Company. The stage of completion is determined on the basis of the ratio between the expenses incurred and the total expected expenses of the service.

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to sales.

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Production expenses

Production expenses comprise costs incurred to achieve revenue for the year. Cost comprises raw materials, consumables, direct labour costs and indirect production costs such as maintenance and depreciation, etc, as well as operation, administration and management of factories.

Production expenses also include research and development costs that do not qualify for capitalisation as well as amortisation of capitalised development costs. Finally, provisions for losses on contract work are recognised.

Gross profit/loss

With reference to section 32 of the Danish Financial Statements Act, gross profit/loss comprises of revenue, production expenses and other operating income.

Administrative expenses

Administrative expenses comprise expenses for Management, administrative staff, office expenses, depreciation, etc.

Financial income and expenses

Financial income and expenses comprise interest, financial expenses in respect of finance leases, realised and unrealised exchange adjustments, price adjustment of securities, amortisation of mortgage loans as well as extra payments and repayment under the on-account taxation scheme.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for year is recognised in the income statement, whereas the tax attributable to equity transactions is recognised directly in equity.

Any changes in deferred tax due to changes to tax rates are recognised in the income statement.

The Company is jointly taxed with other group entities. The tax effect of the joint taxation with the subsidiaries is allocated to enterprises showing profits or losses in proportion to their taxable incomes (full allocation with credit for tax losses).

Balance sheet

Receivables

Receivables are measured in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts.

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Cash

Cash comprise cash.

Equity

Reserve for development costs

The reserve for development costs comprises recognised development costs. The reserve cannot be used to distribute dividends or cover losses. The reserve will be reduced or dissolved if the recognized development costs are no longer part of the Company's operations by a transfer directly to the distributable reserves under equity.

Proposed dividends

Dividend proposed for the year is recognised as a liability once adopted at the annual general meeting (declaration date). Dividends expected to be distributed for the financial year are presented as a separate item under "Equity".

Deferred tax assets and liabilities

Deferred tax is recognised in respect of all temporary differences between the carrying amount and the tax base of assets and liabilities. However, deferred tax is not recognised in respect of temporary differences concerning goodwill not deductible for tax purposes and other items - apart from business acquisitions - where temporary differences have arisen at the time of acquisition without affecting the profit for the year or the taxable income.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. In cases where the computation of the tax base may be made according to alternative tax rules, deferred tax is measured on the basis of the intended use of the asset and settlement of the liability, respectively.

Deferred tax assets, including the tax base of tax loss carry-forwards, are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities.

Deferred tax assets and liabilities are offset within the same legal tax entity.

Current tax receivables and liabilities

Current tax receivables and liabilities are recognised in the balance sheet at the amount calculated on the basis of the expected taxable income for the year adjusted for tax on taxable incomes for prior years. Tax receivables and liabilities are offset if there is a legally enforceable right of set-off and an intention to settle on a net basis or simultaneously.

Joint taxation contributions payable and receivable are recognised in the balance sheet under balances with group enterprises.

Financial debts

Loans are recognised initially at the proceeds received net of transaction expenses incurred. Subsequently, the loans are measured at amortised cost; the difference between the proceeds and the nominal value is recognised as an interest expense in the income statement over the loan period.

Other debts are measured at amortised cost, substantially corresponding to nominal value.

The Company has chosen IAS 39 as interpretation for recognition and measurement of liabilities.

INDEPENDENT AUDITORS' REPORT

Report No. 01250/2.1032/AU.1/10/0687- 8/1/V/2025

The Shareholders, the Commissioner, and the Board of Directors

PT Thermax International Indonesia

Opinion

We have audited the accompanying financial statements of PT Thermax International Indonesia (the "Company"), which comprise the statement of financial position as of March 31, 2025, and the statement of profit or loss and other comprehensive loss, statement of changes in equity, and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of March 31, 2025, and its financial performance and cash flows for the year then ended, in accordance with Indonesian Financial Accounting Standards.

Basis for opinion

We conducted our audit in accordance with Standards on Auditing established by the Indonesian Institute of Certified Public Accountants ("IICPA"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements paragraph of our report. We are independent of the Company in accordance with the ethical requirements relevant to our audit of the financial statements in Indonesia, and we have fulfilled our other ethical responsibilities in accordance with such requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Indonesian Financial Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease its operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing established by the IICPA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected

to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing established by the IICPA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to such risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our independent auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion is based on the audit evidence obtained up to the date of our independent auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

  As part of an audit in accordance with Standards on Auditing established by the IICPA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: (continued)

  - Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes to the financial statements form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

As of March 31, 2025 and for the Year Then Ended

(Expressed in thousands of Rupiah, unless otherwise stated)

1. GENERAL

PT Thermax International Indonesia (the "Company") was established on October 22, 2014 based on Notarial Deed No. 12 dated October 1, 2014 of Jimmy Tanal, S.H., M.Kn., Notary in Jakarta. The Notarial Deed was approved by the Minister of Law and Human Rights of the Republic of Indonesia through Decision Letter No. AHU-30730.40.10.2014 dated October 22, 2014.

The Company's Articles of Association have been amended from time to time. The most recent amendment was based on Notarial Deed No. 319 dated October 15, 2024 of Jimmy Tanal, S.H., M.Kn., a Notary in Jakarta, concerning the increase in the authorised capital to become 362,000 shares, increase the issued and paid-up capital to become 362,000 shares,. The Notarial Deed has been approved by the Ministry of Law and Human Rights of Republic of Indonesia (''MOLHR'') through decision letter No. AHU-0067134.AH.01.02. Tahun 2024 dated October 21, 2024 (Note 17)

In accordance with Article 3 of the Company's Articles of Association, the main activity of the Company is the manufacturing of industrial products such as steam boilers, heaters, absorption chillers, etc and their spare parts. The Company commenced its commercial production in second quarter of financial year 2017 - 2018.

The Company's office is located at Menara Palma 9th Floor Unit 9-02B/03, Jl. H.R. Rasuna Said Blok. X Kav. 6, South Jakarta 12950 and the manufacturing plant is located at Krakatau Industrial Estate, Cilegon, Banten

As at March 31, 2025 and 2024, the Company's Commissioner and Board of Directors were as follows:

March 31, 2025

Mr. Rabindranath R. Pillai : President Director

Mr. Rajendran Arunachalam : Commissioner

Mr. Mahesh C. Bukinkere: Director

Mr. Hemant Y. Joshi : Director

Mr. Dinesh S. Mandhana : Director

March 31, 2024

Mr. Rajendran Arunachalam : Commissioner

Mr. Mahesh C. Bukinkere: Director

Mr. Hemant Y. Joshi : Director

Mr. Dinesh S. Mandhana : Director

The above Commissioner and the Board of Directors are based on Notarial Deed No. 10 by Jimmy Tanal, SH., M. Kn., dated July 01,j ; 2024, which has been acknowledged by the Ministry of Law and Human Rights through Decision Letter No.AHU-AHU-0137396.AH.01.011.Tahun 2024.

As of March 31, 2025, the Company has a total of permanent 140 employees (2024: 112) (unaudited).

The Company's parent entity is Thermax Engineering Singapore Pte. Ltd., a company incorporated in Singapore. The Company's ultimate holding company is RDA Holding Private Limited, a company incorporated in India.

The management is responsible for the preparation and presentation of the financial statements, which were completed and authorized for issuance by the Company's directors on May 9, 2025.

2. SUMMARY OF MATERIAL ACCOUNTING POLICIES INFORMATION

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods mentioned unless otherwise stated.

a. Basis of preparation of the financial statements

The Company's financial statements have been prepared in accordance with Indonesian Financial Accounting Standards.

The financial statements have been prepared under the historical cost convention and using the accrual basis, except for the statement of cash flows.

The statements of cash flows are prepared based on the indirect method by classifying cash flows on the basis of operating, investing and financing activities. For these purposes, cash and cash equivalents are shown net of bank overdrafts.

Figures in the financial statements are rounded to and stated in thousands of Rupiah ("Rp"), unless otherwise stated. The accounting policies adopted by the Company are consistently applied for the years covered by the financial statements, except for new and revised accounting standards as disclosed in the following Note 2b.

The preparation of financial statements in conformity with Indonesian Financial Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment when applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3

The financial reporting period of the Company is April 1 - March 31.

b. Changes in accounting principles

Amendment of PSAK 201: Non-current Liabilities with Covenants

The amendments specify the requirements for classifying liabilities as current or non-current and clarify:

- what is meant by a right to defer settlement,
- the right to defer must exist at the end of the reporting period,
- classification is not affected by the likelihood that an entity will exercise its deferral right, and
- That if an embedded derivative in a convertible liability is considered as an equity instrument, the terms of the liability would not affect its classification as current or non-current

In addition, an entity is required to disclose when a liability, arising from a loan agreement, is classified as non-current and the Company's right to defer settlement is subject to compliance with future covenants within twelve months.

The amendments are not expected to have an impact on the Company's financial statements.

Amendment of PSAK 116: Lease liability in a Sale and Leaseback

The amendment specifies the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains.

The amendments are not expected to have an impact on the Company's financial statements.

Amendment of PSAK 207 and PSAK 107: Supplier Finance Arrangements

The amendments to PSAK 207 and PSAK 107 clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an Company's liabilities, cash flows and exposure to liquidity risk.

The amendments are not expected to have an impact on the Company's financial statements.

c. Current and non-current classification

The Company presents assets and liabilities in the statement of financial position based on current/non-current classification. An asset is current when it is:

1) expected to be realized or intended to be sold or consumed in the normal operating cycle,

2) held primarily for the purpose of trading,

3) expected to be realized within 12 months after the reporting period, or

4) cash or cash equivalent unless restricted from being exchanged or used to settle

All other assets are classified as non-current.

A liability is current when it is:

i) expected to be settled in the normal operating cycle,

ii) held primarily for the purpose of trading,

iii) due to be settled within twelve months after the reporting period, or

iv) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

d. Foreign currency translation

i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (the "functional currency").

The financial statements are presented in Rupiah, which is the functional and presentation currency of the Company.

ii) Transactions and balances

Foreign currency transactions are translated into Rupiah using the exchange rates prevailing at the dates of the transactions. At each reporting date, monetary assets and liabilities denominated in foreign currency are translated into Rupiah using the closing exchange rate. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

As at March 31, 2025 and 2024, the exchange rates used, were as follows (United States Dollars full amount):

	March 31, 2025	March 31, 2024
United States Dollars 1	**16.588**	15.853
Euro 1	**17.893**	17.161

Transactions in foreign currencies other than US Dollar and Euro are not significant.

e. Financial instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

The Company's financial assets at amortized cost includes cash on hand and in banks, trade receivables, unbilled receivables, shareholder receivables, other receivables, and finance lease receivables.

Initial Recognition and Measurement

At initial recognition, the Company measures a financial asset at its fair value plus transaction costs, in the case of a financial asset not at fair value through profit or loss ("FVTPL"). Trade receivables that do not contain a significant financing component, for which the Company has applied the practical expedient are measured at the transaction price determined under PSAK 115: Revenue from contracts with customers, as disclosed in Note 2l

In order for a financial asset to be classified and measured at amortized cost or FVOCI, it needs to give rise to cash flows that are 'solely payments of principal and interest ("SPPI")' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Financial assets at amortized cost (debt instruments),
- Financial assets at FVOCI with recycling of cumulative gains and losses (debt instruments),
- Financial assets designated at FVOCI with no recycling of cumulative gains and losses upon derecognition (equity instruments), and
- Fair value through profit or loss (FVTPL).

The subsequent measurement of financial assets depends on their classification as described below:

Financial assets at amortized cost (debt instruments)

The Company measures financial assets at amortized cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding

Financial assets at amortized cost are subsequently measured using the effective interest ("EIR") method and are subject to impairment. Gains and losses are recognized in profit or loss when the asset is derecognized, modified or impaired.

The Company's financial assets at amortized cost includes trade receivables, unbilled receivables, other receivables, shareholder receivable, and finance lease receivables.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e., removed from the Company's statement of financial position) when:

- The rights to receive cash flows from the asset have expired;

  Or

- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the

asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if, and to what extent, it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of its continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

The Company recognizes an allowance for ECL for all debt instruments not held at FVTPL and financial guarantee contracts. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original EIR. The expected cash flows include any cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognized in two stages. When there have been significant increases in credit risks since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). But, when there have been significant increases in credit risks since initial recognition, a loss allowance is recognized for credit losses expected over the remaining life of the asset, irrespective of timing of the default (a lifetime ECL).

Because its contract assets, trade and other receivables do not contain significant financing component, the Company applies a simplified approach in calculating ECL. Therefore, the Company does not track changes in credit risk, but instead recognizes a loss allowance based on lifetime ECL at each reporting date. The Company established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

The Company considers a financial asset in default when contractual payments are 360 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Financial liabilities

Initial Recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade payables, accrued expenses and other payables, lease liability, provisions for warranties, other current liabilty, other non-current liability and bank overdrafts.

Subsequent Measurement

The subsequent measurement of financial liabilities depends on their classification as described below:

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by PSAK 109: Financial instruments. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit or loss.

Financial liabilities designated upon initial recognition at FVTPL are designated at the initial date of recognition, and only if the criteria in PSAK 109 are satisfied. The Company has not designated any financial liability as at FVTPL.

Financial liabilities at amortized cost (Loans and borrowings)

i) Long-term Interest-bearing Loans and Borrowings

Subsequent to initial recognition, long-term interest-bearing loans and borrowings are measured at amortized acquisition costs using EIR method. At the reporting dates, accrued interest is recorded separately from the associated borrowings within the current liabilities section. Gains and losses are recognized in the profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the profit or loss.

ii) Payables and Accruals

Liabilities for current trade and other accounts payable, accrued expenses and short-term employee benefit liability are stated at carrying amounts (notional amounts), which approximate their fair values.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

f. Cash on hand and in banks

Cash on hand and cash in banks are not used as collateral or are not restricted.

For the purpose of the statement of cash flows, cash on hand and cash in banks, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

The statement of cash flows has been prepared using the indirect method by classifying cash flows on the basis of operating, investing and financing activities.

g. Inventories

Inventories are stated at the lower of cost or net realisable value. Cost is generally determined by the moving average method for raw materials. The cost of finished goods and work in progress comprises raw materials, labour and an appropriate proportion of directly attributable fixed and variable overheads.

Net realisable value is the estimate of the selling price in the ordinary course of business, less the estimated costs of completion, if any, and selling expenses.

Provision for obsolete and slow moving inventory is determined on the basis of estimated future sale of individual inventory items.

h. Fixed assets

Initial legal costs incurred to obtain land rights are recognised as part of the acquisition cost of the land, and these costs are not depreciated. The costs related to renewal of land rights are recognised as intangible assets and amortised during the period of the land rights or the land's economic life, whichever is shorter.

Fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditures that is directly attributable to the acquisition of the assets.

Major spare parts and stand-by equipment are classified as fixed assets when they are expected to be used in operations for more than one year.

Land is not depreciated. Depreciation of other fixed assets starts when it is available for use and is calculated using the straight-line method to allocate their costs to their residual values over their estimated useful lives, as follows:

	Year
Buildings	20
Machinery	16
Computers	4
Office equipment	4
Furniture and fixtures	4-8
Tools and equipment	4
Vehicles	8

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amounts of replaced parts are derecognised. All other repairs and maintenances are charged to profit or loss during the financial period in which they are incurred.

The assets' residual values, useful lives and depreciation method are reviewed and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down to its recoverable amount if the asset's carrying value is greater than its estimated recoverable amount.

Net gains or losses on disposals of fixed assets are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

The accumulated costs of the construction of buildings or factories and the installation of machinery are capitalised as construction in progress. These costs are reclassified to fixed assets when the construction or installation is complete. Depreciation is charged from the date the assets are ready for use in the manner intended by Management.

i. Impairment of non-current assets

Fixed assets and intangible assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the non-current assets carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. For the purpose of assessing impairment, non-current assets are Companyed at the lowest levels for which there are separately identifiable cash flows.

Reversal of an impairment loss for non-current assets will be recognised if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment test was carried out. Reversal of impairment losses will be immediately recognised in profit or loss.

j. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right of use assets

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or before the commencement date, plus any initial direct cost incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset to the condition required by the terms and conditions of the lease, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company's right-of-use asset are office spaces are depreciated over the lease period which is 36 months.

If the lease transfers the ownership of the underlying asset to the Company by the end of the lease term or if the cost of the right-of-use asset reflects that the Company will exercise a purchase option, the Company depreciates the right-of-use asset from the commencement date to the end of the useful life of the underlying asset. Otherwise, the Company depreciates the right-of-use asset from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

ii) Lease liabilities

At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a

rate are recognized as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss and other comprehensive income due to its operating nature. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

k. Employment benefit liabilities

Short-term employee benefits

Short-term employee benefits are employee benefit which are due for payment within twelve months after the reporting period and recognized when the employees have rendered their service.

Long-term employee benefits

The Company made additional provision for employee benefit and other long-term employee benefit to qualified employees under Collective Labor Agreement and Government Regulation in Lieu of Law No. 2/2022 (the "Cipta Kerja Law", (UUCK)).The additional provisions are estimated through actuarial calculations using the "Projected Unit Credit" method.

Re-measurements, comprising of actuarial gains and losses, are recognized immediately in the statement of financial position with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss at the earlier between:

i) the date of the plan amendment or curtailment, and

ii) the date the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The Company recognizes the following changes in the net defined benefit obligation under "Cost of Goods Sold" and "General and Administrative Expenses" as appropriate in the statement of profit or loss and other comprehensive income:

i) Service costs comprising current service costs, past-service costs, gains or losses on curtailments and non-routine settlements, and

ii) Net interest expense or income

l. Revenue and expense recognition

The Company adopted PSAK 115, "Revenue from Contracts with Customers", which requires revenue recognition to fulfill 5 (five) steps of assessments as follows:

1. Identify contracts with customers.

2. Identify the performance obligations in the contract. Performance obligations are promises in a contract to transfer to a customer goods or services that ate distinct.

3. Determine the transaction price, net of discounts, returns, sales incentives and value added tax, which an entity expects to be entitled in exchange for transferring the promised goods or services to a customer.

4. Allocate the transaction price to each performance obligation on the basis of the relative stand-alone selling prices of each distinct goods or services promises in the contract. Where these are not directly observable, the relative standalone selling price are estimated based on expected cost plus margin.

5. Recognize revenue when performance obligation is satisfied by transferring a promised goods or services to a customer (which is when the customer obtains control of that goods or services).

A performance obligation may be satisfied at the following:

- A point in time (typically for promises to transfer goods to a customer); or Over time (typically for promises to transfer services to a customer). For a performance obligation satisfied over time, the Company selects an appropriate measure of progress to determine the amount of revenue that should be recognized as the performance obligation is satisfied.

The Company recognizes project revenues over time by using the input method based on the project completion progress and cost review reports of the projects. Project revenues received in advance are presented as "Unearned revenue".

Expenses are recognised as incurred on an accrual basis.

m. Taxation

Current tax

Current income tax assets and liabilities for the current period are measured at the amount expected to be recovered from or paid to the taxation authority.

Current tax expense is determined based on the taxable profit for the year computed using the prevailing tax rates.

Underpayment/overpayment of income tax are presented as part of "Tax Expense - Current" in the statement of profit or loss. The Company presented interest/penalty, if any, as part of "Other Expense".

Amendments to taxation obligation are recorded when an assessment is received or, if appeal is applied, when the results of the appeal are received. The additional taxes and penalty imposed through Tax Assessment Letter ("SKP") are recognized as income or expense in the current period profit or loss, unless objection/appeal action is taken. The additional taxes and penalty imposed through SKP are deferred as long as they meet the asset recognition criteria.

Deferred tax

Deferred tax assets and liabilities are recognized using the liability method for the future tax consequences attributable to differences between the carrying amounts of existing assets and liabilities in the financial statements and their respective tax bases at each reporting date. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences and accumulated fiscal losses to the extent that it is probable that taxable profit will be available in future years against which the deductible temporary differences and

accumulated fiscal losses can be utilized.

The carrying amount of a deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. At the end of each reporting period, the Company reassesses unrecognized deferred tax assets. The Company recognizes previously unrecognized deferred tax assets to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

Deferred tax is calculated at the tax rates that have been enacted or substantively enacted at the reporting date. Changes in the carrying amount of deferred tax assets and liabilities due to a change in tax rates are charged to current period operations, except to the extent that they relate to items previously charged or credited to equity.

Deferred tax assets and liabilities are offset in the statement of financial position, consistent with the presentation of current tax assets and liabilities.

Pillar two income taxes

In response to the implementation of the Organisation for Economic Co-operation and Development ("OECD") Pillar Two framework, on December 31, 2024, Indonesian Government implemented Pillar Two framework through Ministry of Finance Regulation No. 136/2024 (PMK 136/2024). The Pillar Two model rules as implemented under PMK 136/2024 will take effect for fiscal years beginning on or after January 1, 2025. For the year ended December 31, 2024, the Company has applied amendments to PSAK 212: Income Taxes, which provide mandatory temporary exception from recognizing or disclosing deferred taxes related to Pillar Two.

Value Added Tax

Revenue, expenses and assets are recognized net of the amount of VAT except:

- Where the VAT incurred on a purchase of assets or services is not recoverable, in which case the VAT is recognized as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of VAT included.

The net amount of VAT which is claimed for restitution from, or payable to, the taxation authorities is included as part of assets or liabilities in the statement of financial position.

Final Tax

In accordance with the tax regulation in Indonesia, final tax is applied to the gross value of transactions, even when the parties carrying the transaction recognizing losses.

Final tax is scoped out from PSAK 212: Income Tax.

n. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) where, as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed.

Provision for asset dismantling costs is estimated based on certain assumptions and carried at fair value based on applicable discount rates.

o. Transactions with related parties

The Company enters into transactions with related parties as defined in PSAK 224 "Related party disclosures". It is the policy of the Company that such transactions are conducted on normal commercial terms.

The transactions are made based on terms agreed by the parties, which may not be the same as those made with unrelated parties.

Significant transactions and balances with related parties are disclosed in Note 22.

All significant transactions and balances with related parties are disclosed in the notes to the financial statements.

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with Indonesian Financial Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the reporting date and the reported amounts of revenue and expenses during the reporting period. Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of the future events that are believed to be reasonable under the circumstances.

The Company has identified the following matters under which significant judgements, estimates and assumptions are made and where actual results may differ from these estimates under different assumptions and conditions and may materially affect the financial results or financial position of the Company reported in future years.

i. Judgments

Taxes

Uncertainties exist with respect to the interpretation of complex tax regulations, changes in tax laws, and the amount and timing of future taxable income, could necessitate future adjustments to tax income and expense already recorded.

Judgment is also involved in determining the provision for corporate income tax. There are certain transactions and computation for which the ultimate tax determination is uncertain during the ordinary course of business.

Further details regarding taxation are disclosed in Note 14d.

Estimated claim for refundable tax

Based on the tax regulations currently enacted, the management judged if the amounts recorded under the above account are recoverable and refundable by the Tax Office. The carrying amount of estimated claim for refundable tax as of March 31, 2025 was Rp4,437,539 (2024: Rp3,596,935). Further explanations regarding this account are provided in Note 14b.

Lease term of contracts with renewal and termination options - the Company as lessee

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has lease contract that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain to exercise the option to renew or terminate the lease or not. The Company considers all relevant factors that create an economic incentive for them to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is

a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate.

Further disclosures of leases are made in Note 9.

The key assumptions concerning the future and other key sources of

uncertainty of estimation at the reporting date that have a significant risk of causing material adjustments to the carrying amounts of assets and liabilities within the next financial year are disclosed below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

ii. Estimation and assumptions

Useful lives of fixed assets

The costs of fixed assets, including bearer plants, are depreciated on a straight-line basis over their estimated useful lives. Management estimates the useful lives of these fixed assets to be within 4 to 20 years, which are common life expectancies applied in the industries where the Company conducts its businesses. Changes in the expected level of usage and technological development could impact the economic useful lives and the residual values of these assets, and therefore future depreciation charges could be revised.

The net carrying amount of the Company's fixed assets as of March 31, 2025 was Rp58,943,936 (2024: Rp131,056,887). Further details on fixed asset are disclosed in Note 8.

Allowance for Net Realizable Value of Inventories

Allowance for net realizable value of inventories is estimated based on the best available facts and circumstances, including but not limited to, the inventories' own physical conditions, their market selling prices, estimated costs of completion and estimated costs to be incurred for their sales. The allowance is re-evaluated and adjusted as additional information received affects the amount estimated. The carrying amount of the Company's inventories before allowance for net realizable value as of March 31, 2025 was Rp7,936,712 (2024: Rp8,192,944. Further details regarding inventories are disclosed in Note 7.

Allowance for Impairment Losses of Trade Receivables

The Company estimates impairment allowance for trade receivables using simplified approach of Expected Credit Loss (ECL). A provision matrix is used to determine ECL for trade receivables, where the provision rates are based on days past due for Companyings of various customer segments that have similar loss patterns.

The provision matrix is initially based on the customers historical observed loss rates. The Company will adjust the historical observed loss experience with forward-looking information. For instance, if forecast economic conditions closely related to the historical observed loss are expected to deteriorate over the next year which can lead to an increased number of defaults in the sectors where customers are operating, the historical losses are adjusted accordingly. At every reporting date, the historical observed loss rates are updated and changes in the forward-looking estimates are analyzed.

The assessment of the correlation between historical observed loss rates, forecast economic conditions and ECLs, is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical observed loss rate and forecast of economic conditions may not be representative of customer's actual default in the future.

The carrying amount of the Company's trade receivables before allowance for impairment as of March 31, 2025 was Rp39,859,282 (2024: Rp40,975,929). Further details on trade receivables are disclosed in Note 5.

Estimating the Incremental Borrowing Rate of a Lease

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its IBR to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term.

The IBR therefore reflects interest the Company would have to pay, which requires estimation when no observable rates are available or when they need to be adjusted to reflect the terms and conditions of the lease.

The Company estimates the IBR using observable inputs (such as market interest rates) when available and is required to make certain entity-specific estimates as necessary.

Impairment Test of Non-current Assets

Computation of future cash flows in determining the fair values of fixed assets, plantations and other non-current assets of the acquirees at the dates of acquisitions involves significant estimations. While the management believes that the assumptions are appropriate and reasonable, significant changes of those assumptions used may materially affect its assessment of recoverable values and may lead to future impairment charges under PSAK 236: Impairment of Assets.

An impairment exists when the carrying value of an asset or CGU exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value in use. The fair value less costs to sell and the value in use are estimated based on the net future cash flows discounted to their present values using a pre-tax discount rate that reflects current market assessments of the time value of money and the specific risks to the related CGU

The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well as the expected net future cash inflows and the growth rate used for extrapolation purposes. The key inputs used to determine the recoverable amount for the CGU are further explained in Note 8.

The carrying amounts of the Company's fixed assets as of March 31, 2025 were Rp58,943,936 (2024: Rp131,056,887).

Pension and Employee Benefits

The measurement of the Company' employee benefits liability is dependent on its selection of certain assumptions used by the independent actuaries in calculating such amounts. Those assumptions include among others, discount rates, future annual salary increase, annual employee turn-over rate, disability rate, retirement age and mortality rate. Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the statement of financial position with a corresponding debit or credit to retained earnings through OCI the the period in which they occur.

While the Company believes that its assumptions are reasonable and appropriate, significant differences in the Company's actual experiences or significant changes in the Company's assumptions may materially affect its estimated liabilities for pension and employee benefits and net employee benefits expense.

The net carrying amount of the Company's employee benefits liability as of March 31, 2025 was Rp1,618,314 (2024: Rp1,122,036).

4. CASH ON HAND AND IN BANKS

	March 31, 2025	March 31, 2024
Cash on hand	**10.421**	22.048
Cash in banks (Rupiah)		
PT Bank Mandiri (Persero) Tbk	**1.245.261**	721.481
Citibank N.A., Indonesia	**1.105.945**	-
PT Bank Negara Indonesia (Persero) Tbk	**8.454.788**	-
Sub-total cash in banks	**10.805.994**	721.481
Total cash on hand and in banks	**10.805.994**	743.529

5. TRADE RECEIVABLES

	March 31, 2025	March 31, 2024
Related parties (Note 22a)	**39.829.034**	40.947.021
Third parties	**30.248**	28.908
	39.859.282	40.975.929
Allowance for impairment losses of receivables	**(1.174.702)**	(1.053.189)
	38.684.580	39.922.740

Movements in the allowance for impairment of receivables for the year ended March 31, 2025 and 2024 is as follows:

	March 31, 2025	March 31, 2024
Beginning balance	**1.053.189**	1.151.320
Addition/(reversal) during the year	**121.513**	(98.131)
Ending balance	**1.174.702**	1.053.189

Based on a review of trade receivables at end of year, management believes that the allowance for impairment as of March 31, 2025 and 2025 is adequate to cover possible losses or uncollectible accounts.

The aging analysis of these trade receivable is as follows:

	March 31, 2025	March 31, 2024
Current and not impaired	**6.640.743**	4.272.291
Overdue but not impaired		
0 - 30 days	**24.183.017**	30.000.852
31 - 60 days	**1.431.986**	1.622.985
> 61 days	**6.428.834**	4.026.612
Overdue and impaired	**1.174.702**	1.053.189
Total	**39.859.282**	40.975.929

In determining the recovery of trade receivables, the Company considers any changes in the credit quality of trade receivables from the initial date the loans are granted to the end of the reporting period. Credit risk concentration is limited to large and unrelated customers.

6. UNBILLED RECEIVABLES

Unbilled receivables represent portion of revenue which has been recognized in accordance with the progress of the projects in exchange for goods or services transferred to the customers, but have not been invoiced in accordance with the working contract with customers.

7. INVENTORIES

	March 31, 2025	March 31, 2024
Raw materials	**10.092.378**	12.611.948
Goods in transit	**1.013.361**	516.567
Work-in-progress	**917.796**	492.901
Finished goods	**349.025**	273.111
	12.372.560	13.894.527
Allowance for impairment losses of inventory	**(4.435.848)**	(5.701.583)
Total	**7.936.712**	8.192.944

Movements in the allowance for impairment losses of inventories for the year ended March 31, 2025 and 2024 is as follows:

	March 31, 2025	March 31, 2024
Beginning balance	**5.701.583**	2.917.834
Addition/(Reversal) of allowance	**(1.265.735)**	2.783.749
Total	**4.435.848**	5.701.583

Management believes that the allowance for impairment losses of inventories is adequate to cover possible losses of the inventories.

Inventories are insured against all possible losses, with the insurance coverage amounting to Rp14,269,044.

Net book value	**135.543.119**				**131.056.887**

On March 31, 2024, the Company recorded a loss on the disposal of machinery amounted to Rp12,865. The disposal of this machinery was carried out because the asset was considered to be in a completely damaged condition

Fixed assets are insured against fire and others risks with a total coverage of Rp87,000,000. Management believes that the insurance coverage can cover losses on the insured fixed assets.

9. RIGHT-OF-USE ASSET AND LEASE LIABILITIES

The Company as Lessee

The Company has lease contracts for building used in its operations. The Company is restricted from assigning and subleasing the leased assets.

Lease of building has terms of 3 years.

Land with "Hak Guna Bangunan" title ("Building Use Title" or "HGB") over "Hak Pengelolaan" ("HPL") has a remaining useful life up to 2046. Management believes that the right can be extended.

Set out below are the carrying amounts of right-of-use assets recognized on the Company's statement of financial position and the movements during the current year:

	March 31, 2025	March 31, 2024
Beginning balance	**2.480.400**	2.480.400
Addition	**1.538.935**	-
Transfer	**81.257.182**	-
Ending balance	**85.276.517**	2.480.400
Accumulated depreciation:		
Beginning balance	**(2.099.718)**	(1.592.142)
Addition	**(1.533.296)**	(507.576)
Ending balance	**(3.633.014)**	(2.099.718)
Net book value	**81.643.503**	380.682

Movement of lease liabilities:

	March 31, 2025	March 31, 2024
Beginning balance	**291.999**	803.924
Addition of interest	**152.172**	37.555
Addition	**1.538.935**	-
Payments	**(297.635)**	(549.480)
Sub-total	**1.685.471**	291.999
Less current portion	*	291.999
Long-term portion	**1.685.471**	-

Amounts recognized in the statement of profit or loss and other comprehensive income:

	March 31, 2025	March 31, 2024
Depreciation expense of right-of-use asset	**1.533.296**	507.576
Interest expense on lease liabilities	**152.172**	37.555
Amount recognized in profit and loss statement	**1.685.468**	545.131

The Company had total cash outflows for leases of Rp297,635 and Rp549,480 including interest expenses of finance lease amounting to Rp152,172 and Rp37,555 for the year ended March 31, 2025 and 2024, respectively.

10. Lease

The Company as Lessor

The Company has entered into steam supply agreement with PT Unilever Oleochemical Indonesia ("UOI") which fulfilled the criterias as finance lease.

This agreement has lease term of 7 years with option for extension agreed by both parties.

The critical terms of the UOI project are as follows:

The critical terms of the UOI project are as follows:

- The Company shall deliver or procure the delivery of boiler to site and complete installation and commissioning.
- The Company shall operate the boiler and supply of steam produced by the boiler. The lease period is 7 years which start from the commencement date and can be renewed by mutual agreement of both parties. The commencement date is April 1, 2022 and the effective date of the contract was October 1, 2022. If the Company wants to terminate the lease before the end of the lease, the Company shall obligate to pay the exit fee as mentioned in the contract.
- The minimum off-take of 3,132 ton/month of steam will be supplied by the Company with price at Rp207/Kg for consumption within 3,132 ton/month and Rp7/Kg after consumption above 3,132 ton/month and UOI shall pay invoice within 30 days calendar after the Company issued invoice for steam produced for UOI on a fortnightly basis on the 1st and 16th day of each calendar month. UOI has a right to request the Company to supply more than minimum offtake for its operation.
- UOI has paid Rp975,000 as deposit at the time of signing agreement.
- The present value of lease payments is substantially covering the fair value of the underlying asset.

Movement of lease receivables:

	March 31, 2025	March 31, 2024
Gross investment in finance lease contract - net	**18.485.927**	21.874.187
Less payment of receivables	**(3.510.299)**	(3.388.260)
Sub-total	**14.975.628**	18.485.927
Less current portion	**(3.621.848)**	(3.388.261)
Non-current portion	**11.353.780**	15.097.666

Based on a review of finance lease receivables at end of year, management believes that no impairment allowance is necessary as of March 31, 2025 and 2024

As of the balance sheet date, the present value of future minimum lease payment receivables under non-cancellable finance lease contract as at March 31, 2025 relating to steam boiler are as follows:

Gross investment in finance lease contract:

	March 31, 2025	March 31, 2024
Within one year	**4.982.710**	5.190.149
After one year but no more than five years	**13.428.440**	18.411.149
Sub-total	**18.411.150**	23.601.298
Less unearned finance income	**(3.435.522)**	(5.115.371)
Present value of minimum lease payment receivable	**14.975.628**	18.485.927

Present value of future minimum lease payment:

	March 31, 2025	March 31, 2024
Within one year	**4.982.710**	5.376.007
After one year but no more than five years	**11.353.780**	15.097.666
Sub-total	**16.336.490**	20.473.673
Less unearned finance income	**(1.360.862)**	(1.987.746)
Present value of minimum lease payment receivable	**14.975.628**	18.485.927

The details of other liabilities and other financial liability relating to lease are as follows:

	March 31, 2025	March 31, 2024
Other current liability:		
Advance lease rental - current portion	**54.808**	54.799
Other non-current liabilities:		
Advance lease rental - non-current portion	**167.623**	223.168
Provision for maintenance*	**394.006**	423.417
Sub-total	**561.629**	646.585
Other non-current financial liability:		
Customer advance	**662.246**	601.229
Total	**1.278.683**	1.302.613

*Includes balance of accrual for maintenance warranty of leased equipment built at the customer's premises under the steam supply agreement with UOI.

11. TRADE PAYABLES

	March 31, 2025	March 31, 2024

Estimated claim for refundable tax	**(2.505.509)**	(1.932.030)

The details of the accumulated tax losses carried forward balance that can be compensated are as follows:

	March 31, 2025	March 31, 2024
Year 2020	**-**	17.666.144
Year 2021	**11.818.588**	11.818.588
Year 2022	**12.823.182**	12.823.182
Year 2023	**42.219.586**	42.219.586
Year 2024	**8.579.808**	-
	75.441.164	84.527.500

The amount of fiscal loss is based on preliminary calculations. The amounts may be adjusted when annual tax returns are submitted to/ assessed by the tax office.

The reconciliations between income tax expense as shown in the statement of profit or loss and other comprehensive income and income tax expense calculated using prevailing tax rates on the loss before income tax is as follows:

	March 31, 2025	March 31, 2024
Loss before corporate income tax	**(15.311.698)**	(42.901.397)
Tax calculated at statutory rate of 22%	**(3.368.573)**	(9.438.307)
Non-deductible expenses	**646.693**	615.837
Unrecognized deferred tax assets	**2.721.880**	8.822.470
Under provision for prior year corporate income tax (Note 14f)	**-**	3.500
Corporate income tax expenses	**-**	3.500

The Company has not recognised any deferred tax assets from tax losses carried- forward, depreciation of fixed assets, depreciation of right-of-use asset, allowance for impairment losses of receivables, allowance for impairment losses of inventory, long-term employee benefit liabilities and provision for warranties totaling to Rp19,697,433 as the ability of the Company to generate sufficient taxable profit will depend on when the Company can maintain sustainable and optimal capacity of commercial production. As such, the Company believes it is more prudent not to recognise any deferred tax assets.

e. Tax administration in Indonesia

The taxation laws of Indonesia require that companies within Indonesia to submit individual tax returns on the basis of self-assessment. Under the prevailing regulations, the DGT may assess or amend taxes within five years of the time the tax becomes due.

f. Others

In November 2023 the Company received tax assessment letters of Value Added Tax for period April to November 2019 reflecting underpayment totaling to Rp480,644 (including penalties of Rp205,990). The Company accepted the result of the tax assessments, paid the principal amount and submit letter to DGT for waiveoff penalty.

On July 27, 2023, the Company received a tax assessment from the Directorate General of Taxes (DJP) regarding an overpayment of Corporate Income Tax for the year 2021 amounting to Rp1,058,438, compared to the claimed overpayment of Corporate Income Tax of Rp1,061,938 submitted by the Company. On the same date, the Company also received tax assessment for VAT, Income Tax Article 21, Article 23, and Article 26 for the period of March 2022, indicating an underpayment of Rp141,035. The Company accepted these tax decrees and received a refund of Rp917,403 on August 16, 2023, after deducting the underpayment, and recorded an unrefundable amount of Rp3,500 as a provision for Corporate Income Tax in the current year's profit or loss.

On July 26, 2024, the Company received a tax assessment letter from the Directorate General of Taxes (DJP) approving the overpayment of Corporate Income Tax for the year 2022 amounting to IDR 1,664,905, as submitted by the Company. On the same date, the Company also received underpayment assessment letters (SKPKB) for VAT for the periods of April 2022 and November 2019, indicating an underpayment of Rp221,440, and SKPKB VAT Goods and Service for the Utilization of Services from Outside the Customs Area for June 2022 amounting to Rp35,650. The Company agreed with the tax assessments and received a refund of Rp1,407,815 on August 14, 2024, after deducting the underpayment assessments.

g. Pillar two income taxes

Various countries have enacted or intend to enact tax legislation to comply with Pillar Two model rules, including Indonesia (Note 2m). The Company is within the scope of PMK 136/2024, which did not impact 2024 financial statements but may impact the Company financial statements from January 1, 2025 onward.

PMK 136/2024 applies new taxing mechanisms under which a Multinational Enterprises ("MNE") would pay a top-up tax in a jurisdiction whenever the efective tax rate, determined on a jurisdictional basis under the Pillar Two rules is below a 15% minimum rate. PMK 136/2024 sets out the mechanics for determining which entity (or entities) in an MNE Group should apply the top-up tax and the portion of such tax that is charged to each relevant entity.

For the year ended December 31, 2024, the Company has applied amendment to PSAK 212: Income Taxes, which provides mandatory temporary exception from recognizing or disclosing deferred taxes related to Pillar Two rules such that there is no impact to the 2024 financial statements. The future impact of Pillar Two rules for the Company is still being estimated.

The Pillar Two model rules are complex and the Company is still in the process of assessing potential impact to the financial statements, if any. Based on currently available information, the Company does not expect any material impact to the financial statements.

15. BANK LOAN

Credit and bank facilities from Citibank N.A.

On November 29, 2017, the Company entered into a term-loan facility agreement with Citibank N.A. with total facility amounted to US$2.5 million and applicable interest rate of Jakarta Interbank Offered Rate plus certain margin. In addition, on September 8, 2017, Thermax Limited, an indirect holding entity of the Company, acting as a guarantor for the Company and guarantee any bank facilities issued for the Company with a total amount of US$5 million. The credit and bank facilities are available for the period starting from the Agreement date until 1 year after the Agreement is signed, and will be automatically extended continuously for the next 1 year period from the end date of the Agreement.

	March 31, 2025	March 31, 2024
Bank Overdrafts:		
Indonesian Rupiah	**4.308.491**	60.644
United States Dollar	**-**	13.302.542

c. Key management personnel compensation

Key management personnel includes Directors and a Commissioner. Key management personnel includes Directors and a Commissioner. In 2025, the compensation for key management recorded in the financial statements amounted to Rp2,059,777 (2024: Rp3,616,089) only for the President Director of the Company. The compensation for the Company's Commissioner and other Directors were paid directly by Thermax Limited.

23. FINANCIAL ASSETS AND FINANCIAL LIABILITIES

As at March 31, 2025, the Company's financial assets which comprised cash on hand and cash in banks, trade receivables, unbilled receivables, shareholder receivables, finance lease receivables and other receivables with a total balance of Rp97,906,836 (2024: Rp108,343,602) were categorised as loans and receivables.

As at March 31, 2025, the Company's financial liabilities which comprised trade payables, and accrued expenses and other payables, other current liability, other non current liabilities, bank overdraft, provision, and lease liabilities with a total balance of Rp83,139,130 (2024: Rp68,168,949) were categorised as other financial liabilities at amortised cost.

24. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

Risk management is carried out by the Company's Board of Directors. The Board of Directors provides principles for overall risk management, including market, credit and liquidity risks.

a. Market risk

i) Foreign exchange risk

The Company is exposed to foreign exchange risk arising from cash in banks, trade receivables and trade payables denominated in foreign currency.

As at March 31, 2025, if the United States Dollars had strengthened/ weakened by 10% against the Indonesian Rupiah with all other variables held constant, post-tax loss for the period would have been Rp1,630,752 (2024: Rp3,097,941) lower/higher.

ii) Interest rate risk

The Company is not significantly exposed to interest rate risk since there are no significant interest bearing financial assets and liabilities. The Company's operating cash flows are substantially independent of changes in market interest rates.

b. Credit risk

As at March 31, 2025, the total maximum exposure from credit risk amounted Rp97,906,836 (2024: Rp108,343,602). The credit risk primarily arises from cash on hand and cash in banks, trade receivables, unbilled receivables, finance lease receivables, shareholder receivables and other receivables.

The Company manages credit risk exposure from its deposits with banks by placing them at banks with strong reputation and market position and limiting the aggregate risk from any individual counter-party.

In respect of credit given to customers, the Company has clear policies on selection of customers, legally binding agreements in place for sales of products and services transactions rendered and historically no collectibility issue.

The credit quality of trade and other receivables that are overdue but not impaired can be assessed with reference to historical information about counterparty collectibility issue as follows:

	March 31, 2025	March 31, 2024
Trade and other receivables:		
Related parties	**39.829.034**	40.947.021
Reputable or without recent history of collectibility issue	**30.248**	28.908
	39.859.282	40.975.929

c. Liquidity risk

Liquidity risk arises in situations in which the Company has difficulties obtaining the necessary resources to fulfil its financial obligations. Prudent liquidity risk management implies maintaining sufficient cash and cash equivalents. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The table below summarizes the maturity profile of the Company's financial liabilities, based on contractual payments.

March 31, 2025	Maturity within 1 year	Maturity more than 1 year	Total
Bank overdraft	4.308.491	-	4.308.491
Trade payables	31.920.518	-	31.920.518
Accrued expenses and other payables	41.939.276	-	41.939.276
Lease liabilities	-	1.685.471	1.685.471

Other non-current financial liability	-	601.229	601.229
Other non-current liabilities	-	646.585	646.585
Total	**66.723.967**	**1.444.982**	**68.168.949**

d. Capital risk management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

The Company actively and regularly reviews and manages its capital structure and shareholders returns, taking into consideration the future capital requirements and capital efficiency of the Company, prevailing and projected profitability, projected operating cash flow, projected capital expenditures, and projected strategic investment opportunities. In order to maintain or adjust the capital structure, the Company may adjust the amounts of dividends paid to shareholders, issue new shares or sell assets to reduce debt.

e. Fair value of financial instruments

Management in the opinion that the carrying value of its financial assets and liabilities approximate the fair value of the financial assets and liabilities as at March 31, 2025. The fair value of trade payables, accrued expenses, bank overdraft, and other payables approximate their carrying value because of their short term maturity.

25. NON CASH TRANSACTIONS

	March 31, 2025	March 31, 2024

Shareholder receivable	-	-	-	20.000.000	20.000.000
Lease liabilities	803.924	(549.480)	-	37.555	291.999
Loan from related party					
- current	22.593.000	(23.277.000)	-	684.000	-

27. BUSINESS CONDITION AND MANAGEMENT PLAN

The Company incurred net loss of (Rp15,311,698) for the year then ended March 31, 2025, accumulated deficit of (Rp219,778,691) and capital deficiency of (Rp142,221,309) as of March 31, 2025, respectively. In addition, the Company's current liabilities exceeded its current assets by Rp9,984,569 as of March 31, 2025.

In response to these conditions, the management of the Company plans to implement the following measures:

a. Market reach expansion

b. Cost Optimization

c. Increasing shop utilization

Thermax Limited, the Company's shareholder, acting as a guarantor for the Company and guarantee any bank facilities issued for the Company with a total amount of US$5 million.

28. ACCOUNTING STANDARDS ISSUED BUT NOT YET EFFECTIVE

The accounting standards that have been issued up to the date of issuance of the Company's consolidated financial statements, but not yet effective are disclosed below. The management intends to adopt these standards that are considered relevant to the Company when they become effective, and the impact to the consolidated financial position and performance of the Company is still being estimated.

Effective beginning on or after January 1, 2025

Amendment of PSAK 221: Lack of Exchangeability

The amendments require disclosure of information that enables users of financial statements to understand the impact of a currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows. The amendments apply for annual reporting periods beginning on or after 1 January 2025. Earlier application is permitted which an entity is required to disclose that fact.

The Company is currently assessing the impact of the amendment on the Company's financial reporting.

Directors' Statement

The directors present their statement to the member together with the audited financial statements of Thermax Engineering Singapore Pte. Ltd. (the "Company") for the financial year ended 31 March 2025.

1. Opinion of the directors

In the opinion of the directors,

(a) the financial statements of the Company are drawn up so as to give a true and fair view of the financial position of the Company as at 31 March 2025 and the financial performance, changes in equity and cash flows of the Company for the financial year ended; and

(b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

2. Directors

The directors of the Company in office at the date of this statement are:

Corliss Ha Ling-Ling
Pheroz Naswanjee Pudumjee
Rajendran Arunachalam
Mahesh Channakeshaviah Bukinkere

3. Arrangements to enable directors to acquire shares or debentures

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

4. Directors' interests in shares or debentures

According to the register of directors' shareholdings kept by the Company under Section 164 of the Singapore Companies Act 1967 (the "Act"), the directors of the Company who held office at the end of the financial year had no interest in the shares or debentures of the Company or its related corporations, except as stated below:

Name of directors	Direct interest	
	At beginning of financial year	At end of financial year
Pheroz Naswanjee Pudumjee		
-Thermax Limited	6,000	6,000
-Ara Trusteeship Company Pvt.Ltd	500	500
-Thermax Engineering Construction Company Ltd.	10	10
-Thermax Cooling Solutions Limited	1	1
-Thermax Onsite Energy Solutions Ltd.	1	1
-Thermax Instrumentation Ltd.	1	1
Rajendran Arunachalam		
-Thermax Limited	877	1718

5. Share options

There were no share options granted during the financial year to subscribe for unissued shares of the Company.

There were no shares issued during the financial year by virtue of the exercise of options to take up unissued shares of the Company.

There were no unissued shares of the Company under option at the end of the financial year.

6. Independent auditor

The independent auditor, Paul Wan & Co has expressed its willingness to accept re-appointment as auditor.

On behalf of the Board of Directors

Rajendran Arunachalam
Director

Independent Auditor's Report to the Member of Thermax Engineering Singapore Pte. Ltd.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Thermax Engineering Singapore Pte. Ltd. (the "Company"), which comprise the statement of financial position as at 31 March 2025, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Singapore Companies Act 1967 (the "Act") and Financial Reporting Standards in Singapore ("FRSs") so as to give a true and fair view of the financial position of the Company as at 31 March 2025 and of the financial performance, changes in equity and cash flows of the Company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Directors' Statement.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company have been properly kept in accordance with the provisions of the Act.

THERMAX ENGINEERING SINGAPORE PTE. LTD.

NOTES TO THE FINANCIAL STATEMENTS
For the Financial year ended 31 March 2025

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. Corporate information

Thermax Engineering Singapore Pte. Ltd. (the "Company") is incorporated in Singapore with its registered office and principal place of business is located at 80 Robinson Road, #25-00, Singapore 068898.

The principal activity of the Company is that of an investment holding company and trading of industrial machinery and equipment to customers.

The immediate holding company is Thermax Limited, a company incorporated in India.

The financial statements of the Company for the year ended 31 March 2025 were authorised for issue in accordance with a resolution of the directors on the date of the Directors' Statement.

2. Material accounting policy information

2.1 Basis of preparation

The financial statements of the Company have been drawn up in accordance with Financial Reporting Standards in Singapore ("FRSs"). The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in United States dollars ("US$"), which is the Company's functional currency.

The financial statements of the Company have been prepared on the basis that it will continue to operate as a going concern.

2.2 Adoption of new and amended standards and interpretations

The accounting policies adopted are consistent with those of the previous financial year except that in the current financial year, the Company has adopted all the new and amended standards which are relevant to the Company and are effective for annual financial periods beginning on or after 1 April 2024.The adoption of these standards did not have any material effect on the financial performance or position of the Company.

2.3 Standards issued but not yet effective

A number of new standards and amendments to standard that have been issued are not yet effective and have not been applied in preparing these financial statements.

The directors expect that the adoption of the standards above will have no material impact on the financial statements in the year of initial application.

2.4 Exemption from preparing consolidated financial statements

These financial statements are the separate financial statements of the Company. The Company is exempted from the preparation of consolidated financial statements as the Company is a wholly-owned subsidiary of Thermax Limited, which produces consolidated financial statements available for public use. The registered office of Thermax Limited where those consolidated financial statements can be obtained is as follows: D-13, MIDC Industrial Area, R D Aga Road, Chinchwad, Pune 411019, India.

2.5 Foreign currency transactions and balances

Transactions in foreign currencies are measured in the functional currency of the Company and are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

2.6 Subsidiaries

Subsidiaries are entities over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investment in subsidiaries is carried at cost less accumulated impairment losses in the Company's statement of financial position.

2.7 Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, (or, where applicable, when an annual impairment testing for an asset is required), the Company makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss.

2.8 Financial instruments

Financial assets

Initial recognition and measurement

Financial assets are recognised when, and only when the entity becomes party to the contractual provisions of the instruments.

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss ("FVPL"), transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at FVPL are expensed in profit or loss.

Trade receivables are measured at the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third party, if the trade receivables do not contain a significant financing component at initial recognition.

Subsequent measurement

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the contractual cash flow characteristics of the asset. The three measurement categories for classification of debt instruments are amortised cost, fair value through other comprehensive income ("FVOCI") and FVPL.

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, and through the amortisation process.

Equity instruments

On initial recognition of an investment in equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent

NOTES TO THE FINANCIAL STATEMENTS
For the Financial year ended 31 March 2025

changes in fair value in other comprehensive income which will not be reclassified subsequently to profit or loss. Dividends from such investments are to be recognised in profit or loss when the Company's right to receive payments is established. For investments in equity instruments which the Company has not elected to present subsequent changes in fair value in other comprehensive income, changes in fair value are recognised in profit or loss.

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income for debt instruments is recognised in profit or loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at FVPL, directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at FVPL are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

Offsetting of financial instruments

A financial asset and a financial liability shall be offset and the net amount presented in the statement of financial position when, and only when, an entity:

(a) currently has a legally enforceable right to set off the recognised amounts; and

(b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.9 Impairment of financial assets

The Company recognises an allowance for expected credit losses ("ECLs") for all debt instruments not held at FVPL. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

For trade receivables, the Company applies a simplified approach in calculating ECLs. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. The Company has established a provision matrix that is based on its historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment which could affect debtors' ability to pay.

The Company considers a financial asset in default when contractual payments are 360 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

2.10 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and bank deposit, which are subject to an insignificant risk of changes in value.

2.11 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.12 Employee benefits

Defined contribution plan

The Company makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

2.13 Revenue

Revenue is measured based on the consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the Company satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Revenue from sales of goods

The Company is involved in selling of industrial machinery and equipment to customers. Revenue from sales of these products is recognised at a point in time when the products are delivered to customers. There is no element of significant financing component in the Company's revenue transaction as customers are required to pay within credit term of 30 to 90 days.

2.14 Taxes

Current income tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authority. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences at the end of the reporting date between the bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rate (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are off set, if a legally enforceable right exist to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Goods and Service Tax ("GST")

Revenues, expenses and assets are recognised net of the amount of sales tax except:

(i) where the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and

(ii) receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

2.15 Share capital

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

2.16 Related parties

A related party is defined as follows:

(a) A person or a close member of that person's family is related to the Company if that person:

(i) has control or joint control over the Company;

(ii) has significant influence over the Company; or

(iii) is a member of the key management personnel of the Company or of a parent of the Company.

(b) An entity is related to the Company if any of the following conditions applies:

(i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

(ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).

(iii) both entities are joint ventures of the same third party.

(iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity.

(v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company.

(vi) the entity is controlled or jointly controlled by a person identified in (a).

(vii) a person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

(viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Company or to the parent of the Company.

3. Significant accounting judgements and estimates

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

3.1 Judgments made in applying accounting policies

Management is of the opinion that there are no significant judgements (other than those involving estimates as disclosed in Note 3.2 below) that have a significant effect on the amounts recognised in the financial statements.

3.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Impairment of investment in subsidiaries

The Company follows the guidance of FRS 36 Impairment of Assets on determining whether investment in subsidiaries is impaired. This determination requires significant judgement and estimate. The Company evaluates, among other factors, the duration and extent to which the fair value of an investment is less than its cost and the financial health of the near-term business outlook for the investment, including factors such as industry and sector performance, changes in technology and operational and financing cash flow.

The carrying amount of the Company's investment in a subsidiary as at 31 March 2025 was US$14,622,385 (2024: US$10,282,663).

4. Other expenses

	2025	2024
	US$	US$
Foreign exchange difference, net	**592**	1,273
Loss on disposal of investment in a subsidiary	**-**	471,635
Capital gain tax paid in Sri Lanka	**-**	17,316
	592	490,224

NOTES TO THE FINANCIAL STATEMENTS
For the Financial year ended 31 March 2025

5. Profit/(Loss) before tax

	2025	2024
	US$	US$
Commission expenses	**24,000**	-
Interest income	**(41,491)**	(19,910)
(Reversal of)/Provision for impairment loss on trade receivables	**(16,552)**	52,645

The Directors of the company are considered key management personnel of the company and they did not receive any remuneration from the Company during the financial year.

6. Income tax expense

The major components of income tax expense recognised in profit or loss for the years ended 31 March 2025 and 2024 were:

	2025	2024
	US$	US$
Current income tax		
- current year	**-**	-

Relationship between accounting loss and tax expense

A reconciliation between tax expense and the product of accounting loss multiplied by the applicable corporate tax rate for the financial years ended 31 March 2025 and 2024 were as follows:

	2025	2024
	US$	US$
Loss before tax	**2,498**	(8,286,090)
Tax at the applicable tax rate of 17% (2024 : 17%)	**425**	(1,408,635)
Expenses not deductible for income tax purpose	**-**	1,315,015
Income not subject to tax	**-**	-
Deferred tax assets not recognised	**-**	-
Deferred tax assets disregarded	**-**	97,005
Utilisation of deferred tax assets previously not recognised	**(425)**	(3,385)
Income tax expense	**-**	-

As at 31 March 2025, the Company has unutilised tax losses amounting to approximately US$281,000 (2024: US$283,000), which are available for offset against future taxable profits, subject to agreement by the tax authorities in the Singapore. The tax losses have no expiry date.

Deferred tax assets have not been recognised as there is no certainty that there will be sufficient future taxable profits to realise these future benefits. Accordingly, the deferred tax assets have not been recognised in the financial statements.

7. Investment in a subsidiaries

	2025	2024
	US$	US$
Unquoted shares, at cost		
At the beginning of the financial year	**25,642,663**	22,681,624

	2025	2024
	US$	US$
Cash at banks	**241,282**	157,441
Fixed deposit	**503,875**	300,000
	745,157	457,441

Short-term fixed deposit bears interest at 3.80% (2024: 4.79%).

Included in cash at banks is an amount denominated in SGD amounted to US$7,882 (2024: US$7,839).

11. Share capital

	2025	2024	**2025**	2024
	Number of ordinary shares	Number of ordinary shares	**US$**	US$
Issued and paid-up capital				
At beginning of the financial year	**27,484,356**	23,984,356	**27,484,356**	23,984,356
Issuance of new shares	**4,620,000**	3,500,000	**4,620,000**	3,500,000
At end of financial year	**32,104,356**	27,484,356	**32,104,356**	27,484,356

The holder of ordinary shares are entitled to receive dividends as and when declared by the Company.

On 4 April 2024 and 1 October 2024, the Company issues total 4,620,000 ordinary shares for a total consideration of USD 4,620,000 for cash to provide funds for general working capital purposes.

12. Trade and other payables

	2025	2024
	US$	US$
Trade payables		
- holding company	**96,349**	87,543
Other payables		
Accruals	**12,737**	12,156
	109,086	99,699

Trade payables are unsecured, non-interest bearing and normally settled within 30 (2024: 30) days' credit terms.

The non-trade amount due to holding company are unsecured, non-interest bearing and repayable on demand. This amount has been fully settled in 2025.

The currency profile of the Company's trade and other payables as at the end of the reporting period are as follows:

	2025	2024
	US$	US$
United States dollar	**96,349**	87,543
Singapore dollar	**12,737**	12,156
	109,086	99,699

13. Significant related party transactions

In addition to the related party information disclosed elsewhere in the financial statements, the following transactions with related parties took place at terms agreed between the parties during the financial year:

	2025	2024
	US$	US$
Holding company		
Management fees charged	**24,000**	-

Compensation of key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly, including any director (whether executive or otherwise) of the Company.

The Directors of the company are considered key management personnel of the company and they did not receive any remuneration from the Company during the financial year.

14. Financial risk management

The Company's activities expose it to a variety of financial risks from its operations. The key financial risks include credit risk and liquidity risk. The Company considered currency risk as not a key financial risk due to the insignificance of the quantum.

The directors review and agree policies and procedures for the management of these risks, which are executed by the management team. It is, and has been throughout the current and previous financial year, the Company's policy that no trading in derivatives for speculative purposes shall be undertaken.

The following sections provide details regarding the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

There has been no change to the Company's exposure to these financial risks or the manner in which it manages and measures the risks.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Company. The Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash), the Company minimises credit risk by dealing exclusively with high credit rating counterparties.

The Company has adopted a policy of only dealing with creditworthy counterparties. The Company performs ongoing credit evaluation of its counterparties' financial condition and generally do not require a collateral.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period.

NOTES TO THE FINANCIAL STATEMENTS
For the Financial year ended 31 March 2025

The Company has determined the default event on a financial asset to be when internal and/or external information indicates that the financial asset is unlikely to be received, which could include default of contractual payments due for more than 360 days, default of interest due for more than 30 days or there is significant difficulty of the counterparty.

To minimise credit risk, the Company has developed and maintained the Company's credit risk gradings to categorise exposures according to their degree of risk of default. The credit rating information is supplied by publicly available financial information and the Company's own trading records to rate its major customers and other debtors. The Company considers available reasonable and supportive forward-looking information which includes the following indicators:

- Internal credit rating
- External credit rating
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the debtor's ability to meet its obligations
- Actual or expected significant changes in the operating results of the debtor
- Significant increases in credit risk on other financial instruments of the same debtor
- Significant changes in the expected performance and behaviour of the debtor, including changes in the payment status of debtors in the group and changes in the operating results of the debtor.

Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 30 days past due in making contractual payment.

The Company determined that its financial assets are credit-impaired when:

- There is significant difficulty of the debtor
- A breach of contract, such as a default or past due event
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganisation
- There is a disappearance of an active market for that financial asset because of financial difficulty

The Company categorises a receivable for potential write-off when a debtor fails to make contractual payments more than 2 years past due. Financial assets are written off when there is evidence indicating that the debtor is in severe financial difficulty and the debtor has no realistic prospect of recovery.

The Company's current credit risk grading framework comprises the following categories:

Category	Definition of category	Basis for recognition of expected credit losses (ECL)
I	Counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
II	Amount is >30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL – not credit-impaired
III	Amount is >360 days past due or there is evidence indicating the asset is credit-impaired (in default).	Lifetime ECL – credit-impaired
IV	There is evidence indicating that the debtor is in severe financial difficulty and the debtor has no realistic prospect of recovery.	Amount is written off

The table below details the credit quality of the Company's financial assets, as well as maximum exposure to credit risk by credit risk rating categories:

	Category	12-month or lifetime ECL	Gross carrying amount	Loss allowance	Net carrying amount
			US$	US$	US$
31 March 2025					
Trade receivables	**Note I**	**Lifetime ECL (simplified)**	**79,932**	**(79,932)**	**2**
Other receivables			**-**	**-**	**-**
				-	
31 March 2024					
Trade receivables	Note I	Lifetime ECL (simplified)	96,482	(96,482)	-
Other receivables			1,836	-	1,836
				-	

* Other receivables excluded the amount of prepayments

Trade receivables (Note 1)

For trade receivables, the Company has applied the simplified approach in FRS 109 to measure the loss allowance at lifetime ECL. The Company determines the ECL by using a provision matrix, estimated based on historical credit loss experience based on the past due status of the debtors, adjusted as appropriate to reflect current conditions and estimates of future economic conditions. Accordingly, the credit risk profile of trade receivables is presented based on their past due status in terms of the provision matrix.

		Days past due				
	Not past due	1 to 30	31 to 60	61 to 90	91 and above	Total
	US$	US$	US$	US$	US$	US$
31 March 2025						
Trade receivables	**2**	**-**	**-**	**-**	**79,930**	**79,932**
ECL	**-**	**-**	**-**	**-**	**(79,930)**	**(79,930)**
	2	**-**	**-**	**-**	**-**	**2**
31 March 2024						
Trade receivables	-	-	-	-	96,482	96,482
ECL	-	-	-	-	(96,482)	(96,482)
	-	-	-	-	-	-

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

Exposure to credit risk

The Company does not have any significant credit risk exposure to any single counterparty or any group of counterparties having similar characteristics except for outstanding trade receivables from 1 (2024: 1) customers which represent 99% (2024: 91%) of total trade receivables balance as at 31 March 2025.

Other receivables and amount due from holding company

The Company assessed the latest performance and financial position of the counterparties, adjusted for the future outlook of the industry in which the counterparties operate in, and concluded that there has been

no significant increase in the credit risk since the initial recognition of the financial assets. Accordingly, the Company measured the impairment loss allowance using 12-month ECL and determined that the ECL is insignificant.

Liquidity risk

Liquidity risk refers to the risk that the Company will encounter difficulties in meeting its short-term obligations due to shortage of funds. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It is managed by matching the payment and receipt cycles. The Company finances its working capital requirements through a combination of funds generated from operations and financing from holding company, if necessary. The directors are satisfied that funds are available to finance the operations of the Company.

Analysis of financial liabilities by remaining contractual maturities

The table below summarises the maturity profile of the Company's financial liabilities at the reporting date based on contractual undiscounted repayment obligations.

	Less than 1 year	Between 1 and 5 years	Total
	US$	US$	US$
31 March 2025			
Trade and other payables	**36,740**	**72,349**	**109,089**
	36,740	**72,349**	**109,089**
31 March 2024			
Trade and other payables	12,156	87,543	99,699
	12,156	87,543	99,699

15. Financial instruments by category

At the reporting date, the aggregate carrying amounts of financial assets and financial liabilities at amortised cost were as follows:

	2025	2024
	US$	US$
Financial assets measured at amortised cost		
Trade and other receivables (Note 9)	**-**	1,836
Cash and cash equivalents (Note 10)	**745,157**	457,441
Total financial assets measured at amortised cost	**745,157**	459,277
Financial assets measured at FVOCI		
Financial assets, at FVOCI (Note 8)	**1**	1
Financial liabilities measured at amortised cost		
Trade and other payables (Note 12)	**109,086**	99,699
Total financial liabilities measured at amortised cost	**109,086**	99,699

18. Fair value of financial instruments

Fair value hierarchy

The Company categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

Level 1 – Quoted prices (unadjusted) in active market for identical assets or liabilities that the Company can access at the measurement date,

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, and

Level 3 – Unobservable inputs for the asset or liability

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Assets measured at fair value

The following table shows an analysis of each class of assets measured at fair value at the reporting date:

	Fair value measurements at the reporting date using			
	Quoted prices in active markets for identical instruments (Level 1)	Significant observable inputs other than quoted prices (Level 2)	Significant unobservable inputs (Level 3)	Total
	US$	US$	US$	US$
31 March 2025				
Financial assets				
At FVOCI – non-listed equity instruments (Note 8)	-	-	1	1
31 March 2024				
Financial assets				
At FVOCI – non-listed equity instruments (Note 8)	-	-	1	1

The fair value of the financial assets, at FVOCI representing the investments, which are classified as Level 3 as management is able to obtain the observable data directly from the fund manager, such as financial statements on a yearly basis for the identification of the fair value for the financial assets, at FVOCI.

Fair value of financial instruments that are not carried at fair value

The carrying amount of the current financial assets that are not carried at fair value approximate their respective fair values as at the end of the reporting period due to the relatively short-term maturity of these financial instruments.

Fair value of financial instruments carried at fair value

The Company has no financial assets and financial liabilities carried at fair value as at 31 March 2025 and 2024.

15. Capital management

The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and net current asset position in order to support its business and maximise shareholder value. The capital structure of the Company comprises issued share capital and retained earnings.

The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made to the objectives, policies or processes during the financial years ended 31 March 2025 and 31 March 2024.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors and the Stockholders
Thermax Energy & Environment Philippines Corporation

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Thermax Energy & Environment Philippines Corporation (the Company), which comprise the statements of financial position as at March 31, 2025 and 2024, and the statements of income, statements of changes in equity and statements of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2025 and 2024, and its financial performance and its cash flows for the years then ended in accordance with Philippine Financial Reporting Standard for Small Entities (PFRS for SEs) Accounting Standard.

Basis for Opinion

We conducted our audits in accordance with Philippine Standards on Auditing (PSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to our audit of the financial statements in the Philippines, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those agreed with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with PFRS for SEs Accounting Standard, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with PSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the Supplementary Information Required Under Revenue Regulations 15-2020 and 34-2010

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information required under Revenue Regulations 15-2020 and 34-2010 in Note 19 to the financial statements is presented for purposes of filing with the Bureau of Internal Revenue and is not a required part of the basic financial statements. Such information is the responsibility of the management of Thermax Energy & Environment Philippines Corporation. The information has been subjected to the auditing procedures applied in our audit of the basic financial statements. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Thermax Energy & Environment Philippines Corporation

(A Subsidiary of Thermax Engineering Singapore Pte. Ltd.)

Notes to Financial Statements

1. Corporate Information

Thermax Energy & Environment Philippines Corporation (the Company) was incorporated and registered with the Philippine Securities and Exchange Commission (SEC) on August 19, 2016 with a corporate life of fifty (50) years from and after the date of issuance of the certificate of incorporation in accordance with the Corporation Code of the Philippines (Batas Pambansa Blg. 68) and the Foreign Investments Act of 1991 (Republic Ac No. 7042, as amended).

The Company is primarily involved into marketing and sales support services to Thermax Ltd. and its group companies to negotiate and finalize order terms with customers and sell its products/industrial equipment such as boilers, heaters, water and waste water treatment plants, air pollution control equipment, chemicals, absorption chillers, geothermal plants, solar based systems & power plants etc., support customers in installation, commissioning of equipment, sell spare parts and provide after-sales and related services to third-party customers in Philippines.

The Company is a wholly owned subsidiary of Thermax Engineering Singapore Pte. Ltd. (the Parent Company). The Company's Ultimate Parent Company is RDA Holdings Pvt. Ltd. which was incorporated under the laws of India.

The Company's registered office is Unit 4033, 40th Floor PBCOM Tower, 6795 Ayala Ave., corner Rufino St., Makati City.

The Company has two (2) employees as at March 31, 2025 and 2024. respectively

The financial statements were approved and authorized for issuance by the Board of Directors (BOD) on April 26, 2025.

2. Summary of Significant Accounting Policies

Basis of preparation

The accompanying financial statements have been prepared on a historical cost basis and are presented in Philippine Peso (₱), the Company's functional currency. All amounts are rounded to the nearest Philippine Peso, unless otherwise indicated.

Statement of Compliance

The financial statements have been prepared in accordance with the Philippine Financial Reporting Standard for Small Entities (PFRS for SEs) Accounting Standard as approved by the Financial Reporting Standards Council, Board of Accountancy and SEC.

For Philippine financial reporting purposes, PFRS for SEs Accounting Standard shall cover entities that:

(a) have total assets or total liabilities between (₱) 3 million and ₱ 100 million,

(b) are not required to file financial statements under Securities Regulation Code (SRC) Rule 68.1 (unlisted and non-public entities),

(c) are not in the process of filing financial statements for the purpose of issuing any class of instruments in a public market, and

(d) are not holders of secondary licenses issued by a regulatory agency such as banks, investment houses, finance companies, securities broker/dealers, mutual funds and pre-need companies.

Financial Instruments

Classification

The following are basic financial instruments:

- Cash
- A debt instrument that satisfies specific criteria
- A commitment to receive a loan that
  - Cannot be settled net in cash, and
  - When the commitment is executed, is expected to meet the conditions of a debt instrument above
- • An investment in non-convertible preference shares and non-puttable ordinary shares or preference shares.

Other financial instruments would include instruments that are not within the scope of basic financial instruments.

The Company's basic and other financial assets and liabilities include "Cash in bank", "Trade and other receivables", "Security deposits" and "Accruals and other payables" (except for statutory liabilities).

Recognition

Basic and other financial assets and liabilities are recognized when the entity becomes a party to the contracts.

Initial Measurement of Financial Instruments

Basic financial instruments are measured at their transaction price including transactions costs. If the contract constitutes a financing arrangement it is measured at the present value of future payments discounted at a market rate of interest for a similar instrument (this is not applicable to assets and liabilities classified as current, unless they incorporate a finance arrangement).

If interest is not at a market rate, the fair value would be future payments discounted at a market rate of interest. Other financial instruments are initially measured at fair value, which is usually their transaction price. This will exclude transaction costs.

Subsequent Measurement

Debt instruments are measured at amortized cost using the effective interest rate. Commitments to receive a loan are measured at cost less impairment.

All other financial instruments are measured at fair value at reporting date. The only exception are equity instruments (and related contracts that would result in delivery of such instruments) that are not publicly traded and whose fair value cannot be reliably determined are measured at cost less impairment.

Impairment of Financial Instruments

At each reporting date, an assessment is made by the Company as to whether there is objective evidence of a possible impairment. The impairment loss of financial instruments at amortized cost is the difference between carrying value and the revised cash flows discounted at the original effective interest rate.

The impairment of financial instruments at cost less impairment is the difference between the carrying value and best estimate of the amount that would be received if the asset were sold at the reporting date.

Fair Value

The standard makes use of a fair value hierarchy. This is quoted prices in an active market, prices in recent transactions for the identical assets (adjusted if necessary), and use of a valuation technique (that reflects how the market would expect to price the asset and the inputs reasonably represent market expectations). Fair value, where there is no active market, is only considered reliable if the variability in the range of fair values is not significant and the probabilities of various estimates can be reasonably assessed.

Derecognition

The Company derecognizes a financial asset when:

- The contractual rights to the cash flows from the financial asset expire or are settled.

Notes to Financial Statements

- The Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset.
- The Company, despite having retained some significant risks and rewards of ownership, has transferred control of the asset to another party and the other party has the practical ability to sell the asset in its entirety to an unrelated third party.

The Company derecognizes a financial liability when extinguished, cancelled or has expired.

Trade and other receivables

This represents receivables from customers and related parties for services rendered and rolling advances to assignees for business-related expenses. Advances to officers and employees are initially measured at fair value and subsequently measured at amortized cost less any impairment loss.

Prepayments and other current assets

This includes prepaid expenses, input value-added tax (VAT) and deferred input VAT.

Prepaid expenses

Prepaid expenses represent advance payments initially recorded as asset when paid. The portion of asset that have been used or expired during the period is charged to expense.

Value-added tax

Revenues, expenses, and assets are recognized net of the amount of VAT, if applicable.

When VAT from sales of goods and/or services (output VAT) exceeds VAT passed on from purchases of goods or services (input VAT), the excess is recognized as payable in the statement of financial position. When VAT passed on from purchases of goods or services (input VAT) exceeds VAT from sales of goods and/or services (output VAT), the excess is recognized as an asset in the statement of financial position to the extent of the recoverable amount.

Security deposits

Security deposits represent rental deposit with the lessor for the condominium unit. These are measured initially at fair value and subsequently measured at amortized cost less any impairment loss.

Office equipment

Office equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses.

The initial cost of property and equipment comprises its purchase price and any directly attributable costs of bringing the property and equipment to its working condition and location for its intended use. Expenditures incurred after the property and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of income in the year in which the costs are incurred. In situations where it can be clearly demonstrated that the expenditures have resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property and equipment beyond its originally assessed standard of performance, the expenditures are capitalized as an additional cost of property and equipment.

Depreciation commences once the property and equipment are available for use and is calculated on a straight-line method over the estimated useful life (EUL) of the asset. The estimated useful life of computer equipment is three (3) years.

The assets' EUL and depreciation method are reviewed periodically to ensure that the period and method of depreciation are consistent with the expected pattern of economic benefits from the items of office equipment.

An item of office equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the office equipment (calculated as the difference between the net disposal proceeds and the carrying amount of the property and equipment) is included in the statements of income for the year.

Impairment of non-financial assets

Prepayments and other current assets and office equipment are assessed at each reporting date to determine whether there is an indication that they are impaired. When an impairment indicator is identified, the carrying value of the asset is tested for impairment. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use.

If an impairment indicator no longer exists or the recoverable amount has increased subsequently, the Company will determine the amount of impairment loss that can be reversed to the extent that the reversal should not result in a carrying amount of the asset that is higher had no impairment loss was recognized in the prior years

Accruals and other payable

Accruals and other payables are present obligations on the basis of normal credit terms and do not bear interest. These are recognized in the period in which the related money, goods or services are received or when a legally enforceable claim against the Company is established or when the corresponding assets or expenses are recognized. The Company classifies a liability as current when it expects to settle the liability within 12 months after the reporting period.

Other payables represent reimbursement of business-related expenses incurred by the employees. These are initially measured at fair value and subsequently measured at amortized cost.

Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate.

Contingent assets and contingent liabilities

Contingent assets are not recognized in the financial statements but disclosed when inflow of economic benefits is probable. Contingent liabilities are not recognized in the financial statements. These are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

Revenue and expense recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue and expense is recognized:

Service income

Service and commission income are recognized when services are rendered.

Interest income

Interest income is recognized as it accrues, net of final taxes.

Other income

Other income is recognized as it accrues.

Expenses

Expenses are recorded when incurred and measured at the amount paid or payable.

Foreign Currency Transactions

In preparing the financial statements, transactions in foreign currencies other than the functional currency are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting date, monetary items denominated in foreign currency are retranslated at the rates prevailing at the reporting date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair values are determined. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Foreign currency gain or loss resulting from the settlement of such transaction at year-end exchange rates of monetary asset denominated in foreign currency is recognized in the statement of income.

Employee benefits

Short-term benefits

The Company provides short-term benefits to its employees in the form of salaries and wages, 13th month pay, contributions to SSS/PHIC/HDMF, bonuses and allowances that are presented under salaries, wages and employee benefits as part of expenses.

Leases - Company as lessee

Leases applies to an agreement whereby the lessor conveys to the lessee in return for a payment or series of payments the right to use an asset for an agreed period of time.

A lessee shall recognize all lease payments as expense in profit or loss in the period in which they are incurred.

Income tax

Current tax assets and liabilities comprise those claims from, or obligations to, fiscal authorities relating to the current or prior reporting period, that are uncollected or unpaid at the reporting date. They are recalculated according to the tax rates and tax laws applicable to the fiscal periods to which they relate, based on the taxable profit for the year. All changes to current tax assets or liabilities are recognized as a component of tax expense in the income statement.

Deferred income tax is provided using the balance sheet liability method on all temporary differences, with certain exceptions, at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized for all deductible temporary differences and the carry forward of unused tax losses and unused tax credits to the extent that it is probable that taxable profit will be available against which the deferred income tax asset can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable income will be available to allow all as part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each end of the reporting period and are recognized to the extent that it has become probable that future taxable income will allow all or part of the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rate that is expected to apply to the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the financial reporting date.

Equity

Capital stock is measured at par value for all shares issued. Incremental costs incurred directly attributable to the issue of new shares are shown in the equity as a deduction from proceeds, net of tax. When the shares are sold at premium, the difference between the proceeds at the par value is credited to "Additional paid-in capital" account. Direct costs incurred related to equity issuance are chargeable to "Additional paid-in capital" account. If additional paid-in capital is not sufficient, the excess is charged against retained earnings.

Deficit include all current and prior period results of operation as reported in the statement of income, net of any dividend declaration.

Events after financial reporting date

Post year-end events that provide additional information about the Company's position at reporting date (adjusting events) are reflected in the financial statements, if any. Post year-end events that are not adjusting events are disclosed in the notes to financial statements when material.

3. Significant Accounting Estimates and Judgements

The preparation of the accompanying financial statements in conformity with PFRS for SEs Accounting Standard requires the Company to make use of judgments, estimates and assumptions that affect the amounts on the financial statements and accompanying notes. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of relevant facts and circumstances as of the date of the financial statements. Actual results could differ from such estimates.

Judgments

In process of applying the Company's accounting policies, management has made the following judgments, apart from those involving estimation, which have the most significant effect on the amounts recognized in the financial statements.

Lease agreements

The Company has entered into various operating lease agreements during the current year. Based on the evaluation of the terms and conditions of the arrangements, all the risks and benefits incidental to ownership of the leased land are not transferred to the Company. In determining significant risks and benefits of ownership, the Company considered, among others, that there is no transfer of ownership of the asset to the lessee by the end of the lease term. Thus, the Company accounted for these agreements as operating leases.

Functional currency

The Company's management considers the Philippine Peso as the currency that most faithfully represents the economic effect of the underlying transactions, events and conditions. It is the currency which measures the performance and reports the results of the Company's operations.

4. Cash in Bank

This account pertains to deposits in Citibank, N.A. a mounting to ₱33,620,942 and ₱19,512,807 as at March 31, 2025 and 2024, respectively.

Cash in bank generally earn interest at prevailing bank deposit rates.

Total interest income earned on cash in bank amounted to ₱225,615 and ₱184,867 in 2025 and 2024, respectively (see Note 13).

Unrealized foreign exchange loss due to cash in banks amounted to ₱243,269 and ₱418,685 in 2025 and 2024, respectively.

5. Trade and Other Receivables

	2025	2024
Accounts receivable - trade		
Related parties (Note 10)	**₱4,742,470**	₱18,633,327
Third parties	**276,976**	276,976
Advances to officers and employees	**518,900**	240,000
Interest receivable	**96,998**	66,082
Receivable from officer and employee	**19,893**	19,893
Advances to suppliers	**198,006**	–
	5,853,243	19,236,278
Less: allowance for bad debts	**(276,976**	(276,976)
	₱5,576,267	₱18,959,302

Movements in allowance for bad debts on trade receivables in 2025 and 2024 are as follows:

	2025	2024
Beginning balance	**₱276,976**	₱276,976
Provisions	**-**	-
Ending balance	**(₱276,976)**	(₱276,976)

Advances to suppliers pertain to deposits for processing of visa downgrade and annual report.

Advances to officers and employees represent rolling advances of assignees subject to liquidation.

6. Prepayments and Other Current Assets

	2025	2024
Prepaid expenses (Note 16)	**₱ 441,995**	₱ 1,320,280
Input VAT	**143,449**	95,433
Deferred input VAT	**20,797**	125,796
Advances for liquidation	**2,981**	2,981
Creditable withholding taxes	–	183,697
Prepaid income tax	–	53,374
	₱ 609,222	₱1,781,561

Prepaid expenses are composed of prepaid rent, insurance, educational assistance and business permits.

Input VAT represents VAT imposed on the Company by its suppliers for the acquisition of goods and services as required by Philippine taxation laws and regulations.

The deferred input VAT pertains to input VAT on the purchase of applicable services that are still outstanding at end of the financial reporting period which will be claimed as a tax credit against output VAT upon payment of the related liability.

Creditable withholding taxes will be claimed as tax credit once received from customers and will be used against the income tax payable. Once collected, the creditable withholding taxes are reclassified to prepaid income tax. In 2024, the Company has written-off creditable withholding taxes which it assessed as not recoverable amounting to ₱7,699 (see Note 15).

Prepaid income tax applied against income tax payable for the years ended March 31, 2025 and 2024 amounted to nil and ₱53,374, respectively.

7. Security Deposits

This account consists of two (2) months security deposits on lease contracts to the following lessors:

	2025	2024
Regus PLT Centre Inc.	**₱ 346,980**	₱ 346,980
Dennis Garces	**240,000**	240,000
Maria Angela Ferrer	**190,000**	–
	₱ 776,980	₱ 586,980

8. Office Equipment

Cost of office equipment amounted P=19,643 with accumulated depreciation of P=19,643 resulting to nil net book value as at March 31, 2025 and 2024. Depreciation expense amounted to nil in 2025 and 2024. There were no acquisitions, write-offs nor disposals of office equipment in 2025 and 2024.

9. Accruals and Other Payables

	2025	2024
Deferred output VAT	**₱521,558**	₱1,995,384
Accrued expenses	**422,875**	533,399
Advances from officers and employees	**75,000**	130,372
Income tax payable	**32,763**	–
Statutory payables:		
Fringe benefit tax payable	**353,167**	337,802
SSS, PHIC and HDMF payable	**54,960**	9,956
Withholding tax payable on wages	**40,256**	21,453
Withholding tax payable at source	**13,905**	46,149
Advances from customer	**28,175**	28,174
	₱1,542,659	₱3,102,689

Deferred output VAT represents VAT on trade receivables that are payable upon collection from customers.

Accrued expenses consist of the following:

	2025	2024
Professional fees	**₱ 397,875**	₱ 500,746
Vehicle rental	**25,000**	32,653
	₱ 422,875	₱ 533,399

Output VAT payable is the VAT payable to the government from the collection from the customers and due for remittance to the government.

10. Related Party Transactions

Related party transactions are made under the normal course of business. Parties are considered to be related if one party has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions and the parties are subject to common control or common significant influence. Related parties may be individuals or corporate entities.

The Company, in the normal course of business, has transactions with affiliates. The Company's relationships with the related parties are disclosed below:

Related Party	Relationship
Thermax Limited	Entity under the common control of the Ultimate Parent Company

Significant transactions of the Company in the normal course of business with related parties are described below. Amount/Volume relates to the amount affecting the profit or loss of the Company. Outstanding balance is inclusive of the VAT receivable from the affiliates. Transactions are generally settled in cash, unless otherwise stated.

Category	Amount/ Volume	Outstanding Balance	Terms	Conditions
2025				
Thermax Limited				
Marketing and Sales Support Services (Note 5)	**₱ 16,309,667**	**₱ 4,742,470**	Non-interest bearing, 30-days	Unsecured, no impairment

Tax assessment

The Company has not received any tax assessments from the BIR.

Tax cases

The Company has no outstanding cases which are under preliminary investigation, litigation and/or prosecution in courts or bodies outside the BIR.

RR-No. 34-2020

On December 18, 2020, the BIR issued RR No. 34-2020 which prescribes the guidelines and procedures for the submission of BIR form 1709, Transfer Pricing Documentation (RPD) and other supporting documents. This regulation is issued to allow the BIR to verify that taxpayers are reporting their related party transactions at arm's length prices.

Under this RR, Companies that will fall under the following criteria will be required to file and submit BIR Form 1709 or Information Return on Related Party Transaction (RPT Form):

(a) Large taxpayers;

(b) Taxpayers enjoying tax incentives, i.e. Board Of Investments (BOI)-registered and the economic zone enterprises, those enjoying Income Tax Holiday (ITH) or subject to preferential income tax rate;

(c) Taxpayers reporting net operating losses for the current taxable year and the immediately preceding two (2) consecutive taxable years; and

(d) A related party, as defined under Section 3 of RR No. 19- 2020, which has transactions with (a), (b) or (c). For this purpose, key management personnel (KMP), as defined under Section 3(7) of RR No. 19-2020, shall no longer be required to file and submit Related Party Transaction (RPT) Form, nor shall there be any requirement to report any transaction between KMP and the reporting entity/parent company of the latter in the RPT Form.

Since the Company does not fall in any categories as mentioned above, it will not be required to file and submit BIR form 1709 for the year ended March 31, 2025.

Income tax expense	**(6,46,309)**	(8,93,203)
Profit after tax	**13,20,420**	18,28,216

The Board of Directors, pursuant to the powers vested in it by the provisions of Sections 289(8) and 426 of the Companies and Allied Matters Act, 2020 of Nigeria approved and recommended the payments of dividends as follows:

The sum of N150 million amounting to N3 per share as final dividend for the year ended 31 March 2023.

The sum of N650 million amounting to N13 per share as interim dividend for the period 31 March 2024

The sum of N600 million amounting to N12 per share as interim dividend for the year ended 31 March 2024.

These resolutions were passed for approval and recommendation by the Board of Directors as written resolutions in lieu of the Company's Board of Directors' meetings duly convened and held.

DIRECTORS

The directors who held office during the year and to the date of this report are given below:

Rabindranath Raghavan Pillai

Sandeep Mandke

DIRECTORS' SHAREHOLDING

None of the directors have any interest in the shares of the Company as at 31 March 2025 (2024:Nil). According to the register of members as at 31 March 2025, the following are the shareholders of Thermax Nigeria Limited.

	31 March 2025		31 March 2024	
	Shareholding (units)	Percentage	Shareholding (units)	Percentage
Thermax International Limited, Mauritius	49,999,800	99.9996	49,999,800	99.9996
Thermax Engineering Singapore PTE Limited	200	0.0004	200	0.0004
	50,000,000	100	50,000,000	100

DIRECTORS' INTEREST IN CONTRACTS

None of the directors have notified the Company for the purpose of section 303(1) and (3) of the Companies and Allied Matters Act, 2020 of their direct or indirect interest in contracts or proposed contracts with the Company during the year.

PLANT AND EQUIPMENT

Information relating to changes in plant and equipment during the year is shown in the Note 12 to these financial statements. In the opinion of the directors, the market value of the Company's properties is not less than the value shown in these financial statements.

EVENTS AFTER THE REPORTING DATE

As stated in note 23, there were no material events after the reporting date, which could have had material effects on the state of affairs of the Company as at 31 March 2025 and on the profit for the year ended on that date that have not been taken into accounts in these financial statements.

EMPLOYEE HEALTH, SAFETY AND WELFARE

(a) Health, safety and Welfare at work

The Company places high premium on then health, safety and welfare of its employees in their place of work. In order to protect other persons against risks to health and safety hazards arising out of or in connection with the activities of employees at work, the Company has adopted comprehensive safety policies and procedures and reviews safety facilities on a regular basis.

(b) Employee consultation and training

The Company places considerable value on the involvement of its employees in its affairs and has continued its practice of keeping them informed on matters affecting them as employees and on various factors affecting the performance of the Company, it also ensures that employees receive on the job training complemented when and where necessary with additional facilities from educational institutions or other training institutions.

(c) Employment of physically challenged persons

Applications for employment by physically challenged persons are always fully considered, bearing in mind the respective aptitudes and abilities of the applicants concerned. It is the policy of the Company that the training, career development and promotion of physically challenged employees should, as far as possible, be identical with that of other employees. There are no physically challenged persons in its employment during the year (2024: Nil).

DONATIONS AND GIFTS

The Company did not make any donations or gifts to any charitable organisations, political association or for any other purpose in the course of the year under review (2024:Nil).

AUDITORS

During the year, Messrs PricewaterhouseCoopers, independent auditors, resigned as auditors to the Company. Accordingly, BDO Professional Services were appointed as auditors of Thermax Nigeria Limited and they have expressed their willingness to continue in office as auditors.

In accordance with section 401 of the Companies and Allied Matters Act, 2020, a resolution will be proposed to authorise the directors to fix their remuneration at the next Annual General Meeting.

Company Secretary,

Lagos, Nigeria

Date: 2 May 2025

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Companies and Allied Matters Act, 2020, requires the directors to prepare financial statements for each financial year that give a true and fair view of the state of financial affairs of the Company at the end of the year and of the profit or loss for the year ended 31 March 2025, and in so doing they ensure that:

a) Proper accounting records are maintained that disclose, with reasonable accuracy, the financial position of the Company and comply with the requirements of the Companies and Allied Matters Act, 2020.

b) Applicable accounting policies are adopted and consistently applied;

c) Judgments and estimates made are reasonable and prudent;

d) The going concern basis is used, unless it is inappropriate to presume that the Company will continue in business; and

e) Internal control procedures are instituted which as far as reasonably possible, safeguard the assets of the Company and prevent and detect fraud and other irregularities.

The Directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Financial Reporting Standards (IFRS) and the requirements of the Companies and Allied Matters Act, 2020.

The Directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the company and of its profit for the year ended 31 March 2025.

The Directors further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as adequate systems of internal control over financial reporting .

Nothing has come to the attention of the Directors to indicate that the Company will not remain a going concern for at least twelve months from the date of this statement.

Rabindranath Pillai
Director

Sandeep Mandke
Director

STATEMENT OF CORPORATE RESPONSIBILITIES

In line with the provision of Section 405 of the Companies and Allied Matters Act, 2020, we have reviewed the audited financial statements of the Company for the year ended 31 March 2025 and based on our knowledge confirm as follows:

a) The audited financial statements do not contain any untrue statement of material fact or omit to state a material fact, which would make the statements misleading.

b) The audited financial statements and all other financial information included in the statements fairly present, in all material respects, the financial condition and results of operations of the Company as at and for the year ended 31 March 2025.

c) The Company's internal controls have been designed to ensure that all material information relating to the Company is received and provided to the Auditors in the course of the audit.

d) The Company's internal controls were evaluated within 90 days of the financial reporting date and are effective as of 31 March 2025.

e) That we have disclosed to the Company's auditor the following information:

   i) that there are no significant deficiencies in the design or operation of the Company's internal controls which could adversely affect the Company's ability to record, process, summarise and report financial data, and have discussed with the Auditor any weaknesses in internal controls observed in the cause of the audit.

   ii) there is no fraud involving management or other employees which could have any significant role in the Company's internal control.

f) There are no significant changes in internal controls or in the other factors which could significantly affect internal controls subsequent to the date of this audit, including any corrective actions with regard to any observed deficiencies and material weaknesses.

THERMAX NIGERIA LIMITED

Independent auditor's report

TO THE SHAREHOLDERS OF THERMAX NIGERIA LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Thermax Nigeria Limited which comprise, the statement of financial position as at 31 March 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity, and statement of cash flows for the year then ended; and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2025 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards, and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria (Amendment) Act, 2023 and the Companies and Allied Matters Act, 2020.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the International Ethics Standards Board Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Directors' statements, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards issued by the International Accounting Standards Board, and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria (Amendment) Act, 2023 and the Companies and Allied Matters Act, 2020 and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

* Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

* Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

* Conclude on the appropriateness of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

* Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit, and significant audit findings and any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

The Companies and Allied Matters Act, 2020 requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

i) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

ii) in our opinion, proper books of account have been kept by the Company, and

iii) the Company's statement of financial position, and its statement of profit or loss and other comprehensive income are in agreement with the books of account.

THERMAX NIGERIA LIMITED

Annual report and financial statements

For the year ended 31 March 2025

Notes to the financial statements

1 General information

Thermax Nigeria Limited was incorporated in Nigeria on 5 October 2015 as a private limited company. The Company is domiciled in Nigeria and the address of its registered office is:

15, CIPM Avenue, Alausa, Ikeja, Lagos, Nigeria

1.1 Principal Activities

Thermax Nigeria Limited was incorporated in Nigeria as a private limited company to carry on the business of designing, manufacturing, supply, erection and commissioning, supervision, operation and maintenance of industrial equipment such as boilers, heaters, water and waste water treatment plants, air pollution control equipment, absorption chillers, geothermal plants, solar based systems and power plants etc.

2 Basis of preparation

(a) Statement of compliance with International Financial Reporting Standards

The financial statements of Thermax Nigeria Limited have been prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB), the interpretations issued by IFRS Interpretations Committee (IFRS IC) applicable to companies reporting under IFRS and in compliance with Financial Reporting Council of Nigeria (Amendment) Act, 2023 and the requirements of companies and Allied Matters Act, 2020. Additional information required by national regulations is included where appropriate.

These financial statements were authorised for issue by the Board of Directors on 2 May 2025.

(b) Basis of measurement

The financial statements comprise the statement of profit or loss and other comprehensive income, the statement of financial position, the statement of changes in equity, the statement of cash flows and the notes to the financial statements.

The financial statements have been prepared in accordance with the going concern principle under the historical cost except for certain financial instruments which are measured at fair value as discussed in the accounting policies below.

(c) Functional and presentation currency

The Company's functional and presentation currency is the Nigerian Naira. The financial statements are presented in Nigerian Naira and have been rounded up to the nearest thousand except where otherwise stated.

(d) Use of estimates and judgement

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates and judgments. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

3 Changes in accounting policies

(a) New standards, interpretations and amendments adopted from 1 January 2024

The following amendments are effective for the period beginning 1 January 2024:

- Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7);
- Lease Liability in a Sale and Leaseback (Amendments to IFRS 16);
- Classification of Liabilities as Current or Non-Current (Amendments to IAS 1); and
- Non-current Liabilities with Covenants (Amendments to IAS 1).

These amendments to various IFRS Accounting Standards are mandatorily effective for reporting periods beginning on or after 1 January 2024.

Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7)

On 25 May 2023, the IASB issued Supplier Finance Arrangements, which amended IAS 7

Statement of Cash Flows and IFRS 7 Financial Instruments: Disclosures.

The amendments require entities to provide certain specific disclosures (qualitative and quantitative) related to supplier finance arrangements. The amendments also provide guidance on characteristics of supplier finance arrangements.

Lease Liability in a Sale and leaseback (Amendments to IFRS 16);

On 22 September 2022, the IASB issued amendments to IFRS 16 — ease Liability in a Sale and Leaseback (the Amendments).

Prior to the Amendments, IFRS 16 did not contain specific measurement requirements for lease liabilities that may contain variable lease payments arising in a sale and leaseback transaction. In applying the subsequent measurement requirements of lease liabilities to a sale and leaseback transaction, the Amendments require a seller-lessee to determine 'lease payments' or 'revised lease payments' in a way that the seller-lessee would not recognise any amount of the gain or loss that relates to the right of use retained by the seller-lessee.

These amendments had no effect on the consolidated financial statements of the Company

Classification of Liabilities as Current or Non-Current and Non-current Liabilities with Covenants (Amendments to IAS 1)

The IASB issued amendments to IAS 1 in January 2020 Classification of Liabilities as Current or Non-current and subsequently, in October 2022 Non-current Liabilities with Covenants.

The amendments clarify the following:

- An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period.
- If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.
- The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.
- In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the financial statements of the Company. However, the classification of certain borrowings has changed from non- current to current as result of the application of the amendments for the current financial year as well as the comparative period.

b) New standards, interpretations and amendments not yet effective

There are a number of standards, amendments to standards, and interpretations which have been issued by the IASB that are effective in future accounting periods that the Company has decided not to adopt early.

The following amendments are effective for the annual reporting period beginning 1 January 2025:

- Lack of Exchangeability (Amendment to IAS 21 the Effects of Changes in Foreign Exchange Rates);

The following amendments are effective for the annual reporting period beginning 1 January 2026:

- Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 Financial instruments and IFRS 7)
- Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7)

The following standards and amendments are effective for the annual reporting period beginning 1 January 2027:

- IFRS 18 Presentation and Disclosure in Financial Statements
- IFRS 19 Subsidiaries without Public Accountability: Disclosures.

The Company is currently assessing the effect of these new accounting standards and amendments.

IFRS 18 Presentation and Disclosure in Financial Statements, which was issued by the IASB in April 2024 supersedes IAS 1 and will result in major consequential amendments to IFRS Accounting Standards including IAS 8 Basis of Preparation of Financial Statements (renamed from Accounting Policies, Changes in Accounting Estimates and Errors). Even though IFRS 18 will not have any effect on the recognition and measurement of items in the financial statements, it is expected to have a significant effect on the presentation and disclosure of certain items.

These changes include categorisation and sub-totals in the statement of profit or loss, aggregation/ disaggregation and labelling of information, and disclosure of management-defined performance measures.

The Company does not expect to be eligible to apply IFRS 19.

4 Critical accounting estimates and judgements

The Company makes certain estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. In the future, actual experience may differ from these estimates and assumptions. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

i) Income and deferred taxes

The company is subject to income taxes only within the Nigerian tax authority which does not require much judgment in terms of provision for income taxes but a certain level of judgment is required for recognition of the deferred tax assets. Management is required to assess the ability of the company to generate future taxable economic earnings.

Taxes are paid by the company under a number of different regulations and laws, which are subject to varying interpretations. In this environment, it is possible for the tax authorities to review transactions and activities that have not been reviewed in the past and scrutinize these in greater detail, with additional taxes being assessed based on new interpretations of the applicable tax law and regulations. Accordingly, management's interpretation of the applicable tax laws and regulations as applied to the transactions and activities of the Company may be challenged by the relevant taxation authorities. The Company's management believes that its interpretation of the relevant tax law and regulations is appropriate and that the tax position included in these financial statements will be sustained.

ii) Impairment of plant and equipment

Thermax Nigeria Limited assesses assets or groups of assets for impairment whenever events or changes in circumstances indicate that carrying amounts of those assets may not be recoverable. In assessing whether a write-down of the carrying amount of a potentially impaired asset is required, the asset's carrying amount is compared to the recoverable amount. Frequently, the recoverable amount of an asset proves to be the Company's estimated value in use.

The estimated future cash flows applied are based on reasonable and supportable assumptions and represent management's best estimates of the range of economic conditions that will exist over the remaining useful life of the cash flow generating assets.

iii) Legal proceedings

The Company reviews outstanding legal cases following developments in the legal proceedings at each reporting date, in order to assess the need for provisions and disclosures in its financial statements. Among the factors considered in making decisions on provisions are the nature of litigation, claim or assessment, the legal process and potential level of damages in the jurisdiction in which the litigation, claim or assessment has been brought, the progress of the case (including the progress after the date of the financial statements but before those financial statements are issued), the opinions or views of legal advisers, experience on similar cases and any decision of the Company's management as to how it will respond to the litigation, claims or assessment.

5 Summary of significant accounting policies

The accounting policies set out below have been applied consistently to all years presented in these financial statements

a) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable for goods or services stated net of value added taxes (VAT). Sale of services are recognised in the period in which the costs incurred in providing the services are recognised.

A valid contract is recognised after:

- The contract is approved by the parties.
- Rights and obligations are recognised.
- Collectability is probable.
- The contract has commercial substance.
- The payment terms and consideration are identifiable.

The probability that a customer would make payment is ascertained based on the evaluation done on the customer as stated in the credit management policy at the inception of the contract. The Company is the principal in all its revenue arrangement since it is the primary obligor in most of the revenue arrangements, and determines the pricing for the goods and services.

Revenue represents the value of compensation earned for the provision of marketing and sales support services to third parties in Nigeria and on behalf of Thermax Limited. It is recognised in the period in which the Company delivers the related services, and collectability of the related receivables is reasonably assured.

It also represents the value of compensation earned by providing Operation and Maintenance services in Nigeria. It is recognised in the period in which the Company delivers the related services, and collectability of the related receivables is reasonably assured.

b) Finance income

Finance income comprises interest income on short-term deposits with banks. Interest income on short-term deposits is recognised by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is recognised in the statement of profit or loss and other comprehensive income as it accrues, using the effective interest method.

c) Other income

This comprises interest on short-term deposits with banks, profit on disposal of property, plant and equipment and impairment loss no longer required.

Interest income on short-term deposits is recognised by reference to the principal outstanding and at the effective interest rate applicable. Income arising from disposal of items of property, plant and equipment is recognised at the time when proceeds from the disposal has been received by the Company. The profit on disposal is calculated as the difference between the net proceeds and the carrying amount of the assets. The Company recognised impairment no longer required as other income when the Company received cash on an impaired receivable or when the value of an impaired investment increased and the investment is realisable.

d) Operating expenses

Operating expenses are recognised in income statement upon utilisation of the service or at the date of their origin. Expenditure for warranties is recognised and charged against the associated provision when the related revenue is recognised.

e) Current and deferred taxation

i) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit difers from 'profit before tax' as reported in the statement of profit or loss because of items of income or expenses that are taxable or deductible in other years but it further excludes items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or subsequently enacted by the end of the reporting period. Current income tax is the expected amount of income tax payable on the taxable profit for the year determined in accordance with the Companies Income Tax Act (CITA) using statutory tax rates at the balance sheet date. Education tax is assessed at 3% of the assessable profits determined in accordance with the Education Tax Act.

The Company is subject to the Finance Act as enacted, which amends the Company Income Tax (CITA). Total amount tax payable under this is determined based on the higher of two components; Company Income Tax Act on taxable income (or loss) for the year, and minimum tax (determined based on 0.5% of qualifying Company's turnover less franked investment income). Taxes based on taxable profit are treated as income tax in line with IAS 12, whereas minimum tax based on gross amount is outside the scope of IAS 12 and therefore not presented as tax expense in the statement of profit or loss.

Where the minimum tax charge is higher than the Company Income Tax (CIT), a hybrid tax situation exists. In this situation, the CIT is recognised in the income tax expense line in the profit or loss and the excess amount is presented above the income tax line as minimum tax.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporay differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. in addition , deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substatntively enacted by the end of the reporting period.

f) Employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

i) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Company pays fixed contributions into separate entities such as National Pension Commission on a mandatory, contractual or voluntary basis. The Company operates a defined contribution plan as stipulated in the Pension Reforms Act, 2014. Under the defined contributory scheme, the Company contributes 10%, while its employees contribute 8% of their annual basic, housing and transport allowances to the scheme. The Company's obligations are recognised in the statements of profit or loss and other comprehensive income as administrative expenses (employee benefits) when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or reduction in the future payments is available. The Company has no further payment obligations once the contributions have been paid.

g) Plant and equipment

i) Recognition and measurement

Plant and equipment are stated at historical cost less accumulated depreciation calculated from the date of commissioning and any accumulated impairment losses. Historical costs include expenditure that is directly attributable to the acquisition of the items.

ii) Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the statement of profit or loss in the financial period in which they are incurred.

iii) Depreciation

Depreciation is calculated on items of plant and equipment to write down the cost of each asset to its residual value over its estimated useful life. No depreciation is charged on items of

plant and equipment until they are brought into use. Where plant and equipment consist of components with different useful lives, they are accounted for as separate items.

The principal annual rates used to write down the cost of the assets are as follows:

Type of asset	%
Office equipment	20

iv) Derecognition

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit and loss component of the statement of profit or loss and other comprehensive income within 'Other income or operating expenses' in the year that the asset is derecognised.

h) Impairment of non-financial assets

Non-financial assets other than deferred tax assets are reviewed at each reporting date for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which they have separately identifiable cash flows (cash-generating units).

If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in the income statement, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the income statement, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment is treated as a revaluation increase.

i) Financial instruments

Financial instruments which are financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the rights to receive cash flows from the assets have expired or have been transferred and Thermax Nigeria Limited has transferred substantially all risks and rewards of ownership. Financial liabilities are derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Management determines the classification of its financial instruments at initial recognition.

i) Financial assets

The Company does not have any financial assets accounted for on the basis of fair value through profit or loss or through other comprehensive income.

Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. These are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate method. The normal credit term is 7-90 days upon delivery.

The Company has applied the simplified approach for trade and other receivables upon the adoption of IFRS 9 and follows an Expected Credit Losses ('ECLs') approach for measuring the allowance of its trade receivables. The expected loss rate is assessed on the basis of historical credit losses of 36 months before 31 March 2025 and adjusted to reflect current and forward-looking information. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The carrying amount of the receivable is reduced by the amount of the provision, which is recognised as part of operating expenses.

If a trade receivable ultimately becomes uncollectible, it is written off initially against any provision made in respect of that receivable with any excess recognised as part of operating expenses. Subsequent recoveries of amounts previously written-off or provisions no longer required are credited against operating expenses. Loans are initially recognised at the fair value net of transaction costs incurred. After initial recognition, all interest-bearing loans are subsequently measured at amortised cost. Amortised cost is calculated using the effective interest rate method whereby any discount, premium or transaction costs associated with a loan are amortised to the income statement over the borrowing period.

Other recivables

These amounts generally arise from transactions outside the usual operating activities of the Company. They are usually recognised at amortised cost.

Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include deposits with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

ii) Financial liabilities

The Company classifies its financial liabilities as financial liabilities measured at amortised cost. The classification depends on the purpose for which the liabilities were incurred.

Financial liabilities are subsequently stated at amortised cost and any difference between net proceeds and the redemption value is recognised in the income statement using the effective interest method.

Trade payables

These amounts represent liabilities for goods and services provided to the group prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Other financial liabilities

Other financial liabilities include due to related parties, trade payables and other short-term monetary liabilities, which

are initially recognised at fair value and subsequently carried at amortised cost using the effective interest method. For the purposes of each financial liability, interest expense includes initial transaction costs and any premium payable on redemption, as well as any interest or coupon payable while the liability is outstanding.

Offsetting financial assets and financial liabilities

The Company offsets financial assets and financial liabilities to the net amount reported in the balance sheet when it currently has a legally enforceable right to offset the recognised amounts and it intends to settle on a net basis or to realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Impairment of financial assets

The Company assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

j) Provisions

Provisions are recognised when: the Company has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation.

Where the Company expects a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognised as a separate asset only when such reimbursement is virtually certain. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

k) Related party transactions

Related parties include the related companies, the directors and any employee who is able to exert significant influence on the operating policies of the company. Key management personnel are also considered related parties. Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

The Company considers two parties to be related if, directly or indirectly one party has the ability to control the other party or exercise significant influence over the other party in making financial or operating decisions. Where there are related party transactions with the company, the transactions are disclosed as to the type of relationship that exists with the company and the outstanding balances necessary to understand their effects on the financial position and the mode of settlement.

l) Share capital

Financial instruments issued by the Company are classified as equity only to the extent that they do not meet the definition of a financial liability or financial asset. The Company's ordinary shares are classified as equity instruments. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital accounts.

m) Retained earnings

This represents amount set aside out of profits of the Company which shall at the discretion of the directors be applied to meeting contingencies, repairs or maintenance of any works connected with the business of the Company, for equalising dividends, for special dividend or bonus, or such other purposes for which the profits of the Company may lawfully be applied.

n) Dividends

Dividends on ordinary shares are recognised as a liability and deducted from equity when they are approved by the Company's shareholders. Interim dividends are deducted from equity when they are declared and no longer at the discretion of the Company. Dividends for the year that are approved after the statement of financial position date are disclosed as an event after the statement of financial position date.

o) Foreign currency translation

i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Nigerian Naira, rounded to the nearest thousand, which is the Company's functional currency.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuations where items are re-measured. Foreign exchange gains and losses resulting from the settlement of foreign currency transactions, and from translation of monetary assets and liabilities denominated in currencies other than the entity's functional currency at year end exchange rates, are recognized in the income statement.

The Company presents its financial statements in the Nigerian Naira ("N") in compliance with the legal requirement for Nigerian companies to present their accounts in Nigerian Naira. The financial statements are translated to the presentation curency using the closing rate. Exchange differences arising out of this translation from the functional currency to presentation currency are classified as a cumulative translation adjustment and recorded against equity in the Company's statement of finacial position through statement of other comprehensive income.

In translating US Dollar balances to Naira, the following exchange rates were used :

2025 Year-end N1,536.32/US$1 ; average for the year N1,487.93/US$1

2024 Year-end N1,330.26/US$1 ; average for the year N856.03/US$1

iii) Comparatives

Except when a standard or an interpretation permits or requires otherwise, all amounts are reported or disclosed with comparative information.

6 Financial risk management

The Company's activities expose it to financial risk- credit risk, liquidity risk and market risk. Risk management is carried out by management, management identifies and evaluates the financial risks in co-operation with the Company's operating units and; provides written principles for overall risk management, as well as written policies covering specific areas. The Company's overall risk management program seeks to minimize potential adverse effects on the Company's financial performance.

6.1 Credit risk management

Credit risk is the risk that financial loss arises from the failure of a customer or counterparty to meet its obligations under a contract, and arises principally from the Company's trade receivables. Credit risk arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposure to customers, including outstanding receivables and committed transactions.

The balances exposed to credit risk are disclosed below

	2025	2024
	N'000	N'000
Amounts due from related parties (note 19 (ii))	**133,936**	114,107
Trade receivables (note 13)	**3,349,361**	2,403,352
Other current assets (note 13b)*	**571**	284,991
Cash and cash equivalents (note 14)	**1,154,561**	990,450
Financial assets bearing credit risk	**4,638,430**	3,792,900

*Other receivables include unbilled revenue and staff receivables but excludes prepayments and WHT/VAT recoverables as these are non financial assets.

Impairment of financial assets

The Company's financial assets that are subject to IFRS 9's expected credit loss model are as follows:

- Trade receivables
- Amount due from related parties and;
- Cash and cash equivalents

While cash and cash equivalents are also subject to the impairment requirements of IFRS 9, there is no identified impairment loss.

Amounts due from related parties

Amounts due from related parties represent fee income due from related parties for the provision of services in the ordinary course of business. Credit terms for related entities are determined on individual basis and the Company does not require collateral in respect of intercompany receivables.

The Company has applied simplified approach in computing the Expected Credit Loss (ECL) for intercompany receivables. The Company allocates each exposure to a credit risk grade based on data that is determined to be predictive of the risk of loss (including audited financial statements, cashflow projections), applying experienced judgement and historical default rates. Lifetime probabilities of default are determined based on available data which reflects the loss rate of the related party.

Intercompany receivables and payables are offset and the net amount presented in the Statement of Financial Position when, and only when the Company has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

The credit risk associated with receivables due from related parties are considered minimal and no impairment has been recognised in respect of the balances at year end (2024: Nil).

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to historical information about counterparty default rates and the credit policy of the Enterprise.

Cash and bank balance fall under neither past due nor impaired.

	2025	2024
	N'000	N'000
B+	**1,154,561**	990,450

'B' ratings indicate that material default risk is present, but a limited margin of safety remains. Financial commitments are currently being met; however, capacity for continued payment is vulnerable to deterioration in the business and economic environment.

The modifiers "+" or ''-'' may be appended to a rating to denote relative status within major rating categories. This is based on Fitch national long term rating.

At 31 March 2025

	9,62,860	1,47,170	-	11,10,030

At 31 March 2024

	Less than 3 months	Between 3 months and 1 year	Over 1 year	Total
	N'000	N'000	N'000	N'000
Trade payables	42,948	-	-	42,948
Accruals, provisions and other liabilities	3,25,985	-	-	3,25,985
	3,68,933	-	-	3,68,933

6.3 Market risk

Market risk is the risk of change in the fair value of financial instruments due to changes in interest rates (interest rate risk), foreign exchange rates (currency risk) and other market factors (other price risk).

6.3.1 Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will be affected by changes in market interest rates. The Company's exposure to interest rate risk relates primarily to a long term borrowing from banks. There are no borrowings as the end of the year (2024: Nil).

6.3.2 Foreign exchange risk

The Company is exposed to foreign exchange risk arising from commercial transactions. There are account receivable balances exposed to exchange risk at the end of the year N3.48 billion (2024: N2.52 billion).

Sensitivity

The sensitivity analysis for currency rate risk shows how changes in the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates at the reporting date. There are foreign denominated balances that are exposed to fluctuations in foreign exchange rates.

The sensitivity of the Company's earnings to fluctuations in exchange rate is reflected by varying the exchange rate as shown below:

	2025	2024
	N'000	N'000
Impact on account receivable balance		
Increase in US Dollars exchange rate against NGN +20%	**696,659**	503,492
Decrease in US Dollars exchange rate against NGN -20%	**(696,659)**	(503,492)

6.3.3 Price risk

Price risk is the risk that prices of internationally traded commodities or equity prices will change. The Company does not trade in quoted securities and commodities.

6.4 Capital risk management

The Company's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders, and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt. Consistent with others in the industry, the company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (including 'current and non-current borrowings' as shown in the balance sheet) less cash and cash equivalents. Total capital is calculated as 'equity' as shown in the statement of financial position plus net debt. However, the Company does not currently have any borrowings.

6.5 Liquidity risk

Management of liquidity risk

Cash flow forecasting is performed by the finance department. The finance department monitors rolling forecasts of liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its borrowing facilities.

The Company evaluates its ability to meet its obligations on an ongoing basis. Based on these evaluations, the Company devises strategies to manage its liquidity risk.

Prudent liquidity risk management implies that sufficient cash is maintained and that sufficient funding is available through an adequate amount of committed credit facilities. The Company has no limitation placed on its borrowing capability.

The table below analyses the Company's financial liabilities into relevant maturity based on the remaining period at the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

Fair value hierarchy

IFRS 13 requires the Company to classify the fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. A description of the fair value hierarchy is detailed below:

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

Level 3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

All the Company's financial assets and liabilities are measured at the amortised cost. The fair value are within level 2 of the fair value hierarchy.

Financial instruments by category

Financial assets and liabilities have been classified into categories that determine their basis of measurement and for items measured at fair value.

(i) Financial assets classified as loans and receivables

The carrying value of the Company's financial assets as at 31 March 2025 is the same as its fair value.

(ii) Financial liabilities carried at amortised cost

The carrying value of the Company's liabilities as at 31 March 2025 is the same as its fair value.

7 Revenue

The company dervies revenue from the transfer of services at a point in time in the following major product lines:

	2025	2024
	N'000	N'000
- Supply of Manpower for Operation and Maintenance activities	**4,163,429**	2,400,049
- Fee Income (Note 7(a))	**569,408**	306,062
- Technical service	**30,642**	35,115
	4,763,479	2,741,226

(a) Thermax Nigeria Limited entered into an agreement with Thermax Limited for its marketing and sales support services. Based on the agreement, the Comapany has raised revenue invoices on Thermax Limited by applying 6% & 5% of mark up on operating expenses.

The fee income has been determined as follows:

	2025 N'000	2024 N'000
Operating expenses	-	117,239
Add: Mark-up of 6%	-	7,034
	-	124,273
Operating expenses	**542,293**	173,132
Add : Mark-up of 5%	**27,115**	8,657
	569,408	181,789
	569,408	306,062

There were no assets and liabilities related to contracts with customers as at reporting date (2024: Nil).

8 Other income

	2025 N'000	2024 N'000
Interest on fixed deposit	**8,698**	17,687

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF THERMAX ENERGY & ENVIRONMENT LANKA (PVT) LTD

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Thermax Energy & Environment Lanka (Pvt) Ltd ("the Company"), which comprise the statement of financial position as at 31 March 2025, and the statement of profit or loss and comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 31 March 2025 and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards for Small and Medium Sized Entities (SLFRS for SMEs).

Basis for opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards for Small and Medium Sized Entities (SLFRS for SMEs), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH, 2025

1. CORPORATE INFORMATION

1.1 General

Thermax Energy & Environment Lanka (Pvt) Ltd ("Company") is a limited liability Company incorporated on 08 August 2017 in accordance with Companies Act No 7 of 2007 and domiciled in Sri Lanka. The registered office of the Company is located at Level 37, West Tower, World Trade Center, Colombo 01.

1.2 Principal Activities and Nature of Operations

The Company is primarily involved into marketing & sales support services to Thermax Ltd and finalize order terms with customers and sell its products/industrial equipment such as boilers, heaters, water and waste water treatment plants, air pollution control equipment, chemicals, absorption chillers, geothermal plants, solar based systems & power plants etc., support customers in installation, commissioning of equipment, sell spare parts and provide after-sales & related services to third-party customers in Sri Lanka. Apart from that Company involved in a business of invests, installs, and operates a utility plant in customer premises and undertakes its comprehensive operation & maintenances along with supply chain management of all consumables including biomass fuels.

1.3 Parent Enterprise and Ultimate Parent Enterprise

The Company's parent undertaking is Thermax Onsite Energy Solution Ltd which is incorporated in India. In the opinion of the directors, the Company's ultimate parent undertaking and controlling party is RDA Holdings Pvt Ltd which is incorporated in India.

1.4 Date of Authorization for Issue

The Financial Statements of Thermax Energy & Environment Lanka (Pvt) Ltd for the period ended 31 March 2025 were authorised for issue in accordance with the resolution of the Board of Directors on 09 May 2025.

2. GENERAL POLICIES

2.1 Statement of Compliance

The financial statements which comprises of the statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flow together with accounting policies and notes have been prepared in accordance with the Sri Lanka Accounting Standards for Small and Medium-sized Entities issued by the Institute of Chartered Accountants of Sri Lanka and the requirements of the Companies Act No. 07 of 2007.

2.2 Basis of Preparation

These financial statements have been prepared in accordance with the Sri Lankan Financial Reporting Standard for Small and Medium-sized Entities (SLFRS for SMEs) issued by the Institute of Chartered Accountants of Sri Lanka.

The functional currency of the company is Sri Lankan Rupees. The financial statements of the company are presented in Sri Lankan Rupees. The financial statements have been prepared on a historical cost basis otherwise indicate.

2.3 Going Concern

The Board has made an assessment of the Company's ability to continue as a going concern and is satisfied that it has the resources to continue in business for the foreseeable future and they do not intend either to liquidate or to cease operations of the Company. Therefore, the financial statements continue to be prepared on a going concern basis.

3. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparations of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Foreign Currency Translations

The Financial Statements are presented in Sri Lanka Rupees, which is the Company's functional and presentation currency. Transactions in foreign currencies are initially recorded at the functional currency rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the functional currency rate of exchange ruling at the reporting date. All differences are taken to profit or loss. Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

3.2 Taxation

a) Current Tax

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date.

The provision for income tax is based on the elements of income and expenditure as reported in the Financial Statements and computed in accordance with the provisions of the relevant tax legislations.

b) Sales Tax

Revenues, expenses and assets are recognized net of the amount of sales tax except where the sales tax incurred on a purchase of assets or service is not recoverable from the taxation authorities in which case the sales tax is recognized as a part of the cost of the asset or part of the expense items as applicable and receivable and payable that are stated with the amount of sales tax included. The amount of sales tax recoverable and payable in respect of taxation authorities is included as a part of receivables and payables in the Balance Sheet.

c) Deferred Taxation

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.3 Cash and Cash Equivalents

Cash and cash equivalents are cash in hand demand deposits readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts.

3.4 Inventories

Inventories are measured at the lower of cost and net realisable value. The general basis on which cost is determined is:

Raw Materials	- At purchase cost
Finished Goods and Work-in-Progress	- At the cost of direct materials, direct labour and a relevant proportion of manufacturing overheads based on normal operating capacity

At each reporting date, inventories are assessed for impairment by comparing the carrying amount of each item of inventory (or group of similar items) with its selling price less costs to complete and sell. If an item of inventory (or group of similar items) is impaired, its carrying amount is reduced to selling price less costs to complete and sell and an impairment loss is recognized immediately in profit or loss.

3.5 Property, Plant and Equipment

3.5.1 Recognition and measurement

Plant and equipment is stated at cost, excluding the costs of day to day servicing, less accumulated depreciation and accumulated impairment in value. Such cost includes the cost of replacing part of the plant and equipment when that cost is incurred, if the recognition criteria are met.

3.5.2 Derecognition

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement in the year the asset is derecognised.

3.5.3 Depreciation

Depreciation is recognised in the profit or loss on a straight-line basis over the estimated useful lives of each part of an item of Property, Plant and Equipment, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated useful lives for the current periods are as follows:

Computer & Software	04 Years
Furniture & Fittings	04 Years

Depreciation of an asset begins when it is available for use and ceases at the earlier of the dates on which the asset is classified as held for sale or is derecognized.

3.6 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

3.7 Defined Benefit Obligations

3.7.1 Defined Contribution Plan

Employees are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions in line with the respective statutes and regulations in Sri Lanka. The Company contributes 12 % and 3% of gross emoluments of employees to Employees' Provident Fund and Employees' Trust Fund respectively.

In addition to above, The Company also contributes 8% of gross emoluments of The Country Manager to Employee's Provident Fund.

3.7.2 Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates that are denominated in the currency in which the benefits will be paid, and that have terms to maturity approximating to the terms of the related liability.

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

Provision for retirement benefits payable to employee under the Payment of Gratuity Act No.12 of 1983 has not been made in the accounts since the number of employees of the Company not exceeded 15 as at 31st March 2025.

3.8 Stated Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

3.9 Lease Receivable

Boiler is placed in third parties to purchase reagents necessary for such asset with monthly minimum commitment value through finance lease arrangement. Finance lease assets are reported as receivables at an amount equal to the net investment in the lease. Lease income from finance leases is recognised over the term of the lease based on the effective interest rate method.

3.10 Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

The Company revenue relates to providing marketing & sales support services to Thermax Ltd, India. Revenue from contract is recognized based on the terms in the related contracts and is recognized as the services are performed.

3.10.1 Interest Income

Interest income is recognised in the Statement of Profit or Loss as it accrues and is calculated by using the effective interest rate method.

3.11 Expenses

Expenses are recognized in the Income Statement on the basis of a direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the property, plant & equipment in a state of efficiency has been charged to income statement.

21. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company is mainly exposed to foreign currency risk, credit risk, Recoverable Risks, Liquidity Risks, operational risk, & Compliance Risk .

22. FINANCIAL RISK MANAGEMENT

Foreign exchange risk

The Company's exposure to foreign exchange risk is significant as its main income is through foreign currency transactions. Company's one and only customers is denominated in United States Dollar . Hence, the element of risk is generated through the translation of such transactions into the reporting currency, i.e. Sri Lankan Rupees. Therefore, any form of fluctuation in the Exchange Rate will have an impact on the company which resulted in losses to the company.

The Company manages its foreign currency risk by giving shorter credit term to its one and only customer to avoid severe exchange losses.

NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED 31 MARCH, 2025

Credit risk

The Company does not face any credit risk as it does not have any receivables with outside other than its group of companies.

Trade Receivables

Trade Receivables is from Related Party, Hence, no risk associated with it as the amounts are received accordingly to the credit period given.

Liquidity risk

The company is assured of any financial support from its immediate parents in case if they fall due to meet its obligations hence enabling them to continue their operation as a going concern. However, the company uses the above option only as a last resort. The company tries to manage its liquidity through its recoveries alone.

Operational Risk

The Board of Directors have the overall responsibility for the establishment and oversight of the Company's risk management framework, which includes developing and monitoring the Company's risk management policies.

Compliance Risk

Compliance risk is defined as the potential financial loss or other damages arising from the failure to adhere to any law or regulatory requirement applicable to the Company, such as the Company's Act of 07 of 2007, Sri Lanka Accounting and Audit Standards, guidelines set by Inland Revenue Department and Board of Investment Sri Lanka.

Independent Auditor's Report

For the Shareholders of Danstoker Poland Spółka z ograniczoną odpowiedzialnością

Opinion

We have audited the annual financial statements of Danstoker Poland Sp. z o.o. (the Company) with its registered office in Ostrowiec Świętokrzyski, 20 Kolejowa street, which comprise the introduction to the annual financial statements, balance sheet as of March 31, 2025, the profit and loss account, statement of changes in equity, cash flow statement for the financial year then ended, additional notes and explanations.

In our opinion, the accompanying annual financial statements:

- give a true and fair view of the financial position of the Company as of March 31, 2025 and of its financial performance and of its cash flows for the financial year then ended in accordance with the Accounting Act of September 29, 1994 (the Accounting Act) and adopted accounting principles (policy),
- were prepared on the basis of properly maintained books of account,
- comply with the laws affecting the content and form of the annual financial statements and the provisions of the Company's articles of association.

Basis of Opinion

We conducted our audit in accordance with:

- the Act of May 11, 2017 on statutory auditors, audit firms, and public supervision (the Act on Statutory Auditors) and
- National Standards on Auditing in the wording of International Standards on Auditing adopted by resolutions of the National Council of Statutory Auditors and the Council of Polish Agency for Audit Oversight (NSA).

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code) adopted by the National Council of Statutory Auditors' resolution together with the ethical requirements that are relevant to our audit of the financial statements in Poland. We have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management Board for the Annual Financial Statements

The Management Board of the Company is responsible for the preparation, on the basis of properly maintained books of account, of these annual financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Act, regulations issued on the basis thereof, adopted accounting principles (policy), other legal regulations, and the Company's articles of association. The Management Board of the Company is also responsible for such internal control as the Management Board determines is necessary to enable the preparation of annual financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the annual financial statements, the Management Board is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management Board either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.

In accordance with the Accounting Act, the Management Board of the Company is obliged to assure compliance of the annual financial statements with the requirements of the Accounting Act.

Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

The scope of the audit does not include assurance on the future viability of the Company or on the efficiency or effectiveness with which the Management Board has conducted or will conduct the affairs of the Company.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management Board.
- Conclude on the appropriateness of the Management Board's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Other Information including the Report on the Company's operations

The other information comprises the Report on the Company's operations for the financial year ended March 31, 2025. The Management Board of the Company is responsible for the preparation of the Report on the Company's operations in accordance with the Accounting Act and other legal regulations. The Management Board of the Company is obliged to assure compliance of the Report on the Company's operations with the requirements of the Accounting Act.

Our opinion on the annual financial statements does not cover the Report on the Company's operations and we do not express any form of assurance conclusion thereon that results from NSAs. In connection with our audit of the annual financial statements, our responsibility is to read the Report on the Company's operations and, in doing so, consider whether it is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the Report on the Company's operations, we are required to report that fact. Additionally, according to the Act on Statutory Auditors, our responsibility is to express an opinion on whether the Report on the Company's operations has been prepared in accordance with legal regulations and whether information included therein is consistent with the accompanying annual financial statements.

In our opinion, the Report on the Company's operations has been prepared in accordance with the applicable legal regulations, i.e. Article 49 of the Accounting Act, and information included therein is consistent with the accompanying annual financial statements. Moreover, taking into account our knowledge of the Company and its environment obtained during the audit of the annual financial statements, we state that we have not identified any material misstatements in the Report on the Company's operations.

Warsaw, May 9, 2025.

DANSTOKER POLAND SP. ZO.O.

MANAGEMENT REPORT ON THE COMPANY'S ACTIVITIES FOR THE FINANCIAL YEAR ENDED 31.03.2025

I. Legal and organizational Status

Danstoker Poland Sp. z o.o. (hereinafter referred to as "the Company"), with its registered office in Ostrowiec Świętokrzyski, 20 Kolejowa Street, is a limited liability company incorporated under the Commercial Companies Code. The Company is registered in the National Court Register (Register of Entrepreneurs) maintained by the District Court in Kielce, 10th Commercial Division of the National Court Register, under registration number 0000652298.

The Company has no branches.

The sole shareholder and owner of 100% of the total shares is Danstoker A/S, based in Herning, Denmark.

During the financial year, there were no amendments made to the Company's Articles of Association.

There were no changes in the composition of the Company's Management Board during the financial year. Current Members of the Management Board:

- Mahesh Bukinkere,
- Peter Overgaard,
- Sanjay Reddy.

II. Material events occurring in the financial period and after the financial period, affecting the Company's operations and organizational matters

The Company notes the suspension or postponement of investment projects involving the construction of new or modernization of existing heating installations primarily fueled by biomass. This impacted the financial year ending March 31, 2025, resulting in a decline in sales revenue. Despite the revenue decrease, sales of peripheral components for biomass boilers enabled the Company to achieve a positive financial result. The Company anticipates a recovery in this market segment in the upcoming year.

For gas boilers, which constitute a significant part of the product portfolio, the Company expects fewer orders. Plans include the development of new technical solutions aligned with current customer needs and the energy transition. As of the balance sheet date, the order backlog amounted to PLN 20 million.

The Company's operations continue to be financed by a loan from its sole shareholder, Danstoker A/S. Due to high interest rates, the cost of servicing the loan is substantial (PLN 810 thousand in interest payments). During the financial year, the Company settled the loan and interest payments totaling PLN 3.736 million.

III. Foreseen Company development

Danstoker Poland Sp. z o.o. reaffirms its plan to become a leader in boiler production in Poland and Eastern Europe. With the activation of European funds for the energy transition, the Company anticipates expanding its offerings in electric boilers and energy storage systems.

The Company is strengthening its market position and enhancing its brand recognition through the Danstoker and Thermax brands.

IV. Achievements in research and development

The Company does not conduct research in the field of technological development.

V. Current and forecasted financial situation

During the financial year the Company recorded a profit of PLN 1.379 tsd. Net revenues from the sale of products, services and goods reached PLN 38.950 tsd., including revenues from the group of PLN 12.996 tsd. The sales plan for the next year assumes an increase in sales revenue and further improvement of the net financial result.

Current financial situation (data in thousands of PLN):

1) Balance = 36.798
2) Net profit = 1.379
3) Achieved revenues: 42.960 comprises of:
   a) Net revenue from sales and equivalent: 40.600
   b) Other operating revenue: 2.361
4) Costs: 43.484 comprises of:
   a) Operating costs: 37.518
   b) Other operating costs: 2.905
   c) Financial costs: 964

VI. Acquisition of Treasury Shares

The company has not purchased own share during financial year.

VII. Information on financial instruments

The information is included in the notes to the financial statements in Notes 52-56.

VIII. Financial indicators

	31.03.2025	31.03.2024
ROA %	3,54	9,34
ROE %	18,73	86,99
Return on sales %	3,54	8,37
Current ratio	2,60	2,13
Quick ratio	1,04	0,96
Days Sales Outstanding	27,85	28,97
Equity to fixed assets ratio %	35,49	30,07

Defined:

$$ROA\,\% = \frac{net\ profit}{average\ assets\ value\ in\ the\ year}$$

$$ROE\,\% = \frac{net\ profit}{average\ value\ of\ the\ equity\ in\ the\ year}$$

$$Return\ on\ sales\,\% = \frac{net\ profit}{sales\ of\ products\ and\ goods}$$

$$Current\ ration = \frac{current\ assets}{short\ term\ liabilities}$$

$$Quick\ ratio = \frac{current\ assets\ (without\ \text{more than 12 months}) - intentories}{short\ term\ liabilities\ (without\ \text{more than 12 months})}$$

$$Days\ Sales\ Outstanding = \frac{average\ receivables\ balance\ in\ the\ year\ x\ 365\ days}{sales\ of\ products\ and\ goods}$$

$$Equity\ to\ fixed\ assets\ ratio\ \% = \frac{equity + longterm\ provisions}{fixed\ assets}$$

IX. Non-financial indicators

Number of accidents at work: 3, individual, non-serious.

Additional Information

1. General information

The financial statements of Danstoker Poland Spółka z ograniczoną odpowiedzialnością (herainafter: "the Company"), with its registered office in Ostrowiec Świętokrzyski ul. Kolejowa 20, have been prepared in accordance with the Accounting Act of 29 September 1994 and the Code of Commercial Partnerships and Companies of 15 September 2000.

The Company's activities consist of:

Designing and production of boilers, high pressure tanks, heat exchangers and steel constructions.

Classification of the Company's activities in accordance with PKD [Polish Classification of Activities] 2007:

Core activity:

- Production of heaters and central heating boilers.

Secondary activities:

- Production of steel structures and their parts
- Production of other tanks, cisterns, and metal containers
- Metal forging and surfacing metals with various coatings
- Mechanical machining of metal elements
- Production of other metal finished goods not classified elsewhere
- Operations in the scope of professional design
- Operations in the scope of engineering and related technical advisory
- Construction of water and waste water, heating, gas and cooling systems.

On 14th of December 2016 the company entered in the Business Register of the National Court Register (Krajowy Rejestr Sądowy KRS) in number KRS 0000652298.

In accordance with its statute/articles of association, the Company has been formed for an unspecified time. The duration of the company is unlimited.

The Company's Management Board comprises:

- Mahesh Bukinkere,
- Peter Overgaard,
- Sanjay Reddy.

2. Presentation of financial statements

The Company is presenting its financial statements for the financial year from April 1st 2024 to March 31st 2025.

The financial statements have been prepared on the assumption that the Company will continue as a going concern in the foreseeable future of no less than a year from the balance sheet date with no reduction of scope.

The company has been assured by its owner on further supporting the business. With that there are no other threats to pursue the operations.

The Company is presenting additional information to the balance sheet in accordance with Appendix No. 1 to the Accounting Act.

3. Comparability of data

This financial statement consists of a balance sheet presenting the financial position as of March 31, 2025 and the end of the previous financial year (March 31, 2024), the financial result in the profit and loss account, changes in equity in the statement of changes in equity, cash inflows and outflows in the cash flow statement for both the current and previous financial years. Pursuant to the Act of December 6, 2024 amending the Accounting Act, the Act on Statutory Auditors, Audit Firms and Public Oversight, and certain other acts, revenues from material sales and the value of materials sold are presented under other operating activities. Details can be found in Notes 25-28. The profit and loss statement includes comparative data for the previous year.

4. Accounting methods

The financial statement has been prepared in accordance with the requirements of the Accounting Act of September 29, 1994, applicable to entities continuing their operations.

The accounting methods adopted by the Company are applied continuously and are consistent with the accounting methods applied in the previous financial year.

The Company prepares its profit and loss account by kind.

In its financial statements the Company discloses economic events in accordance with their economic substance.

The Company's financial result for the financial year includes all revenue earned by and due to the Company, as well as all the costs associated with such revenue in accordance with the accrual method, the matching concept and the prudence principle.

4.1. Profit and loss account

4.1.1. Revenue

Sales revenue includes net amounts undoubtedly due or received as a result of sales, i.e. amounts reduced by applicable output value added tax (VAT), recorded in the periods to which they pertain. Revenue from the sale of finished products, goods for resale and raw materials is recognized in the profit and loss account when the significant risks and benefits of their ownership are transferred onto the buyer.

All costs incurred due to the performance of an unfinished service covered by a contract with a performance period not longer than 6 months until the completion of the contract, are presented as work in progress. Orders with a performance period of more than 6 months are accounted for as long-term contracts.

In accordance to Article 34a paragraph. 2 of the Accounting Act, revenues from unfinished service, including construction services, in the period from the conclusion of the contract to the balance sheet date - after deduction of revenues that influenced the financial result in previous reporting periods - are determined in proportion to the stage of its advancement. The stage of advancement of the service is measured by the share of costs incurred from the date of conclusion in the total costs of the service.

4.1.2. Costs

The Company records its costs by nature. The costs of finished products, goods for resale and raw materials sold include costs directly associated with them, as well as a justified portion of indirect costs.

The portion of indirect production costs that does not correspond to the level of such costs when normal production capacity is utilized constitutes a cost of the period in which it was incurred.

In addition, the Company's financial result is affected by:

- Other operating revenue and costs indirectly related to the Company's operations, such as, among others, profits and losses from the sale of non-financial fixed assets, revaluation of non-financial assets, formation and release of provisions for future risks, penalties, fines and damage compensation, the receipt or presentation of donations.
- Financial revenue from dividends (shares in profits), interest, profits from the sale of investments, revaluation of investments, foreign exchange gains.
- Financial costs of interest, losses on the sale of investments, revaluation of investments, foreign exchange losses.

4.1.3. Taxation

The Company's gross financial result is adjusted by:

- its current corporate income tax liabilities,
- changes in deferred income tax assets and provisions for deferred income tax

Deferred tax – the Company does not apply the simplifications arising out of Article 37 par. 10 of the Accounting Act, which make it possible to omit the calculation of deferred income tax assets and provisions for deferred income tax.

4.1.4. Current income tax

Current income tax – the Company

- is subject to the provisions of the Corporate Income Tax Act,
- is not exempt from corporate income tax based on Article 17 of the Corporate Income Tax Act.

The Company's current corporate income tax liabilities are calculated in accordance with binding tax regulations.

4.1.5. Deferred income tax

Due to temporary differences in the value of the assets and liabilities shown in the books of account and their tax value, as well as the tax losses that may be deducted in the future, the Company creates a provision for deferred income tax and determines the value of deferred tax assets relating to the income tax of which it is a payer.

Deferred income tax assets are set at an amount expected to be deducted from income tax due to negative temporary differences, which will reduce the future tax base, as well as any deductible tax loss determined in accordance with the prudence principle.

Provisions for deferred income tax are created at the amount of income tax that will be payable in the future due to the existence of positive temporary differences, i.e. differences that will increase the tax base in the future.

The deferred portion disclosed in the profit and loss account constitutes the difference between the balance of provisions for deferred income tax and deferred income tax assets as at the end and beginning of the reporting period.

Provisions for deferred income tax and deferred income tax assets relating to transactions settled against equity are charged to equity.

The Company has adopted a method of not offsetting deferred income tax assets and provisions for deferred income tax.

The Company has adopted the following method for the reversal of temporary differences:

- if corporate income tax rates are different in the different financial years, the Company adopted the FIFO method in the reversal of temporary differences.

The amount of provisions for deferred income tax and deferred income tax assets is determined by taking into account the income tax rates applicable in the year in which the tax liability arose.

4.2. Balance sheet

4.2.1. **Intangible fixed assets** are property rights that may be used economically, with an expected economic useful life of more than a year, held for use for the Company's needs. They are stated at acquisition cost or cost of production for development work, less accumulated amortization and permanent impairment losses.

Intangible fixed assets include in particular

- costs of research and development completed with a positive outcome that will be used in production,
- acquired goodwill,
- copyrights, neighboring rights, licenses, concessions,
- rights to inventions, patents, trademarks, utility models,
- know-how

Intangible fixed assets are amortized using the straight-line method in the period of their expected economic usefulness, using the following rates:

- costs of completed research and development 20%,
- acquired goodwill 20%,
- copyrights, licenses, concessions, trade marks 50%,
- computer software 50%,
- other intangible fixed assets 20%,
- intangible fixed assets with an initial per-item value of no more than 10 thousand zł – amortized on a one-off basis.

If the economic useful life of the results of research and development work cannot be estimated reliably, the amortization period does not exceed 5 years.

4.2.2. **Fixed assets are tangible fixed assets and their equivalents with expected economic useful lives of more than one year, which are complete and may be used for the Company's purposes.** They are stated at acquisition cost, cost of production or revalued amount (after revaluation of assets), less accumulated depreciation and permanent impairment losses.

The acquisition cost and cost of production of fixed assets includes all the costs incurred by the Company for the period of their construction, assembly, adaptation and improvement up to the date on which they are taken over for use.

The acquisition cost or the cost of production of fixed assets includes the costs of the liabilities taken out in order to finance them and the related foreign exchange differences. The costs of the liabilities are decreased by the related revenue.

In accordance with the Accounting Act, the opening value and accumulated depreciation of fixed assets may, based on separate regulations, be subject to revaluation. The net book value of a fixed asset determined as a result of its revaluation should be no higher than its actual value, the writing down of which in the expected period of its further use is economically justified. The most recent revaluation of fixed assets was conducted using the rates announced by the Main Statistical Office (GUS) as at 1 January 1995.

The initial value of a fixed asset, constituting its acquisition cost or cost of production, is increased by the costs of improvements made to the asset, consisting of its reconstruction, expansion or modernization, resulting in its value in use after the improvements being higher than its initial value in use.

Used by the Company for tax purposes are the depreciation rates set forth in the Corporate Income Tax Act dated 15 February 1992, defining the value of tax-deductible depreciation.

Assets with expected useful lives of no more than one year or initial values of no more than 10,0 thousand zł are written off at the moment at which they are given over for use.

Fixed assets are depreciated using the straight-line starting from the month following the month in which they were taken over for use, in the period corresponding to the estimated period of their economic usefulness.

The following depreciation rates are used:

- land in perpetual usufruct 0%
- buildings and constructions 2,5%/10%,
- plant and equipment,

	(excluding computer hardware),	10%/14%/18%,
-	computer hardware,	30%,
-	vehicles,	14%/20%,
-	other fixed assets.	20%.

4.2.3. **Fixed assets under construction** are stated at the total costs directly associated with their acquisition or production, less permanent impairment. Included in the acquisition cost or cost of production of fixed assets under construction are the costs of liabilities taken out to finance them along with the related foreign exchange differences, less the resulting revenue.

4.2.4. **Tangible** components of current assets **are stated at acquisition cost or cost of production no higher than their net realizable price as at the balance sheet date.**

Individual groups of inventory are valued as follows:

Raw materials	purchase price
Semi-finished products and work in progress	cost of production
Finished products	cost of production
Goods for resale	purchase price

Costs of production do not include the following costs:

- arising out of unused production capacity and production losses,
- general administrative costs not associated with bringing the product to the form and place in which it occurs on the valuation date,
- costs of storing finished products and semi-finished products, unless such costs are a part of the production process,
- costs of sales.

In situations justified by the necessity to prepare goods for resale or products for sale, or by a long production process, the acquisition price or production cost is increased by the costs of the liabilities taken out in order to finance the inventory of goods for resale or finished products in the period in which they were being prepared for sale or manufactured, and the related foreign exchange differences, less the related revenue.

Revaluation write-downs of tangible components of current assets made due to their impairment or resulting from their valuation to net realizable prices reduce the value of the items in the balance sheet and are recorded under other operating costs.

Inventory outflow valuation methods:

- assuming that the outflow of asset components is stated consecutively at the prices (costs) of the asset components acquired (produced) first (FIFO),

4.2.5. **Receivables** are stated at amounts due, in accordance with the prudence principle (less revaluation write-downs).

Receivables expressed in foreign currencies are stated as at the balance sheet at the average exchange rate announced for a given currency for that day by the National Bank of Poland.

Foreign exchange differences on receivables expressed in foreign currencies arising on the valuation and payment date are included in, respectively: foreign exchange losses in financial costs, foreign exchange gains in financial revenue. In justified cases they are included in the costs of finished products, services and goods for resale, as well as in the costs of tangible or intangible fixed assets (as an increase or a reduction of such costs, respectively).

4.2.6. **Cash and cash equivalents** are stated at nominal value.

Cash and cash equivalents expressed in foreign currencies are valued as at the balance sheet date at the average exchange rate announced for a given currency for that day by the National Bank of Poland.

4.2.7. **Prepaid expenses** are recognized when the costs incurred relate to future reporting periods.

This item includes the surplus of the costs that have been recorded over the costs that have been invoiced in connection with the realization of long-term contracts. This item is used for paid insurance policies, subscriptions and inerim computer program licences.

4.2.8. **Unpaid share capital** consists of capital contributions that have been declared but not yet made. They are recognized at the value specified in the Company's articles of association/ statute.

4.2.9. **Treasury (own) shares are assets acquired from the shareholders for the purpose of redemption or sale. They are recognized at acquisition cost.**

4.2.10. **Equity** is recognized in the books of account at nominal value by type and in accordance with the provisions of the law and the Company's articles of association/statute.

The Company's **share capital** is listed at the amount specified in the articles of association or statute and entered in the court register.

Reserve capital is formed from the distribution of profits, transfers from the revaluation reserve and share premium reduced by the costs of share issues. The remaining costs of share issues are recorded as financial costs.

Revaluation reserve is a fund created as a result of fixed asset revaluations; the most recent revaluation was conducted as at 1 January 1995. When assets are sold or liquidated, a corresponding part of the revaluation reserve is transferred to the reserve capital. A write-down relating to permanent impairment in the value of assets, which was previously subject to revaluation, reduces the revaluation reserve to the extent to which it corresponds to that fixed asset.

The revaluation reserve is also increased by the effects of revaluating investments included in fixed assets, whereby the value of the investments is increased to their market value. Any decreases in the value of the investments previously revalued to the amount by which the revaluation reserve was increased reduce the value of the revaluation reserve, providing that the revaluation difference had not been settled by the valuation date. The portion of the effects of decreases in the value of investments that exceeds the previously formed portion of the revaluation reserve are included in the financial costs of the reporting period.

4.2.11. **Provisions** are liabilities whose due date or amount are uncertain. Provisions are formed in accordance with a legal or customarily expected obligations, i.e. when there is a high probability that the entity will have to meet its obligations, and the costs or losses that will need to be incurred to meet the obligations are material to such an extent that failure to include them in the financial result of the period in which the obligation arose would result in a material misstatement of the Company's financial position and financial result.

Provisions are included, respectively, in other operating costs or financial costs, depending on the circumstances to which the future liabilities pertain.

4.2.12. **Liabilities** are stated as at the balance sheet date at amounts due, with the exception of liabilities, which in accordance with concluded agreements, are paid through the issue of financial assets other than cash or exchange to financial instruments – which are stated at fair value.

Liabilities with due dates of more than 1 year from the balance sheet date, with the exception of trade payables, are listed under long-term liabilities. The remaining liabilities are listed as short-term.

Liabilities expressed in foreign currencies are stated as at the balance sheet date at the average exchange rate announced for a given currency for that day by the National Bank of Poland.

Foreign exchange differences relating to liabilities expressed in foreign currencies arising as at the valuation and payment date are listed as: foreign exchange losses as financial costs, and foreign exchange gains as financial revenue. In justified cases they are included in the costs of finished products and services, or the acquisition price of goods for resale, as well as the costs of fixed assets or intangibles.

4.2.13. Other accruals

a) Accrued expenses are recognized at the value of the probable liabilities corresponding to the current reporting period.

- Paid time-off accruals
- Audit accruals

b) Deferred income, recognized in accordance with the prudence principle, includes in particular:

- funds received in order to finance the acquisition or production of fixed assets, including assets under construction and research and development work, if in accordance with other regulations they do not increase the Company's equity. The amounts included in deferred income gradually increase other operating revenue, parallel to depreciation/amortization and accumulated depreciation/amortization of fixed assets or research and development financed from those sources,
- negative goodwill,
- the equivalent of the funds received or due from contractors for services that will be performed in future reporting periods.
- Advances received for the delivery of services are presented in the balance sheet under "short-term liabilities to other parties – advances for deliveries".

4.2.14. Valuation of foreign currency transactions

Economic transactions expressed in foreign currencies are recognized in the books of account as at the date of the transaction at the following rate:

1) the foreign exchange rate actually applied on that day, which arises out of the nature of the transaction – with respect to foreign currency sale or purchase transactions and with respect to payments of receivables and payables;

2) the average exchange rate announced by the National Bank of Poland for the day preceding the transaction – with respect to payments of receivables or payables, if the application of the actual exchange rate referred to in point 1 is not justified, and with respect to other transactions.

The following items expressed in foreign currencies are valued as at the balance sheet date:

1) assets (with the exception of shares in subordinated entities valued by equity accounting) and liabilities – at the average exchange rate binding on that day as announced for a given currency by the National Bank of Poland, subject to point 2;

2) cash at entities that buy and sell foreign currencies – at the rate applied at its purchase, no higher however than the average exchange rate announced for the day of the valuation by the National Bank of Poland.

Foreign exchange differences relating to other assets and liabilities expressed in foreign currencies arising as at their valuation and payment date are included in financial revenue or expenses, and in justified cases - in the costs of finished products and services, or the acquisition price of goods for resale, as well as the costs of fixed assets or intangibles.

4.2.15. Financial risk factors and financial risk management – notes to the financial statements

The Company's activities are exposed to the following types of financial risk:

- market risk, including currency risk, interest rate risk and other pricing risk,
- loss of liquidity risk,
- credit risk.

Currency risk

The Company is exposed to changes in foreign exchange rates due to 30 % of turnover coming from EUR. Thus the Company's currency risk is associated primarily with changes in the EUR. Intercompany services depend on DKK exchange rates. Its exposure to risks associated with other currencies is immaterial.

The Company does not manage currency risk.

The Company considers managing currency risk using natural hedges (balancing the revenue and expenses in a given currency), as well as derivative financial instruments, futures and options.

Interest rate risk

The Company has credit and loan payables where interest is calculated based on variable interest rates. Their worth is immaterial from exposure to interest rate risk point of view.

Other pricing risk

The Company is not exposed to significant other pricing risk associated with financial instruments, but there is a pricing risk relating to the prices of the Company's products and raw materials. The Company does not use derivative hedging instruments with regard to pricing risk.

Loss of liquidity risk

The Company is exposed to loss of liquidity risk, defined as a risk of losing the ability to pay its obligations as they become due. The Company limits its loss of liquidity risk using financing of from the parent company (Danstoker A/S).

Credit risk

The Company is exposed to credit risk, defined as a risk that its debtors will not meet their obligations and thus cause the Company to incur losses. The Company undertakes activities aimed at limiting credit risk, consisting of: checking the creditworthiness of its customers, securing collateral (guarantees), bank guarantees, prepayments.

Note 24

Threats to going concern

Details	Description
Confirmation of uncertainty with regard to going concern	NO
Description of uncertainties with regard to going concern	NO
Information about adjustments recognized in the financial statements in connection with uncertainty relating to going concern	NO
Description of actions undertaken or planned to eliminate uncertainty with regard to going concern	YES

Comments:

There is no threat of continuing operations. The company has guaranteed financing from the parent company.

In the financial year, the Company noted a slowdown in the market for boiler products. In the case of biomass boilers, a suspension of financing from European funds is noticeable. This is happening not only in Poland, but also throughout Europe. Nevertheless, the Company expects a revival in the field of biomass boilers in the coming year. In the case of gas boilers, which constitute a significant part of the offered product mix, the Company expects a smaller number of orders. The Company plans to develop new technical solutions adapted to the current needs of customers in accordance with the energy transformation. As of the balance sheet date, the value of the order portfolio amounted to PLN 20 million. Despite the ongoing conflict between Russia and Ukraine, the Company notes stabilization on the steel and energy market. The decrease in data published by the Central Statistical Office regarding the index of changes in the prices of consumer goods causes less pressure on wage increases. The nature of the Company's activities limits a sufficiently rapid reaction in the form of an increase in product prices. The Company carried out a detailed analysis of its financial situation in the following years, taking into account potential negative factors. Based on this analysis, no threat to the continuation of operations was identified. The Company achieved its budget goals and recorded a positive financial result. The Company's operations continue to be financed by a loan from the sole shareholder Danstoker A/S. The current agreement with the main shareholder amounts to PLN 20,000 thousand.

Note 52

Financial risk factors and methods of financial risk management

Objectives and principles of financial risk management

The activities of the Entity are exposed to the following types of financial risk:

– market risk, including currency risk, interest rate risk and other price risk,

– liquidity risk,

– credit risk.

Basic principles of risk management

The Management Board is responsible for establishing and supervising the Company's risk management, including identifying and analysing the risks to which the Company is exposed, defining their appropriate limits and controls, as well as monitoring the risk and the degree of compliance with the limits. The risk management policies and procedures are subject to regular reviews to take into account changes in market conditions and changes in the Company's activities.

Market risk

Market risk is that changes in market prices, such as exchange rates, interest rates, and prices of capital instruments will affect the Company's results or the value of financial instruments held. The purpose of market risk management is to maintain and control the Company's exposure to market risk within the limits of the adopted parameters, while simultaneously striving to optimize the rate of return on investment.

a) Currency risk

Currency risk is mainly associated with changes in the EUR exchange rate. Exposure to the risk related to changes in exchange rates for the entity is significant due to the significant share of purchases in foreign currencies and the large share of sales revenues expressed in foreign currencies. The Company does not hedge against exchange rate risk and exchange rate fluctuations. Settlements with Group companies are made in Polish currency. Settlements with companies in foreign currencies, after reaching a significant level, will be secured by forward transactions.

b) Interest rate risk

The entity has liabilities under credits and loans for which interest is calculated based on a variable interest rate. This is a form of the so-called credit line granted by the sole shareholder Danstoker A/S for a total amount of PLN 20 million. The entity minimizes interest rate risk by appropriately shaping the structure of assets and liabilities, including trade liabilities and liabilities from received advances for deliveries.

c) Other price risk

The entity is exposed to losses due to changes in the prices of goods and materials. The aim of managing the risk of prices of goods and materials is to limit potential losses due to price changes to an acceptable level by shaping the structure of goods positions. The company protects itself against risk by setting the validity period of its sales offers and performing its services on material entrusted by Clients. The entity does not use derivative hedging instruments in the scope of price risk.

Liquidity risk

The entity is exposed to liquidity risk, understood as the risk of losing the ability to settle liabilities within specified deadlines. In the opinion of the Entity's Management Board, the value of cash, the loan in the form of a working capital loan and the portfolio of orders received mean that the Company is not exposed to the risk of losing financial liquidity.

Credit risk

The entity is exposed to credit risk understood as the risk that creditors will not meet their obligations and thus cause the Company to incur losses. The entity has many customers. The company applies the principle of making transactions with contractors with verified creditworthiness. The main source of exposure to credit risk are trade receivables. The majority of the Company's revenues are generated by the execution of orders and contracts for the delivery of boilers, heat exchangers, accessories and boiler room elements. The company protects itself against the risk of contractors' insolvency by insuring receivables and using prepayments.

Note 53

Financial instruments - Characteristics of financial instruments, including those not measured at fair value

REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

REPORT BY THOSE CHARGED WITH GOVERNANCE

1. INTRODUCTION

The members charged with governance present their report together with audited financial statements which disclose the state of affairs of Thermax International Tanzania Limited (the "Company"). This report has been prepared in accordance with the Tanzania Financial Reporting Standards (TFRS) No. 1, The report by those charged with governance issued by National Board of Accountants and Auditors (NBAA).

2. INCORPORATION

Thermax International Tanzania Limited is a private company limited by shares. It was registered in the United Republic of Tanzania on 7 December 2019 through Certificate of Incorporation number 140562629.

3. COMPANY'S VISION

To be a globally respected, high-performance organization offering sustainable solutions in energy and the environment.

4. COMPANY'S MISSION

Our mission is as listed below:

- ✓ We will harness best available technology, operational excellence and service innovation to our customers.
- ✓ We will be extremely service focused – predicting and fulfilling customer needs and expectations.
- ✓ Environment sustainability will be foundation of our business and will drive our thinking and actions at every time.
- ✓ Our services will enable long term economic benefit to our customers

5. PRINCIPAL ACTIVITIES AND RESOURCES

The company's principal activity is the manufacture and supply of industrial equipment, erection and commissioning of Power Plant and Substations.

By allocating capital to our businesses, we provide differentiation, create value and share it with our stakeholders, while also increasing our own capitals. We present below a brief description of the capitals that are most relevant to our business model.

Financial capital:

Financial capital is composed of the financial resources available and allocated to provision of services to our customers. These resources are obtained through funding from owner's equity and internally generated capital through operations (retained earnings).

Human resource:

This is composed of our employees and their skills and experiences, as well as their motivations to innovate and develop better services, in an ethical and responsible way, by means of their capabilities for management, leadership and cooperation.

Intellectual capital:

This is a collection of how the brand is perceived, its intellectual property, technical know- how, and the ability to be creative and innovative in provision of its products and deployment of technology. The entity places maximum emphasis on harnessing intellectual capital such as through implementation of digital business operation model.

Social and relationship resource:

This is mainly composed of ethical and transparent relationships with our customers, shareholders, investors, suppliers, regulatory agencies, government and society. This also includes the ability to share value with our stakeholders to enhance individual and collective well-being.

6. REVIEW OF FINANCIAL RESULTS AND ACTIVITIES

During the year, the Company managed to secure a contract with customer when compared to last year as a result revenue generated activities were performed.

Performance for the year

The Company made profit after tax of TZS 1,520,902,349; the profit is due to the Operation & Maintenance services.

(a) Statement of Financial Position

The Company recorded current liabilities of TZS 1,011,275,840, representing an increase of 6.04% compared to the previous year, primarily due to higher income tax liabilities.

The Company reported current assets of TZS 2,986,843,180, reflecting a 25.61% decrease from the previous year, mainly attributable to dividend payments made to shareholders during the year.

(b) Statement of profit or loss and other comprehensive income

The Company reported a profit after tax of TZS 1,520,902,349, reflecting a 12.92% increase from the previous year. This improvement is primarily attributed to the successful acquisition and execution of new utility Operation & Maintenance service contracts.

Revenue for the year amounted to TZS 6,812,743,573, marking a 6.97% growth over the previous financial year. This increase in revenue also stems from the Company's enhanced performance in the Operation & Maintenance service segment.

The strong profit performance is largely a result of efficient operations and increased service delivery under the new contracts secured during the year.

(c) Statement of Cash Flows

During the year, the Company recorded a positive cash flow of TZS 2,181,370,948, representing an increase of 11.16% compared to

the previous year. This growth was primarily driven by revenue from Operation & Maintenance services.

7. KEY PERFORMANCE INDICATORS AND LIQUIDITY

The following Key Performance Indicators (KPIs) are effective in measuring the delivery of the Company's strategy and managing business.

Key performance indicators	Definition and calculation method	Ratios	
		2025	2024
Net profit margin	Net profit/Total revenue	22.7%	23%
Current ratio	Current asset/Current liability	2.95	4.21

As at year end the member of those charged with governance are conversant on the entities ability to meet its current liabilities when they fall due.

8. DIVIDENDS

TZS 2,541,312,840 dividends were declared and paid to shareholder during the year, related to the financial year 2023–2024, out of surplus retained earnings and net profit (2024: Nil).

9. RISK MANAGEMENT AND INTERNAL CONTROL

The board accepts final responsibility for the risk management and internal control system of the company. It is the task of management to ensure that adequate internal financial and operational control systems are developed and maintained on an ongoing basis in order to provide reasonable assurance regarding:

- ✓ The effectiveness and efficiency of operations;
- ✓ The safeguarding of the company's assets;
- ✓ Compliance with applicable laws and regulations;
- ✓ The reliability of accounting records;
- ✓ Business sustainability under normal as well as adverse conditions; and
- ✓ Responsible behavior towards the stakeholders.

The efficiency of any internal control system is dependent on the strict observance of prescribed measures. There is always a risk of non-compliance with such measures by staff. Whilst no system of internal control can provide absolute assurance against misstatement or losses, the company system is designed to provide the Board with reasonable assurance that the procedures in place are operating effectively.

The board assessed the internal control systems throughout the year and is of the opinion that they met the accepted criteria.

10. PRINCIPAL RISKS AND UNCERTAINTIES

The entity 's activities expose it to a variety of financial risks including credit risk, liquidity risk, market risks and operational risks. The company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on its financial performance. More details of the financial risks facing the entity are provided in Note 3.13 to the financial statements.

11. CAPITAL STRUCTURE AND SHAREHOLDING

The company's capital structure for the year under review is shown below:

THERMAX INTERNATIONAL TANZANIA LIMITED

STATEMENT OF THOSE CHARGED WITH GOVERNANCE RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2025

The Companies Act, 2002 requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company as at the end of the financial year and of the operating results of the company for that year. It also requires the directors to ensure the company keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the company. They are also responsible for safeguarding the assets of the company.

The directors are responsible for the preparation and fair presentation of these financial statements in accordance with IFRS Accounting Standards and the provisions of the Companies Act, 2002. This responsibility includes: designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

The directors accept responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with IFRS Accounting Standards and in the manner required by the Companies Act, 2002. The directors are of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the company and of its operating results. The directors further accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the directors to indicate that the company will not remain a going concern for at least the next twelve months from the date of this statement. On this basis, the directors consider it appropriate to prepare the financial statements on the going concern basis.

Approval of the financial statements:

The annual financial statements of Thermax International Tanzania Limited as identified were approved and authorized on behalf of the Board of Directors and signed by the following director.

Gaurav Sharma
Director

Date : 6th May 2025

DECLARATION OF HEAD OF FINANCE FOR THE YEAR ENDED 31 MARCH 2025

The National Board of Accountants and Auditors (NBAA) according to the power conferred under the Auditors and Accountants (Registration) Act. No. 33 of 1972, as amended by Act No. 2 of 1995, requires financial statements to be accompanied with a declaration issued by the head of finance responsible for the preparation of financial statements of the entity concerned.

It is the duty of a Professional Accountant to assist the Board of Directors to discharge the responsibility of preparing financial statements of an entity showing true and fair view of the entity position and performance in accordance with applicable International Accounting Standards and statutory financial reporting requirements. Full legal responsibility for the preparation of financial statements rests with the Board of Directors as under Directors Responsibility statement on an earlier page.

I, Fadhili Mbwaga being the financial consultant of Thermax International Tanzania Limited hereby acknowledge my responsibility of ensuring that financial statements for period since incorporation to 31 March 2025 have been prepared in compliance with applicable accounting standards and statutory requirements.

I thus confirm that the financial statements give a true and fair view position of Thermax International Tanzania Limited as on that date and that they have been prepared based on properly maintained financial records.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THERMAX INTERNATIONAL TANZANIA LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Thermax International Tanzania Limited ("the Company") which comprise:

- the statement of financial position as at 31 March 2025,
- the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and
- notes to the financial statements, including material accounting policy information

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Thermax International Tanzania Limited as at 31 March 2025, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board and in the manner required by the companies Act, 2002.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Tanzania, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

Management is responsible for the other information. The other information obtained at the date of this auditor's report is company information, report by those charged with governance statement of responsibility by those charged with governance and declaration of head of finance. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with Governance

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We also

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Report on other legal and regulatory requirements

This report, including the opinion, has been prepared for, and only for, the company's members as a body in accordance with the Companies Act, 2002 and for no other purposes.

As required by the Companies Act, 2002, we are also required to report to you if, in our opinion, the , report by those charged with governance is not consistent with the financial statements, if the company has not kept proper accounting records, if the financial statements are not in agreement with the accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed. In respect of the foregoing requirements, we have no matter to report.

THERMAX INTERNATIONAL TANZANIA LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Thermax International Tanzania Limited ("the Company") principal activities include manufacture and supply of industrial equipment, erection and commissioning of Power Plant and Substations and is incorporated in Tanzania as a private limited liability Company.

The address of its registered office and principal place of business are disclosed on page ii.

2. BASIS OF PREPARATION

The principal accounting policies applied in the preparation of Financial Statements are set out below. The policies have been consistently applied to all the years presented, unless otherwise stated. The company Financial Statements are presented in Tanzania Shillings (TZS), which is also the company's functional currency. Financial Statements have been prepared in accordance with International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB). The preparation of financial statements in compliance with IFRS requires the use of certain critical accounting estimates. It also requires Company management to exercise judgment in applying the company's accounting policies. The prior year amounts have been presented to be consistent with the presentation in the current year. The company Financial Statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair value.

The preparation of financial statements in compliance with IFRS Accounting Standard requires the use of certain critical accounting estimates. It also requires Company management to exercise judgment in applying the Company's accounting policies. The areas where significant judgments and estimates have been made in preparing the financial statements and their effect are disclosed in note 2.1

2.1 Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements in conformity with IFRS Accounting Standards requires management, to make judgements, estimates and assumptions that may affect the application of policies and reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision only affects that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Certain accounting policies have been identified where management has applied a higher degree of judgement that have significant effect on the amounts recognized in the financial statements, or estimates and assumptions that have a significant risk of causing a material adjustment to carrying amounts of assets and liabilities within the next financial year.

2.1.1 Critical judgements in applying the Company's accounting policies

The following are the critical judgements, apart from those involving estimations (which are presented separately below), that the Directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements.

a. Assets useful lives and residual values

Property and equipment are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed at each financial year end and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programs are taken into account.

2.1.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are disclosed below

a. Deferred tax assets

Deferred tax assets are recognized to the extent it is possible that taxable income will be available in the future against which they can be utilized. Future taxable profits are estimated based on budgets which include estimates and assumptions regarding economic growth, interest, inflation, tax rates and competitive forces.

b. Impairment of financial assets

The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

In the process of applying the Company's accounting policies, the directors made judgements in determining whether assets are impaired. For trade receivable balances, the directors have determined expected credit loss by assessing individually each trade receivable balance.

Factors considered in making the assessment of whether the balance is impaired are such as past history with the customer, economy of the business and customer relationship with Company at the time of making assessment.

Impairment of trade receivables is further explained in Note 3.4 below.

2.2 Going Concern

The company's financial statements have been prepared on a going concern basis. Directors are of the view that there are sufficient resources for the Company to continue operating in a foreseeable future.

2.3 New Standards and Interpretations

In the current year, the Company has applied all of the new and revised Standards and Interpretations issued by the International Accounting Standards Board (IASB) and the International Financial Reporting Committee (IFRIC) of the IASB that are relevant to its operations and effective for accounting periods beginning on or after 1 April 2024

2.3.1 New and revised Standards and Interpretations that are effective and adopted in the current year.

New standards, interpretations and amendments effective from 1 January 2024

The following amendments are effective for the period beginning 1 January 2024:

- Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7);
- Lease Liability in a Sale and Leaseback (Amendments to IFRS16);
- Classification of Liabilities as Current or Non-Current (Amendments to IAS 1); and
- Non-current Liabilities with Covenants (Amendments to IAS 1).

These amendments to various IFRS Accounting Standards are mandatorily effective for reporting periods beginning on or after 1 January 2024. See the applicable notes for further details on how the amendments affected the Company.

Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7)

On 25 May 2023, the IASB issued Supplier Finance Arrangements, which amended IAS 7 Statement of Cash Flows and IFRS 7 Financial Instruments: Disclosures.

NOTES TO THE FINANCIAL STATEMENTS

The amendments require entities to provide certain specific disclosures (qualitative and quantitative) related to supplier finance arrangements. The amendments also provide guidance on characteristics of supplier finance arrangements.

These amendments had no effect on the financial statements of the company.

Lease Liability in a Sale and Leaseback (Amendments to IFRS 16)

On 22 September 2022, the IASB issued amendments to IFRS 16 — Lease Liability in a Sale and Leaseback (the Amendments).

Prior to the Amendments, IFRS 16 did not contain specific measurement requirements for lease liabilities that may contain variable lease payments arising in a sale and leaseback transaction. In applying the subsequent measurement requirements of lease liabilities to a sale and leaseback transaction, the Amendments require a seller-lessee to determine 'lease payments' or 'revised lease payments' in a way that the seller-lessee would not recognise any amount of the gain or loss that relates to the right of use retained by the seller-lessee.

These amendments had no effect on the financial statements of the company.

Classification of Liabilities as Current or Non-Current and Non-current Liabilities with Covenants (Amendments to IAS 1).

The IASB issued amendments to IAS 1 in January 2020 Classification of Liabilities as Current or Non-current and subsequently, in October 2022 Non-current Liabilities with Covenants.

Lease Liability in a Sale and Leaseback (Amendments to IFRS 16) (continued)

The amendments clarify the following:

- An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period.
- If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.
- The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.
- In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the financial statements of the company.

2.3.2 Standards and interpretations not yet effective

There are a number of standards, amendments to standards and interpretations which have been issued by the IASB that are effective in future accounting periods that the company has decided not to adopt early.

Standard/Interpretation	Effective Date Years beginning on or after	Expected Impact
Lack of Exchangeability (Amendment to IAS 21 The Effects of Changes in Foreign Exchange Rates)	January 1, 2025	Unlikely there will be a material impact
Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 Financial Instruments and IFRS 7)	January 1, 2026	Unlikely there will be a material impact
Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7)	January 1, 2026	Unlikely there will be a material impact
IFRS18 Presentation and Disclosure in Financial Statements	January 1, 2027	Unlikely there will be a material impact
IFRS19 Subsidiaries without Public Accountability: Disclosures	January 1, 2027	Unlikely there will be a material impact

3. MATERIAL ACCOUNTING INFORMATION

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

3.1 Foreign currency translation

a. Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Tanzania Shilling ("TZS) which is the Company's functional currency.

b. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuations where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in profit or loss and other comprehensive income.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in profit or loss within 'finance income or cost'. All other foreign exchange gains and losses are presented in profit or loss within 'other income or expenses.

3.2 Revenue recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is recognized when it has approval and commitment from both parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

Revenue is primarily derived from sale of plant commissioning and maintenance services to customers. Revenue is recognized on a time proportion basis under the contracts.

The five-step model stipulated in IFRS 15 Revenue from contracts with customers is applied when accounting for revenue from contracts with customers. The Company accounts for a revenue contract with a customer only when all the following criteria are met:

- Identify contracts with customers
- Identify the separate performance obligation
- Determine the transaction price of the contract

- Allocate the transaction price to each of the separate performance obligations, and
- Recognise the revenue as each performance obligation is satisfied.

It is probable that the Company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

3.3 Equipment

Property and equipment are stated at historical cost less depreciation. Historical costs include expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is de-recognised. All other repairs and maintenance are charged to the statement of profit or loss in during the financial period in which they are incurred.

Depreciation on items of equipment is calculated using diminishing value method to allocate their cost to the residual values over their estimated useful lives, as follows:

ASSET TYPE	RATE
Office equipment	33.3%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Equipment is reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at each reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are included in profit or loss.

3.4 Trade and other receivables

Trade receivables are amounts due from customers for services performed in the ordinary course of business. If collection is expected in one year or less, they are classified as current assets. If not, they are presented as non-current assets. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method less provision for impairment.

Impairment provisions for trade receivables are recognised based on the simplified approach within IFRS 9 using a provision matrix in the determination of the lifetime expected credit losses.

Other receivables are measured at initial recognition at fair value, and are subsequently measured at amortised cost using the effective interest rate method. Appropriate allowances for estimated irrecoverable amounts are recognised in profit or loss when there is objective evidence that the asset is impaired. Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy or financial reorganisation, and default or delinquency in payments are considered indicators that the trade receivable is impaired.

Prepayments and advances to staff for expenses are not considered as financial assets.

3.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

3.6 Dividends

Dividends on ordinary shares are charged to equity in the period in which they are declared. Proposed dividends are shown as a separate component of equity until declared.

3.7 Income tax

The tax expense for the period comprises current and deferred income tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other

a. Current income tax

The current income tax charge is calculated on the basis of the tax enacted or substantively enacted at the reporting date. The directors periodically evaluate positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

b. Deferred income tax

Deferred income tax is recognised, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit nor loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted at the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

3.8 Employee benefits

a. Retirement benefits obligations

The Company operates a defined benefit scheme for unionized employees. The Company and all its unionized employees also contribute to the National Social Security Fund, which qualifies to be a defined contribution scheme.

A defined contribution plan is a pension plan under which the Company pays contributions to a publicly administered pension plan on mandatory basis. The Company has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods. The contributions are recognized as employee benefit expense when they are due. A defined benefit plan is a retirement benefit plan that is not a defined contribution plan.

b. Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as paid vacation leave and sick leave, bonuses, and non-monetary benefits such as medical

NOTES TO THE FINANCIAL STATEMENTS

care), are recognised in the period in which the service is rendered and are not discounted.

The expected cost of compensated absences is recognised as an expense as the employees render services that increase their entitlement or, in the case of non-accumulating absences, when the absence occurs.

3.9 Share capital

Ordinary shares are recognised at par value and classified as 'share capital' in equity. Any amounts received from the issue of shares in excess of par value is classified as 'share premium' in equity. Dividends are recognised as a liability in the year in which they are declared.

3.10 Trade payables

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

3.11 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Restructuring provisions comprise lease termination penalties and employee termination payments. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognized as interest expense.

3.12 Financial instruments

All financial instruments are initially recognized at fair value, plus, in the case of financial assets and liabilities not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue. Financial instruments are recognized when the Company becomes a party to the contractual arrangements. All regular way transactions are accounted for on trade date. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the market place. In the current year, the Company has adopted IFRS 9 and all financial assets and liabilities were classified at amortized cost; and financial liabilities at amortized cost.

Classification and measurement under IFRS 9

Trade and other receivables and bank balances are initially recognized when they are originated. All other financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. A financial assets or financial liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issued. A trade receivable without a significant financing component is initially measured at the transaction price. On initial recognition, a financial asset is classified as measured at: amortized cost; FVOCI debt investment; FVOCI or FVTPL. The classification depends on the business model applied and the cash flow characteristics of an asset.

Business model: The business model reflects how the Company manages the assets to generate cash flows. That is, whether the Company's objective is solely to collect the contractual cash flows from the assets or is to collect both the contractual cash flows and cash flows arising from the sale of assets, if neither of these is applicable, then the financial assets are classified as part of 'other' business model and measured at FVPL. Factors considered by the Company in determining the business model for assets include past experience on how the cash flows of these assets were collected, how the performance of the assets is evaluated and reported to key management personnel, the risks that affect the performance of the business model (and the financial assets within) and in particular, the way that those risks are managed; and how assets managers are compensated.

Cash flow characteristic of the asset : Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flow and sell, the Company assesses whether the financial instruments' cash flows represent solely payments of principal and interest (the SPPI test). In making this assessment. The Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e., interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement i.e., interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement the related financial asset is classified and measured at FVPL.

Impairment of financial assets

The Company applies the IFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The Company has therefore concluded that the expected loss rates for rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

Impairment of non-financial assets

Intangible assets that have an indefinite useful life or intangible assets not ready to use are not subject to amortization and are tested annually for impairment. Assets that are subject to amortization are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are largely independent cash inflows (cash-generating units). Prior impairments of nonfinancial assets (other than goodwill) are reviewed for possible reversal at each reporting date.

3.13 Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on its financial performance. The Company does not hedge any of its risk exposures.

Financial risk management is carried out by the finance department under policies approved by the Board of Directors.

Market risk

a. Foreign exchange risk

As and when the need arises, the Company enters into transactions denominated in foreign currencies (primarily US dollar). In addition, the Company has financial assets and liabilities denominated in US dollar. As a result, the Company is subject to transaction and translation exposure from fluctuations in foreign currency exchange rates. The effect of foreign currency risk is not significant and therefore management does not hedge against this risk.

b. Price risk

The Company does not hold any financial instruments subject to price risk.

c. Interest rate risk

The Company does not hold any financial instruments subject to interest rate risk.

Credit risk

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions as well as credit exposures to customers, including outstanding receivables and committed transactions. Credit risk is the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company.

Credit risk is managed by the finance department. Credit risk arises from cash at bank and short- term deposits with banks, as well as trade and other receivables.

For banks and financial institutions, only reputable well-established financial institutions are accepted. For trade receivables, the finance department assesses the credit quality of the customer, taking into account its financial position, past experience and other factors. The Company does not grade the credit quality of receivables. Individual risk limits are set based on internal ratings in accordance with limits set by the board. The utilization of credit limits is regularly monitored.

Trade receivables are written off where there is no reasonable expectation of recovery indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the Company.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. Prudent liquidity risk management includes maintaining sufficient cash balances, and the availability of funding from an adequate amount of committed credit facilities.

The Company's approach when managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, without incurring unacceptable losses or risking damage to the Company's reputation.

3.14 Capital risk management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns to shareholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the number of dividends paid to shareholders or issue new shares.

The Company is fully financed by equity as a result it does not monitor capital on the basis of the gearing ratio.

REPORT OF THE DIRECTORS

The Directors of Thermax Engineering Construction FZE ("the Enterprise'') submit their report on the affairs of the Enterprise together with the audited financial statements which have been prepared in line with the International Financial Reporting Standards (IFRS) and the report of the auditors for the year ended 31 March 2025.

INCORPORATION AND ADDRESS

Thermax Engineering Construction FZE was incorporated in Nigeria Export Processing Zone Authority (NEPZA) as an Enterprise in Lekki FZE in 2018. The Enterprise is domiciled in Nigeria and its registered office is:

Dangote Industries Free Zone Development Company, Lekki Free Zone, Lekki Coastal Road, Ibeju-Lekki, Lagos.

PRINCIPAL ACTIVITIES

Thermax Engineering Construction FZE was incorporated on 31 August 2018 to carry on the business of equipments installation, erection and commissioning, providing all technical and supervision services, deputing sub contractors and any other work in relation to and incidental to perform these activities.

OPERATING RESULTS AND DIVIDENDS

The Enterprise's results for the year ended 31 March 2025 are set out on page 3. The total comprehensive income for the year has been transferred to retained earnings. The summarised results are presented below:

	31 March 2025	31 March 2024
	N'000	N'000
Revenue	1,884,472	1,956,076
Profit before tax	(491,976)	1,368,564
Income tax expense	-	-
Profit after tax	**(491,976)**	**1,368,564**

The directors do not propose dividend payment in respect of the year ended 31 March 2025 (2024:Nil)

DIRECTORS

The directors who held office during the year and to the date of this report are given below:

Pravin Karve

Sandeep Mandke

Rajesh Bukinkere

DIRECTORS' SHAREHOLDING

None of the directors have any interest in the shares of the Enterprise as at 31 March 2025 (2024:Nil). According to the register of members as at 31 March 2025, the following is the shareholding structure of Thermax Engineering Construction FZE.

	31 March 2025		31 March 2024	
	Shareholding	Percentage	Shareholding	Percentage
	(units)	%	(units)	%
Thermax Engineering Construction Ltd	30,565,000	100	30,565,000	100
	30,565,000	**100**	**30,565,000**	**100**

DIRECTORS' INTEREST IN CONTRACTS

None of the Directors has notified the Enterprise of any disclosable interest in contracts with which the Enterprise is involved as at 31 March 2025. This is in accordance with the Nigeria Export Processing Zones Authority (NEPZA) Investment Procedures, Regulations and Operational Guidelines.

EVENTS AFTER THE REPORTING DATE

As stated in note 22, there were no material events after the reporting date, which could have had material effects on the state of affairs of the Enterprise as at 31 March 2025 and on the profit for the year ended on that date that have not been taken into accounts in these financial statements.

EMPLOYEE HEALTH, SAFETY AND WELFARE

(a) Health, safety and Welfare at work

The Enterprise places high premium on the health, safety and welfare of its employees in their place of work. In order to protect other persons against risks to health and safety hazards arising out of or in connection with the activities of employees at work, the Enterprise has adopted comprehensive safety policies and procedures and reviews safety facilities on a regular basis.

(b) Employee consultation and training

The Enterprise places considerable value on the involvement of its employees in its affairs and has continued its practice of keeping them informed on matters affecting them as employees and on various factors affecting the performance of the Enterprise. It also ensures that employees receive on-the-job training complemented when and where necessary with additional facilities from educational institutions or other training institutions.

(c) Employment of physically challenged persons

Applications for employment by physically challenged persons are always fully considered, bearing in mind the respective aptitudes and abilities of the applicants concerned. It is the policy of the Company that the training, career development and promotion of physically challenged employees should, as far as possible, be identical with that of other employees. There are no physically challenged persons in its employment during the year (2024: Nil).

DONATIONS AND GIFTS

The Enterprise did not make any donations or gifts to any charitable organisations, political association or for any other purpose in the course of the year under review (2024:Nil).

AUDITORS

During the year, Messrs PricewaterhouseCoopers, independent auditors, resigned as auditors to the Enterprise. Accordingly, BDO Professional Services were appointed as auditors of Thermax Engineering Construction FZE and they have expressed their willingness to continue in office as auditors.

A resolution will be proposed to authorise the directors to fix their remuneration at the next Annual General Meeting.

Date: 30 April 2025

Thermax Engineering Construction FZE

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THERMAX ENGINEERING CONSTRUCTION FZE

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Our opinion

We have audited the financial statements of Thermax Engineering Construction FZE which comprise, the statement of financial position as at 31 March 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity, and statement of cash flows for the year then ended; and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes.

In our opinion the accompanying financial statements give a true and fair view of the financial position of the Enterprise as at 31 March 2025 and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards, issued by International Accounting Standards Board, the provisions of Part 2 Section 10 of Nigeria Export Processing Zones Authpority (NEPZA) Investment Procedures, Regulations and Operational Guidelines for Free Trade Zones, issued in pursuant to section 10(4) of the Nigerian Export Processing Zones Act CAP N 107 LFN, 2004 and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria (Amendment) Act, 2023.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements paragraph of our report. We are independent of the Enterprise in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants together with the ethical requirements that are relevant to our audit of the financial statements in Nigeria, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the International Ethics Standards Board Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The directors are responsible for the other information. The other information comprises Corporate information, Statement of corporate responsibilities and Report of the directors but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material mistatement of this information, we are required to report this fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards issued by the International Accounting Standards Board, and in compliance with the relevant provisions of the Financial Reporting Council of Nigeria (Amendment) Act, 2023 and part 2 section 10 of Nigeria Export Processing Zones Authority (NEPZA) Investment Procedures, Regulations and Operational Guidelines for Free Trade Zones and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Enterprise's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Enterprise or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Enterprise's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Enterprise's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Enterprise to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit, and significant audit findings and any significant deficiencies in internal control that we identify during our audit.

Report on other legal and regulatory requirements

The Investment Procedures, Regulations and Opertaional Guidelines for Free Zones in Nigeria issued pursuant to Section 10(4) of the Nigerian Export Processing Zones Act require that in carrying out our audit we consider and report to you on the following matters. We confirm that:

i) the accounts have been properly prepared in accordance with these Regulations;

ii) the accounts give a true and fair view, in the case of the statement of financial position of the Enterprise, of the state of affairs of the Enterprise at the end of its financial year;

iii) the accounts give a true and fair view, in the case of the statement of profit or loss and other comprehensive income of the Enterprise for the year end.

STATEMENT OF CORPORATE RESPONSIBILITIES

Pursuant to the provisions of the Nigeria Export Processing Zones Authority (NEPZA) Investment Procedures, Regulations and Operational Guidelines, we confirm that we have reviewed the financial statements of the Enterprise for the year ended 31 March 2025.

We acknowledge our responsibility for establishing and maintaining internal controls within the Enterprise and have designed such internal controls to ensure that material information relating to the Enterprise is made known to us by other officers of the Enterprise, particularly during the period in which the financial statements were prepared.

We have evaluated the effectiveness of the Enterprise's internal controls within 90 days prior to the date of our financial statements, and certify that the Enterprise's internal controls are effective as of that date.

We also confirm that the Enterprise's Auditor have been informed about the following:

a) all significant deficiencies in the design or operation of internal controls which could adversely affect the Enterprise's ability to record, process, summarise and report financial data, and

b) whether or not, there is any fraud that involves management or other employees who have a significant role in the Enterprise's internal control;

During the year, there were no significant changes in internal controls or in other factors that could significantly affect internal controls subsequent to the date of our evaluation, including any corrective actions with regard to significant deficiencies and material weaknesses.

We hereby certify that based on our knowledge, the financial statements do not contain any untrue statement of material fact or material omission that may make the financial statements misleading and the financial statements fairly presents in all material respects the financial condition and the result of operations of the Enterprise for the year ended 31 March 2025.

Thermax Engineering Construction FZE

1 General information

Thermax Engineering Construction FZE was incorporated in Nigeria Export Processing Zones Authority (NEPZA) as an Enterprise in Lekki FZE in 2018. The Enterprise is domiciled in Nigeria and its registered address is:

Dangote Industries Free Zone Development Company, Lekki Free Zone, Lekki Coastal Road, Ibeju-Lekki, Lagos.

1.1 Principal Activities

Thermax Engineering Construction FZE was incorporated on 31 August 2018 to carry on the business of equipment installation, erection and commissioning, providing all technical and supervision services, deputing sub contractors and any other work in relation to and incidental to perform these activities.

2 Basis of preparation

(a) Statement of compliance with International Financial Reporting Standards

The financial statements of Thermax Engineering Construction FZE have been prepared in accordance with International Financial Reporting Standards (IFRS) and interpretations issued by the IFRS Interpretations Committee (IRFS IC) applicable to companies reporting under IFRS. The financial statements comply with IFRS as issued by the International Accounting Standards Board (IASB), the Nigeria Export Processing Zones Authority (NEPZA) Investment Procedures, Regulations and Operational Guidelines for Free Trade Zones and the requirements of the Financial Reporting Council of Nigeria (Amendment) Act, 2023.

These financial statements were authorised for issue by the Board of Directors on 30 April 2025.

(b) Basis of measurement

The financial statements comprise the statement of profit or loss and other comprehensive income, the statement of financial position, the statement of changes in equity, the statement of cash flows and notes to the financial statements.

The financial statements have been prepared in accordance with the going concern principle under the historical cost except for financial assets which are measured at fair value.

(c) Functional and presentation currency

The Enterprise's functional currency is the US Dollar while its presentation currency is the Nigerian naira. The financial statements are presented in Nigerian Naira and have been rounded up to the nearest thousand except where otherwise stated.

(d) Use of estimates and judgement

The preparation of the financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Enterprise's accounting policies. Changes in assumptions may have a significant impact on the financial statements in the period the assupmtions changed. Management believes that the underlying assumptions are appropriate and that the Enterprise's financial statements therefore present the financial position and results fairly. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 4.

3 New standards, interpretations and amendments

(a) New standards, interpretations and amendments adopted from 1 January 2024

The following amendments are effective for the period beginning 1 January 2024:

- Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7);
- Lease Liability in a Sale and Leaseback (Amendments to IFRS 16);
- Classification of Liabilites as Current or Non-Current (Amendments to IAS 1); and
- Non-current Liabilities with Covenants (Amendments to IAS 1).

These amendments to various IFRS Accounting Standards are mandatorily effective for reporting periods beginning on or after 1 January 2024.

Supplier Finance Arrangements (Amendments to IAS 7 & IFRS 7)

On 25 May 2023, the IASB issued Supplier Finance Arrangements, which amended IAS 7 Statement of Cash Flows and IFRS 7 Financial Instruments:Disclosures.

The amendments require entities to provide certain specific disclosures (qualitative and quantitative) related to supplier finance arrangements. The amendments also provide guidance on characteristics of supplier finance arrangements.

These amendments have no effect on the measurement of any items in the financial statements of the Company.

Lease Liability in a Sale and leaseback (Amendments to IFRS 16);

On 22 September 2022, the IASB issued amendments to IFRS 16 — Lease Liability in a Sale and Leaseback (the Amendments).

Prior to the Amendments, IFRS 16 did not contain specific measurement requirements for lease liabilities that may contain variable lease payments arising in a sale and leaseback transaction. In applying the subsequent measurement requirements of lease liabilities to a sale and leaseback transaction, the Amendments require a seller-lessee to determine 'lease payments' or 'revised lease payments' in a way that the seller-lessee would not recognise any amount of the gain or loss that relates to the right of use retained by the seller-lessee.

These amendments had no effect on the financial statements of the Company

Classification of Liabilities as Current or Non-Current and Non-current Liabilities with Covenants (Amendments to IAS 1)

The IASB issued amendments to IAS 1 in January 2020 Classification of Liabilities as Current or Non-current and subsequently, in October 2022 Non-current Liabilities with Covenants.The amendments clarify the following:

- An entity's right to defer settlement of a liability for at least twelve months after the reporting period must have substance and must exist at the end of the reporting period.
- If an entity's right to defer settlement of a liability is subject to covenants, such covenants affect whether that right exists at the end of the reporting period only if the entity is required to comply with the covenant on or before the end of the reporting period.
- The classification of a liability as current or non-current is unaffected by the likelihood that the entity will exercise its right to defer settlement.
- In case of a liability that can be settled, at the option of the counterparty, by the transfer of the entity's own equity instruments, such settlement terms do not affect the classification of the liability as current or non-current only if the option is classified as an equity instrument.

These amendments have no effect on the measurement of any items in the financial statements of the Company.

(b) New standards, interpretations and amendments not yet effective

There are a number of standards, amendments to standards, and interpretations which have been issued by the IASB that are effective in future accounting periods that the Company has decided not to adopt early.

The following amendments are effective for the annual reporting period beginning 1 January 2025:

- Lack of Exchangeability (Amendment to IAS 21 the Cfects of Changes in Foreign Exchange Rates);

The following amendments are effective for the annual reporting period beginning 1 January 2026:

- Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 Financial instruments and IFRS 7)
- Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7)

The following standards and amendments are effective for the annual reporting period beginning 1 January 2027:

- IFRS 18 Presentation and Disclosure in Financial Statements
- IFRS 19 Subsidiaries without Public Accountability:Disclosures.

The Company is currently assessing the effect of these new accounting standards and amendments.

IFRS 18 Presentation and Disclosure in Financial Statements, which was issued by the IASB in April 2024 supersedes IAS 1 and will result in major consequential amendments to IFRS Accounting Standards including IAS 8 Basis of Preparation of Financial Statements (renamed from Accounting Policies, Changes in Accounting Estimates and Errors). Even though IFRS 18 will not have any effect on the recognition and measurement of items in the financial statements, it is expected to have a significant effect on the presentation and disclosure of certain items.

These changes include categorisation and sub-totals in the statement of profit or loss, aggregation/disaggregation and labelling of information, and disclosure of management-defined performance measures.

The Company does not expect to be eligible to apply IFRS 19.

4 Critical accounting estimates and judgements

The Enterprise makes certain estimates and assumptions regarding the future. Estimates and judgements are continually evaluated based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. In the future, actual experience may differ from these estimates and assumptions. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

i) Accounts receivable

The Enterprise regularly evaluates trade receivables to determine their fair value. They are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate method. The normal credit term is 70-90days upon delivery. The carrying amount is reduced by the amount of provision, which is recognised as part of operating expenses.

ii) Legal proceedings

The Enterprise reviews outstanding legal cases following developments in the legal proceedings at each reporting date, in order to assess the need for provisions and disclosures in its financial statements. Among the factors considered in making decisions on provisions are the nature of litigation, claim or assessment, the legal process and potential level of damages in the jurisdiction in which the litigation, claim or assessment has been brought, the progress of the case (including the progress after the date of the financial statements but before those financial statements are issued), the opinions or views of legal advisers, experience on similar cases and any decision of the Enterprise's management as to how it will respond to the litigation, claims or assessment.

5 Summary of significant accounting policies

The accounting policies set out below have been applied consistently to all years presented in these financial statements

a) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable for goods or services stated net of value added taxes (VAT). Sale of services are recognised in the period in which the costs incurred in providing the services are recognised.

A valid contract is recognised after:

- The contract is approved by the parties.
- Rights and obligations are recognised.
- Collectability is probable.
- The contract has commercial substance.
- The payment terms and consideration are identifiable.

The probability that a customer would make payment is acsertained based on the evaluation done on the customer as stated in the credit management policy at the inception of the contract. The Enterprise is the principal in all its revenue arrangement since it is the primary obligor in most of the revenue arrangements, and determines the pricing for the goods and services.

b) Other income

These comprise exchange gain on conversion of foreign currencies, profit on disposal of property, plant and equipment and any other income arising outside the Company's principal activities.

c) Operating expenses

Operating expenses are recognised as they accrue during the course of the year. Analysis of expenses recognised in the statement of comprehensive income is presented in classification based on the function of the expenses as this provides information that is reliable and more relevant than their nature.

d) Employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave that are expected to be sttled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

e) Financial instruments

Financial instruments which are financial assets and liabilities are recognised when the Enterprise becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the rights to receive cash flows from the assets have expired or have been transferred and Thermax Engineering Construction FZE has transferred substantially all risks and rewards of ownership. Financial liabilities are derecognized when the obligation specified in the contract is discharged, cancelled or expires.

Management determines the classification of its financial instruments at initial recognition.

i) Financial assets

The Company does not have any financial assets accounted for on the basis of fair value through profit or loss or through other comprehensive income.

Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Trade receivables

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. They are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate method. The normal credit term is 7-90 days upon delivery. The Enterprise has applied the simplified approach for trade and other receivables upon the adoption of IFRS 9 and follows an Expected Credit Losses ('ECLs') approach for measuring the allowance of its trade receivables. The expected loss rate is assessed on the basis of historical credit losses of 36 months before 31 March 2025 and adjusted to reflect current and forward-looking information. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Enterprise expects to receive. The carrying amount of the receivable is reduced by the amount of the provision, which is recognised as part of operating expenses.

If a trade receivable ultimately becomes uncollectible, it is written off initially against any provision made in respect of that receivable with any excess recognised as part of operating expenses. Subsequent recoveries of amounts previously written off or provisions no longer required are credited against operating expenses. Loans are initially recognised at the fair value net of transaction costs incurred. After initial recognition, all interest-bearing loans are subsequently measured at amortised cost. Amortised cost is calculated using the effective interest rate method whereby any discount, premium or transaction costs associated with a loan are amortised to the income statement over the borrowing period.

Other recivables

These amounts generally arise from transactions outside the usual operating activities of the Company. They are usually recognised at amortised cost.

Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include deposits with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

ii) Financial liabilities

The Company classifies its financial liabilities as financial liabilities measured at amortised cost. The classification depends on the purpose for which the liabilities were incurred.

Financial liabilities are subsequently stated at amortised cost and any difference between net proceeds and the redemption value is recognised in the income statement using the effective interest method.

Trade payables

These amounts represent liabilities for goods and services provided to the group prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Other financial liabilities

Other financial liabilities include due to related parties, trade payables and other short-term monetary liabilities, which are initially recognised at fair value and subsequently carried at amortised cost using the effective interest method. For the purposes of each financial liability, interest expense includes initial transaction costs and any premium payable on redemption, as well as any interest or coupon payable while the liability is outstanding.

Offsetting financial assets and financial liabilities

TEnterprise offsets financial assets and financial liabilities to the net amount reported in the balance sheet when it currently has a legally enforceable right to offset the recognised amounts and it intends to settle on a net basis or to realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Enterprise or the counterparty.

Impairment of financial assets

The Enterprise assesses at the end of each reporting period whether there is objective evidence that a financial asset or group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

f) Provisions

Provisions are recognised when the Enterprise has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation.

Where the Enterprise expects a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognised as a separate asset only when such reimbursement is virtually certain. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

g) Share capital

Financial instruments issued by the Company are classified as equity only to the extent that they do not meet the definition of a financial liability or financial asset. The Company's ordinary shares are classified as equity instruments. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital accounts.

h) Related party transactions

Related parties include the related companies, the directors and any employee who is able to exert significant influence on the operating policies of the company. Key management personnel are also considered related parties. Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

The Enterprise considers two parties to be related if, directly or indirectly one party has the ability to control the other party or exercise significant influence over the other party in making financial or operating decisions. Where there are related party transactions with the Enterprise, the transactions are disclosed as to the type of relationship that exists with the company and the outstanding balances necessary to understand their effects on the financial position and the mode of settlement.

i) Retained earnings

This represents amount set aside out of profits of the Enterprise which shall at the discretion of the directors be applied to meeting contingencies, repairs or maintenance of any works connected with the

business of the Enterprise, for equalising dividends, for special dividend or bonus, or such other purposes for which the profits of the Company may lawfully be applied.

j) Dividends

Dividends on ordinary shares are recognised as a liability and deducted from equity when they are approved by the Enterprise's shareholders. Interim dividends are deducted from equity when they are declared and no longer at the discretion of the Enterprise. Dividends for the year that are approved after the statement of financial position date are disclosed as an event after the statement of financial position date.

k) Foreign currency translation

i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Enterprise's functional currency is the US Dollar while its presentation currency is the Nigerian naira. The financial statements are presented in Nigerian Naira and have been rounded up to the nearest thousand except where otherwise stated.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuations where items are re-measured. Foreign exchange gains and losses resulting from the settlement of foreign currency transactions, and from translation of monetary assets and liabilities denominated in currencies other than the entity's functional currency at year end exchange rates, are recognized in the income statement.

The Company presents its financial statements in the Nigerian Naira ("N") in compliance with the legal requirement for Nigerian companies to present their accounts in Nigerian Naira. The financial statements are translated to the presentation curency using the closing rate. Exchange differences arising out of this translation from the functional currency to presentation currency are classified as a cumulative translation adjustment and recorded against equity in the Company's statement of finacial position through statement of other comprehensive income.

In translating US Dollar balances to Naira, the following exchange rates were used :

2025 Year-end N1,536.32/US$1 ; average for the year N1,487.93/US$1

2024 Year-end N1,330.26/US$1 ; average for the year N856.03/US$1

iii) Comparatives

Except when a standard or an interpretation permits or requires otherwise, all amounts are reported or disclosed with comparative information.

6 Financial risk management

The Enterprise's activities expose it to financial risk- credit risk, liquidity risk and market risk. Risk management is carried out by management, management identifies and evaluates the financial risks in co-operation with the Enterprise's operating units and; provides written principles for overall risk management, as well as written policies covering specific areas. The Enterprise's overall risk management program seeks to minimize potential adverse effects on the Enterprise's financial performance.

6.1 Credit risk management

Credit risk is the risk that financial loss arises from the failure of a counterparty to meet its obligations under a contract. Credit risk arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposures to customers, including outstanding receivables and committed transactions.

The balances exposed to credit risk are disclosed below

	31 March 2025	31 March 2024
	N'000	N'000
Trade and other receivables (note 12)	3,486,104	3,147,898
Cash and cash equivalents (note 13)	52,821	274,016
Financial assets bearing credit risk	**3,538,925**	**3,421,914**

Below is the breakdown of trade and other receivables that are neither past due nor impaired and past due but not impaired

	March 31, 2025	March 31, 2024
	N'000	N'000
Neither past due nor impaired:		
Trade receivables	3,334,008	3,016,202
Due from related parties (note 20(a))	152,096	131,696
	3,486,104	**3,147,898**

Impairment of financial assets

The Enterprise's financial assets that are subject to IFRS 9's new expected credit loss model are as follows:

- Trade receivables
- Amount due from related parties and;
- Cash and cash equivalents

While cash and cash equivalents are also subject to the impairment requirements of IFRS 9, there is no identified impairment loss.

Trade receivables

The Enterprise applies the simplified approach in measuring the expected crdeit loss (ECL) which calculates a lifetime expected loss allowance (ECL) for all trade receivables. Trade receivables represent the amount receivable from customers for the sale of goods in the ordinary course of business. The expected credit loss for trade receivables is determined using a provision matrix approach.

The expected loss rates are as follows:

	Current (not past due)	Less than 12 months past due	More than 12 months past due	Total
	N'000	N'000	N'000	N'000
31 March 2025				
Gross carrying amount	338,270	1,730,778	3,812,386	5,881,434
Default rate	0%	0%	62.83%	
Lifetime ECL	-	-	(2,395,330)	(2,395,330)
Net receivables	**338,270**	**1,730,778**	**1,417,056**	**3,486,104**

	Current (not past due)	Less than 12 months past due	More than 12 months past due	Total
	N'000	N'000	N'000	N'000
31 March 2024				
Gross carrying amount*	501,885	2,458,051	524,915	3,484,851
Default rate	0%	0%	64.19%	
Lifetime ECL	-	-	(336,953)	(336,953)
Net trade receivables	**501,885**	**2,458,051**	**187,962**	**3,147,898**

Trade receivables

	March 31, 2025	March 31, 2024
	N'000	N'000
Gross carrying amount as at 1 April	3,484,851	423,923
Opening balance exchange difference	539,811	669,379
Additions during the year	1,916,952	3,122,512
Receipts for the year	(60,180)	(730,963)
Gross carrying amount as at 31 March	**5,881,434**	**3,484,851**

Amounts due from related parties

Trade receivables represent fee income due from related parties for the provision of services in the ordinary course of business. Credit terms for related entities are determined on individual basis and the Enterprise does not require collateral in respect of intercompany receivables.

The Enterprise has applied a general approach in computing the Expected Credit Loss (ECL) for intercompany receivables. The Enterprise allocates each exposure to a credit risk grade based on data that is determined to be predictive of the risk of loss (including audited financial statements, cashtlow projections), applying experienced judgement and historical default rates. Lifetime probabilities of default are determined based on available data which reflects the loss rate of the related party.

	March 31, 2025	March 31, 2024
	N'000	N'000
Gross carrying amount as at 1 April	131,696	45,575
Opening balance exchange difference	20,400	86,121
Gross carrying amount as at 31 March	**152,096**	**131,696**

The credit quality of financial assets that are neither past due nor impaired can be assessed by reference to historical information about counterparty default rates and the credit policy of the Enterprise.

Cash and bank balance fall under neither past due nor impaired.

Fitch ratings of cash and bank balances are:

	March 31, 2025	March 31, 2024
	N'000	N'000
B+	**52,821**	**274,016**

'B' ratings indicate that material default risk is present, but a limited margin of safety remains. Financial commitments are currently being met; however, capacity for continued payment is vulnerable to deterioration in the business and economic environment.

The modifiers "+" or ''-'' may be appended to a rating to denote relative status within major rating categories. This is based on Fitch national long term rating.

6.2 Liquidity risk

6.2.1 Management of liquidity risk

Cash flow forecasting is performed by the finance department. The finance department monitors rolling forecasts ofliquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its borrowing facilities.

The Enterprise evaluates its ability to meet its obligations on an ongoing basis. Based on these evaluations, the Enterprise devises strategies to manage its liquidity risk.

Prudent liquidity risk management implies that sufficient cash is maintained and that sufficient funding is available through an adequate amount of committed credit facilities. The Enterprise has no limitation placed on its borrowing capability.

The table below analyses the Enterprise's financial liabilities into relevant maturity based on the remaining period at the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

At 31 March 2025

	Less than 3 months	Between 3 months and 1 year	Over 1 year	Total
	N'000	N'000	N'000	N'000
Trade payables	-	521,667	-	**521,667**
Accruals, provisions and other liabilities	-	23,389	-	**23,389**
	-	**545,056**	**-**	**545,056**

At 31 March 2024

	Less than 3 months	Between 3 months and 1 year	Over 1 year	Total
	N'000	N'000	N'000	N'000
Trade payables	-	2,52,396	-	**2,52,396**
Accruals, provisions and other liabilities	-	1,23,202	-	**1,23,202**
	-	**3,75,598**	**-**	**3,75,598**

6.3 Market risk

Market risk is the risk of change in the fair value of financial instruments due to changes in interest rates and foreign exchange rates.

6.3.1 Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will be affected by changes in market interest rates. The Enterprise's exposure to interest rate risk relates primarily to a long term borrowing from banks. There are no borrowings as the end of the year (2024: Nil).

6.3.2 Foreign exchange risk

The Enterprise is exposed to foreign exchange risk arising from commercial transactions. There are no balances exposed to exchange risk at the end of the year (2024: Nil).

Sensitivity

The sensitivity analysis for currency rate risk shows how changes in the fair value or future cash flows of a financial instrument will fluctuate because of changes in market rates at the reporting date. There are foreign denominated balances that are exposed to fluctuations in foreign exchangev rates.

The sensitivity of the Emterprise's earnings to fluctuations in exchange rate is reflected by varying the exchange rate as shown below:

	March 31, 2025	March 31, 2024
	N'000	N'000
Impact on account receivable balance		
Increase in US Dollars exchange rate against NGN +20%	1,176,287	696,970
Decrease in US Dollars exchange rate against NGN -20%	(1,176,287)	(696,970)

6.3.3 Price risk

Price risk is the risk that prices of internationalyy traded commodities or equity prices will change. The Enterprise does not trade in quoted securities and commodities.

6.4 Capital risk management

The Enterprise's objectives when managing capital are to safeguard its ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders, and to maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Enterprise may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the Enterprise monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided

by total capital. Net debt is calculated as total borrowings (including 'current and non-current borrowings' as shown in the balance sheet) less cash and cash equivalents. Total capital is calculated as 'equity' as shown in the statement of financial position plus net debt. However, the Enterprise does not currently have any borrowings.

Fair value hierarchy

IFRS 13 requires the Enterprise to classify the fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. A description of the fair value hierarchy is detailed below:

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices).

Level 3 Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

All the Enterprise's financial assets and liabilities are measured at the amortised cost. The fair value are within level 2 of the fair value hierarchy.

Financial instruments by category

Financial assets and liabilities have been classified into categories that determine their basis of measurement and for items measured at fair value.

(i) Financial assets classified as loans and receivables

The carrying value of the Enterprise's financial assets as at 31 March 2025 is the same as its fair value.

(ii) Financial liabilities carried at amortised cost

The carrying value of the Enterprise's financial liabilities as at 31 March 2025 is the same as its fair value.

7 Revenue

Thermax Engineering Construction FZE revenue comprise management, supervision and commissioning fee, etc earned from contract services provided by the Enterprise to its customer.

	March 31, 2025	March 31, 2024

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Thermax (Thailand) Limited

Opinion

I have audited the financial statements of Thermax (Thailand) Limited (the Company), which comprise the statement of financial position as at March 31, 2025, the statements of income and changes in shareholders' equity for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at March 31, 2025, and its financial performance for the year then ended in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities.

Basis for Opinion

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Company in accordance with the Code of Ethics for Professional Accountants including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Thai Financial Reporting Standards for Non-Publicly Accountable Entities, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

THERMAX (THAILAND) LIMITED

Notes to financial statements - March 31, 2025

1. General information

Thermax (Thailand) Limited was incorporated as a limited company under Thai laws on March 9, 2020.

Its majority shareholder is Thermax Engineering Singapore Pte Ltd., a company incorporated in Singapore.

The Company operates its business in Thailand engaged in providing marketing and sale support services to affiliated and group companies, advisory services on business operations and engineering and technical services related to energy and environmental business.

The Company's registered address is at 43 Thai CC Tower, 24th Floor, Room No.245, South Sathorn, Yannawa Sub-District, Sathorn District, Bangkok.

2. Basis of preparation

The financial statements have been prepared in accordance with Thai Financial Reporting Standard for Non-Publicly Accountable Entities (Revised 2022) as issued by the Federation of Accounting Professions and their presentation has been made in compliance with the stipulations announced by the Department of Business Development regarding "The Brief Particulars in the Financial Statements B.E. 2566" dated 27 October 2023, issued under the Accounting Act B.E. 2543.

The financial statements have been prepared on a historical cost basis except where otherwise disclosed in the accounting policies.

The preparation of financial statements in conformity with Thai Financial Reporting Standard for Non-Publicly Accountable Entities requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the related amounts of revenues and expenses during the reported period. Although these estimates are based on management's best knowledge of current events and actions, actual results may differ from those estimates.

The financial statements issued for Thai reporting purposes are prepared in the Thai language. This English translation of the financial statements has been prepared for the convenience of readers not conversant with the Thai language.

Comparative figures have been reclassified to conform with changes in presentation in the current year.

3. Significant accounting policies

3.1 Cash and cash equivalents

Cash and cash equivalents consist of cash in hand, cash at banks, and all highly liquid investments with an original maturity of three months or less and not subject to withdrawal restrictions.

3.2 Trade accounts receivable

Trade accounts receivable are carried at original invoice amount and subsequent measure at the remaining amount less allowance for doubtful accounts based on a review of all outstanding amounts at year end. The amount of the allowance is the difference between the carrying amount of the receivables and the amount expected to be collectible. Bad debts are written off during the year in which they are identified and recognised in the statements of income.

3.3 Equipment

Equipment are stated at historical cost less accumulated depreciation and losses on decline in value (if any).

Depreciation is calculated so as to write - off the cost of the assets on a straight-line basis over the expected useful lives of the assets concerned as follows:

Description	%
Furniture and fixtures	20
Office equipment	20

No depreciation provided on land and assets under construction and installation.

3.4 Losses on decline in value

The carrying amounts of the Company's assets are reviewed at each reporting date to determine whether there is any indication of a permanent decline in value. If any such indication exists, the assets' recoverable amounts are estimated. A loss on decline in value is recognised in the statement of income.

3.5 Provisions

Provisions, are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

3.6 Employee benefits

Short-term employee benefits

Salaries, wages, bonuses, contributions to the social security fund and other benefits are recognised as expenses when incurred.

Defined benefit plans

The Company has obligations in respect of the severance payments they must make to employees upon retirement under labor law. The Company treats these severance payment obligations as a defined benefit plan.

Obligations for retired benefits and other long-term employee benefits are recognised using the best estimate method at the reporting date.

3.7 Operating Lease

Leases of assets under which a significant portion of the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the statement of income on a straight-line basis over the lease term.

3.8 Foreign currencies

Transactions during the year denominated in foreign currencies are translated into Thai Baht at the exchange rates ruling when the transactions were entered into. Monetary assets and liabilities denominated in foreign currencies are translated into Thai Baht at the exchange rates ruling at the statements of financial position date. Exchange gains or losses are included in the statements of income.

3.9 Related parties transactions

Enterprises and individuals that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the Company, including holding companies, subsidiaries and fellow subsidiaries are related parties of the Company. Associates and individuals owning, directly or indirectly, an interest in the voting power of the Company that gives them significant influence over the enterprise, key management personnel, including directors and officers of the Company and close members of the family of these individuals and companies associated with these individuals also constitute related parties.

In considering each possible related party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

3.10 Revenues and expenses recognition

Service income, excluding value add tax, is recognized when service have been rendered taking into account the stage of completion.

Other income and expenses are recognised on the accrual basis.

3.11 Income tax

Income tax is provided in the accounts at the amount expected to be paid to the taxation authorities, based on taxable profits determined in accordance with tax legislation.
