- During earlier years, the Group had received demand notices from the Excise department covering period from July 2000 till June 2017 for Rs. 1,385.47 crore. These demands are of excise duty payable on inclusion of the cost of bought out items in the assessable value of certain products manufactured, though such duty paid bought out items are directly dispatched by the manufacturers thereof to the ultimate customer, without being received in the factories. The Group had filed an appeal against the same before CESTAT, Mumbai which was allowed in favour of the Group during FY 22-23.

2. This Statement, which is the responsibility of the Holding Company’s Management and has been approved by the Holding Company’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.  
  
We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

1. We have reviewed the unaudited standalone financial results of Thermax Limited (the “Company”) for the quarter ended September 30, 2025 and the year to date results for the period April 1, 2025 to September 30, 2025, which are included in the accompanying Statement of Unaudited Standalone Financial Results for the quarter and half year ended September 30, 2025, the Unaudited Standalone Statement of Asset and Liabilities as on that date and the Unaudited Standalone Statement of Cash Flows for the half year ended on that date (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”), which has been initiated by us for identification purposes. This Statement, which is the responsibility of the Company’s Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

## **Thermax Group registers order book growth of 6%**

**Pune, November 11, 2025**

Thermax, a trusted partner in energy transition and a leading provider of energy and environment solutions, today announced its FY'26 Q2 results. The company recorded a consolidated operating revenue of Rs. 2,474 crore in the second quarter of FY 2025-26, a 5% decrease as compared to Rs. 2,616 crore in the corresponding quarter of the previous fiscal year. The Company's consolidated profit after tax (PAT) is Rs. 119 crore (Rs. 198 crore), a decrease of 40% over Q2 of FY'25. The profit before tax (PBT) is Rs. 174 crore (Rs. 266 crore), down by 35%. The revenue and profit for the corresponding quarter of the previous year were positively impacted by an accrual of Rs. 66 crore recognised as income towards incentives receivable under the Packaged Incentive Scheme (PSI), 2007, from the Government of Maharashtra. The lower profit for the quarter is due to project cost overruns in the Industrial Infra segment, including Rs. 42 crore of additional cost provisions, mainly for one project.

As of September 30, 2025, the order balance for the quarter was Rs. 12,300 crore (Rs. 11,593 crore), up by 6% from the corresponding quarter of the previous year. The order booking for the quarter stood at Rs. 3,551 crore (Rs. 3,353 crore), up by 6%. One of the Group's subsidiaries, TOESL, has shifted to a rolling 12-month forecast model for its order book this year, replacing the earlier practice of reporting only the first year's revenue from contracts that typically run for 10 years. This change has resulted in an increase of Rs. 197 crore (6%) in the reported order book, with no impact on contracts, revenue recognition, or financial results.

On a standalone basis, Thermax Limited posted an operating revenue of Rs. 1,505 crore during the quarter, a 1% reduction as compared to Rs. 1,523 crore in the corresponding quarter last year. The profit after tax for the quarter stood at Rs. 226 crore (Rs. 108 crore), witnessing a growth of 109%. The profit for the quarter includes dividend income of Rs. 141 crore received from one of the Company's wholly owned subsidiaries, and a cost provision of Rs. 42 crore, mainly for one project.

The order booking for the quarter was higher by 22% at Rs. 1,991 crore (Rs. 1,638 crore) as compared to the previous corresponding quarter. Order balance on September 30, 2025, stood at Rs. 6,981 crore (Rs. 6,424 crore), up by 9%.

Thermax Bioenergy Solutions Private Limited (TBSPL) became a wholly owned subsidiary following Thermax's Share Purchase Agreement with Everenviro Resource Management Private Limited to acquire the remaining 23.03% stake in TBSPL.
